Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02. Swingline Loans

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender's obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender's failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender's Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. (iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03. Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. would exceed such limitation shall be made as Base Rate Loans.

Section 2.04. Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05. Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may

otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause(A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08. Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06 (c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender (s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the

Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date. The Commitments shall terminate on the Termination Date.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), the Commitment Ratios of the Continuing Lenders shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders in and obligations of the Continuing Lenders in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (to the extent not previously adjusted pursuant to Section 2.20). The right of the Borrower to effect such a termination is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09. Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10. Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11. General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next

preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12. Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13. Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14. Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Domestic Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16. Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable

Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

#### Section 2.17. Taxes.

(a) Payments Net of Certain Taxes. Any and all payments by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17 (a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "Other Taxes").

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this Section 2.17(c). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) Refunds or Credits. If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is

required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; or (C) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender or are effectively connected but are not includible in the Non-U.S. Lender's gross income for United States federal income tax purposes under an income tax treaty to which the United States is a party; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8 ECI, W-8 BEN, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8 BEN, W-8 ECI or W-8 IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18. Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related

Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19. [Reserved.]

Section 2.20. Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

### ARTICLE III LETTERS OF CREDIT

Section 3.01. Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent

hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02. Letters of Credit.

(a) Existing Letters of Credit. On the Effective Date, each Issuing Lender (as defined in the Existing Credit Agreement) that has issued an Existing Letter of Credit shall be deemed, without further action by any party to this Agreement, to have issued such Existing Letter of Credit under this Agreement pursuant to the terms and subject to the conditions of this Article III; provided, that immediately after each Letter of Credit is deemed to have been issued, the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments.

(b) Additional Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any Affiliate of the Borrower (other than PPL Energy Supply, LLC) that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03. Method of Issuance of Additional Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of an Additional Letter of Credit prior to 1:00 P.M. (Charlotte, North Carolina time) on the proposed date of the issuance or extension of Additional Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date.

Section 3.04. Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Additional Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (i) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (ii) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (iii) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (A) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (B) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Additional Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Additional Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Additional Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Additional Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05. Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06. Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07. Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (i) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (ii) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have

been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

**Section 3.08. Duties of Issuing Lenders to Lenders; Reliance.** In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, teletypewriter, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

**Section 3.09. Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings.** If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

**Section 3.10. Funds Received from the Borrower in Respect of Drawn Letters of Credit.** Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

**Section 3.11. Obligations in Respect of Letters of Credit Unconditional.** The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- thereto;
- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
  - (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
  - (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
  - (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;
  - (e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
  - (f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or
  - (g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12. Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13. ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

#### ARTICLE IV CONDITIONS

Section 4.01. Conditions to Closing. The obligation of each Lender to make a Loan or issue a Letter of Credit on the occasion of the first Credit Event hereunder is subject to the satisfaction of the following conditions:

- (a) This Agreement. The Administrative Agent shall have received counterparts hereof signed by each of the parties hereto or, in the case of any party as to which an executed counterpart shall not have been received, receipt by the Administrative Agent in form satisfactory to it of telegraphic, telex, facsimile or other written confirmation from such party of execution of a counterpart hereof by such party) to be held in escrow and to be delivered to the Borrower upon satisfaction of the other conditions set forth in this Section 4.01.
- (b) Notes. On or prior to the Effective Date, the Administrative Agent shall have received a duly executed Note for the account of each Lender requesting delivery of a Note pursuant to Section 2.05.
- (c) Officers' Certificates. The Administrative Agent shall have received a certificate dated the Effective Date signed on behalf of the Borrower by the Chairman of the Board, the President, any Vice President, the Treasurer or the Assistant Treasurer of the Borrower stating that (A) on the Effective Date and after giving effect to the Loans and Letters of Credit being made or issued on the Effective Date, no Default shall have occurred and be continuing and (B) the representations and warranties of the Borrower contained in the Loan Documents are

true and correct on and as of the Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date.

(d) Proceedings. ## ARTICLE VIII THE AGENTS

Section 8.01. Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02. Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04. Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected

in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08. Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09. Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and

duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent shall give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document.

Section 8.10. Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

## ARTICLE IX MISCELLANEOUS

Section 9.01. Notices. Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Any notice shall have been duly given and shall be effective if delivered by hand delivery or sent via electronic mail, telecopy, recognized overnight courier service or certified or registered mail, return receipt requested, or posting on an internet web page, and shall be presumed to be received by a party hereto (i) on the date of delivery if delivered by hand or sent by electronic mail, posting on an internet web page, or telecopy, (ii) on the Business Day following the day on which the same has been delivered prepaid (or on an invoice basis) to a reputable national overnight air courier service or (iii) on the third Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case to the respective parties at the address or telecopy numbers, in the case of the Borrower and the Administrative Agent, set forth below, and, in the case of the Lenders, set forth on signature pages hereto, or at such other address as such party may specify by written notice to the other parties hereto:

Section 9.02. No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03. Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee's own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries, or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04. Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05. Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.11(a), 2.09(b) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06. Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consent shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such

assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this subsection 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08 (b), unless, with respect to any Notes held by such Lender, the requirements of subsection 9.06(c) and this subsection 9.06(e) have been satisfied.

Section 9.07. Governing Law; Submission to Jurisdiction. This Agreement and each Note shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08. Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09. Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10. Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

(b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

(c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.

Section 9.11. WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12. Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender's or Agent's Affiliates and their respective directors, officers, employees and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower's Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a "tombstone" or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13. USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lender Parties"), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the "Borrower Parties"). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15. Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the "Extending Lenders") shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder; provided that,

for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Extending Lenders shall be redetermined based on the Commitments set forth in the Commitment Appendix and the participations of the Extending Lenders in, and the obligations of the Extending Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in the JLA L/C Fronting Sublimits Appendix.

## Form of Note

FOR VALUE RECEIVED, the undersigned, PPL ELECTRIC UTILITIES CORPORATION, a Pennsylvania corporation (the "Borrower"), promises to pay to the order of \_\_\_\_\_ (hereinafter, together with its successors and assigns, called the "Holder"), at the Administrative Agent's Office or such other place as the Holder may designate in writing to the Borrower, the principal sum of \_\_\_\_\_ AND \_\_\_\_\_/100s DOLLARS (\$ \_\_\_\_\_), or, if less, the principal amount of all Loans advanced by the Holder to the Borrower pursuant to the Credit Agreement (as defined below), plus interest as hereinafter provided. Such Loans may be endorsed from time to time on the grid attached hereto, but the failure to make such notations shall not affect the validity of the Borrower's obligation to repay unpaid principal and interest hereunder.

All capitalized terms used herein shall have the meanings ascribed to them in that certain \$300,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement") by and among the Borrower, the lenders party thereto (collectively, the "Lenders") and Wells Fargo Bank, National Association, as administrative agent (the "Administrative Agent") for itself and on behalf of the Lenders and the Issuing Lenders, except to the extent such capitalized terms are otherwise defined or limited herein.

The Borrower shall repay principal outstanding hereunder from time to time, as necessary, in order to comply with the Credit Agreement. All amounts paid by the Borrower shall be applied to the Obligations in such order of application as provided in the Credit Agreement.

A final payment of all principal amounts and other Obligations then outstanding hereunder shall be due and payable on the maturity date provided in the Credit Agreement, or such earlier date as payment of the Loans shall be due, whether by acceleration or otherwise.

The Borrower shall be entitled to borrow, repay, reborrow, continue and convert the Holder's Loans (or portion thereof) hereunder pursuant to the terms and conditions of the Credit Agreement. Prepayment of the principal amount of any Loan may be made as provided in the Credit Agreement.

The Borrower hereby promises to pay interest on the unpaid principal amount hereof as provided in Article II of the Credit Agreement. Interest under this Note shall also be due and payable when this Note shall become due (whether at maturity, by reason of acceleration or otherwise). Overdue principal and, to the extent permitted by law, overdue interest, shall bear interest payable on DEMAND at the default rate as provided in the Credit Agreement.

In no event shall the amount of interest due or payable hereunder exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Holder, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Holder in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Holder not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

All parties now or hereafter liable with respect to this Note, whether the Borrower, any guarantor, endorser or any other Person or entity, hereby waive presentment for payment, demand, notice of non-payment or dishonor, protest and notice of protest.

No delay or omission on the part of the Holder or any holder hereof in exercising its rights under this Note, or delay or omission on the part of the Holder, the Administrative Agent or the Lenders collectively, or any of them, in exercising its or their rights under the Credit Agreement or under any other Loan Document, or course of conduct relating thereto, shall operate as a waiver of such rights or any other right of the Holder or any holder hereof, nor shall any waiver by the Holder, the Administrative Agent, the Required Lenders or the Lenders collectively, or any of them, or any holder hereof, of any such right or rights on any one occasion be deemed a bar to, or waiver of, the same right or rights on any future occasion.

The Borrower promises to pay all reasonable costs of collection, including reasonable attorneys' fees, should this Note be collected by or through an attorney-at-law or under advice therefrom.

This Note evidences the Holder's Loans (or portion thereof) under, and is entitled to the benefits and subject to the terms of, the Credit Agreement, which contains provisions with respect to the acceleration of the maturity of this Note upon the happening of certain stated events, and provisions for prepayment.

This Note shall be governed by and construed in accordance with the internal laws of the State of New York.

Credit Agreement referred to below

Re: PPL Electric Utilities Corporation  
\$300,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen :

We have acted as special counsel to PPL Electric Utilities Corporation, a Pennsylvania corporation (the "Company"), in connection with the negotiation, execution and delivery of the \$300,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Company, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender, and the other Lenders from time to time party thereto (such Revolving Credit Agreement as so amended, the "Agreement"). This letter is being delivered to you at the request of the Company pursuant to Section 4.01(e) of the Agreement.

In preparing this letter, we have reviewed the Agreement[, and the Notes of the Company executed and delivered by the Company on the date hereof (the "Notes"),] and the other documents executed and delivered by the Company in connection with the Agreement. We have also reviewed the Securities Certificates (No. S-2010-2183912 and No. S-2011-2263370) filed by the Company with the Pennsylvania Public Utility Commission ("PUC") in connection with the Agreement, and the Orders of the PUC dated August 18, 2010 and September 22, 2011, registering said Securities Certificates (the "PUC Orders").

Subject to the assumptions, qualifications and other limitations set forth below, it is our opinion that:

1. The Agreement constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms.
2. [The Notes constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms.]
3. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
4. The borrowings under the Agreement and the use of proceeds thereof as contemplated by the Agreement do not violate Regulation U or X of the Board of Governors of the Federal Reserve System.

In rendering our opinions, we have (a) without independent verification, relied, with respect to factual matters, statements and conclusions, on certificates, notifications and statements, whether written or oral, of governmental officials and individuals identified to us as officers and representatives of the Company and on the representations made by the Company in the Agreement and other documents delivered to you in connection therewith and (b) reviewed originals, or copies of such agreements, documents and records as we have considered relevant and necessary as a basis for our opinions. We note that, as counsel to the Company, we do not represent it generally and there may be facts relating to the Company of which we have no knowledge.

We have assumed (a) the accuracy and completeness of all certificates, agreements, documents, records and other materials submitted to us; (b) the authenticity of original certificates, agreements, documents, records and other materials submitted to us; (c) the conformity with the originals of any copies submitted to us; (d) the genuineness of all signatures; (e) the legal capacity of all natural persons; (f) that the Agreement constitutes the valid, legally binding and enforceable agreement of the parties thereto under all applicable law (other than, in the case of the Company, the law of the State of New York); (g) that the Company (i) is duly organized, validly existing and in good standing under the law of its jurisdiction of organization, (ii) has the power to execute and deliver, and to perform its obligations under, the Agreement [and the Notes], (iii) has duly taken or caused to be taken all necessary action to authorize the execution, delivery and performance by it of the Agreement [and the Notes] and (iv) has duly executed and delivered the Agreement [and the Notes]; (h) that the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Agreement and the Notes does not and will not (i) breach or violate (A) its Amended and Restated Articles of Incorporation or Bylaws, (B) any agreement or instrument to which the Company or any of its affiliates is a party or by which the Company or any of its affiliates or any of their respective properties may be bound, (C) any authorization, consent, approval or license (or the like) of, or exemption (or the like) from, or any registration or filing (or the like) with, or report or notice (or the like) to, any governmental unit, agency, commission, department or other authority granted to or otherwise applicable to the Company or any of its affiliates or any of their respective properties (each a "Governmental Approval"), (D) any order, decision, judgment or decree that may be applicable to the Company or any of its affiliates or any of their respective properties, or (E) any law (other than the law of the State of New York and the federal law of the United States), or (ii) require any Governmental Approval (other than the PUC Orders, which we assume to have been duly granted and to remain full force and effect); (h) that the Company is engaged only in the businesses described in its Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission; (i) that there are no agreements, understandings or negotiations between the parties not set forth in the Agreement that would modify the terms thereof or the rights and obligations of the parties thereunder; and (j) for purposes of our opinion in paragraph 1 as it relates to the choice-of-law provisions in the Agreement, that the choice of law of the State of New York as the governing law of the Agreement would not result in a violation of an important public policy of another state or country having

greater contacts with the transactions contemplated by the agreement than the State of New York.

Our opinions are subject to and limited by the effect of (a) applicable bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, receivership, conservatorship, arrangement, moratorium and other similar laws affecting and relating to the rights of creditors generally; (b) general equitable principles; (c) requirements of reasonableness, good faith, fair dealing and materiality; (d) Article 9 of the Uniform Commercial Code regarding restrictions on assignment or transfer of rights; and (e) additionally in the case of (i) indemnities, a requirement that facts, known to the indemnitee but not the indemnitor, in existence at the time the indemnity becomes effective that would entitle the indemnitee to indemnification be disclosed to the indemnitor, and a requirement that an indemnity provision will not be read to impose obligations upon indemnitors which are neither disclosed at the time of its execution nor reasonably within the scope of its terms and overall intention of the parties at the time of its making, (ii) waivers, Sections 9-602 and 9-603 of the Uniform Commercial Code, and (iii) indemnities, waivers and exculpatory provisions, public policy.

We express no opinion with respect to the following sections of the Agreement: (i) Section 9.02 (cumulative remedies), (ii) provisions relating to rules of evidence or quantum of proof, (iii) Section 9.07 (submission to jurisdiction and waiver of inconvenient forum), insofar as such sections relate to federal courts (except as to the personal jurisdiction thereof), and (choice of venue, i.e., requiring actions to be commenced in a particular court in a particular jurisdiction), and (iv) Section 9.11 (waiver of jury trial), insofar as such section is sought to be enforced in a federal court.

We express no opinion as to the law of any jurisdiction other than the law of the State of New York and the federal law of the United States of America, and in each case, only such law that in our experience is normally applicable to transactions of the type contemplated by the Agreement and excluding (i) any law that is part of a regulatory regime applicable to specific assets or businesses of the lenders and (ii) the statutes and ordinances, the administrative decisions, and the rules and regulations of counties, towns, municipalities and special political subdivisions.

This letter speaks only as of the date hereof. We have no responsibility or obligation to update this letter or to take into account changes in law or facts or any other development of which we may later become aware.

This letter is delivered by us as special counsel for the Company solely for your benefit in connection with the transaction referred to herein and may not be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person or entity without our prior written consent.

Very truly yours,

Credit Agreement referred to below

Re: \$300,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

I am Senior Counsel of PPL Services Corporation, an affiliate of PPL Electric Utilities Corporation (the "Borrower"), and have acted as counsel to the Borrower in connection with the \$300,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 among the Borrower, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender and the Lenders party thereto from time to time (the "Agreement"). Capitalized terms used but not defined herein have the meanings assigned to such terms in the Agreement.

I am familiar with the Agreement, the Notes of the Borrower executed and delivered by the Borrower on the date hereof (the "Notes"), and other documents executed and delivered by the Borrower in connection with the Agreement. I also have examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to render this opinion. I have assumed that the Agreement and instruments referred to in this opinion have been duly authorized, executed and delivered by all parties thereto other than the Borrower.

Based on the foregoing, I am of the opinion that:

1. The Borrower is duly incorporated, validly existing and in good standing under the laws of the Commonwealth of Pennsylvania and has the corporate power to make and perform the Agreement [and the Notes].

2. The execution, delivery and performance by the Borrower of the Agreement [and the Notes] have been duly authorized by the Borrower and do not violate any provision of law or regulation, or any decree, order, writ or judgment applicable to the Borrower, or any provision of the Borrower's Amended and Restated Articles of Incorporation or Bylaws, or result in the breach of or constitute a default under any indenture or other agreement or instrument known to me to which the Borrower is a party.

3. [Each of the] [The] Agreement [and the Notes] has been duly executed and delivered by the Borrower and constitutes the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with [its] [their] terms, except to the extent limited by (a) bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles that may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to indemnification, contribution, waivers and exculpatory provisions.

4. Except as disclosed in or contemplated by the Borrower's Annual Report on Form 10-K for the year ended December 31, 2011, or in other reports filed under the Securities Exchange Act of 1934 from January 1, 2012 to the date hereof, or otherwise furnished in writing to the Administrative Agent, no litigation, arbitration or administrative proceeding or inquiry is pending, or to my knowledge, threatened, which, if determined adversely to the Borrower, would materially and adversely affect the ability of the Borrower to perform any of its obligations under the Agreement [or the Notes]. To my knowledge, there is no litigation, arbitration or administrative proceeding pending or threatened that questions the validity of the Agreement [or the Notes].

5. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System.

6. There have not been any "reportable events," as that term is defined in Section 4043 of the Employee Retirement Income Security Act of 1974, as amended, which would result in a material liability of the Borrower.

7. The [ ] Order of the Pennsylvania Public Utility Commission (the "PUC") relating to the Agreement is in full force and effect, and no further authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except such authorizations, consents and approvals as have been obtained prior to the date hereof, which authorizations, consents and approvals are in full force and effect.

This opinion is limited to the laws of the Commonwealth of Pennsylvania, the State of New York and the federal laws of the United States of America.

In rendering its opinion to the addressee hereof, Pillsbury Winthrop Shaw Pittman LLP may rely as to matters of Pennsylvania law addressed herein upon this letter as if it were addressed directly to them. Except as aforesaid, without my prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

Frederick C. Paine

## ARTICLE II THE CREDITS

Section 2.01. Commitments to Lend. Each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Loans to the Borrower pursuant to this Section 2.01 from time to time during the Availability Period in amounts such that its Revolving Outstandings shall not exceed its Commitment; provided, that, immediately after giving effect to each such Revolving Loan, the aggregate principal amount of all outstanding Revolving Loans (after giving effect to any amount requested) shall not exceed the aggregate Commitments less the sum of all outstanding Swingline Loans and Letter of Credit Liabilities. Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02. Swingline Loans.

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Swingline Loan shall be in an aggregate principal amount of \$5,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Swingline Sublimit). Within the foregoing limits, the Borrower may borrow, repay and reborrow Swingline Loans, in each case under this Section 2.02. Each Swingline Loan shall be a Base Rate Loan.

(b) Refunding.

(i) Swingline Loans shall be refunded by the Lenders on demand by the Swingline Lender. Such refundings shall be made by the Lenders in accordance with their respective Commitment Ratios and shall thereafter be reflected as Revolving Loans of the Lenders on the books and records of the Administrative Agent. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay

Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender's obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender's failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender's Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03. Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04. Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05. Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced

by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

Section 2.06. Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount

of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

#### Section 2.07. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

#### Section 2.08. Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make

Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a “Retiring Lender”), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a “Replacement Lender” and, collectively, the “Replacement Lenders”) reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the “Replacement Date”) following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i) (A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any

subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date. The Commitments shall terminate on the Termination Date.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), the Commitment Ratios of the Continuing Lenders shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders in and obligations of the Continuing Lenders in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (to the extent not previously adjusted pursuant to Section 2.20). The right of the Borrower to effect such a termination is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09. Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10. Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11. General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12. Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13. Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14. Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the

Borrower notifies the Administrative Agent at least two (2) Domestic Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16. Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any

event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a “change in law” under this Article II regardless of the date enacted, adopted or issued.

#### Section 2.17. Taxes.

(a) Payments Net of Certain Taxes. Any and all payments by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent that is a “United States person” within the meaning of Section 7701(a)(30) of the Internal Revenue Code, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as “Taxes”). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17(a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, “Other Taxes”).

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this Section 2.17(c). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) Refunds or Credits. If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority

with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a “Non-U.S. Lender”) shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; or (C) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a “10-percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a “controlled foreign corporation” that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender or are effectively connected but are not includible in the Non-U.S. Lender’s gross income for United States federal income tax purposes under an income tax treaty to which the United States is a party; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8 ECI, W-8 BEN, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), “FATCA” shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8 BEN, W-8 ECI or W-8 IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any

Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18. Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19. Increases to the Commitment.

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$500,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of the Issuing Lenders and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lender. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Borrower shall deliver to the Administrative Agent a certificate of the Borrower dated the effective date of the Optional Increase, signed by a Responsible Officer of the Borrower, certifying that: (i) the resolutions adopted by the Borrower approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect and (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase.

Section 2.20. Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related

exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

### ARTICLE III LETTERS OF CREDIT

Section 3.01. Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02. Letters of Credit.

(a) Existing Letters of Credit. On the Effective Date, each Issuing Lender under the Existing Credit Agreement (as defined therein) that has issued an Existing Letter of Credit shall be deemed, without further action by any party to this Agreement, to have issued such Existing Letter of Credit under this Agreement pursuant to the terms and subject to the conditions of this Article III; provided, that immediately after each Letter of Credit is deemed to have been issued, the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments.

(b) Additional Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any Affiliate of the Borrower (other than PPL Electric Utilities Corporation) that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (B) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03. Method of Issuance of Additional Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of an Additional Letter of Credit prior to 1:00 P.M. (Charlotte, North Carolina time) on the proposed date of the issuance or extension of Additional Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date.

Section 3.04. Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Additional Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (i) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (ii) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (iii) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (A) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (B) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Additional Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Additional Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Additional Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Additional Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated

hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05. Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06. Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07. Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (i) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (ii) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08. Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall

first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09. Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10. Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11. Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

(a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;

(b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;

(c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);

(d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or

(g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12. Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13. ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

each of the parties hereto (or, in the case of any party as to which an executed counterpart shall not have been received, receipt by the Administrative Agent in form satisfactory to it of telegraphic, telex, facsimile or other written confirmation from such party of execution of a counterpart hereof by such party) to be held in escrow and to be delivered to the Borrower upon satisfaction of the other conditions set forth in this Section 4.01.

All necessary governmental (domestic or foreign), regulatory and third party approvals, if any, in connection with the transactions contemplated by this Agreement and the other Loan Documents shall have been obtained and remain in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of such transactions; provided, that any such approvals with respect to elections by the Borrower to increase the Commitment as contemplated by Section 2.19 need not be obtained or provided until the Borrower makes any such election.

(h) Payment of Fees. All costs, fees and expenses due to the Administrative Agent, the Joint Lead Arrangers and the Lenders accrued through the Effective Date (including Commitment Fees and Letter of Credit Fees) shall have been paid in full.

(i) Counsel Fees. The Administrative Agent shall have received full payment from the Borrower of the fees and expenses of Davis Polk & Wardwell LLP described in Section 9.03 which are billed through the Effective Date and which have been invoiced one Business Day prior to the Effective Date.

Section 4.02. Conditions to All Credit Events. The obligation of any Lender to make any Loan, and the obligation of any Issuing Lender to issue (or renew or extend the term of) any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) receipt by the Administrative Agent of a Notice of Borrowing as required by Section 2.03, or

(b) the fact that, immediately before and after giving effect to such Credit Event, no Default shall have occurred and be continuing; and

(c) the fact that the representations and warranties of the Borrower contained in this Agreement and the other Loan Documents shall be true and correct on and as of the date of such Credit Event, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date and except for the representations in Section 5.04(c), Section 5.06, Section 5.15 and Section 5.16, which shall be deemed only to relate to the matters referred to therein on and as of the Effective Date.

Each Credit Event under this Agreement shall be deemed to be a representation and warranty by the Borrower on the date of such Credit Event as to the facts specified in clauses (b) and (c) of this Section.

## ARTICLE V REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants that:

Section 5.01. Status. The Borrower is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and has the limited liability company authority to make and perform this Agreement and each other Loan Document to which it is a party.

Section 5.02. Authority; No Conflict. The execution, delivery and performance by the Borrower of this Agreement and each other Loan Document to which it is a party have been duly authorized by all necessary limited liability company action and do not violate (i) any provision of law or regulation, or any decree, order, writ or judgment, (ii) any provision of its limited liability company agreement, or (iii) result in the breach of or constitute a default under any indenture or other agreement or instrument to which the Borrower is a party; provided, that any exercise of the option to increase the Commitment as contemplated in Section 2.19 may require further authorization of the Borrower's Board of Managers.

Section 5.03. Legality; Etc. This Agreement and each other Loan Document (other than the Notes) to which the Borrower is a party constitute the legal, valid and binding obligations of the Borrower, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

Section 5.04. Financial Condition.

(a) Audited Financial Statements. The consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of December 31, 2011 and the related consolidated statements of income and cash flows for the fiscal year then ended, reported on by Ernst & Young, LLP, copies of which have been delivered to each of the Administrative Agent and the Lenders, fairly present, in conformity with GAAP, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

(b) Interim Financial Statements. The unaudited consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of June 30, 2012 and the related unaudited consolidated statements of income and cash flows for the six months then ended fairly present, in conformity with GAAP applied on a basis consistent with the financial statements referred to in subsection (a) of this Section, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such six-month period (subject to normal year-end audit adjustments).

(c) Material Adverse Change. Since December 31, 2011 there has been no change in the business, assets, financial condition or operations of the Borrower and its Consolidated Subsidiaries, considered as a whole, that would materially and adversely affect the Borrower's ability to perform any of its obligations under this Agreement, the

Notes or the other Loan Documents.

Section 5.05. Rights to Properties. The Borrower and its Restricted Subsidiaries have good and valid fee, leasehold, easement or other right, title or interest in or to all the properties necessary to the conduct of their business as conducted on the Effective Date and as then proposed to be conducted, except to the extent the failure to have such rights of interest would not have a Material Adverse Effect.

Section 5.06. Litigation. Except as disclosed in or contemplated by the Borrower's Form 10-K Report to the SEC for the year ended December 31, 2011 or in any subsequent Form 10-K, 10-Q or 8-K Report, no litigation, arbitration or administrative proceeding against the Borrower is pending or, to the Borrower's knowledge, threatened, which would reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or the other Loan Documents. There is no litigation, arbitration or administrative proceeding pending or, to the knowledge of the Borrower, threatened which questions the validity of this Agreement or the other Loan Documents to which it is a party.

Section 5.07. No Violation. No part of the proceeds of the borrowings by hereunder will be used, directly or indirectly by the Borrower for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System, or for any other purpose which violates, or which conflicts with, the provisions of Regulations U or X of said Board of Governors. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any such "margin stock".

Section 5.08. ERISA. Each member of the ERISA Group has fulfilled its obligations under the minimum funding standards of ERISA and the Internal Revenue Code with respect to each Material Plan and is in compliance in all material respects with the presently applicable provisions of ERISA and the Internal Revenue Code with respect to each Material Plan. No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Material Plan, (ii) failed to make any contribution or payment to any Material Plan, or made any amendment to any Material Plan, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code or (iii) incurred any material liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

Section 5.09. Governmental Approvals. No authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance by the Borrower of this Agreement, the Notes and the other Loan Documents to which it is a party, except such authorizations, consents and approvals as shall have been obtained prior to the Effective Date and shall be in full force and effect.

Section 5.10. Investment Company Act. The Borrower is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Section 5.11. Restricted Subsidiaries, Etc. Set forth in Schedule 5.11 hereto is a complete and correct list as of the Effective Date of the Restricted Subsidiaries of the Borrower, together with, for each such Subsidiary, the jurisdiction of organization of such Subsidiary. Except as disclosed in Schedule 5.11 hereto, as of the Effective Date, each such Subsidiary (i) is a Wholly Owned Subsidiary of the Borrower and (ii) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all corporate or other organizational powers to carry on its businesses.

Section 5.12. Tax Returns and Payments. The Borrower and each of its Restricted Subsidiaries has filed or caused to be filed all Federal, state, local and foreign income tax returns required to have been filed by it and has paid or caused to be paid all income taxes shown to be due on such returns except income taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or its Restricted Subsidiaries, as the case may be, shall have set aside on its books appropriate reserves with respect thereto in accordance with GAAP or that would not reasonably be expected to have a Material Adverse Effect.

Section 5.13. Compliance with Laws. To the knowledge of the Borrower or any of its Restricted Subsidiaries, the Borrower and each of its Restricted Subsidiaries is in compliance with all applicable laws, regulations and orders of any Governmental Authority, domestic or foreign, in respect of the conduct of its business and the ownership of its property (including, without limitation, compliance with all applicable ERISA and Environmental Laws and the requirements of any permits issued under such Environmental Laws), except to the extent (a) such compliance is being contested in good faith by appropriate proceedings or (b) non-compliance would not reasonably be expected to materially

and adversely affect its ability to perform any of its obligations under this Agreement, the Notes or any other Loan Document to which it is a party.

Section 5.14. No Default. No Default has occurred and is continuing.

Section 5.15. Environmental Matters.

(a) Except (i) as disclosed in or contemplated by the Borrower's Form 10-K Report to the SEC for the year ended December 31, 2011 or in any subsequent Form 10-K, 10-Q or 8-K Report, or (ii) to the extent that the liabilities of the Borrower and its Subsidiaries, taken as a whole, that relate to or could reasonably be expected to result from the matters referred to in clauses (i) through (iii) of this Section 5.15(a), inclusive, would not reasonably be expected to result in a Material Adverse Effect:

(i) no notice, notification, citation, summons, complaint or order has been received by the Borrower or any of its Subsidiaries, no penalty has been assessed nor is any investigation or review pending or, to the Borrower's or any of its Subsidiaries' knowledge, threatened by any governmental or other entity with respect to any (A) alleged violation by or liability of the Borrower or any of its Subsidiaries of or under any Environmental Law, (B) alleged failure by the Borrower or any of its Subsidiaries to have any environmental permit, certificate, license, approval, registration or authorization required in connection with the conduct of its business or (C) generation, storage, treatment, disposal, transportation or release of Hazardous Substances;

Section 8.02. Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04. Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel

(including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08. Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof),

the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09. Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document.

Section 8.10. Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Section 9.02. No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03. Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, at its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in

connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an “Indemnitee”) and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee’s own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries, or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04. Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05. Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by

the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.11(a), 2.09(b) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06. Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.08 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.08 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an “Assignee”) all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consent shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower’s agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the “Register”) on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower’s obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this subsection 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of subsection 9.06(c) and this subsection 9.06(e) have been satisfied.

Section 9.07. Governing Law; Submission to Jurisdiction. This Agreement and each Note shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the

nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08. Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents, and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09. Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10. Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

(b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

(c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.

(d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word "will" shall be construed to have the same meaning as the word "shall". The term "including" shall be construed to have the same meaning as the phrase "including without limitation".

(e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person's successors and permitted assigns.

