State: KY
Zip: 41465

Comments:

As a former auditor, I find it outrageous that KY Power is trying to dictate the terms of this engagement. They have legal monopoly power and have helped to make life difficult for people by the large rate increases. Additionally, for a legal monopoly to participate in secret negotiations regarding a data center angers me as a taxpayer. This investigation must be done according to compliance guidelines. This is an opportunity for the government to actually do something helpful.