(f) Unless the context otherwise requires, whenever any statement is qualified by "to the best

Section 9.11. WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12. Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender’s or Agent’s Affiliates and their respective directors, officers, employees and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower’s Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a “tombstone” or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13. USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the “Lender Parties”), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the “Borrower Parties”). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory

services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15. Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the “**Extending Lenders**”) shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder; provided that, for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Extending Lenders shall be redetermined based on the Commitments set forth in the Commitment Appendix and the participations of the Extending Lenders in, and the obligations of the Extending Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in the JLA L/C Fronting Sublimits Appendix.

## Form of Note

FOR VALUE RECEIVED, the undersigned, PPL ENERGY SUPPLY, LLC, a Delaware limited liability company (the "Borrower"), promises to pay to the order of \_\_\_\_\_ (hereinafter, together with its successors and assigns, called the "Holder"), at the Administrative Agent's Office or such other place as the Holder may designate in writing to the Borrower, the principal sum of \_\_\_\_\_ AND \_\_\_\_\_/100s DOLLARS (\$ \_\_\_\_\_), or, if less, the principal amount of all Loans advanced by the Holder to the Borrower pursuant to the Credit Agreement (as defined below), plus interest as hereinafter provided. Such Loans may be endorsed from time to time on the grid attached hereto, but the failure to make such notations shall not affect the validity of the Borrower's obligation to repay unpaid principal and interest hereunder.

All capitalized terms used herein shall have the meanings ascribed to them in that certain \$3,000,000,000 Amended and Restated Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement") by and among the Borrower, the lenders party thereto (collectively, the "Lenders") and Wells Fargo Bank, National Association, as administrative agent (the "Administrative Agent") for itself and on behalf of the Lenders and the Issuing Lenders, except to the extent such capitalized terms are otherwise defined or limited herein.

The Borrower shall repay principal outstanding hereunder from time to time, as necessary, in order to comply with the Credit Agreement. All amounts paid by the Borrower shall be applied to the Obligations in such order of application as provided in the Credit Agreement.

A final payment of all principal amounts and other Obligations then outstanding hereunder shall be due and payable on the maturity date provided in the Credit Agreement, or such earlier date as payment of the Loans shall be due, whether by acceleration or otherwise.

The Borrower shall be entitled to borrow, repay, reborrow, continue and convert the Holder's Loans (or portion thereof) hereunder pursuant to the terms and conditions of the Credit Agreement. Prepayment of the principal amount of any Loan may be made as provided in the Credit Agreement.

The Borrower hereby promises to pay interest on the unpaid principal amount hereof as provided in Article II of the Credit Agreement. Interest under this Note shall also be due and payable when this Note shall become due (whether at maturity, by reason of acceleration or otherwise). Overdue principal and, to the extent permitted by law, overdue interest, shall bear interest payable on DEMAND at the default rate as provided in the Credit Agreement.

In no event shall the amount of interest due or payable hereunder exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Holder, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Holder in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Holder not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

All parties now or hereafter liable with respect to this Note, whether the Borrower, any guarantor, endorser or any other Person or entity, hereby waive presentment for payment, demand, notice of non-payment or dishonor, protest and notice of protest.

No delay or omission on the part of the Holder or any holder hereof in exercising its rights under this Note, or delay or omission on the part of the Holder, the Administrative Agent or the Lenders collectively, or any of them, in exercising its or their rights under the Credit Agreement or under any other Loan Document, or course of conduct relating thereto, shall operate as a waiver of such rights or any other right of the Holder or any holder hereof, nor shall any waiver by the Holder, the Administrative Agent, the Required Lenders or the Lenders collectively, or any of them, or any holder hereof, of any such right or rights on any one occasion be deemed a bar to, or waiver of, the same right or rights on any future occasion.

The Borrower promises to pay all reasonable costs of collection, including reasonable attorneys' fees, should this

Note be collected by or through an attorney-at-law or under advice therefrom.

This Note evidences the Holder's Loans (or portion thereof) under, and is entitled to the benefits and subject to the terms of, the Credit Agreement, which contains provisions with respect to the acceleration of the maturity of this Note upon the happening of certain stated events, and provisions for prepayment.

This Note shall be governed by and construed in accordance with the internal laws of the State of New York.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

Re: PPL Energy Supply, Corporation  
\$300,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

We have acted as special counsel to PPL Energy Supply, LLC, a Delaware limited liability company (the "Company"), in connection with the negotiation, execution and delivery of the \$3,000,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Company, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender, and the other Lenders from time to time party thereto (such Revolving Credit Agreement as so amended, the "Agreement"). This letter is being delivered to you at the request of the Company pursuant to Section 4.01(e) of the Agreement.

In preparing this letter, we have reviewed the Agreement[, and the Notes of the Company executed and delivered by the Company on the date hereof (the "Notes"),] and the other documents executed and delivered by the Company in connection with the Agreement. In addition, we have reviewed the Certificate of Formation of the Company filed with the office of the Secretary of State of the State of Delaware on November 14, 2000, the Company's limited liability company agreement dated March 20, 2001 and certified by an Assistant Secretary of the Company as of the date hereof, and the records of the Company's proceedings relating to the authorization of the Agreement.

Subject to the assumptions, qualifications and other limitations set forth below, it is our opinion that:

1. The Company is a limited liability company validly existing and, based solely upon a certificate issued by the Secretary of State of the State of Delaware dated November \_\_, 2012, in good standing under the Delaware Limited Liability Company Act.
2. The Company has (a) the limited liability company power to execute and deliver, and to perform its obligations under, the Agreement and (b) duly taken or caused to be taken all necessary limited liability company action to authorize the execution, delivery and performance by it of the Agreement [and the Notes].
3. The Agreement [and the Notes] has[ve] been duly executed and delivered by the Company.
4. The Agreement constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms.
5. [The Notes constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms.]
6. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
7. The borrowings under the Agreement and the use of proceeds thereof as contemplated by the Agreement do not violate Regulation U or X of the Board of Governors of the Federal Reserve System.

In rendering our opinions, we have (a) without independent verification, relied, with respect to factual matters, statements and conclusions, on certificates, notifications and statements, whether written or oral, of governmental officials and individuals identified to us as officers and representatives of the Company and on the representations made by the

Company in the Agreement and other documents delivered to you in connection therewith and (b) reviewed originals, or copies of such agreements, documents and records as we have considered relevant and necessary as a basis for our opinions. [In rendering the opinions set forth in paragraphs 1 through 3 above, we note that any exercise by the Company of the option to increase the Commitments as contemplated in Section 2.19 of the Agreement may require additional authorization by the Company's Board of Managers. We note that, as counsel to the Company, we do not represent it generally and there may be facts relating to the Company of which we have no knowledge.]

We have assumed (a) the accuracy and completeness of all certificates, agreements, documents, records and other materials submitted to us; (b) the authenticity of original certificates, agreements, documents, records and other materials submitted to us; (c) the conformity with the originals of any copies submitted to us; (d) the genuineness of all signatures; (e) the legal capacity of all natural persons; (f) that the Agreement constitutes the valid, legally binding and enforceable agreement of the parties thereto under all applicable law (other than, in the case of the Company, the law of the State of New York); (g) that the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Agreement and the Notes does not and will not (i) breach or violate (A) any agreement or instrument to which the Company or any of its affiliates is a party or by which the Company or any of its affiliates or any of their respective properties may be bound, (B) any authorization, consent, approval or license (or the like) of, or exemption (or the like) from, or any registration or filing (or the like) with, or report or notice (or the like) to, any governmental unit, agency, commission, department or other authority granted to or otherwise applicable to the Company or any of its affiliates or any of their respective properties (each a "Governmental Approval"), (C) any order, decision, judgment or decree that may be applicable to the Company or any of its affiliates or any of their respective properties, or (D) any law (other than the law of the State of New York and the federal law of the United States), or (ii) require any Governmental Approval; (h) that the Company is engaged only in the businesses described in its Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission; (i) that there are no agreements, understandings or negotiations between the parties not set forth in the Agreement that would modify the terms thereof or the rights and obligations of the parties thereunder; and (j) for purposes of our opinion in paragraph 4 as it relates to the choice-of-law provisions in the Agreement, that the choice of law of the State of New York as the governing law of the Agreement would not result in a violation of an important public policy of another state or country having greater contacts with the transactions contemplated by the agreement than the State of New York.

Our opinions are subject to and limited by the effect of (a) applicable bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, receivership, conservatorship, arrangement, moratorium and other similar laws affecting and relating to the rights of creditors generally; (b) general equitable principles; (c) requirements of reasonableness, good faith, fair dealing and materiality; (d) Article 9 of the Uniform Commercial Code regarding restrictions on assignment or transfer of rights; and (e) additionally in the case of (i) indemnities, a requirement that facts, known to the indemnitee but not the indemnitor, in existence at the time the indemnity becomes effective that would entitle the indemnitee to indemnification be disclosed to the indemnitor, and a requirement that an indemnity provision will not be read to impose obligations upon indemnitors which are neither disclosed at the time of its execution nor reasonably within the scope of its terms and overall intention of the parties at the time of its making, (ii) waivers, Sections 9-602 and 9-603 of the Uniform Commercial Code, and (iii) indemnities, waivers and exculpatory provisions, public policy.

We express no opinion with respect to the following sections of the Agreement: (i) Section 9.02 (cumulative remedies), (ii) provisions relating to rules of evidence or quantum of proof, (iii) Section 9.07 (submission to jurisdiction and waiver of inconvenient forum), insofar as such sections relate to federal courts (except as to the personal jurisdiction thereof), and (choice of venue, i.e., requiring actions to be commenced in a particular court in a particular jurisdiction), and (iv) Section 9.11 (waiver of jury trial), insofar as such section is sought to be enforced in a federal court.

We express no opinion as to the law of any jurisdiction other than the law of the State of New York and the federal law of the United States of America, and, with respect to our opinions in paragraphs 1 through 3, the Delaware Limited Liability Company Act, and in each case, only such law that in our experience is normally applicable to transactions of the type contemplated by the Agreement and excluding (i) any law that is part of a regulatory regime applicable to specific assets or businesses of the lenders and (ii) the statutes and ordinances, the administrative decisions, and the rules and regulations of counties, towns, municipalities and special political subdivisions.

This letter speaks only as of the date hereof. We have no responsibility or obligation to update this letter or to take into account changes in law or facts or any other development of which we may later become aware.

This letter is delivered by us as special counsel for the Company solely for your benefit in connection with the transaction

referred to herein and may not be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person or entity without our prior written consent.

Very truly yours,

Re: \$3,000,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

I am Senior Counsel of PPL Services Corporation, an affiliate of PPL Energy Supply, LLC (the "Borrower"), and have acted as counsel to the Borrower in connection with the \$3,000,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 among the Borrower, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender and the other Lenders from time to time party thereto (the "Agreement"). Capitalized terms used but not defined herein have the meaning assigned to such terms in the Agreement.

I am familiar with the Agreement [and the Notes of the Borrower executed and delivered by the Borrower on the date hereof (the "Notes"),] and the other documents executed and delivered by the Borrower in connection with the Agreement. I have also examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to render this opinion. I have assumed that the Agreement and instruments referred to in this opinion have been duly authorized, executed and delivered by all parties thereto other than the Borrower.

Based on the foregoing, I am of the opinion that:

1. The execution, delivery and performance by the Borrower of the Agreement [and the Notes] have been duly authorized by the Borrower and do not violate any provision of law or regulation or any decree, order, writ or judgment applicable to the Borrower, or any provision of its limited liability company agreement, or result in the breach or constitute a default under any indenture or other agreement or instrument known to me to which it is a party.

2. [Each of] the Agreement [and the Notes] has been duly executed and delivered by the Borrower, and constitutes the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except to the extent limited by (a) bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles that may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to indemnification, contribution, waivers and exculpatory provisions.

3. Except as disclosed in or contemplated by the Borrower's Annual Report on Form 10-K for the year ended December 31, 2011, or in other reports filed under the Securities Exchange Act of 1934 from January 1, 2012 to the date hereof, or otherwise furnished in writing to the Administrative Agent, no litigation, arbitration or administrative proceeding or inquiry is pending or, to my knowledge, threatened which, if determined adversely to the Borrower, would materially and adversely affect the ability of the Borrower to perform any of its obligations under the Agreement [or the Notes]. To my knowledge, there is no litigation, arbitration or administrative proceeding pending or threatened that questions the validity of the Agreement [or the Notes].

4. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System.

5. There have not been any "reportable events," as that term is defined in Section 4043 of the Employee Retirement Income Security Act of 1974, as amended, which would result in a material liability of the Borrower.

6. No authorization, consent or approval of any Governmental Authority of the United States of America or the State of New York is required for the execution, delivery or performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except such authorizations, consents and approvals as have been obtained prior to the date hereof, which authorizations, consents and approvals are in full force and effect.

This opinion is limited to the laws of the State of New York, the Delaware Limited Liability Company Act and the federal laws of the United States of America.

Without my prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

Frederick C. Paine

## ARTICLE II THE CREDITS

Section 2.01. Commitments to Lend. Each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Loans to the Borrower pursuant to this Section 2.01 from time to time during the Availability Period in amounts such that its Revolving Outstandings shall not exceed its Commitment; provided, that, immediately after giving effect to each such Revolving Loan, the aggregate principal amount of all outstanding Revolving Loans (after giving effect to any amount requested) shall not exceed the aggregate Commitments less the sum of all outstanding Swingline Loans and Letter of Credit Liabilities. Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02. Swingline Loans

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Swingline Loan shall be in an aggregate principal amount of \$2,000,000 or any larger integral multiple of \$500,000 (except that any such Borrowing may be in the aggregate amount of the unused Swingline Sublimit). Within the foregoing limits, the Borrower may borrow, repay and reborrow Swingline Loans, in each case under this Section 2.02. Each Swingline Loan shall be a Base Rate Loan.

(b) Refunding.

(i) Swingline Loans shall be refunded by the Lenders on demand by the Swingline Lender. Such refundings shall be made by the Lenders in accordance with their respective Commitment Ratios and shall thereafter be reflected as Revolving Loans of the Lenders on the books and records of the Administrative Agent. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender's obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender's failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender's Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03. Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which

would exceed such limitation shall be made as Base Rate Loans.

Section 2.04. Notice to Lenders; Funding of Revolving Loans and Swingline Loans .

(a) Notice to Lenders . Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans . Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b) .

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders . Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several . The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05. Noteless Agreement; Evidence of Indebtedness .

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

Section 2.06. Interest Rates .

(a) Interest Rate Options . The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans . Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may

otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08. Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06 (c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender (s) shall pay:

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the

Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date. The Commitments shall terminate on the Termination Date.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), the Commitment Ratios of the Continuing Lenders shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders in and obligations of the Continuing Lenders in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (to the extent not previously adjusted pursuant to Section 2.20). The right of the Borrower to effect such a termination is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09. Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10. Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11. General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next

preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12. Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13. Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14. Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Domestic Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16. Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable

Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

#### Section 2.17. Taxes.

(a) Payments Net of Certain Taxes. Any and all payments by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17 (a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "Other Taxes").

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this Section 2.17(c). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) Refunds or Credits. If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is

required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; or (C) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender or are effectively connected but are not includible in the Non-U.S. Lender's gross income for United States federal income tax purposes under an income tax treaty to which the United States is a party; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8 ECI, W-8 BEN, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8 BEN, W-8 ECI or W-8 IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18. Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related

Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19. [Reserved.]

Section 2.20. Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

### ARTICLE III LETTERS OF CREDIT

Section 3.01. Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent

hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02. Letters of Credit.

(a) Existing Letters of Credit. On the Effective Date, each Issuing Lender (as defined in the Existing Credit Agreement) that has issued an Existing Letter of Credit shall be deemed, without further action by any party to this Agreement, to have issued such Existing Letter of Credit under this Agreement pursuant to the terms and subject to the conditions of this Article III; provided, that immediately after each Letter of Credit is deemed to have been issued, the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments.

(b) Additional Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any Affiliate of the Borrower (other than PPL Energy Supply, LLC) that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03. Method of Issuance of Additional Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of an Additional Letter of Credit prior to 1:00 P.M. (Charlotte, North Carolina time) on the proposed date of the issuance or extension of Additional Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date.

Section 3.04. Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Additional Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (i) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (ii) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (iii) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (A) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$150,000,000, (B) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Additional Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Additional Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Additional Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Additional Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05. Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06. Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07. Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (i) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (ii) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have

been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08. Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, teletypewriter, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09. Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10. Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11. Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- thereto;
- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
  - (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
  - (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
  - (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;
  - (e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
  - (f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or
  - (g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12. Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13. ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

(h) Payment of Fees. All costs, fees and expenses due to the Administrative Agent, the Joint Lead Arrangers and the Lenders accrued through the Effective Date (including Commitment Fees and Letter of Credit Fees) shall have been paid in full.

Section 4.02. Conditions to All Credit Events. The obligation of any Lender to make any Loan, and the obligation of any Issuing Lender to issue (or renew or extend the term of) any Letter of Credit, is subject to the satisfaction of the following conditions:

(c) the fact that the representations and warranties of the Borrower contained in this Agreement and the other Loan Documents shall be true and correct on and as of the date of such Credit Event, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date and except for the representations in Section 5.04(c), Section 5.05 and Section 5.13, which shall be deemed only to relate to the matters referred to therein on and as of the Effective Date.

Each Credit Event under this Agreement shall be deemed to be a representation and warranty by the Borrower on the date of such Credit Event as to the facts specified in clauses (b) and (c) of this Section.

## ARTICLE V REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants that:

Section 5.01. Status. The Borrower is a corporation duly organized, validly existing and in good standing under the laws of the Commonwealth of Pennsylvania and has the corporate authority to make and perform this Agreement and each other Loan Document to which it is a party.

Section 5.02. Authority; No Conflict. The execution, delivery and performance by the Borrower of this Agreement and each other Loan Document to which it is a party have been duly authorized by all necessary corporate action and do not violate (i) any provision of law or regulation, or any decree, order, writ or judgment, (ii) any provision of its articles of incorporation or bylaws, or (iii) result in the breach of or constitute a default under any indenture or other agreement or instrument to which the Borrower is a party.

Section 5.03. Legality; Etc. This Agreement and each other Loan Document (other than the Notes) to which the Borrower is a party

constitute the legal, valid and binding obligations of the Borrower, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

Section 5.04. Financial Condition.

(a) Audited Financial Statements. The consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of December 31, 2011 and the related consolidated statements of income and cash flows for the fiscal year then ended, reported on by Ernst & Young, LLP, copies of which have been delivered to each of the Administrative Agent and the Lenders, fairly present, in conformity with GAAP, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

(b) Interim Financial Statements. The unaudited consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of June 30, 2012 and the related unaudited consolidated statements of income and cash flows for the six months then ended fairly present, in conformity with GAAP applied on a basis consistent with the financial statements referred to in subsection (a) of this Section, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such six-month period (subject to normal year-end audit adjustments).

(c) Material Adverse Change. Since December 31, 2011 there has been no change in the business, assets, financial condition or operations of the Borrower and its Consolidated Subsidiaries, considered as a whole, that would materially and adversely affect the Borrower's ability to perform any of its obligations under this Agreement, the Notes or the other Loan Documents.

Section 5.05. Litigation. Except as disclosed in or contemplated by the Borrower's Form 10-K Report to the SEC for the year ended December 31, 2011 or in any subsequent Form 10-K, 10-Q or 8-K Report, no litigation, arbitration or administrative proceeding against the Borrower is pending or, to the Borrower's knowledge, threatened, which would reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or the other Loan Documents. There is no litigation, arbitration or administrative proceeding pending or, to the knowledge of the Borrower, threatened which questions the validity of this Agreement or the other Loan Documents to which it is a party.

Section 5.06. No Violation. No part of the proceeds of the borrowings by hereunder will be used, directly or indirectly by the Borrower for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System, or for any other purpose which violates, or which conflicts with, the provisions of Regulations U or X of said Board of Governors. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any such "margin stock".

Section 5.07. ERISA. Each member of the ERISA Group has fulfilled its obligations under the minimum funding standards of ERISA and the Internal Revenue Code with respect to each Material Plan and is in compliance in all material respects with the presently applicable provisions of ERISA and the Internal Revenue Code with respect to each Material Plan. No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Material Plan, (ii) failed to make any contribution or payment to any Material Plan, or made any amendment to any Material Plan, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code or (iii) incurred any material liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

Section 5.08. Governmental Approvals. No authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance by the Borrower of this Agreement, the Notes and the other Loan Documents to which it is a party and except such authorizations, consents and approvals, including, without limitation, the PUC Order, as shall have been obtained prior to the Effective Date and shall be in full force and effect.

Section 5.09. Investment Company Act. The Borrower is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Section 5.10. Tax Returns and Payments. The Borrower has filed or caused to be filed all Federal, state, local and foreign income tax returns required to have been filed by it and has paid or caused to be paid all income taxes shown to be due on such returns except income taxes that are being contested in good faith by appropriate proceedings and for which the Borrower shall have set aside on its books appropriate reserves with respect thereto in accordance with GAAP or that would not reasonably be expected to have a Material Adverse Effect.

Section 5.11. Compliance with Laws. To the knowledge of the Borrower, the Borrower is in compliance with all applicable laws, regulations and orders of any Governmental Authority, domestic or foreign, in respect of the conduct of its business and the ownership of its property (including, without limitation, compliance with all applicable ERISA and Environmental Laws and the requirements of any permits issued under such Environmental Laws), except to the extent (a) such compliance is being contested in good faith by appropriate proceedings or (b) non-compliance would not reasonably be expected to materially and adversely affect its ability to perform any of its obligations under this agreement, the Notes or any other Loan Document to which it is a party.

Section 5.12. No Default. No Default has occurred and is continuing.

Section 5.13. Environmental Matters.

Except for the sale of assets required to be sold to conform with governmental requirements, the Borrower shall not consummate any Asset Sale, if the aggregate net book value of all such Asset Sales consummated during the four calendar quarters immediately preceding any date of determination would exceed 25% of the total assets of the Borrower and its Consolidated Subsidiaries as of the beginning of the Borrower’s most recently ended full fiscal quarter; provided, however, that any such Asset Sale will be disregarded for purposes of the 25% limitation specified above: (a) if any such Asset Sale is in the ordinary course of business of the Borrower (b) if the assets subject to any such Asset Sale are worn out or are no longer useful or necessary in connection with the operation of the businesses of the Borrower; (c) if the assets subject to any such Asset Sale are being transferred to a Wholly Owned Subsidiary of the Borrower; (d) if the proceeds from any such Asset Sale (i) are, within twelve (12) months of such Asset Sale, invested or reinvested by the Borrower in a Permitted Business, (ii) are used by the Borrower to repay Debt of the Borrower, or (iii) are retained by the Borrower; or (e) if, prior to any such Asset Sale, both Rating Agencies confirm the then-current Borrower Ratings after giving effect to any such Asset Sale.

## ARTICLE VIII THE AGENTS

Section 8.01. Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02. Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04. Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected

in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08. Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09. Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and

duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent shall give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document.

Section 8.10. Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Section 9.02. No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03. Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee's own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries, or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04. Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05. Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.11(a), 2.09(b) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06. Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consent shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such

assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this subsection 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08 (b), unless, with respect to any Notes held by such Lender, the requirements of subsection 9.06(c) and this subsection 9.06(e) have been satisfied.

Section 9.07. Governing Law; Submission to Jurisdiction. This Agreement and each Note shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08. Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09. Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10. Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

- (a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.
- (b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.
- (c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.
- (d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word "will"

shall be construed to have the same meaning as the word "shall". The term "including" shall be construed to have the same meaning as the phrase "including without limitation".

(e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person's successors and permitted assigns.

(f) Unless the context otherwise requires, whenever any statement is qualified by "to the best knowledge of" or "known to" (or a similar phrase) any Person that is not a natural person, it is intended to indicate that the senior management of such Person has conducted a commercially reasonable inquiry and investigation prior to making such statement and no member of the senior management of such Person (including managers, in the case of limited liability companies, and general partners, in the case of partnerships) has current actual knowledge of the inaccuracy of such statement.

Section 9.11. WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12. Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender's or Agent's Affiliates and their respective directors, officers, employees and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower's Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a "tombstone" or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13. USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lender Parties"), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the "Borrower Parties"). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15. Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the "**Extending Lenders**") shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder; provided that,

for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Extending Lenders shall be redetermined based on the Commitments set forth in the Commitment Appendix and the participations of the Extending Lenders in, and the obligations of the Extending Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in the JLA L/C Fronting Sublimits Appendix.

FOR VALUE RECEIVED, the undersigned, PPL ELECTRIC UTILITIES CORPORATION, a Pennsylvania corporation (the "Borrower"), promises to pay to the order of \_\_\_\_\_ (hereinafter, together with its successors and assigns, called the "Holder"), at the Administrative Agent's Office or such other place as the Holder may designate in writing to the Borrower, the principal sum of \_\_\_\_\_ AND \_\_\_\_\_/100s DOLLARS (\$ \_\_\_\_\_), or, if less, the principal amount of all Loans advanced by the Holder to the Borrower pursuant to the Credit Agreement (as defined below), plus interest as hereinafter provided. Such Loans may be endorsed from time to time on the grid attached hereto, but the failure to make such notations shall not affect the validity of the Borrower's obligation to repay unpaid principal and interest hereunder.

All capitalized terms used herein shall have the meanings ascribed to them in that certain \$300,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement") by and among the Borrower, the lenders party thereto (collectively, the "Lenders") and Wells Fargo Bank, National Association, as administrative agent (the "Administrative Agent") for itself and on behalf of the Lenders and the Issuing Lenders, except to the extent such capitalized terms are otherwise defined or limited herein.

The Borrower shall repay principal outstanding hereunder from time to time, as necessary, in order to comply with the Credit Agreement. All amounts paid by the Borrower shall be applied to the Obligations in such order of application as provided in the Credit Agreement.

A final payment of all principal amounts and other Obligations then outstanding hereunder shall be due and payable on the maturity date provided in the Credit Agreement, or such earlier date as payment of the Loans shall be due, whether by acceleration or otherwise.

The Borrower shall be entitled to borrow, repay, reborrow, continue and convert the Holder's Loans (or portion thereof) hereunder pursuant to the terms and conditions of the Credit Agreement. Prepayment of the principal amount of any Loan may be made as provided in the Credit Agreement.

The Borrower hereby promises to pay interest on the unpaid principal amount hereof as provided in Article II of the Credit Agreement. Interest under this Note shall also be due and payable when this Note shall become due (whether at maturity, by reason of acceleration or otherwise). Overdue principal and, to the extent permitted by law, overdue interest, shall bear interest payable on DEMAND at the default rate as provided in the Credit Agreement.

In no event shall the amount of interest due or payable hereunder exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Holder, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Holder in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Holder not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

All parties now or hereafter liable with respect to this Note, whether the Borrower, any guarantor, endorser or any other Person or entity, hereby waive presentment for payment, demand, notice of non-payment or dishonor, protest and notice of protest.

No delay or omission on the part of the Holder or any holder hereof in exercising its rights under this Note, or delay or omission on the part of the Holder, the Administrative Agent or the Lenders collectively, or any of them, in exercising its or their rights under the Credit Agreement or under any other Loan Document, or course of conduct relating thereto, shall operate as a waiver of such rights or any other right of the Holder or any holder hereof, nor shall any waiver by the Holder, the Administrative Agent, the Required Lenders or the Lenders collectively, or any of them, or any holder hereof, of any such right or rights on any one occasion be deemed a bar to, or waiver of, the same right or rights on any future occasion.

The Borrower promises to pay all reasonable costs of collection, including reasonable attorneys' fees, should this Note be collected by or through an attorney-at-law or under advice therefrom.

This Note evidences the Holder's Loans (or portion thereof) under, and is entitled to the benefits and subject to the terms of, the Credit Agreement, which contains provisions with respect to the acceleration of the maturity of this Note upon the happening of certain stated events, and provisions for prepayment.

## Forms of Opinions of Counsel for the Borrower

[date]

To the Administrative Agent and  
each of the Lenders party to the Revolving  
Credit Agreement referred to below

Re: PPL Electric Utilities Corporation  
\$300,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen :

We have acted as special counsel to PPL Electric Utilities Corporation, a Pennsylvania corporation (the "Company"), in connection with the negotiation, execution and delivery of the \$300,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Company, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender, and the other Lenders from time to time party thereto (such Revolving Credit Agreement as so amended, the "Agreement"). This letter is being delivered to you at the request of the Company pursuant to Section 4.01(e) of the Agreement.

In preparing this letter, we have reviewed the Agreement[, and the Notes of the Company executed and delivered by the Company on the date hereof (the "Notes"),] and the other documents executed and delivered by the Company in connection with the Agreement. We have also reviewed the Securities Certificates (No. S-2010-2183912 and No. S-2011-2263370) filed by the Company with the Pennsylvania Public Utility Commission ("PUC") in connection with the Agreement, and the Orders of the PUC dated August 18, 2010 and September 22, 2011, registering said Securities Certificates (the "PUC Orders").

Subject to the assumptions, qualifications and other limitations set forth below, it is our opinion that:

1. The Agreement constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms.
2. [The Notes constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms.]
3. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
4. The borrowings under the Agreement and the use of proceeds thereof as contemplated by the Agreement do not violate Regulation U or X of the Board of Governors of the Federal Reserve System.

In rendering our opinions, we have (a) without independent verification, relied, with respect to factual matters, statements and conclusions, on certificates, notifications and statements, whether written or oral, of governmental officials and individuals identified to us as officers and representatives of the Company and on the representations made by the Company in the Agreement and other documents delivered to you in connection therewith and (b) reviewed originals, or copies of such agreements, documents and records as we have considered relevant and necessary as a basis for our opinions. We note that, as counsel to the Company, we do not represent it generally and there may be facts relating to the Company of which we have no knowledge.

We have assumed (a) the accuracy and completeness of all certificates, agreements, documents, records and other materials submitted to us; (b) the authenticity of original certificates, agreements, documents, records and other materials submitted to us; (c) the conformity with the originals of any copies submitted to us; (d) the genuineness of all signatures; (e) the legal capacity of all natural persons; (f) that the Agreement constitutes the valid, legally binding and enforceable agreement of the parties thereto under all applicable law (other than, in the case of the Company, the law of the State of New York); (g) that the Company (i) is duly organized, validly existing and in good standing under the law of its jurisdiction of organization, (ii) has the power to execute and deliver, and to perform its obligations under, the Agreement [and the Notes], (iii) has duly taken or caused to be taken all necessary action to authorize the execution, delivery and performance by it of the Agreement [and the Notes] and (iv) has duly executed and delivered the Agreement [and the Notes]; (h) that the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Agreement and the Notes does not and will not (i) breach or violate (A) its Amended and Restated Articles of Incorporation or Bylaws, (B) any agreement or instrument to which the Company or any of its affiliates is a party or by which the Company or any of its affiliates or any of their respective properties may be bound, (C) any authorization, consent, approval or license (or the like) of, or exemption (or the like) from, or any registration or filing (or the like) with, or report or notice (or the like) to, any governmental unit, agency, commission, department or other authority granted to or otherwise applicable to the Company or any of its affiliates or any of their respective properties (each a "Governmental Approval"), (D) any order, decision, judgment or decree that may be applicable to the Company or any of its affiliates or any of their respective properties, or (E) any law (other than the law of the State of New York and the federal law of the United States), or (ii) require any Governmental Approval (other than the PUC Orders, which we assume to have been duly granted and to remain full force and effect); (h) that the Company is engaged only in the businesses described in its Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission; (i) that there are no agreements, understandings or negotiations between the parties not set forth in the Agreement that would modify the terms thereof or the rights and obligations of the parties thereunder; and (j) for purposes of our opinion in paragraph 1 as it relates to the choice-of-law provisions in the Agreement, that the choice of law of the State of New York as the governing law of the Agreement would not result in a violation of an important public policy of another state or country having

greater contacts with the transactions contemplated by the agreement than the State of New York.

Our opinions are subject to and limited by the effect of (a) applicable bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, receivership, conservatorship, arrangement, moratorium and other similar laws affecting and relating to the rights of creditors generally; (b) general equitable principles; (c) requirements of reasonableness, good faith, fair dealing and materiality; (d) Article 9 of the Uniform Commercial Code regarding restrictions on assignment or transfer of rights; and (e) additionally in the case of (i) indemnities, a requirement that facts, known to the indemnitee but not the indemnitor, in existence at the time the indemnity becomes effective that would entitle the indemnitee to indemnification be disclosed to the indemnitor, and a requirement that an indemnity provision will not be read to impose obligations upon indemnitors which are neither disclosed at the time of its execution nor reasonably within the scope of its terms and overall intention of the parties at the time of its making, (ii) waivers, Sections 9-602 and 9-603 of the Uniform Commercial Code, and (iii) indemnities, waivers and exculpatory provisions, public policy.

We express no opinion with respect to the following sections of the Agreement: (i) Section 9.02 (cumulative remedies), (ii) provisions relating to rules of evidence or quantum of proof, (iii) Section 9.07 (submission to jurisdiction and waiver of inconvenient forum), insofar as such sections relate to federal courts (except as to the personal jurisdiction thereof), and (choice of venue, i.e., requiring actions to be commenced in a particular court in a particular jurisdiction), and (iv) Section 9.11 (waiver of jury trial), insofar as such section is sought to be enforced in a federal court.

We express no opinion as to the law of any jurisdiction other than the law of the State of New York and the federal law of the United States of America, and in each case, only such law that in our experience is normally applicable to transactions of the type contemplated by the Agreement and excluding (i) any law that is part of a regulatory regime applicable to specific assets or businesses of the lenders and (ii) the statutes and ordinances, the administrative decisions, and the rules and regulations of counties, towns, municipalities and special political subdivisions.

This letter speaks only as of the date hereof. We have no responsibility or obligation to update this letter or to take into account changes in law or facts or any other development of which we may later become aware.

To the Administrative Agent and  
each of the Lenders party to the  
Credit Agreement referred to below

Re: \$300,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

I am Senior Counsel of PPL Services Corporation, an affiliate of PPL Electric Utilities Corporation (the "Borrower"), and have acted as counsel to the Borrower in connection with the \$300,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 among the Borrower, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender and the Lenders party thereto from time to time (the "Agreement"). Capitalized terms used but not defined herein have the meanings assigned to such terms in the Agreement.

I am familiar with the Agreement[, the Notes of the Borrower executed and delivered by the Borrower on the date hereof (the "Notes"),] and other documents executed and delivered by the Borrower in connection with the Agreement. I also have examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to render this opinion. I have assumed that the Agreement and instruments referred to in this opinion have been duly authorized, executed and delivered by all parties thereto other than the Borrower.

Based on the foregoing, I am of the opinion that:

1. The Borrower is duly incorporated, validly existing and in good standing under the laws of the Commonwealth of Pennsylvania and has the corporate power to make and perform the Agreement [and the Notes].

2. The execution, delivery and performance by the Borrower of the Agreement [and the Notes] have been duly authorized by the Borrower and do not violate any provision of law or regulation, or any decree, order, writ or judgment applicable to the Borrower, or any provision of the Borrower's Amended and Restated Articles of Incorporation or Bylaws, or result in the breach of or constitute a default under any indenture or other agreement or instrument known to me to which the Borrower is a party.

3. [Each of the] [The] Agreement [and the Notes] has been duly executed and delivered by the Borrower and constitutes the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with [its] [their] terms, except to the extent limited by (a) bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles that may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to indemnification, contribution, waivers and exculpatory provisions.

4. Except as disclosed in or contemplated by the Borrower's Annual Report on Form 10-K for the year ended December 31, 2011, or in other reports filed under the Securities Exchange Act of 1934 from January 1, 2012 to the date hereof, or otherwise furnished in writing to the Administrative Agent, no litigation, arbitration or administrative proceeding or inquiry is pending, or to my knowledge, threatened, which, if determined adversely to the Borrower, would materially and adversely affect the ability of the Borrower to perform any of its obligations under the Agreement [or the Notes]. To my knowledge, there is no litigation, arbitration or administrative proceeding pending or threatened that questions the validity of the Agreement [or the Notes].

5. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System.

6. There have not been any "reportable events," as that term is defined in Section 4043 of the Employee Retirement Income Security Act of 1974, as amended, which would result in a material liability of the Borrower.

7. The [ ] Order of the Pennsylvania Public Utility Commission (the "PUC") relating to the Agreement is in full force and effect, and no further authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except such authorizations, consents and approvals as have been obtained prior to the date hereof, which authorizations, consents and approvals are in full force and effect.

This opinion is limited to the laws of the Commonwealth of Pennsylvania, the State of New York and the federal laws of the United States of America.

In rendering its opinion to the addressee hereof, Pillsbury Winthrop Shaw Pittman LLP may rely as to matters of Pennsylvania law addressed herein upon this letter as if it were addressed directly to them. Except as aforesaid, without my prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

Frederick C. Paine

No Lender's obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender's failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender's Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03. Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04. Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

Section 2.05. Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced

by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

Section 2.06. Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause (A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount

of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

#### Section 2.07. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

#### Section 2.08. Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make

Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a “Retiring Lender”), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a “Replacement Lender” and, collectively, the “Replacement Lenders”) reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the “Replacement Date”) following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i) (A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any

subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date. The Commitments shall terminate on the Termination Date.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), the Commitment Ratios of the Continuing Lenders shall be redetermined after giving effect thereto, and the participations of the Continuing Lenders in and obligations of the Continuing Lenders in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (to the extent not previously adjusted pursuant to Section 2.20). The right of the Borrower to effect such a termination is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09. Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10. Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11. General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12. Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13. Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14. Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the

Borrower notifies the Administrative Agent at least two (2) Domestic Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16. Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any

event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a “change in law” under this Article II regardless of the date enacted, adopted or issued.

#### Section 2.17. Taxes.

(a) Payments Net of Certain Taxes. Any and all payments by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent that is a “United States person” within the meaning of Section 7701(a)(30) of the Internal Revenue Code, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as “Taxes”). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17(a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, “Other Taxes”).

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this Section 2.17(c). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) Refunds or Credits. If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority

with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; or (C) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender or are effectively connected but are not includible in the Non-U.S. Lender's gross income for United States federal income tax purposes under an income tax treaty to which the United States is a party; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8 ECI, W-8 BEN, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8 BEN, W-8 ECI or W-8 IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any

Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18. Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19. Increases to the Commitment.

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$500,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of the Issuing Lenders and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lender. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Borrower shall deliver to the Administrative Agent a certificate of the Borrower dated the effective date of the Optional Increase, signed by a Responsible Officer of the Borrower, certifying that: (i) the resolutions adopted by the Borrower approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect and (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase.

Section 2.20. Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related

exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

### ARTICLE III LETTERS OF CREDIT

Section 3.01. Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

#### Section 3.02. Letters of Credit.

(a) Existing Letters of Credit. On the Effective Date, each Issuing Lender under the Existing Credit Agreement (as defined therein) that has issued an Existing Letter of Credit shall be deemed, without further action by any party to this Agreement, to have issued such Existing Letter of Credit under this Agreement pursuant to the terms and subject to the conditions of this Article III; provided, that immediately after each Letter of Credit is deemed to have been issued, the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments.

(b) Additional Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any Affiliate of the Borrower (other than PPL Electric Utilities Corporation) that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (B) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03. Method of Issuance of Additional Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of an Additional Letter of Credit prior to 1:00 P.M. (Charlotte, North Carolina time) on the proposed date of the issuance or extension of Additional Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date.

Section 3.04. Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Additional Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (i) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (ii) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (iii) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (A) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (B) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Additional Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Additional Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Additional Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Additional Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated

hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05. Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06. Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07. Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (i) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (ii) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08. Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall

first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09. Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10. Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11. Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

(a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;

(b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;

(c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);

(d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or

(g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12. Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13. ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in such Letter of Credit.

Section 5.03. Legality; Etc. This Agreement and each other Loan Document (other than the Notes) to which the Borrower is a party constitute the legal, valid and binding obligations of the Borrower, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

The consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of December 31, 2011 and the related consolidated statements of income and cash flows for the fiscal year then ended, reported on by Ernst & Young, LLP, copies of which have been delivered to each of the Administrative Agent and the Lenders, fairly present, in conformity with GAAP, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

The Borrower and its Restricted Subsidiaries have good and valid fee, leasehold, easement or other right, title or interest in or to all the properties necessary to the conduct of their business as conducted on the Effective Date and as then proposed to be conducted, except to the extent the failure to have such rights or interests would not have a Material Adverse Effect.

Section 5.06. Litigation. Except as disclosed in or contemplated by the Borrower's Form 10-K Report to the SEC for the year ended December 31, 2011 or in any subsequent Form 10-K, 10-Q or 8-K Report, no litigation, arbitration or administrative proceeding against the Borrower is pending or, to the Borrower's knowledge, threatened, which would reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or the other Loan Documents. Section 5.09. Governmental Approvals. The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (w) all such Borrower Materials shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials “PUBLIC,” the Borrower shall be deemed to have authorized the Administrative Agent, the Issuing Lenders and the Lenders to treat such Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws ( provided, however, that to the extent such Borrower Materials constitute Information (as defined below), they shall be treated as set forth in Section 9.12); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Investor;” and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting (subject to Section 9.12) on a portion of the Platform not designated “Public Investor.” “Information” means all information received from the Borrower or any of its Subsidiaries relating to the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Lender on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; provided that, in the case of information received from the Borrower or any of its Subsidiaries after the Effective Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

## ARTICLE VIII THE AGENTS

Section 8.01. Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02. Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04. Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel

(including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08. Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof),

the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09. Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document.

Section 8.10. Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Section 9.02. No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03. Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, at its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in

connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an “Indemnitee”) and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee’s own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries, or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04. Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05. Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by

the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.11(a), 2.09(b) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06. Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.08 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.08 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an “Assignee”) all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Commitment, and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consent shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower’s agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the “Register”) on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower’s obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this subsection 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of subsection 9.06(c) and this subsection 9.06(e) have been satisfied.

Section 9.07. Governing Law; Submission to Jurisdiction. This Agreement and each Note shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the

nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08. Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents, and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09. Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10. Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or hereto unless otherwise defined therein.

(b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

(c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.

(d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word "will" shall be construed to have the same meaning as the word "shall". The term "including" shall be construed to have the same meaning as the phrase "including without limitation".

(e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person's successors and permitted assigns.

(f) Unless the context otherwise requires, whenever any statement is qualified by "to the best

knowledge of” or “known to” (or a similar phrase) any Person that is not a natural person, it is intended to indicate that the senior management of such Person has conducted a commercially reasonable inquiry and investigation prior to making such statement and no member of the senior management of such Person (including managers, in the case of limited liability companies, and general partners, in the case of partnerships) has current actual knowledge of the accuracy of such statement.

Section 9.11. WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12. Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender’s or Agent’s Affiliates and their respective directors, officers, employees and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower’s Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a “tombstone” or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13. USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the “Lender Parties”), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the “Borrower Parties”). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory

services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15. Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the “**Extending Lenders**”) shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder; provided that, for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Extending Lenders shall be redetermined based on the Commitments set forth in the Commitment Appendix and the participations of the Extending Lenders in, and the obligations of the Extending Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in the JLA L/C Fronting Sublimits Appendix.

## Form of Note

FOR VALUE RECEIVED, the undersigned, PPL ENERGY SUPPLY, LLC, a Delaware limited liability company (the "Borrower"), promises to pay to the order of \_\_\_\_\_ (hereinafter, together with its successors and assigns, called the "Holder"), at the Administrative Agent's Office or such other place as the Holder may designate in writing to the Borrower, the principal sum of \_\_\_\_\_ AND \_\_\_\_\_/100s DOLLARS (\$ \_\_\_\_\_), or, if less, the principal amount of all Loans advanced by the Holder to the Borrower pursuant to the Credit Agreement (as defined below), plus interest as hereinafter provided. Such Loans may be endorsed from time to time on the grid attached hereto, but the failure to make such notations shall not affect the validity of the Borrower's obligation to repay unpaid principal and interest hereunder.

All capitalized terms used herein shall have the meanings ascribed to them in that certain \$3,000,000,000 Amended and Restated Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement") by and among the Borrower, the lenders party thereto (collectively, the "Lenders") and Wells Fargo Bank, National Association, as administrative agent (the "Administrative Agent") for itself and on behalf of the Lenders and the Issuing Lenders, except to the extent such capitalized terms are otherwise defined or limited herein.

The Borrower shall repay principal outstanding hereunder from time to time, as necessary, in order to comply with the Credit Agreement. All amounts paid by the Borrower shall be applied to the Obligations in such order of application as provided in the Credit Agreement.

A final payment of all principal amounts and other Obligations then outstanding hereunder shall be due and payable on the maturity date provided in the Credit Agreement, or such earlier date as payment of the Loans shall be due, whether by acceleration or otherwise.

The Borrower shall be entitled to borrow, repay, reborrow, continue and convert the Holder's Loans (or portion thereof) hereunder pursuant to the terms and conditions of the Credit Agreement. Prepayment of the principal amount of any Loan may be made as provided in the Credit Agreement.

The Borrower hereby promises to pay interest on the unpaid principal amount hereof as provided in Article II of the Credit Agreement. Interest under this Note shall also be due and payable when this Note shall become due (whether at maturity, by reason of acceleration or otherwise). Overdue principal and, to the extent permitted by law, overdue interest, shall bear interest payable on DEMAND at the default rate as provided in the Credit Agreement.

In no event shall the amount of interest due or payable hereunder exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Holder, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Holder in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Holder not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

All parties now or hereafter liable with respect to this Note, whether the Borrower, any guarantor, endorser or any other Person or entity, hereby waive presentment for payment, demand, notice of non-payment or dishonor, protest and notice of protest.

No delay or omission on the part of the Holder or any holder hereof in exercising its rights under this Note, or delay or omission on the part of the Holder, the Administrative Agent or the Lenders collectively, or any of them, in exercising its or their rights under the Credit Agreement or under any other Loan Document, or course of conduct relating thereto, shall operate as a waiver of such rights or any other right of the Holder or any holder hereof, nor shall any waiver by the Holder, the Administrative Agent, the Required Lenders or the Lenders collectively, or any of them, or any holder hereof, of any such right or rights on any one occasion be deemed a bar to, or waiver of, the same right or rights on any future occasion.

The Borrower promises to pay all reasonable costs of collection, including reasonable attorneys' fees, should this

Note be collected by or through an attorney-at-law or under advice therefrom.

This Note evidences the Holder's Loans (or portion thereof) under, and is entitled to the benefits and subject to the terms of, the Credit Agreement, which contains provisions with respect to the acceleration of the maturity of this Note upon the happening of certain stated events, and provisions for prepayment.

This Note shall be governed by and construed in accordance with the internal laws of the State of New York.

Re: PPL Energy Supply, Corporation  
\$300,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

We have acted as special counsel to PPL Energy Supply, LLC, a Delaware limited liability company (the "Company"), in connection with the negotiation, execution and delivery of the \$3,000,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Company, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender, and the other Lenders from time to time party thereto (such Revolving Credit Agreement as so amended, the "Agreement"). This letter is being delivered to you at the request of the Company pursuant to Section 4.01(e) of the Agreement.

In preparing this letter, we have reviewed the Agreement[, and the Notes of the Company executed and delivered by the Company on the date hereof (the "Notes"),] and the other documents executed and delivered by the Company in connection with the Agreement. In addition, we have reviewed the Certificate of Formation of the Company filed with the office of the Secretary of State of the State of Delaware on November 14, 2000, the Company's limited liability company agreement dated March 20, 2001 and certified by an Assistant Secretary of the Company as of the date hereof, and the records of the Company's proceedings relating to the authorization of the Agreement.

Subject to the assumptions, qualifications and other limitations set forth below, it is our opinion that:

1. The Company is a limited liability company validly existing and, based solely upon a certificate issued by the Secretary of State of the State of Delaware dated November \_\_, 2012, in good standing under the Delaware Limited Liability Company Act.
2. The Company has (a) the limited liability company power to execute and deliver, and to perform its obligations under, the Agreement and (b) duly taken or caused to be taken all necessary limited liability company action to authorize the execution, delivery and performance by it of the Agreement [and the Notes].
3. The Agreement [and the Notes] has[ve] been duly executed and delivered by the Company.
4. The Agreement constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms.
5. [The Notes constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms.]
6. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
7. The borrowings under the Agreement and the use of proceeds thereof as contemplated by the Agreement do not violate Regulation U or X of the Board of Governors of the Federal Reserve System.

In rendering our opinions, we have (a) without independent verification, relied, with respect to factual matters, statements and conclusions, on certificates, notifications and statements, whether written or oral, of governmental officials and individuals identified to us as officers and representatives of the Company and on the representations made by the

Company in the Agreement and other documents delivered to you in connection therewith and (b) reviewed originals, or copies of such agreements, documents and records as we have considered relevant and necessary as a basis for our opinions. [In rendering the opinions set forth in paragraphs 1 through 3 above, we note that any exercise by the Company of the option to increase the Commitments as contemplated in Section 2.19 of the Agreement may require additional authorization by the Company's Board of Managers. We note that, as counsel to the Company, we do not represent it generally and there may be facts relating to the Company of which we have no knowledge.]

We have assumed (a) the accuracy and completeness of all certificates, agreements, documents, records and other materials submitted to us; (b) the authenticity of original certificates, agreements, documents, records and other materials submitted to us; (c) the conformity with the originals of any copies submitted to us; (d) the genuineness of all signatures; (e) the legal capacity of all natural persons; (f) that the Agreement constitutes the valid, legally binding and enforceable agreement of the parties thereto under all applicable law (other than, in the case of the Company, the law of the State of New York); (g) that the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Agreement and the Notes does not and will not (i) breach or violate (A) any agreement or instrument to which the Company or any of its affiliates is a party or by which the Company or any of its affiliates or any of their respective properties may be bound, (B) any authorization, consent, approval or license (or the like) of, or exemption (or the like) from, or any registration or filing (or the like) with, or report or notice (or the like) to, any governmental unit, agency, commission, department or other authority granted to or otherwise applicable to the Company or any of its affiliates or any of their respective properties (each a "Governmental Approval"), (C) any order, decision, judgment or decree that may be applicable to the Company or any of its affiliates or any of their respective properties, or (D) any law (other than the law of the State of New York and the federal law of the United States), or (ii) require any Governmental Approval; (h) that the Company is engaged only in the businesses described in its Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission; (i) that there are no agreements, understandings or negotiations between the parties not set forth in the Agreement that would modify the terms thereof or the rights and obligations of the parties thereunder; and (j) for purposes of our opinion in paragraph 4 as it relates to the choice-of-law provisions in the Agreement, that the choice of law of the State of New York as the governing law of the Agreement would not result in a violation of an important public policy of another state or country having greater contacts with the transactions contemplated by the agreement than the State of New York.

Our opinions are subject to and limited by the effect of (a) applicable bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, receivership, conservatorship, arrangement, moratorium and other similar laws affecting and relating to the rights of creditors generally; (b) general equitable principles; (c) requirements of reasonableness, good faith, fair dealing and materiality; (d) Article 9 of the Uniform Commercial Code regarding restrictions on assignment or transfer of rights; and (e) additionally in the case of (i) indemnities, a requirement that facts, known to the indemnitee but not the indemnitor, in existence at the time the indemnity becomes effective that would entitle the indemnitee to indemnification be disclosed to the indemnitor, and a requirement that an indemnity provision will not be read to impose obligations upon indemnitors which are neither disclosed at the time of its execution nor reasonably within the scope of its terms and overall intention of the parties at the time of its making, (ii) waivers, Sections 9-602 and 9-603 of the Uniform Commercial Code, and (iii) indemnities, waivers and exculpatory provisions, public policy.

We express no opinion with respect to the following sections of the Agreement: (i) Section 9.02 (cumulative remedies), (ii) provisions relating to rules of evidence or quantum of proof, (iii) Section 9.07 (submission to jurisdiction and waiver of inconvenient forum), insofar as such sections relate to federal courts (except as to the personal jurisdiction thereof), and (choice of venue, i.e., requiring actions to be commenced in a particular court in a particular jurisdiction), and (iv) Section 9.11 (waiver of jury trial), insofar as such section is sought to be enforced in a federal court.

We express no opinion as to the law of any jurisdiction other than the law of the State of New York and the federal law of the United States of America, and, with respect to our opinions in paragraphs 1 through 3, the Delaware Limited Liability Company Act, and in each case, only such law that in our experience is normally applicable to transactions of the type contemplated by the Agreement and excluding (i) any law that is part of a regulatory regime applicable to specific assets or businesses of the lenders and (ii) the statutes and ordinances, the administrative decisions, and the rules and regulations of counties, towns, municipalities and special political subdivisions.

This letter speaks only as of the date hereof. We have no responsibility or obligation to update this letter or to take into account changes in law or facts or any other development of which we may later become aware.

This letter is delivered by us as special counsel for the Company solely for your benefit in connection with the transaction

referred to herein and may not be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person or entity without our prior written consent.

Very truly yours,

Re: \$3,000,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

I am Senior Counsel of PPL Services Corporation, an affiliate of PPL Energy Supply, LLC (the "Borrower"), and have acted as counsel to the Borrower in connection with the \$3,000,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 among the Borrower, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender and the other Lenders from time to time party thereto (the "Agreement"). Capitalized terms used but not defined herein have the meaning assigned to such terms in the Agreement.

I am familiar with the Agreement [and the Notes of the Borrower executed and delivered by the Borrower on the date hereof (the "Notes"),] and the other documents executed and delivered by the Borrower in connection with the Agreement. I have also examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to render this opinion. I have assumed that the Agreement and instruments referred to in this opinion have been duly authorized, executed and delivered by all parties thereto other than the Borrower.

Based on the foregoing, I am of the opinion that:

1. The execution, delivery and performance by the Borrower of the Agreement [and the Notes] have been duly authorized by the Borrower and do not violate any provision of law or regulation or any decree, order, writ or judgment applicable to the Borrower, or any provision of its limited liability company agreement, or result in the breach of or constitute a default under any indenture or other agreement or instrument known to me to which it is a party.

2. [Each of] the Agreement [and the Notes] has been duly executed and delivered by the Borrower, and constitutes the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except to the extent limited by (a) bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles that may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to indemnification, contribution, waivers and exculpatory provisions.

3. Except as disclosed in or contemplated by the Borrower's Annual Report on Form 10-K for the year ended December 31, 2011, or in other reports filed under the Securities Exchange Act of 1934 from January 1, 2012 to the date hereof, or otherwise furnished in writing to the Administrative Agent, no litigation, arbitration or administrative proceeding or inquiry is pending or, to my knowledge, threatened which, if determined adversely to the Borrower, would materially and adversely affect the ability of the Borrower to perform any of its obligations under the Agreement [or the Notes]. To my knowledge, there is no litigation, arbitration or administrative proceeding pending or threatened that questions the validity of the Agreement [or the Notes].

4. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System.

5. There have not been any "reportable events," as that term is defined in Section 4043 of the Employee Retirement Income Security Act of 1974, as amended, which would result in a material liability of the Borrower.

6. No authorization, consent or approval of any Governmental Authority of the United States of America or the State of New York is required for the execution, delivery or performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except such authorizations, consents and approvals as have been obtained prior to the date hereof, which authorizations, consents and approvals are in full force and effect.

This opinion is limited to the laws of the State of New York, the Delaware Limited Liability Company Act and the federal laws of the United States of America.

Without my prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

Frederick C. Paine

## ARTICLE II THE CREDITS

Section 2.01. Commitments to Lend. Each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Loans to the Borrower pursuant to this Section 2.01 from time to time during the Availability Period in amounts such that its Revolving Outstandings shall not exceed its Commitment; provided, that, immediately after giving effect to each such Revolving Loan, the aggregate principal amount of all outstanding Revolving Loans (after giving effect to any amount requested) shall not exceed the aggregate Commitments less the sum of all outstanding Swingline Loans and Letter of Credit Liabilities. Each Revolving Borrowing (other than Mandatory Letter of Credit Borrowings) shall be in an aggregate principal amount of \$10,000,000 or any larger integral multiple of \$1,000,000 (except that any such Borrowing may be in the aggregate amount of the unused Commitments) and shall be made from the several Lenders ratably in proportion to their respective Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or, to the extent permitted by Section 2.10, prepay, Revolving Loans and reborrow under this Section 2.01.

Section 2.02. Swingline Loans.

(a) Availability. Subject to the terms and conditions of this Agreement, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time from the Effective Date through, but not including, the Swingline Termination Date; provided, that the aggregate principal amount of all outstanding Swingline Loans (after giving effect to any amount requested), shall not exceed the lesser of (i) the aggregate Commitments less the sum of the aggregate principal amount of all outstanding Revolving Loans and all outstanding Letter of Credit Liabilities and (ii) the Swingline Sublimit; and provided further, that the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Each Swingline Loan shall be in an aggregate principal amount of \$2,000,000 or any larger integral multiple of \$200,000 (except that any such Borrowing may be in the aggregate amount of the unused Swingline Sublimit). Within the foregoing limits, the Borrower may borrow, repay and reborrow Swingline Loans, in each case under this Section 2.02. Each Swingline Loan shall be a Base Rate Loan.

(b) Refunding.

(i) Swingline Loans shall be refunded by the Lenders on demand by the Swingline Lender. Such refundings shall be made by the Lenders in accordance with their respective Commitment Ratios and shall thereafter be reflected as Revolving Loans of the Lenders on the books and records of the Administrative Agent. Each Lender shall fund its respective Commitment Ratio of Revolving Loans as required to repay Swingline Loans outstanding to the Swingline Lender upon demand by the Swingline Lender but in no event later than 1:00 P.M. (Charlotte, North Carolina time) on the next succeeding Business Day after such demand is made. No Lender's obligation to fund its respective Commitment Ratio of a Swingline Loan shall be affected by any other Lender's failure to fund its Commitment Ratio of a Swingline Loan, nor shall any Lender's Commitment Ratio be increased as a result of any such failure of any other Lender to fund its Commitment Ratio of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in no case more than fourteen (14) days after the date that such Swingline Loan is made, the amount of such Swingline Loan to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower hereby authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Lenders in accordance with their respective Commitment Ratios (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swingline Loan extended after the occurrence and during the continuance of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable).

(iii) Each Lender acknowledges and agrees that its obligation to refund Swingline Loans (other than Swingline Loans extended after the occurrence and during the continuation of an Event of Default of which the Administrative Agent has received notice in the manner required pursuant to Section 8.05 and which such Event of Default has not been waived by the Required Lenders or the Lenders, as applicable) in accordance with the terms of this Section is absolute and unconditional and shall not be affected by any circumstance whatsoever, including, without limitation, non-satisfaction of the conditions set forth in Article IV. Further, each Lender agrees and acknowledges that if prior to the refunding of any outstanding Swingline Loans pursuant to this Section, one of the events described in Section 7.01(h) or (i) shall have occurred, each Lender will, on the date the applicable Revolving Loan would have been made, purchase an undivided participating interest in the Swingline Loan to be refunded in an amount equal to its Commitment Ratio of the aggregate amount of such Swingline Loan. Each Lender will immediately transfer to the Swingline Lender, in immediately available funds, the amount of its participation and upon receipt thereof the Swingline Lender will deliver to such Lender a certificate evidencing such participation dated the date of receipt of such funds and for such amount. Whenever, at any time after the Swingline Lender has received from any Lender such Lender's participating interest in a Swingline Loan, the Swingline Lender receives any payment on account thereof, the Swingline Lender will distribute to such Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded).

Section 2.03. Notice of Borrowings. The Borrower shall give the Administrative Agent notice substantially in the form of Exhibit A-1 hereto (a "Notice of Borrowing") not later than (a) 11:30 A.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the third Business Day before each Euro-Dollar Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) the aggregate amount of such Borrowing;
- (iii) whether such Borrowing is comprised of Revolving Loans or a Swingline Loan;
- (iv) in the case of a Revolving Borrowing, the initial Type of the Loans comprising such Borrowing; and
- (v) in the case of a Euro-Dollar Borrowing, the duration of the initial Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

Notwithstanding the foregoing, no more than six (6) Groups of Euro-Dollar Loans shall be outstanding at any one time, and any Loans which would exceed such limitation shall be made as Base Rate Loans.

Section 2.04. Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

#### Section 2.05. Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

#### Section 2.06. Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal of or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for

such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause(A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

#### Section 2.07. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later,

on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08. Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06 (c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender (s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date. The Commitments shall terminate on the Termination Date.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), the Commitment Ratios of the Continuing Lenders shall be redetermined after giving effect hereto, and the participations of the Continuing Lenders in and obligations of the Continuing Lenders in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (to the extent not previously adjusted pursuant to Section 2.20). The right of the Borrower to effect such a termination is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09. Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a "Revolving Outstandings Excess"), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10. Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11. General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the

Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12. Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13. Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14. Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Domestic Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16. Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

#### Section 2.17. Taxes.

(a) Payments Net of Certain Taxes. Any and all payments by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17 (a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "Other Taxes").

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this Section 2.17(c). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) Refunds or Credits. If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that

is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; or (C) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender or are effectively connected but are not includible in the Non-U.S. Lender's gross income for United States federal income tax purposes under an income tax treaty to which the United States is a party; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8 ECI, W-8 BEN, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8 BEN, W-8 ECI or W-8 IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18. Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar Loans of the other Lenders.

Section 2.19. Increases to the Commitment .

(a) Subject to the terms and conditions of this Agreement, the Borrower may, during the Availability Period by delivering to the Administrative Agent and the Lenders a Notice of Revolving Increase in the form of Exhibit E, request increases to the Lenders' Commitments (each such request, an "Optional Increase"); provided that: (i) the Borrower may not request any increase to the Commitments after the occurrence and during the continuance of a Default; (ii) each Optional Increase shall be in a minimum amount of \$50,000,000 and (iii) the aggregate amount of all Optional Increases shall be no more than \$100,000,000.

(b) Each Lender may, but shall not be obligated to, participate in any Optional Increase, subject to the approval of the Issuing Lenders and the Swingline Lender (such approval not to be unreasonably withheld), and the decision of any Lender to commit to an Optional Increase shall be at such Lender's sole discretion and shall be made in writing. The Borrower may, at its own expense, solicit additional Commitments from third party financial institutions reasonably acceptable to the Administrative Agent, the Swingline Lender and the Issuing Lender. Any such financial institution (if not already a Lender hereunder) shall become a party to this Agreement as a Lender, pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

(c) As a condition precedent to the Optional Increase, the Borrower shall deliver to the Administrative Agent a certificate of the Borrower dated the effective date of the Optional Increase, signed by a Responsible Officer of the Borrower, certifying that: (i) the resolutions adopted by the Borrower approving or consenting to such Optional Increase are attached thereto and such resolutions are true and correct and have not been altered, amended or repealed and are in full force and effect, (ii) before and after giving effect to the Optional Increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects on and as of the effective date of the Optional Increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and (B) that no Default exists, is continuing, or would result from the Optional Increase and (iii) all necessary governmental, regulatory and third party approvals, including, without limitation, any KPSC, TRA, VSCC and/or FERC approval required to approve the Optional Increase, are attached thereto and remain in full force and effect, in each case without any action being taken by any competent authority which could restrain or prevent such transaction or impose, in the reasonable judgment of the Administrative Agent, materially adverse conditions upon the consummation of the Optional Increase.

(d) The Revolving Outstandings will be reallocated by the Administrative Agent on the effective date of any Optional Increase among the Lenders in accordance with their revised Commitment Ratios, and the Borrower hereby agrees to pay any and all costs (if any) required pursuant to Section 2.12 incurred by any Lender in connection with the exercise of the Optional Increase.

Section 2.20. Defaulting Lenders .

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b)

shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

### ARTICLE III LETTERS OF CREDIT

Section 3.01. Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

#### Section 3.02. Letters of Credit.

(a) Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any of its Subsidiaries that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate amount of Letter of Credit Liabilities shall not exceed \$200,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03. Method of Issuance of Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of a Letter of Credit prior to 1:00 P.M. (Charlotte, North Carolina time) on the proposed date of the issuance or extension of Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date.

Section 3.04. Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (i) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (ii) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (iii) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (A) the aggregate amount of Letter of Credit Liabilities shall not exceed \$200,000,000, (B) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05. Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest

in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06. Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07. Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (i) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (ii) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to Section 9.01.

Section 3.08. Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09. Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such

other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10. Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11. Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
- (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;
- (e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or
- (g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.11 is intended to limit the right of the Borrower to make a claim against any Issuing Lender for damages as contemplated by the proviso to the first sentence of Section 3.12.

Section 3.12. Indemnification in Respect of Letters of Credit. The Borrower hereby indemnifies and holds harmless each Lender (including each Issuing Lender) and the Administrative Agent from and against any and all claims, damages, losses, liabilities, costs or expenses which such Lender or the Administrative Agent may incur by reason of or in connection with the failure of any other Lender to fulfill or comply with its obligations to such Issuing Lender hereunder (but nothing herein contained shall affect any rights which the Borrower may have against such defaulting Lender), and none of the Lenders (including any Issuing Lender) nor the Administrative Agent, their respective affiliates nor any of their respective officers, directors, employees or agents shall be liable or responsible, by reason of or in connection with the execution and delivery or transfer of or payment or failure to pay under any Letter of Credit, including, without limitation, any of the circumstances enumerated in Section 3.11, as well as (i) any error, omission, interruption or delay in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, (ii) any error in interpretation of technical terms, (iii) any loss or delay in the transmission of any document required in order to make a drawing under a Letter of Credit, (iv) any consequences arising from causes beyond the control of such indemnitee, including without limitation, any government acts, or (v) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; provided, that the Borrower shall not be required to indemnify any Issuing Lender for any claims, damages, losses, liabilities, costs or expenses, and the Borrower shall have a claim against such Issuing Lender for direct (but not consequential) damages suffered by it, to the extent found by a court of competent jurisdiction in a final, non-appealable judgment or order to have been caused by (i) the willful misconduct or gross negligence of such Issuing Lender in determining whether a request presented under any Letter of Credit issued by it complied with the terms of such Letter of Credit or (ii) such Issuing Lender's failure to pay under any Letter of Credit issued by it after the presentation to it of a request strictly complying with the terms and conditions of such Letter of Credit. Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 3.13. ISP98. The rules of the "International Standby Practices 1998" as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit shall apply to such Letter of Credit unless otherwise expressly provided in

such Letter of Credit.

Section 5.03. Legality; Etc. This Agreement and each other Loan Document (other than the Notes) to which the Borrower is a party constitute the legal, valid and binding obligations of the Borrower, and the Notes, when executed and delivered in accordance with this Agreement, will constitute legal, valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their terms except to the extent limited by (a) bankruptcy, insolvency, fraudulent conveyance or reorganization laws or by other similar laws relating to or affecting the enforceability of creditors' rights generally and by general equitable principles which may limit the right to obtain equitable remedies regardless of whether enforcement is considered in a proceeding of law or equity or (b) any applicable public policy on enforceability of provisions relating to contribution and indemnification.

Section 5.04. Financial Condition.

(a) Audited Financial Statements. The consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as of December 31, 2011 and the related consolidated statements of income and cash flows for the fiscal year then ended, reported on by PricewaterhouseCoopers LLP, copies of which have been delivered to each of the Administrative Agent and the Lenders, fairly present, in conformity with GAAP, the consolidated financial position of the Borrower and its Consolidated Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

(c) Material Adverse Change. Since December 31, 2011 there has been no change in the business, assets, financial condition or operations of the Borrower and its Consolidated Subsidiaries, considered as a whole, that would materially and adversely affect the Borrower's ability to perform any of its obligations under this Agreement, the Notes or the other Loan Documents.

Section 5.05. Litigation. Except as disclosed in or contemplated by the financial statements referenced in Sections 5.04(a) and 5.05 (b) above, or in any subsequent report of the Borrower filed with the SEC on Form 10-K, 10-Q or 8-K, or otherwise furnished in writing to the Administrative Agent and each Lender, no litigation, arbitration or administrative proceeding against the Borrower is pending or, to the Borrower's knowledge, threatened, which would reasonably be expected to materially and adversely affect the ability of the Borrower to perform any of its obligations under this Agreement, the Notes or the other Loan Documents. There is no litigation, arbitration or administrative proceeding pending or, to the knowledge of the Borrower, threatened which questions the validity of this Agreement or the other Loan Documents to which it is a party.

Section 5.06. No Violation. No part of the proceeds of the borrowings by hereunder will be used, directly or indirectly by the Borrower for the purpose of purchasing or carrying any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System, or for any other purpose which violates, or which conflicts with, the provisions of Regulations U or X of said Board of Governors. The Borrower is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any such "margin stock".

No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Material Plan, (ii) failed to make any contribution or payment to any Material Plan, or made any amendment to any Material Plan, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code or (iii) incurred any material liability under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

Section 5.08. Governmental Approvals. No authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance by the Borrower of this Agreement, the Notes and the other Loan Documents to which it is a party and except such authorizations, consents and approvals, including, without limitation, the KPSC Order, TRA Order and VSCC Order, as shall have been obtained prior to the Effective Date and shall be in full force and effect; provided, that any exercise of the option to increase the commitment as contemplated in Section 2.19 may require additional approvals of the KPSC, TRA, VSCC and/or FERC.

Section 5.09. Investment Company Act. The Borrower is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Section 5.10. Tax Returns and Payments. Section 5.11. Compliance with Laws. To the knowledge of the Borrower, the Borrower is in compliance with all applicable laws, regulations and orders of any Governmental Authority, domestic or foreign, in respect of the conduct of its business and the ownership of its property (including, without limitation, compliance with all applicable ERISA and Environmental Laws and the requirements of any permits issued under such Environmental Laws), except to the extent (a) such compliance is being contested in good faith by appropriate proceedings or (b) non-compliance would not reasonably be expected to materially and adversely affect its ability to perform any of its obligations under this Agreement, the Notes or any other Loan Document to which it is a party.

Section 5.12. No Default. No Default has occurred and is continuing.

Section 5.13. Environmental Matters.

(a) Except (i) as disclosed in or contemplated by the financial statements referenced in Sections 5.04(a) and 5.04(b) above, or in any subsequent report of the Borrower filed with the SEC on Form 10-K, 10-Q or 8-K, or otherwise furnished in writing to the Administrative Agent and each Lender, or (ii) to the extent that the liabilities of the Borrower and its Subsidiaries, taken as a whole, that relate to or could reasonably be expected to result from the matters referred to in clauses (i) through (iii) of this Section 5.13(a), inclusive, would not reasonably be expected to result in a Material Adverse Effect:

(i) no notice, notification, citation, summons, complaint or order has been received by the Borrower or any of its Subsidiaries, no penalty has been assessed nor is any investigation or review pending or, to the Borrower's or any of its Subsidiaries' knowledge, threatened by any governmental or other entity with respect to any (A) alleged violation by or liability of the Borrower or any of its Subsidiaries of or under any Environmental Law, (B) alleged failure by the Borrower or any of its Subsidiaries to have any environmental permit, certificate, license, approval, registration or authorization required in connection with the conduct of its business or (C) generation, storage, treatment, disposal, transportation or release of Hazardous Substances;

(ii) to the Borrower's or any of its Subsidiaries' knowledge, no Hazardous Substance has been released (and no written notification of such release has been filed) (whether or not in a reportable or threshold planning quantity) at, on or under any property now or previously owned, leased or operated by the Borrower or any of its Subsidiaries; and

(iii) no property now or previously owned, leased or operated by the Borrower or any of its Subsidiaries or, to the Borrower's or any of its Subsidiaries' knowledge, any property to which the Borrower or any of its Subsidiaries has, directly or indirectly, transported or arranged for the transportation of any Hazardous Substances, is listed or, to the Borrower's or any of its Subsidiaries' knowledge, proposed for listing, on the National Priorities List promulgated pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), on CERCLIS (as defined in CERCLA) or on any similar federal, state or foreign list of sites requiring investigation or clean-up.

(b) Except as disclosed in or contemplated by the financial statements referenced in Sections 5.04(a) and 5.04(b) above, or in any subsequent report of the Borrower filed with the SEC on Form 10-K, 10-Q or 8-K, or otherwise furnished in writing to the Administrative Agent and each Lender, to the Borrower's or any of its Subsidiaries' knowledge, there are no Environmental Liabilities that have resulted or could reasonably be expected to result in a Material Adverse Effect.

(c) For purposes of this Section 5.13, the terms "the Borrower" and "Subsidiary" shall include any business or business entity (including a corporation) which is a predecessor, in whole or in part, of the Borrower or any of its Subsidiaries from the time such business or business entity became a Subsidiary of PPL Corporation, a Pennsylvania corporation.

The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (w) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Issuing Lenders and the Lenders to treat such Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws ( provided, however, that to the extent such Borrower Materials constitute Information (as defined below), they shall be treated as set forth in Section 9.12); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (z) the Administrative Agent shall be entitled to treat any

Section 6.07. Merger or Consolidation . The Borrower will not merge with or into or consolidate with or into any other corporation or entity, unless (i) immediately after giving effect thereto, no event shall occur and be continuing which constitutes a Default, (ii) the surviving or resulting Person, as the case may be, assumes and agrees in writing to pay and perform all of the obligations of the Borrower under this Agreement, (iii) substantially all of the consolidated assets and consolidated revenues of the surviving or resulting Person, as the case may be, are anticipated to come from the utility or energy businesses and (iv) the senior long-term debt ratings from both Rating Agencies of the surviving or resulting Person, as the case may be, immediately following the merger or consolidation is equal to or greater than the senior long-term debt ratings from both Rating Agencies of the Borrower immediately preceding the announcement of such consolidation or merger.

Section 6.08. Asset Sales . Except for the sale of assets required to be sold to conform with governmental requirements, the Borrower shall not consummate any Asset Sale, if the aggregate net book value of all such Asset Sales consummated during the four calendar quarters immediately preceding any date of determination would exceed 25% of the total assets of the Borrower and its Consolidated Subsidiaries as of the beginning of the Borrower's most recently ended full fiscal quarter; provided, however, that any such Asset Sale will be disregarded for purposes of the 25% limitation specified above: (a) if any such Asset Sale is in the ordinary course of business of the Borrower (b) if the assets subject to any such Asset Sale are worn out or are no longer useful or necessary in connection with the operation of the businesses of the Borrower; (c) if the assets subject to any such Asset Sale are being transferred to a Wholly Owned Subsidiary of the Borrower; (d) if the proceeds from any such Asset Sale (i) are, within twelve (12) months of such Asset Sale, invested or reinvested by the Borrower in a Permitted Business, (ii) are used by the Borrower to repay Debt of the Borrower, or (iii) are retained by the Borrower; or (e) if, prior to any such Asset Sale, both Rating Agencies confirm the then-current Borrower Ratings after giving effect to any such Asset Sale.

## ARTICLE VIII THE AGENTS

Section 8.01. Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02. Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04. Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, teletype or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained

in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08. Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09. Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document.

Section 8.10. Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an “Indemnitee”) and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee’s own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries, or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04. Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05. Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.11(a), 2.09(b) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06. Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consent shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this subsection 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a

material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08(b), unless, with respect to any Notes held by such Lender, the requirements of subsection 9.06(c) and this subsection 9.06(e) have been satisfied.

**Section 9.07. Governing Law; Submission to Jurisdiction.** This Agreement and each Note shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

**Section 9.08. Counterparts; Integration; Effectiveness.** This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

**Section 9.09. Generally Accepted Accounting Principles.** Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

**Section 9.10. Usage.** The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

- (a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.
- (b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.
- (c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.
- (d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word "will" shall be construed to have the same meaning as the word "shall". The term "including" shall be construed to have the same meaning as the phrase "including without limitation".
- (e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person's successors and permitted assigns.
- (f) Unless the context otherwise requires, whenever any statement is qualified by "to the best knowledge of" or "known to" (or a similar phrase) any Person that is not a natural person, it is intended to indicate that the senior management of such Person has conducted a commercially reasonable inquiry and investigation prior to making such statement and no member of the senior management of such Person (including managers, in the case of limited liability companies, and general partners, in the case of partnerships) has current actual knowledge of the inaccuracy of such statement.

**Section 9.11. WAIVER OF JURY TRIAL.** THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**Section 9.12. Confidentiality.** Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this

Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender's or Agent's Affiliates and their respective directors, officers, employees and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower's Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a "tombstone" or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13. USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lender Parties"), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the "Borrower Parties"). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15. Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the "Extending Lenders") shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder; provided that, for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Extending Lenders shall be redetermined based on the Commitments set forth in the Commitment Appendix and the participations of the Extending Lenders in, and the obligations of the Extending Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in the JLA L/C Fronting Sublimits Appendix.

## Form of Note

FOR VALUE RECEIVED, the undersigned, KENTUCKY UTILITIES COMPANY, a Kentucky corporation and Virginia corporation (the "Borrower"), promises to pay to the order of \_\_\_\_\_ (hereinafter, together with its successors and assigns, called the "Holder"), at the Administrative Agent's Office or such other place as the Holder may designate in writing to the Borrower, the principal sum of \_\_\_\_\_ AND \_\_\_\_\_/100s DOLLARS (\$ \_\_\_\_\_), or, if less, the principal amount of all Loans advanced by the Holder to the Borrower pursuant to the Credit Agreement (as defined below), plus interest as hereinafter provided. Such Loans may be endorsed from time to time on the grid attached hereto, but the failure to make such notations shall not affect the validity of the Borrower's obligation to repay unpaid principal and interest hereunder.

All capitalized terms used herein shall have the meanings ascribed to them in that certain \$400,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement") by and among the Borrower, the lenders party thereto (collectively, the "Lenders") and Wells Fargo Bank, National Association, as administrative agent (the "Administrative Agent") for itself and on behalf of the Lenders and the Issuing Lenders, except to the extent such capitalized terms are otherwise defined or limited herein.

The Borrower shall repay principal outstanding hereunder from time to time, as necessary, in order to comply with the Credit Agreement. All amounts paid by the Borrower shall be applied to the Obligations in such order of application as provided in the Credit Agreement.

A final payment of all principal amounts and other Obligations then outstanding hereunder shall be due and payable on the maturity date provided in the Credit Agreement, or such earlier date as payment of the Loans shall be due, whether by acceleration or otherwise.

The Borrower shall be entitled to borrow, repay, reborrow, continue and convert the Holder's Loans (or portion thereof) hereunder pursuant to the terms and conditions of the Credit Agreement. Prepayment of the principal amount of any Loan may be made as provided in the Credit Agreement.

The Borrower hereby promises to pay interest on the unpaid principal amount hereof as provided in Article II of the Credit Agreement. Interest under this Note shall also be due and payable when this Note shall become due (whether at maturity, by reason of acceleration or otherwise). Overdue principal and, to the extent permitted by law, overdue interest, shall bear interest payable on DEMAND at the default rate as provided in the Credit Agreement.

In no event shall the amount of interest due or payable hereunder exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Holder, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Holder in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Holder not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

All parties now or hereafter liable with respect to this Note, whether the Borrower, any guarantor, endorser or any other Person or entity, hereby waive presentment for payment, demand, notice of non-payment or dishonor, protest and notice of protest.

No delay or omission on the part of the Holder or any holder hereof in exercising its rights under this Note, or delay or omission on the part of the Holder, the Administrative Agent or the Lenders collectively, or any of them, in exercising its or their rights under the Credit Agreement or under any other Loan Document, or course of conduct relating thereto, shall operate as a waiver of such rights or any other right of the Holder or any holder hereof, nor shall any waiver by the Holder, the Administrative Agent, the Required Lenders or the Lenders collectively, or any of them, or any holder hereof, of any such right or rights on any one occasion be deemed a bar to, or waiver of, the same right or rights on any future occasion.

The Borrower promises to pay all reasonable costs of collection, including reasonable attorneys' fees, should this Note be collected by or through an attorney-at-law or under advice therefrom.

This Note evidences the Holder's Loans (or portion thereof) under, and is entitled to the benefits and subject to the terms of, the Credit Agreement, which contains provisions with respect to the acceleration of the maturity of this Note upon the happening of certain stated events, and provisions for prepayment.

This Note shall be governed by and construed in accordance with the internal laws of the State of New York.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

## Forms of Opinions of Counsel for the Borrower

[Date]

To the Administrative Agent and  
each of the Lenders party to the Revolving  
Credit Agreement referred to below

Re: Kentucky Utilities Company  
\$400,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

We have acted as special counsel to Kentucky Utilities Company, a Kentucky and Virginia corporation (the "Company"), in connection with the negotiation, execution and delivery of the \$400,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Company, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender, and the other Lenders from time to time party thereto (such Revolving Credit Agreement as so amended, the "Agreement"). This letter is being delivered to you at the request of the Company pursuant to Section 4.01(e) of the Agreement.

In preparing this letter, we have reviewed the Agreement[, and the Notes of the Company executed and delivered by the Company on the date hereof (the "Notes"),] and the other documents executed and delivered by the Company in connection with the Agreement. We have also reviewed the Orders of the Kentucky Public Service Commission ("KPSC") dated September 30, 2010, October 11, 2011 and \_\_\_\_\_, 2012 (Case Nos. 2010-00205, 2011-0038 and 2012-\_\_\_\_\_), in connection with the Agreement (the "KPSC Orders") the Orders of the Virginia State Corporation Commission (the "VSCC") dated October 19, 2010 (No. PUE-2010-00061), and \_\_\_\_\_, and the Orders of the Tennessee Regulatory Authority ("TRA"), dated \_\_\_\_\_ (the "TRA Orders").

Subject to the assumptions, qualifications and other limitations set forth below, it is our opinion that:

1. The Agreement constitutes the valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms.
2. [The Notes constitute the valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms.]
3. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
4. The borrowings under the Agreement and the use of proceeds thereof as contemplated by the Agreement do not violate Regulation U or X of the Board of Governors of the Federal Reserve System.

In rendering our opinions, we have (a) without independent verification, relied, with respect to factual matters, statements and conclusions, on certificates, notifications and statements, whether written or oral, of governmental officials and individuals identified to us as officers and representatives of the Company and on the representations made by the Company in the Agreement and other documents delivered to you in connection therewith and (b) reviewed originals, or copies of such agreements, documents and records as we have considered relevant and necessary as a basis for our opinions. In rendering the opinions set forth above, we note that any exercise by the Company of the option to increase the Commitments as contemplated in Section 2.19 of the Agreement may require additional authorization by the Company's Board of Managers, the KPSC, the VSCC, the TRA and/or the Federal Energy Regulatory Commission. We note that, as counsel to the Company, we do not represent it generally and there may be facts relating to the Company of which we have no knowledge.

We have assumed (a) the accuracy and completeness of all certificates, agreements, documents, records and other materials submitted to us; (b) the authenticity of original certificates, agreements, documents, records and other materials submitted to us; (c) the conformity with the originals of any copies submitted to us; (d) the genuineness of all signatures; (e) the legal capacity of all natural persons; (f) that the Agreement constitutes the valid, legally binding and enforceable agreement of the parties thereto under all applicable law (other than, in the case of the Company, the law of the State of New York); (g) that the Company (i) is duly organized, validly existing and in good standing under the law of its jurisdictions of organization, (ii) has the power to execute and deliver, and to perform its obligations under, the Agreement [and the Notes], (iii) has duly taken or caused to be taken all necessary action to authorize the execution, delivery and performance by it of the Agreement [and the Notes] and (iv) has duly executed and delivered the Agreement [and the Notes]; (h) that the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Agreement and the Notes does not and will not (i) breach or violate (A) its Amended and Restated Articles of Incorporation or Bylaws, (B) any agreement or instrument to which the Company or any of its affiliates is a party or by which the Company or any of its affiliates or any of their respective properties may be bound, (C) any authorization, consent, approval or license (or the like) of, or exemption (or the like) from, or any registration or filing (or the like) with, or report or notice (or the like) to, any governmental unit, agency, commission, department or other authority granted to or otherwise applicable to the Company or any of its affiliates or any of their respective properties (each a "Governmental Approval"), (D) any order, decision, judgment or decree that may be applicable to the Company or

any of its affiliates or any of their respective properties, or (E) any law (other than the law of the State of New York and the federal law of the United States), or (ii) require any Governmental Approval (other than the KPSC Orders, the VSCC Orders and the TRA Orders, which we assume to have been duly granted and to remain in full force and effect); (h) that the Company is engaged only in the businesses described in its Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission; (i) that there are no agreements, understandings or negotiations between the parties not set forth in the Agreement that would modify the terms thereof or the rights and obligations of the parties thereunder; and (j) for purposes of our opinion in paragraph 1 as it relates to the choice-of-law provisions in the Agreement, that the choice of law of the State of New York as the governing law of the Agreement would not result in a violation of an important public policy of another state or country having greater contacts with the transactions contemplated by the agreement than the State of New York.

Our opinions are subject to and limited by the effect of (a) applicable bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, receivership, conservatorship, arrangement, moratorium and other similar laws affecting and relating to the rights of creditors generally; (b) general equitable principles; (c) requirements of reasonableness, good faith, fair dealing and materiality; (d) Article 9 of the Uniform Commercial Code regarding restrictions on assignment or transfer of rights; and (e) additionally in the case of (i) indemnities, a requirement that facts, known to the indemnitee but not the indemnitor, in existence at the time the indemnity becomes effective that would entitle the indemnitee to indemnification be disclosed to the indemnitor, and a requirement that an indemnity provision will not be read to impose obligations upon indemnitors which are neither disclosed at the time of its execution nor reasonably within the scope of its terms and overall intention of the parties at the time of its making, (ii) waivers, Sections 9-602 and 9-603 of the Uniform Commercial Code, and (iii) indemnities, waivers and exculpatory provisions, public policy.

We express no opinion with respect to the following sections of the Agreement: (i) Section 9.02 (cumulative remedies), (ii) provisions relating to rules of evidence or quantum of proof, (iii) Section 9.07 (submission to jurisdiction and waiver of inconvenient forum), insofar as such sections relate to federal courts (except as to the personal jurisdiction thereof), and (choice of venue, i.e., requiring actions to be commenced in a particular court in a particular jurisdiction), and (iv) Section 9.11 (waiver of jury trial), insofar as such section is sought to be enforced in a federal court.

We express no opinion as to the law of any jurisdiction other than the law of the State of New York and the federal law of the United States of America, and in each case, only such law that in our experience is normally applicable to transactions of the type contemplated by the Agreement and excluding (i) any law that is part of a regulatory regime applicable to specific assets or businesses of the lenders and (ii) the statutes and ordinances, the administrative decisions, and the rules and regulations of counties, towns, municipalities and special political subdivisions.

This letter speaks only as of the date hereof. We have no responsibility or obligation to update this letter or to take into account changes in law or facts or any other development of which we may later become aware.

This letter is delivered by us as special counsel for the Company solely for your benefit in connection with the transaction referred to herein and may not be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person or entity without our prior written consent.

Very truly yours,

Capitalized terms used but not defined herein have the meanings assigned to such terms in the Agreement.

I am familiar with the Agreement[, the Notes of the Borrower executed and delivered by the Borrower on the date hereof (the “Notes”),] and other documents executed and delivered by the Borrower in connection with the Agreement. I also have examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to render this opinion.

In rendering this opinion, I have assumed: (a) the genuineness of the signatures on all documents and instruments (other than the signatures of officers of the Borrower), the authenticity of all documents submitted as originals, the conformity to originals of all documents submitted as photostatic or certified copies, and the accuracy and completeness of all corporate records made available to me by the Borrower; (b) the due execution and delivery of the Agreement by the Lenders party thereto; and (c) that the Agreement constitutes the legal, valid and binding obligation of the Lenders party thereto.

Based on the foregoing, I am of the opinion that:

1. The Borrower is duly incorporated, validly existing and in good standing under the laws of the Commonwealth of Kentucky and the Commonwealth of Virginia, and has the corporate power to make and perform the Agreement [and the Notes].
2. The execution, delivery and performance by the Borrower of the Agreement [and the Notes] have been duly authorized by the Borrower and do not violate any provision of law or regulation, or any decree, order, writ or judgment applicable to the Borrower, or any provision of the Borrower’s certificate of incorporation, by-laws or board or shareholder resolutions, or result in the breach of or constitute a default under any indenture or other agreement or instrument known to me to which the Borrower is a party.
3. [Each of] [T][t]Agreement [and the Notes] has been duly executed and delivered by the Borrower.
4. Except as disclosed in or contemplated by the Agreement or the Borrower’s financial statements referred to in Sections 5.04(a) or 5.04(b) of the Agreement, or otherwise furnished in writing to the Administrative Agent and the Lenders, no litigation, arbitration or administrative proceeding or inquiry is pending, or to my knowledge, threatened, which would reasonably be expected to materially adversely affect the ability of the Borrower to perform any of its obligations under the Agreement [or the Notes]. To my knowledge, there is no litigation, arbitration or administrative proceeding pending or threatened that questions the validity of the Agreement [or the Notes].
5. There have not been any “reportable events,” as that term is defined in Section 4043 of the Employee Retirement Income Security Act of 1974, as amended, which would result in a material liability of the Borrower.
6. Each of the \_\_\_\_\_, 20\_\_ and the \_\_\_\_\_, 2012 Orders of the Kentucky Public Service Commission (the “KPSC”), the \_\_\_\_\_, 20\_\_ and the \_\_\_\_\_, 2012 Orders of the Virginia State Corporation Commission (the “VSCC”) and the \_\_\_\_\_, 20\_\_ Order of the Tennessee Regulatory Authority (the “TRA”), relating to the Agreement, is in full force and effect, and no further authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except such authorizations, consents and approvals as have been obtained prior to the date hereof, which authorizations, consents and approvals are in full force and effect.

[In rendering the opinions set forth in paragraphs 1 through 3 and 6 above, I note that any exercise by the Borrower of the option to increase the Revolving Commitment as contemplated in Section 2.19 of the Agreement may require additional authorization by the Borrower’s Board of Directors and further approval of the KPSC, TSCC, TRA and/or FERC.]

I am licensed to practice law only in the Commonwealth of Kentucky and, accordingly, for purposes of my opinions in paragraphs 1 through 3 and 6 above (with respect to Virginia and Tennessee law), I have relied upon the opinion of [\_\_\_\_\_] and the opinion of [\_\_\_\_\_] (copies of which are attached)], which opinions are in form and substance satisfactory to me and I believe that you and I are satisfied in relying thereon.

In rendering its opinion to the addressee hereof, Pillsbury Winthrop Shaw Pittman LLP may rely as to matters of Kentucky law addressed herein upon this letter as if it were addressed directly to them. Except as aforesaid, without my prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

1. The Company is duly incorporated, validly existing and in good standing as a corporation under the laws of the Commonwealth of Virginia and has corporate power to execute and deliver, and to carry out and perform its obligations under, the Agreement [and the Notes].

  3. The Company's entrance into its obligations in connection with the Agreement has been authorized by an order duly entered by the Virginia State Corporation Commission ("VSCC"), which order is in full force and effect, and no further authorization, consent or approval of any Governmental Authority of the Commonwealth of Virginia is required for the execution, delivery and performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except for such authorizations, consents and approvals as have been obtained prior to the date hereof and which are in full force and effect [and except that further approval of the VSCC may/would be required in connection with any exercise by the Borrower of the option to increase the Revolving Commitment as contemplated by Section 2.19 of the Agreement].

Section 2.04. Notice to Lenders; Funding of Revolving Loans and Swingline Loans.

(a) Notice to Lenders. Upon receipt of a Notice of Borrowing (other than in respect of a Borrowing of a Swingline Loan), the Administrative Agent shall promptly notify each Lender of such Lender's ratable share (if any) of the Borrowing referred to in the Notice of Borrowing, and such Notice of Borrowing shall not thereafter be revocable by the Borrower.

(b) Funding of Loans. Not later than (a) 1:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate

Borrowing and (b) 12:00 Noon (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing, each Lender shall make available its ratable share of such Borrowing, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. Unless the Administrative Agent determines that any applicable condition specified in Article IV has not been satisfied, the Administrative Agent shall apply any funds so received in respect of a Borrowing available to the Borrower at the Administrative Agent's address not later than (a) 3:00 P.M. (Charlotte, North Carolina time) on the date of each Base Rate Borrowing and (b) 2:00 P.M. (Charlotte, North Carolina time) on the date of each Euro-Dollar Borrowing. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Lenders as provided in Section 2.02(b).

(c) Funding By the Administrative Agent in Anticipation of Amounts Due from the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing (except in the case of a Base Rate Borrowing, in which case prior to the time of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsection (b) of this Section, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such share available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount, together with interest thereon for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) a rate per annum equal to the higher of the Federal Funds Rate and the interest rate applicable thereto pursuant to Section 2.06, in the case of the Borrower, and (ii) the Federal Funds Rate, in the case of such Lender. Any payment by the Borrower hereunder shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make its share of a Borrowing available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan included in such Borrowing for purposes of this Agreement.

(d) Obligations of Lenders Several. The failure of any Lender to make a Loan required to be made by it as part of any Borrowing hereunder shall not relieve any other Lender of its obligation, if any, hereunder to make any Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such date of Borrowing.

#### Section 2.05. Noteless Agreement: Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (a) the amount of each Loan made hereunder, the Type thereof and the Interest Period with respect thereto, (b) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (c) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06(c)) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06(c), except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

#### Section 2.06. Interest Rates.

(a) Interest Rate Options. The Loans shall, at the option of the Borrower and except as otherwise provided herein, be incurred and maintained as, or converted into, one or more Base Rate Loans or Euro-Dollar Loans.

(b) Base Rate Loans. Each Loan which is made as, or converted into, a Base Rate Loan (other than a Swingline Loan) shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made as, or converted into, a Base Rate Loan until it becomes due or is converted into a Loan of any other Type, at a rate per annum equal to the sum of the Base Rate for such day plus the Applicable Percentage for Base Rate Loans for such day. Each Loan which is made as a Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made until it becomes due at a rate per annum equal to the LIBOR Market Index Rate for such day plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall, in each case, be payable quarterly in arrears on each Quarterly Date (or, with respect to Base Rate Loans that are Swingline Loans, as the Swingline Lender and the Borrower may otherwise agree in writing) and, with respect to the principal amount of any Base Rate Loan (other than a Swingline Loan) converted to a Euro-Dollar Loan, on the date such Base Rate Loan is so converted. Any overdue principal or interest on any Base Rate Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the rate otherwise applicable to Base Rate Loans for such day.

(c) Euro-Dollar Loans. Each Euro-Dollar Loan shall bear interest on the outstanding principal amount thereof, for each day during the Interest Period applicable thereto, at a rate per annum equal to the sum of the Adjusted London Interbank Offered Rate for such Interest Period plus the Applicable Percentage for Euro-Dollar Loans for such day. Such interest shall be payable for each Interest Period on the last day thereof and, if such Interest Period is longer than three months, at intervals of three months after the first day thereof. Any overdue

principal of or interest on any Euro-Dollar Loan shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the sum of 2% plus the sum of (A) the Adjusted London Interbank Offered Rate applicable to such Loan at the date such payment was due plus (B) the Applicable Percentage for Euro-Dollar Loans for such day (or, if the circumstance described in Section 2.14 shall exist, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day).

(d) Method of Electing Interest Rates.

(i) Subject to Section 2.06(a), the Loans included in each Revolving Borrowing shall bear interest initially at the type of rate specified by the Borrower in the applicable Notice of Borrowing. Thereafter, with respect to each Group of Loans, the Borrower shall have the option (A) to convert all or any part of (y) so long as no Default is in existence on the date of conversion, outstanding Base Rate Loans to Euro-Dollar Loans and (z) outstanding Euro-Dollar Loans to Base Rate Loans; provided, in each case, that the amount so converted shall be equal to \$10,000,000 or any larger integral multiple of \$1,000,000, or (B) upon the expiration of any Interest Period applicable to outstanding Euro-Dollar Loans, so long as no Default is in existence on the date of continuation, to continue all or any portion of such Loans, equal to \$10,000,000 and any larger integral multiple of \$1,000,000 in excess of that amount as Euro-Dollar Loans. The Interest Period of any Base Rate Loan converted to a Euro-Dollar Loan pursuant to clause(A) above shall commence on the date of such conversion. The succeeding Interest Period of any Euro-Dollar Loan continued pursuant to clause (B) above shall commence on the last day of the Interest Period of the Loan so continued. Euro-Dollar Loans may only be converted on the last day of the then current Interest Period applicable thereto or on the date required pursuant to Section 2.18.

(ii) The Borrower shall deliver a written notice of each such conversion or continuation (a "Notice of Conversion/Continuation") to the Administrative Agent no later than (A) 12:00 Noon (Charlotte, North Carolina time) at least three (3) Business Days before the effective date of the proposed conversion to, or continuation of, a Euro Dollar Loan and (B) 11:30 A.M. (Charlotte, North Carolina time) on the day of a conversion to a Base Rate Loan. A written Notice of Conversion/Continuation shall be substantially in the form of Exhibit A-2 attached hereto and shall specify: (A) the Group of Loans (or portion thereof) to which such notice applies, (B) the proposed conversion/continuation date (which shall be a Business Day), (C) the aggregate amount of the Loans being converted/continued, (D) an election between the Base Rate and the Adjusted London Interbank Offered Rate and (E) in the case of a conversion to, or a continuation of, Euro-Dollar Loans, the requested Interest Period. Upon receipt of a Notice of Conversion/Continuation, the Administrative Agent shall give each Lender prompt notice of the contents thereof and such Lender's pro rata share of all conversions and continuations requested therein. If no timely Notice of Conversion/Continuation is delivered by the Borrower as to any Euro-Dollar Loan, and such Loan is not repaid by the Borrower at the end of the applicable Interest Period, such Loan shall be converted automatically to a Base Rate Loan on the last day of the then applicable Interest Period.

(e) Determination and Notice of Interest Rates. The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Any notice with respect to Euro-Dollar Loans shall, without the necessity of the Administrative Agent so stating in such notice, be subject to adjustments in the Applicable Percentage applicable to such Loans after the beginning of the Interest Period applicable thereto. When during an Interest Period any event occurs that causes an adjustment in the Applicable Percentage applicable to Loans to which such Interest Period is applicable, the Administrative Agent shall give prompt notice to the Borrower and the Lenders of such event and the adjusted rate of interest so determined for such Loans, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.07. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender a fee (the "Commitment Fee") for each day at a rate per annum equal to the Applicable Percentage for the Commitment Fee for such day. The Commitment Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the amount by which such Lender's Commitment exceeds the sum of its Revolving Outstandings (solely for this purpose, exclusive of Swingline Exposure) on such day. The Commitment Fee shall be payable on the last day of each of March, June, September and December and on the Termination Date.

(b) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent a fee (the "Letter of Credit Fee") for each day at a rate per annum equal to the Applicable Percentage for the Letter of Credit Fee for such day. The Letter of Credit Fee shall accrue from and including the Effective Date to but excluding the last day of the Availability Period on the aggregate amount available for drawing under any Letters of Credit outstanding on such day and shall be payable for the account of the Lenders ratably in proportion to their participations in such Letter(s) of Credit. In addition, the Borrower shall pay to each Issuing Lender a fee (the "Fronting Fee") in respect of each Letter of Credit issued by such Issuing Lender computed at the rate of 0.20% per annum on the average amount available for drawing under such Letter(s) of Credit. Fronting Fees shall be due and payable quarterly in arrears on each Quarterly Date and on the Termination Date (or such earlier date as all Letters of Credit shall be canceled or expire). In addition, the Borrower agrees to pay to each Issuing Lender, upon each issuance of, payment under, and/or amendment of, a Letter of Credit, such amount as shall at the time of such issuance, payment or amendment be the administrative charges and expenses which such Issuing Lender is customarily charging for issuances of, payments under, or amendments to letters of credit issued by it.

(c) Payments. Except as otherwise provided in this Section 2.07, accrued fees under this Section 2.07 in respect of Loans and Letter of Credit Liabilities shall be payable quarterly in arrears on each Quarterly Date, on the last day of the Availability Period and, if later, on the date the Loans and Letter of Credit Liabilities shall be repaid in their entirety. Fees paid hereunder shall not be refundable under any circumstances.

Section 2.08. Adjustments of Commitments.

(a) Optional Termination or Reductions of Commitments (Pro-Rata). The Borrower may, upon at least three Business

Days' prior written notice to the Administrative Agent, permanently (i) terminate the Commitments, if there are no Revolving Outstandings at such time or (ii) ratably reduce from time to time by a minimum amount of \$10,000,000 or any larger integral multiple of \$5,000,000, the aggregate amount of the Commitments in excess of the aggregate Revolving Outstandings. Upon receipt of any such notice, the Administrative Agent shall promptly notify the Lenders. If the Commitments are terminated in their entirety, all accrued fees shall be payable on the effective date of such termination.

(b) Optional Termination of Commitments (Non-Pro-Rata). If (i) any Lender has demanded compensation or indemnification pursuant to Sections 2.14, 2.15, 2.16 or 2.17, (ii) the obligation of any Lender to make Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (iii) any Lender is a Defaulting Lender (each such Lender described in clauses (i), (ii) or (iii) being a "Retiring Lender"), the Borrower shall have the right, if no Default then exists, to replace such Lender with one or more Eligible Assignees (which may be one or more of the Continuing Lenders) (each a "Replacement Lender" and, collectively, the "Replacement Lenders") reasonably acceptable to the Administrative Agent. The replacement of a Retiring Lender pursuant to this Section 2.08(b) shall be effective on the tenth Business Day (the "Replacement Date") following the date of notice given by the Borrower of such replacement to the Retiring Lender and each Continuing Lender through the Administrative Agent, subject to the satisfaction of the following conditions:

(i) the Replacement Lender shall have satisfied the conditions to assignment and assumption set forth in Section 9.06(c) (with all fees payable pursuant to Section 9.06(c) to be paid by the Borrower) and, in connection therewith, the Replacement Lender(s) shall pay:

(A) to the Retiring Lender an amount equal in the aggregate to the sum of (x) the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Retiring Lender, (y) all unpaid drawings that have been funded by (and not reimbursed to) the Retiring Lender under Section 3.10, together with all accrued but unpaid interest with respect thereto and (z) all accrued but unpaid fees owing to the Retiring Lender pursuant to Section 2.07; and

(B) to the Swingline Lender an amount equal to the aggregate amount owing by the Retiring Lender to the Swingline Lender in respect of all unpaid refundings of Swingline Loans requested by the Swingline Lender pursuant to Section 2.02(b)(i), to the extent such amount was not theretofore funded by such Retiring Lender; and

(C) to the Issuing Lenders an amount equal to the aggregate amount owing by the Retiring Lender to the Issuing Lenders as reimbursement pursuant to Section 3.09, to the extent such amount was not theretofore funded by such Retiring Lender; and

(ii) the Borrower shall have paid to the Administrative Agent for the account of the Retiring Lender an amount equal to all obligations owing to the Retiring Lender by the Borrower pursuant to this Agreement and the other Loan Documents (other than those obligations of the Borrower referred to in clause (i)(A) above).

On the Replacement Date, each Replacement Lender that is a New Lender shall become a Lender hereunder and shall succeed to the obligations of the Retiring Lender with respect to outstanding Swingline Loans and Letters of Credit to the extent of the Commitment of the Retiring Lender assumed by such Replacement Lender, and the Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall continue to inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

In lieu of the foregoing, subject to Section 2.08(e), upon express written consent of Continuing Lenders holding more than 50% of the aggregate amount of the Commitments of the Continuing Lenders, the Borrower shall have the right to permanently terminate the Commitment of a Retiring Lender in full. Upon payment by the Borrower to the Administrative Agent for the account of the Retiring Lender of an amount equal to the sum of (i) the aggregate principal amount of all Loans and Reimbursement Obligations owed to the Retiring Lender and (ii) all accrued interest, fees and other amounts owing to the Retiring Lender hereunder, including, without limitation, all amounts payable by the Borrower to the Retiring Lender under Sections 2.12, 2.16, 2.17 or 9.03, such Retiring Lender shall cease to constitute a Lender hereunder; provided, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a Retiring Lender with respect to any Loans made, any Letters of Credit issued or any other actions taken by such Retiring Lender while it was a Lender.

(c) Optional Termination of Defaulting Lender Commitment (Non-Pro-Rata). At any time a Lender is a Defaulting Lender, subject to Section 2.08(e), the Borrower may terminate in full the Commitment of such Defaulting Lender by giving notice to such Defaulting Lender and the Administrative Agent, provided, that, (i) at the time of such termination, (A) no Default has occurred and is continuing (or alternatively, the Required Lenders shall consent to such termination) and (B) either (x) no Revolving Loans or Swingline Loans are outstanding or (y) the aggregate Revolving Outstandings of such Defaulting Lender in respect of Revolving Loans is zero; (ii) concurrently with such termination, the aggregate Commitments shall be reduced by the Commitment of the Defaulting Lender; and (iii) concurrently with any subsequent payment of interest or fees to the Lenders with respect to any period before the termination of a Defaulting Lender's Commitment, the Borrower shall pay to such Defaulting Lender its ratable share (based on its Commitment Ratio before giving effect to such termination) of such interest or fees, as applicable. The termination of a Defaulting Lender's Commitment pursuant to this Section 2.08(c) shall not be deemed to be a waiver of any right that the Borrower, Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender.

(d) Termination Date. The Commitments shall terminate on the Termination Date.

(e) Redetermination of Commitment Ratios. On the date of termination of the Commitment of a Retiring Lender or Defaulting Lender pursuant to Section 2.08(b) or (c), the Commitment Ratios of the Continuing Lenders shall be redetermined after giving effect

thereto, and the participations of the Continuing Lenders in and obligations of the Continuing Lenders in respect of any then outstanding Swingline Loans and Letters of Credit shall thereafter be based upon such redetermined Commitment Ratios (to the extent not previously adjusted pursuant to Section 2.20). The right of the Borrower to effect such a termination is conditioned on there being sufficient unused availability in the Commitments of the Continuing Lenders such that the aggregate Revolving Outstandings will not exceed the aggregate Commitments after giving effect to such termination and redetermination.

Section 2.09. Maturity of Loans; Mandatory Prepayments.

(a) Scheduled Repayments and Prepayments of Loans; Overline Repayments.

(i) The Revolving Loans shall mature on the Termination Date, and any Revolving Loans, Swingline Loans and Letter of Credit Liabilities then outstanding (together with accrued interest thereon and fees in respect thereof) shall be due and payable or, in the case of Letters of Credit, cash collateralized pursuant to Section 2.09(a)(ii), on such date.

(ii) If on any date the aggregate Revolving Outstandings exceed the aggregate amount of the Commitments (such excess, a " Revolving Outstandings Excess "), the Borrower shall prepay, and there shall become due and payable (together with accrued interest thereon) on such date, an aggregate principal amount of Revolving Loans and/or Swingline Loans equal to such Revolving Outstandings Excess. If, at a time when a Revolving Outstandings Excess exists and (x) no Revolving Loans or Swingline Loans are outstanding or (y) the Commitment has been terminated pursuant to this Agreement and, in either case, any Letter of Credit Liabilities remain outstanding, then, in either case, the Borrower shall cash collateralize any Letter of Credit Liabilities by depositing into a cash collateral account established and maintained (including the investments made pursuant thereto) by the Administrative Agent pursuant to a cash collateral agreement in form and substance satisfactory to the Administrative Agent an amount in cash equal to the then outstanding Letter of Credit Liabilities. In determining Revolving Outstandings for purposes of this clause (ii), Letter of Credit Liabilities shall be reduced to the extent that they are cash collateralized as contemplated by this Section 2.09(a)(ii).

(b) Applications of Prepayments and Reductions.

(i) Each payment or prepayment of Loans pursuant to this Section 2.09 shall be applied ratably to the respective Loans of all of the Lenders.

(ii) Each payment of principal of the Loans shall be made together with interest accrued on the amount repaid to the date of payment.

(iii) Each payment of the Loans shall be applied to such Groups of Loans as the Borrower may designate (or, failing such designation, as determined by the Administrative Agent).

Section 2.10. Optional Prepayments and Repayments.

(a) Prepayments of Loans. Other than in respect of Swingline Loans, the repayment of which is governed pursuant to Section 2.02(b), subject to Section 2.12, the Borrower may (i) upon at least one (1) Business Day's notice to the Administrative Agent, prepay any Base Rate Borrowing or (ii) upon at least three (3) Business Days' notice to the Administrative Agent, prepay any Euro-Dollar Borrowing, in each case in whole at any time, or from time to time in part in amounts aggregating \$10,000,000 or any larger integral multiple of \$1,000,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment. Each such optional prepayment shall be applied to prepay ratably the Loans of the several Lenders included in such Borrowing.

(b) Notice to Lenders. Upon receipt of a notice of prepayment pursuant to Section 2.10(a), the Administrative Agent shall promptly notify each Lender of the contents thereof and of such Lender's ratable share (if any) of such prepayment, and such notice shall not thereafter be revocable by the Borrower.

Section 2.11. General Provisions as to Payments.

(a) Payments by the Borrower. The Borrower shall make each payment of principal of and interest on the Loans and Letter of Credit Liabilities and fees hereunder (other than fees payable directly to the Issuing Lenders) not later than 12:00 Noon (Charlotte, North Carolina time) on the date when due, without set-off, counterclaim or other deduction, in Federal or other funds immediately available in Charlotte, North Carolina, to the Administrative Agent at its address referred to in Section 9.01. The Administrative Agent will promptly distribute to each Lender its ratable share of each such payment received by the Administrative Agent for the account of the Lenders. Whenever any payment of principal of or interest on the Base Rate Loans or Letter of Credit Liabilities or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of or interest on the Euro-Dollar Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Distributions by the Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date, and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such

amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

Section 2.12. Funding Losses. If the Borrower makes any payment of principal with respect to any Euro-Dollar Loan pursuant to the terms and provisions of this Agreement (any conversion of a Euro-Dollar Loan to a Base Rate Loan pursuant to Section 2.18 being treated as a payment of such Euro-Dollar Loan on the date of conversion for purposes of this Section 2.12) on any day other than the last day of the Interest Period applicable thereto, or the last day of an applicable period fixed pursuant to Section 2.06(c), or if the Borrower fails to borrow, convert or prepay any Euro-Dollar Loan after notice has been given in accordance with the provisions of this Agreement, or in the event of payment in respect of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.08(b), the Borrower shall reimburse each Lender within fifteen (15) days after demand for any resulting loss or expense incurred by it (and by an existing Participant in the related Loan), including, without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow or prepay; provided, that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.13. Computation of Interest and Fees. Interest on Loans based on the Prime Rate hereunder and Letter of Credit Fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed. All other interest and fees shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.14. Basis for Determining Interest Rate Inadequate, Unfair or Unavailable. If on or prior to the first day of any Interest Period for any Euro-Dollar Loan: (a) Lenders having 50% or more of the aggregate amount of the Commitments advise the Administrative Agent that the Adjusted London Interbank Offered Rate as determined by the Administrative Agent, will not adequately and fairly reflect the cost to such Lenders of funding their Euro-Dollar Loans for such Interest Period; or (b) the Administrative Agent shall determine that no reasonable means exists for determining the Adjusted London Interbank Offered Rate, the Administrative Agent shall forthwith give notice thereof to the Borrower and the Lenders, whereupon, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such suspension no longer exist, (i) the obligations of the Lenders to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans shall be suspended; and (ii) each outstanding Euro-Dollar Loan shall be converted into a Base Rate Loan on the last day of the current Interest Period applicable thereto. Unless the Borrower notifies the Administrative Agent at least two (2) Domestic Business Days before the date of (or, if at the time the Borrower receives such notice the day is the date of, or the date immediately preceding, the date of such Euro-Dollar Borrowing, by 10:00 A.M. on the date of) any Euro-Dollar Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, such Borrowing shall instead be made as a Base Rate Borrowing.

Section 2.15. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Dollar Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Dollar Lending Office) to make, maintain or fund its Euro-Dollar Loans and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Borrower, whereupon until such Lender notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Euro-Dollar Loans, or to convert outstanding Loans into Euro-Dollar Loans, shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Euro-Dollar Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. If such notice is given, each Euro-Dollar Loan of such Lender then outstanding shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Loan to such day.

Section 2.16. Increased Cost and Reduced Return.

(a) Increased Costs. If after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, insurance assessment or similar requirement against Letters of Credit issued or participated in by, assets of, deposits with or for the account of or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Euro-Dollar Loans, Notes, obligation to make Euro-Dollar Loans or obligations hereunder in respect of Letters of Credit, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Dollar Loan, or of issuing or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its Notes with respect thereto, then, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts, as determined by such Lender in good faith, as will compensate such Lender for such increased cost or reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(b) Capital Adequacy. If any Lender shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy or liquidity, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or

administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender (or any Person controlling such Lender) as a consequence of such Lender's obligations hereunder to a level below that which such Lender (or any Person controlling such Lender) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy), then from time to time, within fifteen (15) days after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender (or any Person controlling such Lender) for such reduction, solely to the extent that any such additional amounts were incurred by the Lender within ninety (90) days of such demand.

(c) Notices. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, that will entitle such Lender to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods.

(d) Notwithstanding anything to the contrary herein, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law" under this Article II regardless of the date enacted, adopted or issued.

#### Section 2.17. Taxes.

(a) Payments Net of Certain Taxes. Any and all payments by the Borrower to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, charges and withholdings and all liabilities with respect thereto, excluding: (i) taxes imposed on or measured by the net income (including branch profits or similar taxes) of, and gross receipts, franchise or similar taxes imposed on, any Agent or any Lender by the jurisdiction (or subdivision thereof) under the laws of which such Lender or Agent is organized or in which its principal executive office is located or, in the case of each Lender, in which its Applicable Lending Office is located, (ii) in the case of each Lender, any United States withholding tax imposed on such payments, but only to the extent that such Lender is subject to United States withholding tax at the time such Lender first becomes a party to this Agreement or changes its Applicable Lending Office, (iii) any backup withholding tax imposed by the United States (or any state or locality thereof) on a Lender or Administrative Agent that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code, and (iv) any taxes imposed by FATCA (all such nonexcluded taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable shall be increased as necessary so that after making all such required deductions (including deductions applicable to additional sums payable under this Section 2.17(a)) such Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law and (iv) the Borrower shall furnish to the Administrative Agent, for delivery to such Lender, the original or a certified copy of a receipt evidencing payment thereof.

(b) Other Taxes. In addition, the Borrower agrees to pay any and all present or future stamp or court or documentary taxes and any other excise or property taxes, or similar charges or levies, which arise from any payment made pursuant to this Agreement, any Note or any other Loan Document or from the execution, delivery, performance, registration or enforcement of, or otherwise with respect to, this Agreement, any Note or any other Loan Document (collectively, "Other Taxes").

(c) Indemnification. The Borrower agrees to indemnify each Lender and each Agent for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.17(c)), whether or not correctly or legally asserted, paid by such Lender or Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto as certified in good faith to the Borrower by each Lender or Agent seeking indemnification pursuant to this Section 2.17(c). This indemnification shall be paid within 15 days after such Lender or Agent (as the case may be) makes demand therefor.

(d) Refunds or Credits. If a Lender or Agent receives a refund, credit or other reduction from a taxation authority for any Taxes or Other Taxes for which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall within fifteen (15) days from the date of such receipt pay over the amount of such refund, credit or other reduction to the Borrower (but only to the extent of indemnity payments made or additional amounts paid by the Borrower under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund, credit or other reduction), net of all reasonable out-of-pocket expenses of such Lender or Agent (as the case may be) and without interest (other than interest paid by the relevant taxation authority with respect to such refund, credit or other reduction); provided, however, that the Borrower agrees to repay, upon the request of such Lender or Agent (as the case may be), the amount paid over to the Borrower (plus penalties, interest or other charges) to such Lender or Agent in the event such Lender or Agent is required to repay such refund or credit to such taxation authority.

(e) Tax Forms and Certificates. On or before the date it becomes a party to this Agreement, from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and at any time it changes its Applicable Lending Office: (i) each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two (2) properly completed and duly executed copies of Internal Revenue Service Form W-9, or any successor form prescribed by the Internal Revenue Service, or such other documentation or information prescribed by applicable law or reasonably requested by

the Borrower or the Administrative Agent, as the case may be, certifying that such Lender is a United States person and is entitled to an exemption from United States backup withholding tax or information reporting requirements; and (ii) each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent: (A) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, certifying that such Non-U.S. Lender is entitled to the benefits under an income tax treaty to which the United States is a party which exempts the Non-U.S. Lender from United States withholding tax or reduces the rate of withholding tax on payments of interest for the account of such Non-U.S. Lender; (B) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 ECI, or any successor form prescribed by the Internal Revenue Service, certifying that the income receivable pursuant to this Agreement and the other Loan Documents is effectively connected with the conduct of a trade or business in the United States; or (C) two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate to the effect that (x) such Non-U.S. Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (2) a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or (3) a "controlled foreign corporation" that is described in Section 881(c)(3)(C) of the Internal Revenue Code and is related to the Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code and (y) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Non-U.S. Lender or are effectively connected but are not includible in the Non-U.S. Lender's gross income for United States federal income tax purposes under an income tax treaty to which the United States is a party; or (D) to the extent the Non-U.S. Lender is not the beneficial owner, two (2) properly completed and duly executed copies of Internal Revenue Service Form W-8 IMY, or any successor form prescribed by the Internal Revenue Service, accompanied by an Internal Revenue Service Form W-8 ECI, W-8 BEN, W-9, and/or other certification documents from each beneficial owner, as applicable. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, it will deliver to the Borrower and the Administrative Agent two new accurate and complete signed originals of Internal Revenue Service Form W-9, W-8 BEN, W-8 ECI or W-8 IMY or FATCA-related documentation described above, or successor forms, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any other Loan Document, or it shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or certificate.

(f) Exclusions. The Borrower shall not be required to indemnify any Non-U.S. Lender, or to pay any additional amount to any Non-U.S. Lender, pursuant to Section 2.17(a), (b) or (c) in respect of Taxes or Other Taxes to the extent that the obligation to indemnify or pay such additional amounts would not have arisen but for the failure of such Non-U.S. Lender to comply with the provisions of subsection (e) above.

(g) Mitigation. If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 2.17, then such Lender will use reasonable efforts (which shall include efforts to rebook the Revolving Loans held by such Lender to a new Applicable Lending Office, or through another branch or affiliate of such Lender) to change the jurisdiction of its Applicable Lending Office if, in the good faith judgment of such Lender, such efforts (i) will eliminate or, if it is not possible to eliminate, reduce to the greatest extent possible any such additional payment which may thereafter accrue and (ii) is not otherwise disadvantageous, in the sole determination of such Lender, to such Lender. Any Lender claiming any indemnity payment or additional amounts payable pursuant to this Section shall use reasonable efforts (consistent with legal and regulatory restrictions) to deliver to Borrower any certificate or document reasonably requested in writing by the Borrower or to change the jurisdiction of its Applicable Lending Office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(h) Confidentiality. Nothing contained in this Section shall require any Lender or any Agent to make available any of its tax returns (or any other information that it deems to be confidential or proprietary).

Section 2.18. Base Rate Loans Substituted for Affected Euro-Dollar Loans. If (a) the obligation of any Lender to make or maintain, or to convert outstanding Loans to, Euro-Dollar Loans has been suspended pursuant to Section 2.15 or (b) any Lender has demanded compensation under Section 2.16(a) with respect to its Euro-Dollar Loans and, in any such case, the Borrower shall, by at least four Business Days' prior notice to such Lender through the Administrative Agent, have elected that the provisions of this Section shall apply to such Lender, then, unless and until such Lender notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(i) all Loans which would otherwise be made by such Lender as (or continued as or converted into) Euro-Dollar Loans shall instead be Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related Euro-Dollar Loans of the other Lenders); and

(ii) after each of its Euro-Dollar Loans has been repaid, all payments of principal that would otherwise be applied to repay such Loans shall instead be applied to repay its Base Rate Loans.

If such Lender notifies the Borrower that the circumstances giving rise to such notice no longer apply, the principal amount of each such Base Rate Loan shall be converted into a Euro-Dollar Loan on the first day of the next succeeding Interest Period applicable to the related Euro-Dollar

Loans of the other Lenders.

Section 2.19. [Reserved.]

Section 2.20. Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.07(a);

(ii) with respect to any Letter of Credit Liabilities or Swingline Exposure of such Defaulting Lender that exists at the time a Lender becomes a Defaulting Lender or thereafter:

(A) all or any part of such Defaulting Lender's Letter of Credit Liabilities and its Swingline Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at such time and (y) such reallocation does not cause the Revolving Outstandings of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment;

(B) if the reallocation described in clause (ii)(A) above cannot, or can only partially, be effected, each Issuing Lender and the Swingline Lender, in its discretion may require the Borrower to (i) reimburse all amounts paid by an Issuing Lender upon any drawing under a Letter of Credit, (ii) repay an outstanding Swingline Loan, and/or (iii) cash collateralize (in accordance with Section 2.09(a)(ii)) all obligations of such Defaulting Lender in respect of outstanding Letters of Credit and Swingline Loans, in each case, in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letters of Credit or Swingline Loans (after giving effect to any partial reallocation pursuant to Section 2.20(a)(ii)(A) above);

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's pursuant to Section 2.20(a)(ii)(B) then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities during the period such Defaulting Lender's Letter of Credit Liabilities are cash collateralized;

(iv) if the Letter of Credit Liabilities and/or Swingline Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 2.20(a)(ii)(A) above, then the fees payable to the Lenders pursuant to Section 2.07(a) and Section 2.07(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Commitment Ratios (calculated without regard to such Defaulting Lender's Commitment); and

(v) if any Defaulting Lender's Letter of Credit Liabilities and/or Swingline Exposure is neither reimbursed, repaid, cash collateralized nor reallocated pursuant to this Section 2.20(a)(ii), then, without prejudice to any rights or remedies of the Issuing Lenders, the Swingline Lender or any other Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Liabilities and/or Swingline Exposure) and letter of credit fees payable under Section 2.07(b) with respect to such Defaulting Lender's Letter of Credit Liabilities shall be payable to the Issuing Lenders and the Swingline Lender, pro rata, until such Letter of Credit Liabilities and/or Swingline Exposure is cash collateralized, reallocated and/or repaid in full.

(b) So long as any Lender is a Defaulting Lender, (i) no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(a), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 3.05 (and Defaulting Lenders shall not participate therein) and (ii) the Swingline Lender shall not be required to advance any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders.

### ARTICLE III LETTERS OF CREDIT

Section 3.01. Issuing Lenders. Subject to the terms and conditions hereof, the Borrower may from time to time identify and arrange for one or more of the Lenders (in addition to the JLA Issuing Banks) to act as Issuing Lenders hereunder. Any such designation by the Borrower shall be notified to the Administrative Agent at least four Business Days prior to the first date upon which the Borrower proposes that such Issuing Lender issue its first Letter of Credit, so as to provide adequate time for such proposed Issuing Lender to be approved by the Administrative Agent hereunder (such approval not to be unreasonably withheld). Within two Business Days following the receipt of any such designation of a proposed Issuing Lender, the Administrative Agent shall notify the Borrower as to whether such designee is acceptable to the Administrative Agent. Nothing contained herein shall be deemed to require any Lender (other than a JLA Issuing Bank) to agree to act as an Issuing Lender, if it does not so desire.

Section 3.02. Letters of Credit.

(a) Letters of Credit. Each Issuing Lender agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit from time to time before the fifth day prior to the Termination Date, for the account, and upon the request, of the Borrower and in support of such obligations of the Borrower or any of its Subsidiaries that are reasonably acceptable to such Issuing Lender; provided, that immediately after each Letter of Credit is issued, (A) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$250,000,000, (B) the aggregate Revolving Outstandings shall not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed its Fronting Sublimit.

Section 3.03. Method of Issuance of Letters of Credit. The Borrower shall give an Issuing Lender notice substantially in the form of Exhibit A-3 to this Agreement (a "Letter of Credit Request") of the requested issuance or extension of a Letter of Credit prior to 1:00 P.M. (Charlotte, North Carolina time) on the proposed date of the issuance or extension of Letters of Credit (which shall be a Business Day) (or such shorter period as may be agreed by such Issuing Lender in any particular instance), specifying the date such Letter of Credit is to be issued or extended and describing the terms of such Letter of Credit and the nature of the transactions to be supported thereby. The extension or renewal of any Letter of Credit shall be deemed to be an issuance of such Letter of Credit, and if any Letter of Credit contains a provision pursuant to which it is deemed to be extended unless notice of termination is given by an Issuing Lender, such Issuing Lender shall timely give such notice of termination unless it has theretofore timely received a Letter of Credit Request and the other conditions to issuance of a Letter of Credit have theretofore been met with respect to such extension. No Letter of Credit shall have a term of more than one year, provided, that no Letter of Credit shall have a term extending or be so extendible beyond the fifth Business Day before the Termination Date.

Section 3.04. Conditions to Issuance of Letters of Credit. The issuance by an Issuing Lender of each Letter of Credit shall, in addition to the conditions precedent set forth in Article IV, be subject to the conditions precedent that (i) such Letter of Credit shall be satisfactory in form and substance to such Issuing Lender, (ii) the Borrower and, if applicable, any such Affiliate of the Borrower, shall have executed and delivered such other instruments and agreements relating to such Letter of Credit as such Issuing Lender shall have reasonably requested and (iii) such Issuing Lender shall have confirmed on the date of (and after giving effect to) such issuance that (A) the aggregate outstanding amount of Letter of Credit Liabilities shall not exceed \$250,000,000, (B) the aggregate Revolving Outstandings will not exceed the aggregate amount of the Commitments and (C) the aggregate fronting exposure of any Issuing Lender shall not exceed the Fronting Sublimit. Notwithstanding any other provision of this Section 3.04, no Issuing Lender shall be under any obligation to issue any Letter of Credit if: any order, judgment or decree of any governmental authority shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit, or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Lender in good faith deems material to it.

Section 3.05. Purchase and Sale of Letter of Credit Participations. Upon the issuance by an Issuing Lender of a Letter of Credit, such Issuing Lender shall be deemed, without further action by any party hereto, to have sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have purchased from such Issuing Lender, without recourse or warranty, an undivided participation interest in such Letter of Credit and the related Letter of Credit Liabilities in accordance with its respective Commitment Ratio (although the Fronting Fee payable under Section 2.07(b) shall be payable directly to the Administrative Agent for the account of the applicable Issuing Lender, and the Lenders (other than such Issuing Lender) shall have no right to receive any portion of any such Fronting Fee) and any security therefor or guaranty pertaining thereto.

Section 3.06. Drawings under Letters of Credit. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Lender shall determine in accordance with the terms of such Letter of Credit whether such drawing should be honored. If such Issuing Lender determines that any such drawing shall be honored, such Issuing Lender shall make available to such beneficiary in accordance with the terms of such Letter of Credit the amount of the drawing and shall notify the Borrower as to the amount to be paid as a result of such drawing and the payment date.

Section 3.07. Reimbursement Obligations. The Borrower shall be irrevocably and unconditionally obligated forthwith to reimburse the applicable Issuing Lender for any amounts paid by such Issuing Lender upon any drawing under any Letter of Credit, together with any and all reasonable charges and expenses which such Issuing Lender may pay or incur relative to such drawing and interest on the amount drawn at the rate applicable to Base Rate Loans for each day from and including the date such amount is drawn to but excluding the date such reimbursement payment is due and payable. Such reimbursement payment shall be due and payable (i) at or before 1:00 P.M. (Charlotte, North Carolina time) on the date the applicable Issuing Lender notifies the Borrower of such drawing, if such notice is given at or before 10:00 A.M. (Charlotte, North Carolina time) on such date or (ii) at or before 10:00 A.M. (Charlotte, North Carolina time) on the next succeeding Business Day; provided, that no payment otherwise required by this sentence to be made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on any day shall be overdue hereunder if arrangements for such payment satisfactory to the applicable Issuing Lender, in its reasonable discretion, shall have been made by the Borrower at or before 1:00 P.M. (Charlotte, North Carolina time) on such day and such payment is actually made at or before 3:00 P.M. (Charlotte, North Carolina time) on such day. In addition, the Borrower agrees to pay to the applicable Issuing Lender interest, payable on demand, on any and all amounts not paid by the Borrower to such Issuing Lender when due under this Section 3.07, for each day from and including the date when such amount becomes due to but excluding the date such amount is paid in full, whether before or after judgment, at a rate per annum equal to the sum of 2% plus the rate applicable to Base Rate Loans for such day. Each payment to be made by the Borrower pursuant to this Section 3.07 shall be made to the applicable Issuing Lender in Federal or other funds immediately available to it at its address referred to in Section 9.01.

Section 3.08. Duties of Issuing Lenders to Lenders; Reliance. In determining whether to pay under any Letter of Credit, the relevant Issuing Lender shall not have any obligation relative to the Lenders participating in such Letter of Credit or the related Letter of Credit Liabilities other than to determine that any document or documents required to be delivered under such Letter of Credit have been delivered and that they substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender

under or in connection with any Letter of Credit shall not create for such Issuing Lender any resulting liability if taken or omitted in the absence of gross negligence or willful misconduct. Each Issuing Lender shall be entitled (but not obligated) to rely, and shall be fully protected in relying, on the representation and warranty by the Borrower set forth in the last sentence of Section 4.02 to establish whether the conditions specified in clauses (b) and (c) of Section 4.02 are met in connection with any issuance or extension of a Letter of Credit. Each Issuing Lender shall be entitled to rely, and shall be fully protected in relying, upon advice and statements of legal counsel, independent accountants and other experts selected by such Issuing Lender and upon any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopier, telex or teletype message, statement, order or other document believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary unless the beneficiary and the Borrower shall have notified such Issuing Lender that such documents do not comply with the terms and conditions of the Letter of Credit. Each Issuing Lender shall be fully justified in refusing to take any action requested of it under this Section in respect of any Letter of Credit unless it shall first have received such advice or concurrence of the Required Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take, or omitting or continuing to omit, any such action. Notwithstanding any other provision of this Section, each Issuing Lender shall in all cases be fully protected in acting, or in refraining from acting, under this Section in respect of any Letter of Credit in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant hereto shall be binding upon all Lenders and all future holders of participations in such Letter of Credit; provided, that this sentence shall not affect any rights the Borrower may have against any Issuing Lender or the Lenders that make such request.

Section 3.09. Obligations of Lenders to Reimburse Issuing Lender for Unpaid Drawings. If any Issuing Lender makes any payment under any Letter of Credit and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.07, such Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender (other than the relevant Issuing Lender), and each such Lender shall promptly and unconditionally pay to the Administrative Agent, for the account of such Issuing Lender, such Lender's share of such payment (determined in accordance with its respective Commitment Ratio) in Dollars in Federal or other immediately available funds, the aggregate of such payments relating to each unreimbursed amount being referred to herein as a "Mandatory Letter of Credit Borrowing"; provided, however, that no Lender shall be obligated to pay to the Administrative Agent its pro rata share of such unreimbursed amount for any wrongful payment made by the relevant Issuing Lender under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence by such Issuing Lender. If the Administrative Agent so notifies a Lender prior to 11:00 A.M. (Charlotte, North Carolina time) on any Business Day, such Lender shall make available to the Administrative Agent at its address referred to in Section 9.01 and for the account of the relevant Issuing Lender such Lender's pro rata share of the amount of such payment by 3:00 P.M. (Charlotte, North Carolina time) on the Business Day following such Lender's receipt of notice from the Administrative Agent, together with interest on such amount for each day from and including the date of such drawing to but excluding the day such payment is due from such Lender at the Federal Funds Rate for such day (which funds the Administrative Agent shall promptly remit to such Issuing Lender). The failure of any Lender to make available to the Administrative Agent for the account of an Issuing Lender its pro rata share of any unreimbursed drawing under any Letter of Credit shall not relieve any other Lender of its obligation hereunder to make available to the Administrative Agent for the account of such Issuing Lender its pro rata share of any payment made under any Letter of Credit on the date required, as specified above, but no such Lender shall be responsible for the failure of any other Lender to make available to the Administrative Agent for the account of such Issuing Lender such other Lender's pro rata share of any such payment. Upon payment in full of all amounts payable by a Lender under this Section 3.09, such Lender shall be subrogated to the rights of the relevant Issuing Lender against the Borrower to the extent of such Lender's pro rata share of the related Letter of Credit Liabilities (including interest accrued thereon). If any Lender fails to pay any amount required to be paid by it pursuant to this Section 3.09 on the date on which such payment is due, interest shall accrue on such Lender's obligation to make such payment, for each day from and including the date such payment became due to but excluding the date such Lender makes such payment, whether before or after judgment, at a rate per annum equal to (i) for each day from the date such payment is due to the third succeeding Business Day, inclusive, the Federal Funds Rate for such day as determined by the relevant Issuing Lender and (ii) for each day thereafter, the sum of 2% plus the rate applicable to its Base Rate Loans for such day. Any payment made by any Lender after 3:00 P.M. (Charlotte, North Carolina time) on any Business Day shall be deemed for purposes of the preceding sentence to have been made on the next succeeding Business Day.

Section 3.10. Funds Received from the Borrower in Respect of Drawn Letters of Credit. Whenever an Issuing Lender receives a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuing Lender any payments from the other Lenders pursuant to Section 3.09 above, such Issuing Lender shall pay the amount of such payment to the Administrative Agent, and the Administrative Agent shall promptly pay to each Lender which has paid its pro rata share thereof, in Dollars in Federal or other immediately available funds, an amount equal to such Lender's pro rata share of the principal amount thereof and interest thereon for each day after relevant date of payment at the Federal Funds Rate.

Section 3.11. Obligations in Respect of Letters of Credit Unconditional. The obligations of the Borrower under Section 3.07 above shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (b) any amendment or waiver of or any consent to departure from all or any of the provisions of this Agreement or any Letter of Credit or any document related hereto or thereto;
- (c) the use which may be made of the Letter of Credit by, or any acts or omission of, a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting);
- (d) the existence of any claim, set-off, defense or other rights that the Borrower may have at any time against a beneficiary of a Letter of Credit (or any Person for whom the beneficiary may be acting), any Issuing Lender or any other Person, whether in connection with

this Agreement or any Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(e) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) payment under a Letter of Credit against presentation to an Issuing Lender of a draft or certificate that does not comply with the terms of such Letter of Credit; provided, that the relevant Issuing Lender's determination that documents presented under such Letter of Credit comply with the terms thereof shall not have constituted gross negligence or willful misconduct of such Issuing Lender; or

(g) any other act or omission to act or delay of any kind by any Issuing Lender or any other Person or any other event or circumstance whatsoever that might, but for the provisions of this subsection (g), constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Nothing in this Section 3.12 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

Section 6.08. Asset Sales. Except for the sale of assets required to be sold to conform with governmental requirements, the Borrower shall not consummate any Asset Sale, if the aggregate net book value of all such Asset Sales consummated during the four calendar quarters immediately preceding any date of determination would exceed 25% of the total assets of the Borrower and its Consolidated Subsidiaries as of the beginning of the Borrower's most recently ended full fiscal quarter; provided, however, that any such Asset Sale will be disregarded for purposes of the 25% limitation specified above: (a) if any such Asset Sale is in the ordinary course of business of the Borrower (b) if the assets subject to any such Asset Sale are worn out or are no longer useful or necessary in connection with the operation of the businesses of the Borrower; (c) if the assets subject to any such Asset Sale are being transferred to a Wholly Owned Subsidiary of the Borrower; (d) if the proceeds from any such Asset Sale (i) are, within twelve (12) months of such Asset Sale, invested or reinvested by the Borrower in a Permitted Business, (ii) are used by the Borrower to repay Debt of the Borrower, or (iii) are retained by the Borrower; or (e) if, prior to any such Asset Sale, both Rating Agencies confirm the then-current Borrower Ratings after giving effect to any such Asset Sale.

- (h) the Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay, or shall admit in writing its inability to pay, its debts as they become due, or shall take any corporate action to authorize any of the foregoing; or

then, and in every such event, while such event is continuing, the Administrative Agent may (A) if requested by the Required Lenders, by notice to the Borrower terminate the Commitments, and the Commitments shall thereupon terminate, and (B) if requested by the Lenders holding more than 50% of the sum of the aggregate outstanding principal amount of the Loans and Letter of Credit Liabilities at such time, by notice to the Borrower declare the Loans and Letter of Credit Liabilities (together with accrued interest and accrued and unpaid fees thereon and all other amounts due hereunder) to be, and the Loans and Letter of Credit Liabilities shall thereupon become, immediately due and payable without presentment, demand, protest or other notice of any kind (except as set forth in clause (A) above), all of which are hereby waived by the Borrower and require the Borrower to, and the Borrower shall, cash collateralize (in accordance with Section 2.09(a)(ii)) all Letter of Credit Liabilities then outstanding; provided, that, in the case of any Default or any Event of Default specified in clause 7.01(h) or 7.01(i) above with respect to the Borrower, without any notice to the Borrower or any other act by the Administrative Agent or any Lender, the Commitments shall thereupon terminate and the Loans and Letter of Credit Liabilities (together with accrued interest and accrued and unpaid fees thereon and all other amounts due hereunder) shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower, and the Borrower shall cash collateralize (in accordance with Section 2.09(a)(ii)) all Letter of Credit Liabilities then outstanding.

## ARTICLE VIII THE AGENTS

Section 8.01. Appointment and Authorization. Each Lender hereby irrevocably designates and appoints the Administrative Agent to act as specified herein and in the other Loan Documents and to take such actions on its behalf under the provisions of this Agreement and the other Loan Documents and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act as such upon the express conditions contained in this Article VIII. Notwithstanding any provision to the contrary elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Administrative Agent. The provisions of this Article VIII are solely for the benefit of the Administrative Agent and Lenders, and no other Person shall have any rights as a third party beneficiary of any of the provisions hereof. For the sake of clarity, the Lenders hereby agree that no Agent other than the Administrative Agent shall have, in such capacity, any duties or powers with respect to this Agreement or the other Loan Documents.

Section 8.02. Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and its Affiliates as though the Administrative Agent were not an Agent. With respect to the Loans made by it and all obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement as any Lender and may exercise the same as though it were not an Agent, and the terms "Required Lenders", "Lender" and "Lenders" shall include the Administrative Agent in its individual capacity.

Section 8.03. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care except to the extent otherwise required by Section 8.07.

Section 8.04. Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy or other electronic facsimile transmission, telex, telegram, cable, teletype, electronic transmission by modem, computer disk or any other message, statement, order or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders, or all of the Lenders, if applicable, as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining

from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or all of the Lenders, if applicable, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on the Agents and Other Lenders. Each Lender expressly acknowledges that no Agent or officer, director, employee, agent, attorney-in-fact or affiliate of any Agent has made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by such Agent to any Lender. Each Lender acknowledges to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower and made its own decision to make its Loans hereunder and to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other condition, prospects and creditworthiness of the Borrower. No Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, assets, property, financial and other condition, prospects or creditworthiness of the Borrower which may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Exculpatory Provisions. The Administrative Agent shall not, and no officers, directors, employees, agents, attorneys-in-fact or affiliates of the Administrative Agent, shall (i) be liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document (except for its own gross negligence, willful misconduct or bad faith) or (ii) be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower or any of its officers contained in this Agreement, in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for any failure of the Borrower or any of its officers to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower. The Administrative Agent shall not be responsible to any Lender for the effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of this Agreement or any other Loan Document or for any representations, warranties, recitals or statements made by any other Person herein or therein or made by any other Person in any written or oral statement or in any financial or other statements, instruments, reports, certificates or any other documents in connection herewith or therewith furnished or made by the Administrative Agent to the Lenders or by or on behalf of the Borrower to the Administrative Agent or any Lender or be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained herein or therein or as to the use of the proceeds of the Loans or of the existence or possible existence of any Default.

Section 8.08. Indemnification. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Sections 9.03(a), (b) or (c) to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lenders severally agree to indemnify the Administrative Agent, in its capacity as such, and hold the Administrative Agent, in its capacity as such, harmless ratably according to their respective Commitments from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the full payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document, or any documents contemplated hereby or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower; provided, that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs or expenses or disbursements resulting from the gross negligence, willful misconduct or bad faith of the Administrative Agent. If any indemnity furnished to the Administrative Agent for any purpose shall, in the reasonable opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreement in this Section 8.08 shall survive the payment of all Loans, Letter of Credit Liabilities, fees and other obligations of the Borrower arising hereunder.

Section 8.09. Resignation; Successors. The Administrative Agent may resign as Administrative Agent upon twenty (20) days notice to the Lenders. Upon the resignation of the Administrative Agent, the Required Lenders shall have the right to appoint from among the Lenders a successor to the Administrative Agent, subject to prior approval by the Borrower (so long as no Event of Default exists) (such approval not to be unreasonably withheld), whereupon such successor Administrative Agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall include such successor Administrative Agent effective upon its appointment, and the retiring Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any other Loan Document. If no successor shall have been appointed by the Required Lenders and approved by the Borrower and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may at its election give notice to the Lenders and the Borrower of the immediate effectiveness of its resignation and such resignation shall thereupon become effective and the Lenders collectively shall perform all of the duties of the Administrative Agent hereunder and under the other Loan Documents until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After the retiring

Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement or any other Loan Document.

Section 8.10. Administrative Agent's Fees. The Borrower shall pay to the Administrative Agent for its own account fees in the amount and at the times agreed to and accepted by the Borrower pursuant to the Fee Letter.

#### ARTICLE IX MISCELLANEOUS

Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (for purposes hereof, the term "writing" shall include information in electronic format such as electronic mail and internet web pages) or by telephone subsequently confirmed in writing; provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or Issuing Lender pursuant to Article II or Article III, as applicable, if such Lender, Swingline Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article in electronic format. Section 9.02. No Waivers; Non-Exclusive Remedies. No failure by any Agent or any Lender to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege hereunder or under any Note or other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03. Expenses; Indemnification.

(a) Expenses. The Borrower shall pay (i) all out-of-pocket expenses of the Agents, including legal fees and disbursements of Davis Polk & Wardwell LLP and any other local counsel retained by the Administrative Agent, in its reasonable discretion, in connection with the preparation, execution, delivery and administration of the Loan Documents, the syndication efforts of the Agents with respect thereto, any waiver or consent thereunder or any amendment thereof or any Default or alleged Default thereunder and (ii) all reasonable out-of-pocket expenses incurred by the Agents and each Lender, including (without duplication) the fees and disbursements of outside counsel, in connection with any restructuring, workout, collection, bankruptcy, insolvency and other enforcement proceedings in connection with the enforcement and protection of its rights; provided, that the Borrower shall not be liable for any legal fees or disbursements of any counsel for the Agents and the Lenders other than Davis Polk & Wardwell LLP associated with the preparation, execution and delivery of this Agreement and the closing documents contemplated hereby.

(b) Indemnity in Respect of Loan Documents. The Borrower agrees to indemnify the Agents and each Lender, their respective Affiliates and the respective directors, officers, trustees, agents, employees, trustees and advisors of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and any civil penalties or fines assessed by OFAC), which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) brought or threatened (by any third party, by the Borrower or any Subsidiary of the Borrower) in any way relating to or arising out of this Agreement, any other Loan Document or any documents contemplated hereby or referred to herein or any actual or proposed use of proceeds of Loans hereunder; provided, that no Indemnitee shall have the right to be indemnified hereunder for such Indemnitee's own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or order.

(c) Indemnity in Respect of Environmental Liabilities. The Borrower agrees to indemnify each Indemnitee and hold each Indemnitee harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs and expenses or disbursements of any kind whatsoever (including, without limitation, reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and reasonable fees and disbursements of counsel) which may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, incurred by or asserted against such Indemnitee in respect of or in connection with any actual or alleged presence or release of Hazardous Substances on or from any property now or previously owned or operated by the Borrower or any of its Subsidiaries or any predecessor of the Borrower or any of its Subsidiaries, or any and all Environmental Liabilities. Without limiting the generality of the foregoing, the Borrower hereby waives all rights of contribution or any other rights of recovery with respect to liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses and disbursements in respect of or in connection with Environmental Liabilities that it might have by statute or otherwise against any Indemnitee.

(d) Waiver of Damages. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that nothing in this Section 9.03(d) shall relieve any Lender from its obligations under Section 9.12.

Section 9.04. Sharing of Set-Offs. Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Loan made or Note held by it and any Letter of Credit Liabilities which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due with respect to any Loan, Note and Letter of Credit Liabilities made or held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loan made or Notes and Letter of Credit Liabilities held by the other

Lenders, and such other adjustments shall be made, in each case as may be required so that all such payments of principal and interest with respect to the Loan made or Notes and Letter of Credit Liabilities made or held by the Lenders shall be shared by the Lenders pro rata; provided, that nothing in this Section shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have for payment of indebtedness of the Borrower other than its indebtedness hereunder.

Section 9.05. Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Lenders (and, if the rights or duties of the Administrative Agent, Swingline Lender or any Issuing Lenders are affected thereby, by the Administrative Agent, Swingline Lender or such Issuing Lender, as relevant); provided, that no such amendment or waiver shall, (a) unless signed by each Lender adversely affected thereby, (i) increase the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or of mandatory reductions in the Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender as in effect at any time shall not constitute an increase in such Commitment), (ii) reduce the principal of or rate of interest on any Loan (except in connection with a waiver of applicability of any post-default increase in interest rates) or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder, (iii) postpone the date fixed for any payment of interest on any Loan or the amount to be reimbursed in respect of any Letter of Credit or any interest thereon or any fees hereunder or for any scheduled reduction or termination of any Commitment or (except as expressly provided in Article III) expiration date of any Letter of Credit, (iv) postpone or change the date fixed for any scheduled payment of principal of any Loan, (v) change any provision hereof in a manner that would alter the pro rata funding of Loans required by Section 2.04(b), the pro rata sharing of payments required by Sections 2.11(a), 2.09(b) or 9.04 or the pro rata reduction of Commitments required by Section 2.08(a) or (vi) change the currency in which Loans are to be made, Letters of Credit are to be issued or payment under the Loan Documents is to be made, or add additional borrowers or (b) unless signed by each Lender, change the definition of Required Lender or this Section 9.05 or Section 9.06(a).

Section 9.06. Successors and Assigns.

(a) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all of the Lenders, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement.

(b) Participations. Any Lender may at any time grant to one or more banks or other financial institutions or special purpose funding vehicle (each a "Participant") participating interests in its Commitments and/or any or all of its Loans and Letter of Credit Liabilities. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower, the Issuing Lenders, Swingline Lender and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement which would (i) extend the Termination Date, reduce the rate or extend the time of payment of principal, interest or fees on any Loan or Letter of Credit Liability in which such Participant is participating (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or of a mandatory reduction in the Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan or Letter of Credit Liability shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof) or (ii) allow the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, without the consent of the Participant, except to the extent any such assignment results from the consummation of a merger or consolidation permitted pursuant to Section 6.07 of this Agreement. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article II with respect to its participating interest to the same extent as if it were a Lender, subject to the same limitations, and in no case shall any Participant be entitled to receive any amount payable pursuant to Article II that is greater than the amount the Lender granting such Participant's participating interest would have been entitled to receive had such Lender not sold such participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register (solely for tax purposes) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Assignments Generally. Any Lender may at any time assign to one or more Eligible Assignees (each, an "Assignee") all, or a proportionate part (equivalent to an initial amount of not less than \$5,000,000 or any larger integral multiple of \$1,000,000), of its rights and obligations under this Agreement and the Notes with respect to its Loans and, if still in existence, its Commitment, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement in substantially the form of Exhibit C attached hereto executed by such Assignee and such transferor, with (and subject to) the consent of the Borrower, which shall not be unreasonably withheld or delayed, the Administrative Agent, Swingline Lender and the Issuing Lenders, which consent shall not be unreasonably withheld or delayed; provided, that if an Assignee is an Affiliate of such transferor Lender or was a Lender immediately prior to such assignment, no such consent of the Borrower or the Administrative Agent shall be required; provided, further, that if at the time of such assignment a Default or an Event of Default has occurred and is continuing, no such consent of the Borrower shall be required; provided, further, that no such assignment may be made prior to the Effective Date without the prior written consent of the Joint Lead Arrangers; provided, further, that the provisions of Sections 2.12, 2.16, 2.17 and 9.03 of this Agreement shall inure to the benefit of a transferor with respect to any Loans made, any Letters of Credit issued or any other actions taken by such transferor while it was a Lender. Upon execution and delivery of such instrument and payment by such

Assignee to such transferor of an amount equal to the purchase price agreed between such transferor and such Assignee, such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment, if any, as set forth in such instrument of assumption, and the transferor shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such administrative fee in the case of any assignment. Each Assignee shall, on or before the effective date of such assignment, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States Taxes in accordance with Section 2.17(e).

(d) Assignments to Federal Reserve Banks. Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder.

(e) Register. The Borrower hereby designates the Administrative Agent to serve as the Borrower's agent, solely for purposes of this Section 9.06(e), to (i) maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each Lender, the Loans made by each Lender and each repayment in respect of the principal amount of the Loans of each Lender and to (ii) retain a copy of each Assignment and Assumption Agreement delivered to the Administrative Agent pursuant to this Section. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligation in respect of such Loans. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent, Swingline Lender, the Issuing Lenders and the other Lenders shall treat each Person in whose name a Loan and the Note evidencing the same is registered as the owner thereof for all purposes of this Agreement, notwithstanding notice or any provision herein to the contrary. With respect to any Lender, the assignment or other transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made and any Note issued pursuant to this Agreement shall not be effective until such assignment or other transfer is recorded on the Register and, except to the extent provided in this subsection 9.06(e), otherwise complies with Section 9.06, and prior to such recordation all amounts owing to the transferring Lender with respect to such Commitments, Loans and Notes shall remain owing to the transferring Lender. The registration of assignment or other transfer of all or part of any Commitments, Loans and Notes for a Lender shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement and payment of the administrative fee referred to in Section 9.06(c). The Register shall be available for inspection by each of the Borrower, the Swingline Lender and each Issuing Lender at any reasonable time and from time to time upon reasonable prior notice. In addition, at any time that a request for a consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register. The Borrower may not replace any Lender pursuant to Section 2.08 (b), unless, with respect to any Notes held by such Lender, the requirements of subsection 9.06(c) and this subsection 9.06(e) have been satisfied.

Section 9.07. Governing Law; Submission to Jurisdiction. This Agreement and each Note shall be governed by and construed in accordance with the internal laws of the State of New York. The Borrower hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Borrower irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such court and any claim that any such proceeding brought in any such court has been brought in an inconvenient forum.

Section 9.08. Counterparts; Integration; Effectiveness. This Agreement shall become effective on the Effective Date. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. On and after the Effective Date, this Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

Section 9.09. Generally Accepted Accounting Principles. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the audited consolidated financial statements of the Borrower and its Consolidated Subsidiaries most recently delivered to the Lenders; provided, that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article VI to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Lenders wish to amend Article VI for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Lenders.

Section 9.10. Usage. The following rules of construction and usage shall be applicable to this Agreement and to any instrument or agreement that is governed by or referred to in this Agreement.

(a) All terms defined in this Agreement shall have the defined meanings when used in any instrument governed hereby or referred to herein and in any certificate or other document made or delivered pursuant hereto or thereto unless otherwise defined therein.

(b) The words "hereof", "herein", "hereunder" and words of similar import when used in this Agreement or in any instrument or agreement governed here shall be construed to refer to this Agreement or such instrument or agreement, as applicable, in its entirety and not to any particular provision or subdivision hereof or thereof.

(c) References in this Agreement to "Article", "Section", "Exhibit", "Schedule" or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, this Agreement unless the context otherwise requires; references in any instrument or agreement governed by or referred to in this Agreement to "Article", "Section", "Exhibit",

“Schedule” or another subdivision or attachment shall be construed to refer to an article, section or other subdivision of, or an exhibit, schedule or other attachment to, such instrument or agreement unless the context otherwise requires.

(d) The definitions contained in this Agreement shall apply equally to the singular and plural forms of such terms. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The word “will” shall be construed to have the same meaning as the word “shall”. The term “including” shall be construed to have the same meaning as the phrase “including without limitation”.

(e) Unless the context otherwise requires, any definition of or reference to any agreement, instrument, statute or document contained in this Agreement or in any agreement or instrument that is governed by or referred to in this Agreement shall be construed (i) as referring to such agreement, instrument, statute or document as the same may be amended, supplemented or otherwise modified from time to time (subject to any restrictions on such amendments, supplements or modifications set forth in this Agreement or in any agreement or instrument governed by or referred to in this Agreement), including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) to include (in the case of agreements or instruments) references to all attachments thereto and instruments incorporated therein. Any reference to any Person shall be construed to include such Person’s successors and permitted assigns.

(f) Unless the context otherwise requires, whenever any statement is qualified by “to the best knowledge of” or “known to” (or a similar phrase) any Person that is not a natural person, it is intended to indicate that the senior management of such Person has conducted a commercially reasonable inquiry and investigation prior to making such statement and no member of the senior management of such Person (including managers, in the case of limited liability companies, and general partners, in the case of partnerships) has current actual knowledge of the inaccuracy of such statement.

Section 9.11. WAIVER OF JURY TRIAL. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12. Confidentiality. Each Lender agrees to hold all non-public information obtained pursuant to the requirements of this Agreement in accordance with its customary procedure for handling confidential information of this nature and in accordance with safe and sound banking practices; provided, that nothing herein shall prevent any Lender from disclosing such information (i) to any other Lender or to any Agent, (ii) to any other Person if reasonably incidental to the administration of the Loans and Letter of Credit Liabilities, (iii) upon the order of any court or administrative agency, (iv) to the extent requested by, or required to be disclosed to, any rating agency or regulatory agency or similar authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (v) which had been publicly disclosed other than as a result of a disclosure by any Agent or any Lender prohibited by this Agreement, (vi) in connection with any litigation to which any Agent, any Lender or any of their respective Subsidiaries or Affiliates may be party, (vii) to the extent necessary in connection with the exercise of any remedy hereunder, (viii) to such Lender’s or Agent’s Affiliates and their respective directors, officers, employees and agents including legal counsel and independent auditors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (ix) with the consent of the Borrower, (x) to Gold Sheets and other similar bank trade publications, such information to consist solely of deal terms and other information customarily found in such publications and (xi) subject to provisions substantially similar to those contained in this Section, to any actual or proposed Participant or Assignee or to any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to the Borrower’s Obligations hereunder. Notwithstanding the foregoing, any Agent, any Lender or Davis Polk & Wardwell LLP may circulate promotional materials and place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web, in each case, after the closing of the transactions contemplated by this Agreement in the form of a “tombstone” or other release limited to describing the names of the Borrower or its Affiliates, or any of them, and the amount, type and closing date of such transactions, all at their sole expense.

Section 9.13. USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub.L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act.

Section 9.14. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the “Lender Parties”), may have economic interests that conflict with those of the Borrower, its Affiliates and/or their respective stockholders (collectively, solely for purposes of this paragraph, the “Borrower Parties”). The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty (other than any implied duty of good faith) between any Lender Party, on the one hand, and any Borrower Party, on the other. The Lender Parties acknowledge and agree that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other and (b) in connection therewith and with the process leading thereto, (i) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower Party with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Party has advised, is currently advising or will advise any Borrower Party on other matters) or any other obligation to any Borrower Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender Party is acting solely as principal and not as the agent or fiduciary of any Borrower Party. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Borrower Party, in connection with such transaction or the process leading thereto.

Section 9.15. Amendment and Restatement of Existing Credit Agreement. Upon the execution and delivery of this Agreement, the Existing Credit Agreement shall be amended and restated to read in its entirety as set forth herein. With effect from and including the Effective Date, (i) the Commitments of each Lender party hereto (the “**Extending Lenders**”) shall be as set forth on the Commitment Appendix (and any Lender under the Existing Credit Agreement that is not listed on the Commitment Appendix shall cease to be a Lender hereunder; provided that, for the avoidance of doubt, such Lender under the Existing Credit Agreement shall continue to be entitled to the benefits of Section 9.03 of the Existing Credit Agreement), (ii) the Commitment Ratio of the Extending Lenders shall be redetermined based on the Commitments set forth in the Commitment Appendix and the participations of the Extending Lenders in, and the obligations of the Extending Lenders in respect of, any Letters of Credit or Swingline Loans outstanding on the Effective Date shall be reallocated to reflect such redetermined Commitment Ratio and (iii) each JLA Issuing Bank shall have the Fronting Sublimit set forth in the JLA L/C Fronting Sublimits Appendix.

Such Loans may be endorsed from time to time on the grid attached hereto, but the failure to make such notations shall not affect the validity of the Borrower's obligation to repay unpaid principal and interest hereunder.

All capitalized terms used herein shall have the meanings ascribed to them in that certain \$500,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012 (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement") by and among the Borrower, the lenders party thereto (collectively, the "Lenders") and Wells Fargo Bank, National Association, as administrative agent (the "Administrative Agent") for itself and on behalf of the Lenders and the Issuing Lenders, except to the extent such capitalized terms are otherwise defined or limited herein.

The Borrower shall repay principal outstanding hereunder from time to time, as necessary, in order to comply with the Credit Agreement. All amounts paid by the Borrower shall be applied to the Obligations in such order of application as provided in the Credit Agreement.

A final payment of all principal amounts and other Obligations then outstanding hereunder shall be due and payable on the maturity date provided in the Credit Agreement, or such earlier date as payment of the Loans shall be due, whether by acceleration or otherwise.

The Borrower shall be entitled to borrow, repay, reborrow, continue and convert the Holder's Loans (or portion thereof) hereunder pursuant to the terms and conditions of the Credit Agreement. Prepayment of the principal amount of any Loan may be made as provided in the Credit Agreement.

The Borrower hereby promises to pay interest on the unpaid principal amount hereof as provided in Article II of the Credit Agreement. Interest under this Note shall also be due and payable when this Note shall become due (whether at maturity, by reason of acceleration or otherwise). Overdue principal and, to the extent permitted by law, overdue interest, shall bear interest payable on DEMAND at the default rate as provided in the Credit Agreement.

In no event shall the amount of interest due or payable hereunder exceed the maximum rate of interest allowed by applicable law, and in the event any such payment is inadvertently made by the Borrower or inadvertently received by the Holder, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Holder in writing that it elects to have such excess sum returned forthwith. It is the express intent hereof that the Borrower not pay and the Holder not receive, directly or indirectly in any manner whatsoever, interest in excess of that which may legally be paid by the Borrower under applicable law.

All parties now or hereafter liable with respect to this Note, whether the Borrower, any guarantor, endorser or any other Person or entity, hereby waive presentment for payment, demand, notice of non-payment or dishonor, protest and notice of protest.

No delay or omission on the part of the Holder or any holder hereof in exercising its rights under this Note, or delay or omission on the part of the Holder, the Administrative Agent or the Lenders collectively, or any of them, in exercising its or their rights under the Credit Agreement or under any other Loan Document, or course of conduct relating thereto, shall operate as a waiver of such rights or any other right of the Holder or any holder hereof, nor shall any waiver by the Holder, the Administrative Agent, the Required Lenders or the Lenders collectively, or any of them, or any holder hereof, of any such right or rights on any one occasion be deemed a bar to, or waiver of, the same right or rights on any future occasion.

The Borrower promises to pay all reasonable costs of collection, including reasonable attorneys' fees, should this Note be collected by or through an attorney-at-law or under advice therefrom.

This Note evidences the Holder's Loans (or portion thereof) under, and is entitled to the benefits and subject to the terms of, the Credit Agreement, which contains provisions with respect to the acceleration of the maturity of this Note upon the happening of certain stated events, and provisions for prepayment.

This Note shall be governed by and construed in accordance with the internal laws of the State of New York.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the undersigned has caused this Note to be executed by its duly authorized representative as of the day and year first above written.

## Forms of Opinions of Counsel for the Borrower

[Date]

To the Administrative Agent and  
each of the Lenders party to the Revolving  
Credit Agreement referred to below

Re: Louisville Gas and Electric Company  
\$500,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

We have acted as special counsel to Louisville Gas and Electric Company, a Kentucky corporation (the "Company"), in connection with the negotiation, execution and delivery of the \$500,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Company, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender, and the other Lenders from time to time party thereto (such Revolving Credit Agreement as so amended, the "Agreement"). This letter is being delivered to you at the request of the Company pursuant to Section 4.01(e) of the Agreement.

In preparing this letter, we have reviewed the Agreement[, and the Notes of the Company executed and delivered by the Company on the date hereof (the "Notes"),] and the other documents executed and delivered by the Company in connection with the Agreement. We have also reviewed the Orders of the Kentucky Public Service Commission ("KPSC") dated September 30, 2010, October 11, 2011 and \_\_\_\_\_, 2012 (Case Nos. 2010-00205, 2011-0038 and 2012-\_\_\_\_), in connection with the Agreement (the "KPSC Orders").

Subject to the assumptions, qualifications and other limitations set forth below, it is our opinion that:

1. The Agreement constitutes the valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms.
2. [The Notes constitute the valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms.]
3. The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
4. The borrowings under the Agreement and the use of proceeds thereof as contemplated by the Agreement do not violate Regulation U or X of the Board of Governors of the Federal Reserve System.

In rendering our opinions, we have (a) without independent verification, relied, with respect to factual matters, statements and conclusions, on certificates, notifications and statements, whether written or oral, of governmental officials and individuals identified to us as officers and representatives of the Company and on the representations made by the Company in the Agreement and other documents delivered to you in connection therewith and (b) reviewed originals, or copies of such agreements, documents and records as we have considered relevant and necessary as a basis for our opinions. We note that, as counsel to the Company, we do not represent it generally and there may be facts relating to the Company of which we have no knowledge.

We have assumed (a) the accuracy and completeness of all certificates, agreements, documents, records and other materials submitted to us; (b) the authenticity of original certificates, agreements, documents, records and other materials submitted to us; (c) the conformity with the originals of any copies submitted to us; (d) the genuineness of all signatures; (e) the legal capacity of all natural persons; (f) that the Agreement constitutes the valid, legally binding and enforceable agreement of the parties thereto under all applicable law (other than, in the case of the Company, the law of the State of New York); (g) that the Company (i) is duly organized, validly existing and in good standing under the law of its jurisdiction of organization, (ii) has the power to execute and deliver, and to perform its obligations under, the Agreement [and the Notes], (iii) has duly taken or caused to be taken all necessary action to authorize the execution, delivery and performance by it of the Agreement [and the Notes] and (iv) has duly executed and delivered the Agreement [and the Notes]; (h) that the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Agreement and the Notes does not and will not (i) breach or violate (A) its Amended and Restated Articles of Incorporation or Bylaws, (B) any agreement or instrument to which the Company or any of its affiliates is a party or by which the Company or any of its affiliates or any of their respective properties may be bound, (C) any authorization, consent, approval or license (or the like) of, or exemption (or the like) from, or any registration or filing (or the like) with, or report or notice (or the like) to, any governmental unit, agency, commission, department or other authority granted to or otherwise applicable to the Company or any of its affiliates or any of their respective properties (each a "Governmental Approval"), (D) any order, decision, judgment or decree that may be applicable to the Company or any of its affiliates or any of their respective properties, or (E) any law (other than the law of the State of New York and the federal law of the United States), or (ii) require any Governmental Approval (other than the KPSC Orders, which we assume to have been duly granted and to remain in full force and effect); (h) that the Company is engaged only in the businesses described in its Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission; (i) that there are no agreements, understandings or negotiations between the parties not set forth in the Agreement that would modify the terms thereof or the rights and obligations of the parties thereunder; and (j) for purposes of our opinion in paragraph 1 as it relates to the choice-of-law provisions in the Agreement, that the choice of law of the State of New

York as the governing law of the Agreement would not result in a violation of an important public policy of another state or country having greater contacts with the transactions contemplated by the agreement than the State of New York.

Our opinions are subject to and limited by the effect of (a) applicable bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, receivership, conservatorship, arrangement, moratorium and other similar laws affecting and relating to the rights of creditors generally; (b) general equitable principles; (c) requirements of reasonableness, good faith, fair dealing and materiality; (d) Article 9 of the Uniform Commercial Code regarding restrictions on assignment or transfer of rights; and (e) additionally in the case of (i) indemnities, a requirement that facts, known to the indemnitee but not the indemnitor, in existence at the time the indemnity becomes effective that would entitle the indemnitee to indemnification be disclosed to the indemnitor, and a requirement that an indemnity provision will not be read to impose obligations upon indemnitors which are neither disclosed at the time of its execution nor reasonably within the scope of its terms and overall intention of the parties at the time of its making, (ii) waivers, Sections 9-602 and 9-603 of the Uniform Commercial Code, and (iii) indemnities, waivers and exculpatory provisions, public policy.

We express no opinion with respect to the following sections of the Agreement: (i) Section 9.02 (cumulative remedies), (ii) provisions relating to rules of evidence or quantum of proof, (iii) Section 9.07 (submission to jurisdiction and waiver of inconvenient forum), insofar as such sections relate to federal courts (except as to the personal jurisdiction thereof), and (choice of venue, i.e., requiring actions to be commenced in a particular court in a particular jurisdiction), and (iv) Section 9.11 (waiver of jury trial), insofar as such section is sought to be enforced in a federal court.

We express no opinion as to the law of any jurisdiction other than the law of the State of New York and the federal law of the United States of America, and in each case, only such law that in our experience is normally applicable to transactions of the type contemplated by the Agreement and excluding (i) any law that is part of a regulatory regime applicable to specific assets or businesses of the lenders and (ii) the statutes and ordinances, the administrative decisions, and the rules and regulations of counties, towns, municipalities and special political subdivisions.

This letter speaks only as of the date hereof. We have no responsibility or obligation to update this letter or to take into account changes in law or facts or any other development of which we may later become aware.

This letter is delivered by us as special counsel for the Company solely for your benefit in connection with the transaction referred to herein and may not be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person or entity without our prior written consent.

Very truly yours,

To the Administrative Agent  
and each of the Lenders party to  
the Credit Agreement referred to below

Re: \$500,000,000 Amended and Restated Revolving Credit Agreement

Ladies and Gentlemen:

I am Vice President and Deputy General Counsel – Legal and Environmental Affairs of Louisville Gas and Electric Company (the “Borrower”), and have acted as counsel to the Borrower in connection with the \$500,000,000 Amended and Restated Revolving Credit Agreement dated as of November 6, 2012, among the Borrower, Wells Fargo Bank, National Association, as Administrative Agent, Issuing Lender and Swingline Lender and the Lenders party thereto from time to time (the “Agreement”). Capitalized terms used but not defined herein have the meanings assigned to such terms in the Agreement.

I am familiar with the Agreement[, the Notes of the Borrower executed and delivered by the Borrower on the date hereof (the “Notes”),] and other documents executed and delivered by the Borrower in connection with the Agreement. I also have examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to render this opinion.

In rendering this opinion, I have assumed: (a) the genuineness of the signatures on all documents and instruments (other than the signatures of officers of the Borrower), the authenticity of all documents submitted as originals, the conformity to originals of all documents submitted as photostatic or certified copies, and the accuracy and completeness of all corporate records made available to me by the Borrower; (b) the due execution and delivery of the Agreement by the Lenders party thereto; and (c) that the Agreement constitutes the legal, valid and binding obligation of the Lenders party thereto.

Based on the foregoing, I am of the opinion that:

1. The Borrower is duly incorporated, validly existing and in good standing under the laws of the Commonwealth of Kentucky, and has the corporate power to make and perform the Agreement [and the Notes].
2. The execution, delivery and performance by the Borrower of the Agreement [and the Notes] have been duly authorized by the Borrower and do not violate any provision of law or regulation, or any decree, order, writ or judgment applicable to the Borrower, or any provision of the Borrower’s certificate of incorporation, by-laws or board or shareholder resolutions, or result in the breach of or constitute a default under any indenture or other agreement or instrument known to me to which the Borrower is a party.
3. [Each of] [T][t] Agreement [and the Notes] has been duly executed and delivered by the Borrower.
4. Except as disclosed in or contemplated by the Agreement or the Borrower’s financial statements referred to in Sections 5.04(a) or 5.04(b) of the Agreement, or otherwise furnished in writing to the Administrative Agent and the Lenders, no litigation, arbitration or administrative proceeding or inquiry is pending, or to my knowledge, threatened, which would reasonably be expected to materially adversely affect the ability of the Borrower to perform any of its obligations under the Agreement [or the Notes]. To my knowledge, there is no litigation, arbitration or administrative proceeding pending or threatened that questions the validity of the Agreement [or the Notes].
5. There have not been any “reportable events,” as that term is defined in Section 4043 of the Employee Retirement Income Security Act of 1974, as amended, which would result in a material liability of the Borrower.
6. The \_\_\_\_\_, 20\_\_ and the \_\_\_\_\_, 2012 Orders of the Kentucky Public Service Commission (the “KPSC”) relating to the Agreement is in full force and effect, and no further authorization, consent or approval from any Governmental Authority is required for the execution, delivery and performance of the Agreement by the Borrower or for the borrowings by the Borrower thereunder, except such authorizations, consents and approvals as have been obtained prior to the date hereof, which authorizations, consents and approvals are in full force and effect.

In rendering its opinion to the addressee hereof, Pillsbury Winthrop Shaw Pittman LLP may rely as to matters of Kentucky law addressed herein upon this letter as if it were addressed directly to them. Except as aforesaid, without my prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

- (a) LIBOR, or if applicable, EURIBOR is to be calculated by reference to the Reference Banks but no, or only one, Reference Bank supplies a rate by 12.00 noon on the Rate Fixing Day; or
- (b) the Facility Agent receives by close of business on the Rate Fixing Day notification from Lenders whose shares in the relevant Loan exceed 50 per cent. of that Loan that such Lenders are unable to obtain matching deposits in the Relevant Interbank Market or the rate at which they can do so is in excess of LIBOR, or if applicable, EURIBOR for the relevant Term.

11.2.2 The Facility Agent must promptly notify the Borrower and the Lenders of a market disruption event.

11.2.3 After notification under sub-clause 11.2.2 above, the rate of interest on each Lender's share in the affected Loan for the relevant Term will be the aggregate of the applicable:

- (a) Margin;
- (b) rate notified to the Facility Agent by that Lender as soon as practicable, and in any event before interest is due to be paid in respect of that Term, to be that which expresses as a percentage rate per annum the cost to that Lender of funding its share in that Loan from whatever source it may reasonably select; and
- (c) Mandatory Cost.

### 11.3 Alternative basis of interest or funding

11.3.1 If a market disruption event occurs and the Facility Agent or the Borrower so requires, the Borrower and the Facility Agent must enter into negotiations for a period of not more than 30 days with a view to agreeing an alternative basis for determining the rate of interest and/or funding for the affected Loan and any future Loan.

11.3.2 Any alternative basis agreed will be, with the prior consent of all the Lenders, binding on all the Parties.

12.1.2 Unless a contrary indication appears, in this Clause 12 a reference to "determines" or "determined" means a determination made in the absolute discretion of the person making the determination.

## 12.2 Tax gross-up

- 12.2.1 The Borrower shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.
- 12.2.2 The Borrower shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a

Lender it shall notify the Borrower.

12.2.3 If a Tax Deduction is required by law to be made by the Borrower, the amount of the payment due from the Borrower shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

12.2.4 A payment shall not be increased under sub-clause 12.2.3 above by reason of a Tax Deduction on account of Tax imposed by the United Kingdom, if on the date on which the payment falls due:

- (a) the payment could have been made to the relevant Lender without a Tax Deduction if the Lender had been a Qualifying Lender, but on that date that Lender is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration, or application of) any law or Treaty, or any published practice or published concession of any relevant taxing authority; or
- (b) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of Qualifying Lender and:
  - (i) an officer of HM Revenue & Customs has given (and not revoked) a direction (a " **Direction** ") under section 931 of the ITA which relates to the payment and that Lender has received from the Borrower a certified copy of that Direction; and
  - (ii) the payment could have been made to the Lender without any Tax Deduction if that Direction had not been made; or
- (c) the relevant Lender is a Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of Qualifying Lender and:
  - (i) the relevant Lender has not given a Tax Confirmation to the Borrower; and
  - (ii) the payment could have been made to the Lender without any Tax Deduction if the Lender had given a Tax Confirmation to the Borrower on the basis that the Tax Confirmation would have enabled the Borrower to have formed a reasonable belief that the payment was an "excepted payment" for the purpose of section 930 of the ITA; or
- (d) the relevant Lender is a Treaty Lender and the Borrower making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under sub-clause 12.2.7 below.

12.2.5 If the Borrower is required to make a Tax Deduction, the Borrower shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

12.2.6 Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Borrower making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment a statement under Section 975 of the ITA, or other evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

12.2.7

- (a) Subject to paragraph (b) below, a Treaty Lender and the Borrower which makes a payment to which that Treaty Lender is entitled shall co-operate in completing any procedural formalities necessary for that Borrower to obtain authorisation to make that payment without a Tax Deduction.
- (b) Nothing in paragraph (a) above shall require a Treaty Lender to:
  - (i) register under the HMRC DT Treaty Passport scheme;
  - (ii) apply the HMRC DT Treaty Passport scheme to any Loan if it has so registered; or

- (iii) file Treaty forms if it has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 12.2.9 below or sub-clause 12.6.1 of Clause 12.6 ( *HMRC DT Treaty Passport scheme confirmation* ) and the Borrower making that payment has not complied with its obligations under sub-clause 12.2.10 below or sub-clause 12.6.2 of Clause 12.6 ( *HMRC DT Treaty Passport scheme confirmation* ).

12.2.8 A UK Non-Bank Lender shall promptly notify the Borrower and the Facility Agent if there is any change in the position from that set out in the Tax Confirmation.

12.2.9 A Treaty Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Borrower) by including its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule 1 ( *Original Parties* ).

12.2.10 Where a Lender includes the indication described in sub-clause 12.2.9 above in Schedule 1 ( *Original Parties* ), the Borrower shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the date of this Agreement and shall promptly provide the Lender with a copy of that filing **provided that** the Borrower shall not be liable in respect of any non-compliance with its obligations under this sub-clause 12.2.10 where such non-compliance is due to circumstances beyond the control of the Borrower (including, without limitation, any delay, failure or omission on the part of the relevant Lender or the Facility Agent to comply with any obligation owed to the Borrower, or to any inaccuracy in any information provided by the relevant Lender or the Facility Agent in connection with the DT Treaty Passport scheme).

12.2.11 Any Lender which has confirmed that it is entitled to use its DT Treaty Passport in accordance with sub-clause 12.2.9 or sub-clause 12.6.1 of Clause 12.6 ( *HMRC DT Treaty Passport scheme confirmation* ) will reasonably promptly notify the Facility Agent and the Borrower if at any time it ceases to hold a passport under the HMRC DT Treaty Passport scheme or if it ceases to be able to use such passport as a Lender.

12.2.12 If a Lender has not included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 12.2.9 above or sub-clause 12.6.1 of Clause 12.6 ( *HMRC DT Treaty Passport scheme confirmation* ), the Borrower shall not file any form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment or its participation in any Loan.

### 12.3 Tax indemnity

12.3.1 Except as provided below, the Borrower must indemnify a Finance Party, within three Business Days of demand, against any loss or liability which that Finance Party (in its absolute discretion) determines will be or has been suffered (directly or indirectly) by that Finance Party for or on account of Tax in relation to a payment received or receivable (or any payment deemed to be received or receivable) under a Finance Document.

12.3.2 Sub-clause 12.3.1 above does not apply to any Tax assessed on a Finance Party under the laws of the jurisdiction in which:

- (a) that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
- (b) that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable by that Finance Party. However, any payment deemed to be received or receivable, including any amount treated as income but not actually received by the Finance Party, such as a Tax Deduction, will not be treated as net income received or receivable for this purpose.

12.3.3 Sub-clause 12.3.1 above does not apply to any Tax assessed on a Finance Party to the extent the loss or liability:

- (a) is compensated for by an increased payment under Clause 12.2 ( *Tax gross-up* ); or
- (b) would have been compensated for by an increased payment under Clause 12.2 ( *Tax gross-up* ) but was not so compensated solely because one of the exclusions in Clause 12.2 ( *Tax gross-up* ) applied.

12.3.4 A Finance Party making, or intending to make, a claim under sub-clause 12.3.1 above must promptly notify the Borrower of the

event which will give, or has given, rise to the claim.

#### 12.4 Tax Credit

If the Borrower makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Finance Party has obtained and utilised that Tax Credit,

then, if in its discretion (acting reasonably) it can do so without any further adverse consequences for it, the Finance Party shall pay an amount to the Borrower which that Finance Party determines will leave it (after that payment) in the same after Tax position as it would have been in had the Tax Payment not been required to be made by the Company.

#### 12.5 Lender Status Confirmation

Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Transfer Certificate, assignment agreement or Increase Confirmation which it executes on becoming a Party, and for the benefit of the Facility Agent and without liability to the Borrower, which of the following categories it falls in:

- 12.5.1 not a Qualifying Lender;
- 12.5.2 a Qualifying Lender (other than a Treaty Lender); or
- 12.5.3 a Treaty Lender.

If a New Lender or Increase Lender fails to indicate its status in accordance with this Clause 12.5 then such New Lender or Increase Lender shall be treated for the purposes of this Agreement as if it is not a Qualifying Lender until such time as it notifies the Facility Agent which category applies (and the Facility Agent, upon receipt of such notification, shall inform the Borrower). For the avoidance of doubt, a Transfer Certificate, assignment agreement or Increase Confirmation shall not be invalidated by any failure of a Lender to comply with this Clause 12.5.

#### 12.6 HMRC DT Treaty Passport scheme confirmation

12.6.1 A New Lender or Increase Lender that is a Treaty Lender that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall include an indication to that effect (for the benefit of the Facility Agent and without liability to the Borrower) in the assignment agreement, Transfer Certificate or Increase Confirmation (as applicable) which it executes by including its scheme reference number and its jurisdiction of tax residence in that assignment agreement, Transfer Certificate or Increase Confirmation.

12.6.2 Where a New Lender or Increase Lender includes the indication described in sub-clause 12.6.1 above in the relevant assignment agreement, Transfer Certificate or Increase Confirmation (as applicable) the Borrower shall file a duly completed form DTTP2 in respect of such Lender with HM Revenue & Customs within 30 days of the relevant Transfer Date or the date on which such assignment or increase takes effect and shall promptly provide the Lender with a copy of that filing.

#### 12.7 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document, except for any such Tax payable in respect of a Transfer Certificate or other transfer or disposal of a Lender's rights or obligations under a Finance Document.

#### 12.8 VAT

12.8.1 All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part)

constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply and, accordingly, subject to sub-clause 12.8.2 below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).

12.8.2 If VAT is or becomes chargeable on any supply made by any Finance Party (the "**Supplier**") to any other Finance Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

- (a) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (a) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
- (b) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

12.8.3 Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

12.8.4 Any reference in this Clause 12.8 to any Party shall, at any time when such Party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term "representative member" to have the same meaning as in the Value Added Tax Act 1994).

12.8.5 In relation to any supply made by a Finance Party to any Party under a Finance Document if reasonably requested by such Finance Party that Party must promptly provide such Finance Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

## 13. INCREASED COSTS

### 13.1 Increased Costs

Except as provided below in this Clause, the Borrower must pay to a Finance Party the amount of any Increased Cost incurred by that Finance Party or any of its Affiliates as a result of:

- 13.1.1 the introduction of, or any change in, or any change in the interpretation or application of, any law or regulation;
- 13.1.2 compliance with any law or regulation made after the date of this Agreement; or
- 13.1.3 the implementation or application of, or compliance with, Basel III or any law or regulation that implements or applies Basel III.

### 13.2 Exceptions

The Borrower need not make any payment for an Increased Cost to the extent that the Increased Cost is:

- 13.2.1 compensated under another Clause or would have been but for an exception to that Clause;

13.2.2 a Tax on the overall net income of a Finance Party or any of its Affiliates; or

13.2.3 attributable to a Finance Party or its Affiliate wilfully failing to comply with any law or regulation.

### 13.3 Claims

A Finance Party intending to make a claim for an Increased Cost must notify the Borrower promptly of the circumstances giving rise to, and the amount of, the claim.

## 14. MITIGATION

### 14.1 Mitigation

14.1.1 Each Finance Party must, in consultation with the Borrower (other than upon the occurrence of an event referred to at paragraph (d) below where no such consultation is required), take all reasonable steps to mitigate any circumstances which arise and which result or would result in the Facility ceasing to be available or:

- (a) any Tax Payment or Increased Cost being payable to that Finance Party;
- (b) that Finance Party being able to exercise any right of prepayment and/or cancellation under this Agreement by reason of any illegality;
- (c) that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank; or
- (d) the occurrence of any market disruption event,

including transferring its rights and obligations under the Finance Documents to an Affiliate or changing its Facility Office.

14.1.2 A Finance Party is not obliged to take any step under this Clause 14 if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.

14.1.3 Each Finance Party must promptly notify the Borrower of any circumstances as described in paragraphs (a) to (d) of sub-clause 14.1.1 of this Clause 14.1.

14.1.4 The Borrower must indemnify each Finance Party for all costs and expenses reasonably incurred by it as a result of any step taken under this Clause 14.1.

14.1.5 This Clause does not in any way limit the obligations of the Borrower under the Finance Documents.

### 14.2 Substitution

Notwithstanding Clause 14.1 ( *Mitigation* ), if any circumstances arise which result in:

- 14.2.1 any Tax Payment or Increased Cost being payable to that Finance Party;
- 14.2.2 that Finance Party being able to exercise any right of prepayment and/or cancellation under this Agreement by reason of any illegality;
- 14.2.3 that Finance Party incurring any cost of complying with the minimum reserve requirements of the European Central Bank; or
- 14.2.4 the occurrence of any market disruption event,

then the Borrower, at its expense, at any time within 180 days after the occurrence of the relevant event or circumstance, so long as no Default is outstanding, may by notice to the Facility Agent and such Finance Party require it (and, if applicable, its Affiliate) to (and to the extent permitted by law such Finance Party or, if applicable, its Affiliate shall) novate pursuant to Clause 28 ( *Changes to the*

*Parties* ) all (and not part only) of its rights and obligations under this Agreement to a bank, financial institution, trust, fund or other entity (a " **Replacement Finance Party** ") selected by the Borrower, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations of the transferring Finance Party (including the assumption of the transferring Finance Party's participations or unfunded participations (as the case may be) on the same basis as the transferring Finance Party) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Finance Party's participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 28.9 ( *Pro rata interest settlement* )), Break Costs and other amounts payable to such Finance Party under the Finance Documents **provided that** :

14.2.5 the Borrower shall have paid to the Finance Party (or, if applicable, its Affiliate) all amounts accrued and owing to such Finance Party (or, if applicable, its Affiliate) hereunder;

14.2.6 the Borrower shall have no right to replace the Facility Agent;

14.2.7 neither the Facility Agent nor such Finance Party shall have any obligation to the Borrower to find a Replacement Finance Party;

14.2.8 the transfer must take place no later than 14 days after the notice referred to above; and

14.2.9 in no event shall such Finance Party be required to pay or surrender to the Replacement Finance Party any of the fees received by such Finance Party pursuant to the Finance Documents.

Notwithstanding the above, the Borrower shall not be entitled to require a novation under this Clause 14.2 with respect to any Finance Party if:

14.2.10 the relevant Finance Party shall have mitigated the effect of the relevant event or circumstance as provided in sub-clause 14.1.1 of Clause 14.1 ( *Mitigation* ), and the novation would have no greater or further mitigating effect; or

14.2.11 the relevant event or circumstances are applicable to all Finance Parties.

### 14.3 **Conduct of business by a Finance Party**

No term of this Agreement will:

14.3.1 interfere with the right of any Finance Party to arrange its affairs (Tax or otherwise) in whatever manner it thinks fit or oblige any Finance Party to investigate or claim any Tax Credit; or

14.3.2 oblige any Finance Party to disclose any information relating to its affairs (Tax or otherwise) or any computation in respect of Tax.

## 15. **PAYMENTS**

### 15.1 **Place**

Unless a Finance Document specifies that payments under it are to be made in another manner, all payments by a Party (other than the Facility Agent) under the Finance Documents must be made to the Facility Agent to its account at such office or bank in the principal financial centre of the country of that currency or, in relation to euro, in a principal centre in a Participating Member State or London as it may notify to that Party for this purpose by not less than five Business Days' prior notice.

### 15.2 **Funds**

Payments under the Finance Documents to the Facility Agent must be made for value on the due date at such times and in such funds as the Facility Agent may specify to the Party concerned as being customary at the time for the settlement of transactions in the relevant currency in the place of payment.

### 15.3 **Distribution**

- 15.3.1 Each payment received by the Facility Agent under the Finance Documents for another Party must, except as provided below, be made available by the Facility Agent to that Party by payment (as soon as practicable after receipt) to its account with such office or bank in the principal financial centre of the country of that currency or, in relation to euro, in a principal centre in a Participating Member State or London as it may notify to the Facility Agent for this purpose by not less than five Business Days' prior notice.
- 15.3.2 The Facility Agent may apply any amount received by it for the Borrower in or towards payment (as soon as practicable after receipt) of any amount due from the Borrower under the Finance Documents or in or towards the purchase of any amount of any currency to be so applied.
- 15.3.3 Where a sum is paid to the Facility Agent under this Agreement for another Party, the Facility Agent is not obliged to pay that sum to that Party until it has established that it has actually received it. However, the Facility Agent may assume that the sum has been paid to it, and, in reliance on that assumption, make available to that Party a corresponding amount. If it transpires that the sum has not been received by the Facility Agent, that Party must immediately on demand by the Facility Agent refund any corresponding amount made available to it together with interest on that amount from the date of payment to the date of receipt by the Facility Agent at a rate calculated by the Facility Agent to reflect its cost of funds.

#### 15.4 **Currency of account**

- 15.4.1 Subject to sub-clauses 15.4.2 and 15.4.5 below, the Base Currency is the currency of account and payment for any sum due from the Borrower under any Finance Document.
- 15.4.2 A repayment of a Loan or Unpaid Sum or a part of a Loan or Unpaid Sum shall be made in the currency in which that Loan or Unpaid Sum is denominated on its due date.
- 15.4.3 Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated when that interest accrued.
- 15.4.4 Amounts payable in respect of costs and expenses and Taxes are payable in the currency in which they are incurred.
- 15.4.5 Any amount expressed to be payable in a currency other than the Base Currency shall be paid in that other currency.

#### 15.5 **No set-off or counterclaim**

All payments made by the Borrower under the Finance Documents must be made without set-off or counterclaim.

#### 15.6 **Business Days**

- 15.6.1 If a payment under the Finance Documents is due on a day which is not a Business Day, the due date for that payment will instead be the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not) or whatever day the Facility Agent determines is market practice.
- 15.6.2 During any extension of the due date for payment of any principal (or overdue amount) under this Agreement interest is payable on that principal (or overdue amount) at the rate payable on the original due date.

#### 15.7 **Impaired Agent**

- 15.7.1 If, at any time, the Facility Agent becomes an Impaired Agent, the Borrower or a Lender which is required to make a payment under the Finance Documents to the Facility Agent in accordance with Clause 15.1 ( *Place* ) may instead either pay that amount direct to the required recipient or pay that amount to an interest bearing account held with an Acceptable Bank and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Borrower or the Lender making the payment and designated as a trust account for the benefit of the Party or Parties beneficially entitled to that payment under the Finance Documents. In each case such payments must be made on the due date for payment under the Finance Documents.
- 15.7.2 All interest accrued on the amount standing to the credit of the trust account shall be for the benefit of the beneficiaries of that

trust account *pro rata* to their respective entitlements.

15.7.3 A Party which has made a payment in accordance with this Clause 15.7 shall be discharged of the relevant payment obligation under the Finance Documents and shall not take any credit risk with respect to the amounts standing to the credit of the trust account.

15.7.4 Promptly upon the appointment of a successor Facility Agent in accordance with Clause 22.14 ( *Replacement of the Facility Agent* ), each Party which has made a payment to a trust account in accordance with this Clause 15.7 shall give all requisite instructions to the bank with whom the trust account is held to transfer the amount (together with any accrued interest) to the successor Facility Agent for distribution in accordance with Clause 15.3 ( *Distribution* ).

15.7.5 For the purposes of this Clause 15.7 only, an Acceptable Bank shall include any bank or financial institution approved by the Facility Agent or, if the Facility Agent is an Impaired Agent, the Majority Lenders.

## 15.8 Partial payments

15.8.1 If any Administrative Party receives a payment insufficient to discharge all the amounts then due and payable by the Borrower under the Finance Documents, the Administrative Party must apply that payment towards the obligations of the Borrower under the Finance Documents in the following order:

- (a) **first** , in or towards payment *pro rata* of any unpaid fees, costs and expenses of the Administrative Parties under the Finance Documents;

22.1.2 Each Finance Party irrevocably authorises the Facility Agent to:

- (a) perform the duties and to exercise the rights, powers and discretions that are specifically given to it under the Finance Documents, together with any other incidental rights, powers and discretions; and
- (b) execute each Finance Document expressed to be executed by the Facility Agent.

22.1.3 The Facility Agent has only those duties which are expressly specified in the Finance Documents. Those duties are solely of a mechanical and administrative nature.

22.1.4 The Facility Agent shall provide to the Borrower within three Business Days of a request by the Borrower (but no more frequently than once per calendar month), a list (which may be in electronic form) setting out the names of the Lenders as at the date of that request, their respective Commitments, the address and fax number (and the department or officer, if any, for whose attention any communication is to be made) of each Lender for any communication to be made or document to be delivered under or in connection with the Finance Documents, the electronic mail address and/or any other information required to enable the sending and receipt of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Finance Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Facility Agent to that Lender under the Finance Documents.

## 22.3 No fiduciary duties

Except as specifically provided in a Finance Document, nothing in the Finance Documents makes an Administrative Party a trustee or fiduciary for any other Party or any other person and no Administrative Party need hold in trust any moneys paid to it for a Party or be liable to account for interest on those moneys.

## 22.4 Individual position of an Administrative Party

22.4.1 If it is also a Lender, each Administrative Party has the same rights and powers under the Finance Documents as any other Lender and may exercise those rights and powers as though it were not an Administrative Party.

22.4.2 Each Administrative Party may:

- (a) carry on any business with the Borrower or its related entities (including acting as an agent or a trustee for any other financing); and
- (b) retain any profits or remuneration it receives under the Finance Documents or in relation to any other business it carries on with the Borrower or its related entities.

## 22.5 Reliance

The Facility Agent may:

22.5.1 rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;

- 22.5.3 engage, pay for and rely on professional advisers selected by it (including those representing a Party other than the Facility Agent); and
- 22.5.4 act under the Finance Documents through its personnel and agents.

## 22.6 **Majority Lenders' instructions**

- 22.6.1 The Facility Agent is fully protected if it acts on the instructions of the Majority Lenders in the exercise of any right, power or discretion or any matter not expressly provided for in the Finance Documents. Any such instructions given by the Majority Lenders will be binding on all the Lenders. In the absence of instructions, the Facility Agent may act as it considers to be in the best interests of all the Lenders.
- 22.6.2 The Facility Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings in connection with any Finance Document.
- 22.6.3 The Facility Agent may require the receipt of security satisfactory to it, whether by way of payment in advance or otherwise, against any liability or loss which it may incur in complying with the instructions of the Majority Lenders.

## 22.7 **Responsibility**

- 22.7.1 No Administrative Party is responsible to any other Finance Party for the adequacy, accuracy or completeness of:
  - (a) any Finance Document or any other document; or
  - (b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document.
- 22.7.2 Without affecting the responsibility of the Borrower for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms that it:
  - (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Borrower and its related entities and the nature and extent of any recourse against any Party or its assets); and
  - (b) has not relied exclusively on any information provided to it by any Administrative Party in connection with any Finance Document.
- 22.7.3
  - (a) Nothing in this Agreement will oblige the Facility Agent to satisfy any know your customer requirement in relation to the identity of any person on behalf of any Finance Party.
  - (b) Each Finance Party confirms to the Facility Agent that it is solely responsible for any know your customer requirements it is required to carry out and that it may not rely on any statement in relation to those requirements made by any other person.

## 22.8 **Exclusion of liability**

- 22.8.1 The Facility Agent is not liable or responsible to any other Finance Party for any action taken or not taken by it in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct.
- 22.8.2 The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent, if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement

system used by the Facility Agent for that purpose.

22.8.3 No Party may take any proceedings against any officer, employee or agent of the Facility Agent in respect of any claim it might have against the Facility Agent or in respect of any act or omission of any kind by that officer, employee or agent in connection with any Finance Document. Any officer, employee or agent of the Facility Agent may rely on this sub-clause and enforce its terms under the Contracts (Rights of Third Parties) Act 1999.

## 22.9 Default

22.9.1 The Facility Agent is not obliged to monitor or enquire whether a Default has occurred. The Facility Agent is not deemed to have knowledge of the occurrence of a Default.

22.9.2 If the Facility Agent:

- (a) receives notice from a Party referring to this Agreement, describing a Default and stating that the event is a Default; or
  - (b) is aware of the non-payment of any principal or interest or any fee payable to a Lender under this Agreement,
- it must promptly notify the Lenders.

## 22.10 Information

22.10.1 The Facility Agent must promptly forward to the person concerned the original or a copy of any document which is delivered to the Facility Agent by a Party for that person.

22.10.2 Except where a Finance Document specifically provides otherwise, the Facility Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

22.10.3 Except as provided above, the Facility Agent has no duty:

- (a) either initially or on a continuing basis to provide any Lender with any credit or other information concerning the risks arising under or in connection with the Finance Documents (including any information relating to the financial condition or affairs of the Borrower or its related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or
- (b) unless specifically requested to do so by a Lender in accordance with a Finance Document, to request any certificate or other document from the Borrower.

22.10.4 In acting as the Facility Agent, the agency division of the Facility Agent is treated as a separate entity from its other divisions and departments. Any information acquired by the Facility Agent which, in its opinion, is acquired by it otherwise than in its capacity as the Facility Agent may be treated as confidential by the Facility Agent and will not be treated as information possessed by the Facility Agent in its capacity as such.

22.10.5 The Facility Agent is not obliged to disclose to any person any confidential information supplied to it by a member of the Group solely for the purpose of evaluating whether any waiver or amendment is required to any term of the Finance Documents.

22.10.6 The Borrower irrevocably authorises the Facility Agent to disclose to the other Finance Parties any information which, in its opinion, is received by it in its capacity as the Facility Agent.

22.10.7 Without prejudice to the generality of the foregoing, the Facility Agent may disclose the identity of a Defaulting Lender to the other Finance Parties and the Borrower and shall disclose the same upon the written request of the Borrower or the Majority Lenders.

## 22.11 Indemnities

22.11.1 Without limiting the liability of the Borrower under the Finance Documents, each Lender must indemnify the Facility Agent for that Lender's Pro Rata Share of any loss or liability incurred by the Facility Agent in acting as the Facility Agent, except to the extent that the loss or liability is caused by the Facility Agent's gross negligence or wilful misconduct or to the extent that the Facility Agent has been reimbursed in full by the Borrower for such loss or liability.

22.11.2 The Facility Agent may deduct from any amount received by it for a Lender any amount due to the Facility Agent from that

Lender under a Finance Document but unpaid.

22.11.3 The Borrower must indemnify the Facility Agent against any loss or liability properly incurred by the Facility Agent as a result of:

- (a) investigating any event which the Facility Agent reasonably believes to be a Default; or
- (b) acting or relying on any notice which the Facility Agent reasonably believes to be genuine, correct and appropriately authorised.

## 22.12 Compliance

The Facility Agent may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation or be otherwise actionable at the suit of any person, and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

## 22.13 Resignation of the Facility Agent

22.13.1 The Facility Agent may resign and appoint any of its Affiliates as successor Facility Agent by giving notice to the Lenders and the Borrower.

22.13.2 Alternatively, the Facility Agent may resign by giving notice to the Lenders and the Borrower, in which case the Majority Lenders may appoint a successor Facility Agent.

22.13.3 If no successor Facility Agent has been appointed under sub-clause 22.13.2 above within 30 days after notice of resignation was given, the Facility Agent may appoint a successor Facility Agent.

22.13.4 The person(s) appointing a successor Facility Agent must, if practicable, consult with the Borrower prior to the appointment. Any successor Facility Agent must have an office in the U.K.

22.13.5 The resignation of the Facility Agent and the appointment of any successor Facility Agent will both become effective only when the successor Facility Agent notifies all the Parties that it accepts its appointment. On giving the notification, the successor Facility Agent will succeed to the position of the Facility Agent and the term " Facility Agent " will mean the successor Facility Agent.

22.13.6 The retiring Facility Agent must, at its own cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as the Facility Agent under the Finance Documents.

22.13.7 Upon its resignation becoming effective, this Clause will continue to benefit the retiring Facility Agent in respect of any action taken or not taken by it in connection with the Finance Documents while it was the Facility Agent, and, subject to sub-clause 22.13.6 above, it will have no further obligations under any Finance Document.

## 22.14 Replacement of the Facility Agent

22.14.1 After consultation with the Borrower, the Majority Lenders may, by giving 30 days' notice to the Facility Agent (or, at any time the Facility Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Facility Agent by appointing a successor Facility Agent (acting through an office in the United Kingdom).

22.14.2 The retiring Facility Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents.

22.14.3 The replacement of the Facility Agent and the appointment of the successor Facility Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Facility Agent. As from this date, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of this Clause 22 (and any agency fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date).

22.14.4 Any successor Facility Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

## 22.15 Relationship with Lenders

22.15.1 Subject to Clause 28.9 ( *Pro rata interest settlement* ), the Facility Agent may treat each Lender as a Lender, entitled to payments under this Agreement and as acting through its Facility Office(s) until it has received not less than five Business Days' prior notice from that Lender to the contrary.

22.15.2 The Facility Agent may at any time, and must if requested to do so by the Majority Lenders, convene a meeting of the Lenders.

22.15.3 The Facility Agent must keep a register of all the Parties and supply any other Party with a copy of the register on request. The register will include each Lender's Facility Office(s) and contact details for the purposes of this Agreement.

## 22.16 Facility Agent's management time

If the Facility Agent requires, any amount payable to the Facility Agent by any Party under any indemnity or in respect of any costs or expenses incurred by the Facility Agent under the Finance Documents after the date of this Agreement may include the cost of using its management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Facility Agent may notify to the relevant Party. This is in addition to any amount in respect of fees or expenses paid or payable to the Facility Agent under any other term of the Finance Documents.

## 22.17 Notice period

Where this Agreement specifies a minimum period of notice to be given to the Facility Agent, the Facility Agent may, at its discretion, accept a shorter notice period.

## 22.18 Subordination Deed

The Lenders expressly authorise the Facility Agent, at the request of the Company, to enter into a Subordination Deed in respect of any intra-Group items, loans from Affiliates and shareholder loans made to any member of the Group.

Any certification or determination by a Finance Party of a rate or amount under the Finance Documents will be, in the absence of manifest error, conclusive evidence of the matters to which it relates.

### 23.3 Calculations

Any interest or fee accruing under this Agreement accrues from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 or 365 days or otherwise, depending on what the Facility Agent determines is market practice.

### 24.4 **Utilisation fee**

- 24.4.1 The Borrower must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.20 per cent. per annum on the aggregate principal amount of the Loans for each day on which the aggregate amount of all Loans exceeds 33.34 per cent. of the Total Commitments but is lower than or equal to 66.67 per cent. of the Total Commitments.
- 24.4.2 The Borrower must pay to the Facility Agent for each Lender a utilisation fee computed at the rate of 0.40 per cent. per annum on the aggregate principal amount of the Loans for each day on which the aggregate amount of all Loans exceeds 66.67 per cent. of the Total Commitments. For the avoidance of doubt, the fee described in sub-clause 24.4.1 above is not payable in respect of any day for which the fee described in this sub-clause 24.4.2 is payable.
- 24.4.3 Utilisation fee is payable on the amount of each Lender's share in the Loans.
- 24.4.4 Accrued utilisation fee is payable quarterly in arrears. Accrued utilisation fee is also payable to the Facility Agent for a Lender on the date its Commitment is cancelled in full.

## 25. **INDEMNITIES AND BREAK COSTS**

### 25.1 **Currency indemnity**

  - (b) that liability being converted into a claim, proof, judgment or order,
- in a currency other than the currency in which the amount is expressed to be payable under the relevant Finance Document.
- 25.1.2 Unless otherwise required by law, the Borrower waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency other than that in which it is expressed to be payable.

### 25.2 **Other indemnities**

The Borrower shall within 15 days of demand indemnify the Facility Agent and each Lender against any funding or other cost, loss, expense or liability in an amount certified by it in reasonable detail (together with documentation in support) sustained or incurred by it as a direct result of:

- 25.2.1 the occurrence of any Event of Default;
- 25.2.2 (other than by reason of negligence or default by a Finance Party) a Loan not being made after a Request has been delivered for that Loan; or
- 25.2.3 the receipt or recovery by any party (or the Facility Agent on its behalf) of all or any part of a Loan or overdue sum due from the Borrower otherwise than on the Final Maturity Date or Maturity Date of that Loan or, in the case of an overdue sum, the last day

of an interest period relating to that overdue sum, as the case may be or a Loan or any part thereof not being prepaid in accordance with a notice of prepayment.

### 25.3 **Break Costs**

25.3.1 The Borrower must pay to each Lender its Break Costs within three Business Days of demand.

25.3.2 Break Costs are the amount (if any) determined by the relevant Lender by which:

(a) the interest (excluding Margin and Mandatory Costs) which that Lender would have received for the period from the date of receipt of any part of its share in a Loan or overdue amount to the last day of the applicable Term for that Loan or overdue amount if the principal or overdue amount received had been paid on the last day of that Term;

exceeds

(b) the amount which that Lender would be able to obtain by placing an amount equal to the amount received by it on deposit with a leading bank in the appropriate interbank market for a period starting on the Business Day following receipt and ending on the last day of the applicable Term.

25.3.3 Each Lender must supply to the Facility Agent for the Borrower details of the amount of any Break Costs claimed by it under this Clause.

## 26. **EXPENSES**

### 26.1 **Initial costs**

The Borrower must pay to each Administrative Party promptly on demand the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with the negotiation, preparation, printing, execution and syndication of the Finance Documents.

### 26.2 **Subsequent costs**

The Borrower must pay to the Facility Agent promptly on demand the amount of all costs and expenses (including legal fees) reasonably incurred by it in connection with:

26.2.1 the negotiation, preparation, printing and execution of any Finance Document (other than a Transfer Certificate) executed after the date of this Agreement and the syndication of the facility; and

26.2.2 any amendment, waiver or consent requested by or on behalf of the Borrower or specifically allowed by this Agreement.

### 26.3 **Enforcement costs**

The Borrower must pay to each Finance Party the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of, or the preservation of any rights under, any Finance Document.

## 27. **AMENDMENTS AND WAIVERS**

### 27.1 **Procedure**

27.1.1 Except as provided in this Clause 27, any term of the Finance Documents may be amended or waived with the agreement of the Borrower and the Majority Lenders. The Facility Agent may effect, on behalf of any Finance Party, an amendment or waiver allowed under this Clause.

27.1.2 The Facility Agent must promptly notify the other Parties of any amendment or waiver effected by it under sub-clause 27.1.1 above. Any such amendment or waiver is binding on all the Parties.

### 27.2 **Exceptions**

27.2.1 An amendment or waiver that has the effect of changing or which relates to:

- (a) the definition of Majority Lenders in Clause 1.1 ( *Definitions* );
- (b) an extension of the date of payment of any amount to a Lender under the Finance Documents;
- (c) a reduction in the Margin or a reduction in the amount of any payment of principal, interest, fee or other amount payable to a Lender under the Finance Documents;
- (d) an increase in, or an extension of, a Commitment or the Total Commitments or any requirement that a cancellation of Commitments reduces the Commitments of the Lenders rateably under the Facility;
- (e) a term of a Finance Document which expressly requires the consent of each Lender;
- (f) the right of a Lender to assign or transfer its rights or obligations under the Finance Documents;
- (g) Clause 8.1 ( *Mandatory prepayment – illegality* ) or Clause 8.2 ( *Mandatory prepayment – change of control* ); or
- (h) this Clause,

may only be made with the consent of all the Lenders.

27.2.2 An amendment or waiver which relates to the rights or obligations of an Administrative Party may only be made with the consent of that Administrative Party.

### 27.3 **Disenfranchisement of Defaulting Lenders**

27.3.1 For so long as a Defaulting Lender has any Available Commitment, in ascertaining the Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents, that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitment.

27.3.2 For the purposes of this Clause 27.3, the Facility Agent may assume that the following Lenders are Defaulting Lenders:

- (a) any Lender which has notified the Facility Agent that it has become a Defaulting Lender;
- (b) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "Defaulting Lender" has occurred where, in the case of the events or circumstances referred to in paragraph (a), none of the exceptions to that paragraph apply,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Facility Agent) or the Facility Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

### 27.4 **Replacement of a Defaulting Lender**

27.4.1 The Borrower may, at any time a Lender has become and continues to be a Defaulting Lender, by giving 10 Business Days' prior written notice to the Facility Agent and such Lender:

- (a) replace such Lender by requiring such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 28 ( *Changes to the Parties* ) all (and not part only) of its rights and obligations under this Agreement; or
- (b) require such Lender to (and to the extent permitted by law such Lender shall) transfer pursuant to Clause 28 ( *Changes to the Parties* ) all (and not part only) of the undrawn Commitment of the Lender,

to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Borrower, and which is acceptable to the Facility Agent (acting reasonably) (unless the Facility Agent is an Impaired Agent), which confirms its willingness to assume and does assume all the obligations or all the relevant obligations of the transferring Lender (including the assumption of the transferring Lender's participations or unfunded participations (as the case may be) on the same basis as the transferring Lender) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Loans and all accrued interest (to the extent that the Facility Agent has not given a notification under Clause 28.9 (*Pro rata interest settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents.

27.4.2 Any transfer of rights and obligations of a Defaulting Lender pursuant to this Clause shall be subject to the following conditions:

- (a) the Borrower shall have no right to replace the Facility Agent;
- (b) neither the Facility Agent nor the Defaulting Lender shall have any obligation to the Borrower to find a Replacement Lender;
- (c) the transfer must take place no later than 14 days after the notice referred to in sub-clause 27.4.1 above; and
- (d) in no event shall the Defaulting Lender be required to pay or surrender to the Replacement Lender any of the fees received by the Defaulting Lender pursuant to the Finance Documents.

## 27.5 **Change of currency**

If a change in any currency of a country occurs (including where there is more than one currency or currency unit recognised at the same time as the lawful currency of a country), the Finance Documents will be amended to the extent the Facility Agent (acting reasonably and after consultation with the Borrower) determines is necessary to reflect the change.

## 27.6 **Waivers and remedies cumulative**

The rights of each Finance Party under the Finance Documents:

- 27.6.1 may be exercised as often as necessary;
- 27.6.2 are cumulative and not exclusive of its rights under the general law; and
- 27.6.3 may be waived only in writing and specifically.

Delay in exercising or non-exercise of any right is not a waiver of that right.

## 28. **CHANGES TO THE PARTIES**

### 28.1 **Assignments and transfers by the Borrower**

The Borrower may not assign or transfer any of its rights and obligations under the Finance Documents without the prior consent of all the Lenders unless the assignment or transfer is to effect and complete a Permitted Reorganisation.

### 28.2 **Assignments and transfers by Lenders**

28.2.1 A Lender (the "**Existing Lender**") may, subject to the following provisions of this Clause 28, at any time assign or transfer (including by way of novation) any of its rights and obligations under this Agreement to any bank, financial institution or trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the "**New Lender**").

28.2.2 Unless the Borrower and the Facility Agent otherwise agree, an assignment or transfer of part of a Commitment or rights and obligations under this Agreement by the Existing Lender must be in a minimum amount of £5,000,000.

- 28.2.3 An Existing Lender must consult with the Borrower for no more than five Business Days before it may make an assignment or transfer unless the New Lender is another Lender or an Affiliate of a Lender or an Event of Default has occurred and is outstanding.
- 28.2.4 The Facility Agent is not obliged to accept an assignment or to execute a Transfer Certificate until it has completed all know your customer requirements to its satisfaction. The Facility Agent must promptly notify the Existing Lender and the New Lender if there are any such requirements.
- 28.2.5 An assignment of rights or a transfer of rights and obligations will be effective only if either:
- (a) the obligations are novated in accordance with the following provisions of this Clause 28; or
  - (b) the New Lender confirms to the Facility Agent and the Borrower in form and substance satisfactory to the Facility Agent that it is bound by the terms of this Agreement as a Lender. On the assignment or transfer becoming effective in this manner the Existing Lender will be released from its rights and obligations under this Agreement to the extent that they are transferred to the New Lender.
- 28.2.6 Unless the Facility Agent otherwise agrees, the New Lender must pay to the Facility Agent for its own account, on or before the date any assignment or transfer occurs, a fee of £1,750.
- 28.2.7 Any reference in this Agreement to a Lender includes a New Lender but excludes a Lender if no amount is or may be owed to or by it under this Agreement.

### 28.3 Procedure for transfer by way of novations

28.3.1 A novation is effected if:

- (a) the Existing Lender and the New Lender deliver to the Facility Agent a duly completed Transfer Certificate; and
- (b) the Facility Agent executes it.

Subject to sub-clause 28.2.4 of Clause 28.2 (*Assignments and transfers by Lenders*), the Facility Agent must execute as soon as reasonably practicable a Transfer Certificate delivered to it and which appears on its face to be in order.

28.3.2 Each Party (other than the Existing Lender and the New Lender) irrevocably authorises the Facility Agent to execute any duly completed Transfer Certificate on its behalf.

28.3.3 Subject to Clause 28.9 (*Pro rata interest settlement*), on the Transfer Date:

- (a) the New Lender will assume the rights and obligations of the Existing Lender expressed to be the subject of the novation in the Transfer Certificate in substitution for the Existing Lender; and
- (b) the Existing Lender will be released from those obligations and cease to have those rights.

### 28.4 Limitation of responsibility of Existing Lender

28.4.1 Unless expressly agreed to the contrary, an Existing Lender is not responsible to a New Lender for the legality, validity, adequacy, accuracy, completeness or performance of:

- (a) any Finance Document or any other document; or
- (b) any statement or information (whether written or oral) made in or supplied in connection with any Finance Document, and any representations or warranties implied by law are excluded.

28.4.2 Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Finance Documents (including the financial condition and affairs of the Borrower and its related entities and the nature and extent of any recourse against any Party or its assets) in connection with its participation in this Agreement; and
- (b) has not relied exclusively on any information supplied to it by the Existing Lender in connection with any Finance Document.

28.4.3 Nothing in any Finance Document requires an Existing Lender to:

- (a) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause; or
- (b) support any losses incurred by the New Lender by reason of the non-performance by the Borrower of its obligations under any Finance Document or otherwise.

## 28.5 Costs resulting from change of Lender or Facility Office

If:

28.5.1 a Lender assigns or transfers any of its rights and obligations under the Finance Documents or changes its Facility Office; and

28.5.2 as a result of circumstances existing at the date the assignment, transfer or change occurs, the Borrower would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 12 ( *Tax gross-up and indemnities* ) or Clause 13 ( *Increased costs* ),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This Clause 28.5 shall not apply:

- (i) in respect of an assignment or transfer made in the ordinary course of the primary syndication of the Facility; or
- (ii) in relation to Clause 12 ( *Tax gross-up and indemnities* ), to a Treaty Lender that has included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with sub-clause 12.6.1 of Clause 12.6 ( *HMRC DT Treaty Passport scheme confirmation* ) if the Borrower making the payment has not complied with its obligations under sub-clause 12.6.2 of Clause 12.6 ( *HMRC DT Treaty Passport scheme confirmation* ).

## 28.6 Changes to the Reference Banks

28.6.1 If a Reference Bank (or, if a Reference Bank is not a Lender, the Lender of which it is an Affiliate) ceases to be a Lender, the Facility Agent must (in consultation with the Borrower) appoint another Lender or an Affiliate of a Lender to replace that Reference Bank.

28.6.2 If a Reference Bank ceases to have a London office or novates or assigns all its rights and obligations under this Agreement or if any Commitments of any Reference Bank are cancelled or if Loans it has advanced are prepaid it shall be replaced as a Reference Bank by such other Lender or an Affiliate of a Lender with an office in London as the Facility Agent (after consultation with the Borrower) shall designate by notice to the Borrower and the Lenders.

## 28.7 Copy of Transfer Certificate or Increase Confirmation to Borrower

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Increase Confirmation, send to the Borrower a copy of that Transfer Certificate or Increase Confirmation.

## 28.8 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 28, each Lender may without consulting with or obtaining consent from the Borrower, at any time charge, assign or otherwise create security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

28.8.1 any charge, assignment or other security to secure obligations to a federal reserve, central bank, governmental authority, agency or department (including Her Majesty's Treasury); and

28.8.2 in the case of any Lender which is a fund, any charge, assignment or other security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or security shall:

(a) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other security for the Lender as a party to any of the Finance Documents; or

(b) require any payments to be made by the Borrower or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

#### 28.9 Pro rata interest settlement

If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a " *pro rata basis* " to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 28.3 ( *Procedure for transfer by way of novations* ) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of a Term):

28.9.1 any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ( " **Accrued Amounts** " ) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Term (or, if the Term is longer than six months, on the next of the dates which falls at six monthly intervals after the first day of that Term); and

28.9.2 the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:

(i) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and

(ii) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 28.9, have been payable to it on that date, but after deduction of the Accrued Amounts.

#### 28.10 Disenfranchisement on Debt Purchase Transactions entered into by Relevant Persons

28.10.1 For so long as a Holding Company of the Borrower or any of such Holding Company's Affiliates other than a member of the Group (a " **Relevant Person** ") (i) beneficially owns a Commitment or (ii) has entered into a sub-participation agreement relating to a Commitment or other agreement or arrangement having a substantially similar economic effect and such agreement or arrangement has not been terminated:

(a) in ascertaining the Majority Lenders or whether any given percentage (including for the avoidance of doubt, unanimity) of the Total Commitments has been obtained to approve any request for a consent, waiver, amendment or other vote under the Finance Documents such Commitment shall be deemed to be zero; and

(b) for the purposes of Clause 26.2 ( *Exceptions* ), such Relevant Person or the person with whom it has entered into such sub-participation, other agreement or arrangement shall be deemed not to be a Lender (unless in the case of a person not being a Relevant Person it is a Lender by a virtue otherwise than by beneficially owning the relevant Commitment).

28.10.2 Each Lender shall, unless such Debt Purchase Transaction is an assignment or transfer, promptly notify the Facility Agent in writing if it knowingly enters into a Debt Purchase Transaction with a Relevant Person (a " **Notifiable Debt Purchase Transaction** " ), such notification to be substantially in the form set out in Part I of Schedule 9 ( *Forms of Notifiable Deb*

*Purchase Transaction Notice* ).

28.10.3 A Lender shall promptly notify the Facility Agent if a Notifiable Debt Purchase Transaction to which it is a party:

- (a) is terminated; or
- (b) ceases to be with a Relevant Person,

such notification to be substantially in the form set out in Part II of the Schedule 9 ( *Forms of Notifiable Debt Purchase Transaction Notice* ).

28.10.4 Each Relevant Person that is a Lender agrees that:

- (a) in relation to any meeting or conference call to which all the Lenders are invited to attend or participate, it shall not attend or participate in the same if so requested by the Facility Agent or, unless the Facility Agent otherwise agrees, be entitled to receive the agenda or any minutes of the same; and
- (b) in its capacity as Lender, unless the Facility Agent otherwise agrees, it shall not be entitled to receive any report or other document prepared at the request of, or on the instructions of, the Facility Agent or one or more of the Lenders.

## 29. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION

### 29.1 Confidential Information

Each Finance Party agrees to keep all Confidential Information confidential and not to disclose it to anyone, save to the extent permitted by Clause 29.2 ( *Disclosure of Confidential Information* ) and Clause 29.3 ( *Disclosure to numbering service providers* ), and to ensure that all Confidential Information is protected with security measures and a degree of care that would apply to its own confidential information.

### 29.2 Disclosure of Confidential Information

Any Finance Party may disclose:

29.2.1 to any of its Affiliates and Related Funds and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives such Confidential Information as that Finance Party shall consider appropriate if any person to whom the Confidential Information is to be given pursuant to this sub-clause 29.2.1 is informed in writing of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of the information or is otherwise bound by requirements of confidentiality in relation to the Confidential Information;

29.2.2 to any person:

- (a) to (or through) whom it assigns or transfers (or may potentially assign or transfer) all or any of its rights and/or obligations under one or more Finance Documents and to any of that person's Affiliates, Related Funds, Representatives and professional advisers;
- (b) with (or through) whom it enters into (or may potentially enter into), whether directly or indirectly, any sub-participation in relation to, or any other transaction under which payments are to be made or may be made by reference to, one or more Finance Documents and/or the Borrower and to any of that person's Affiliates, Related Funds, Representatives and professional advisers;
- (c) appointed by any Finance Party or by a person to whom paragraphs (a) or (b) of sub-clause 29.2.2 above applies to receive communications, notices, information or documents delivered pursuant to the Finance Documents on its behalf;
- (d) who invests in or otherwise finances (or may potentially invest in or otherwise finance), directly or indirectly, any transaction referred to in paragraphs (a) or (b) of sub-clause 29.2.2 above;

- (e) to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation;
- (f) to whom or for whose benefit that Finance Party charges, assigns or otherwise creates security (or may do so) pursuant to Clause 28.8 (*Security over Lenders' rights*);
- (g) to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes;
- (h) who is a Party; or
- (i) with the consent of the Borrower;

in each case, such Confidential Information as that Finance Party shall consider appropriate if:

- (i) in relation to paragraphs (a), (b) and (c) of sub-clause 29.2.2 above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking except that there shall be no requirement for a Confidentiality Undertaking if the recipient is a professional adviser and is subject to professional obligations to maintain the confidentiality of the Confidential Information;
- (ii) in relation to paragraph (d) of sub-clause 29.2.2 above, the person to whom the Confidential Information is to be given has entered into a Confidentiality Undertaking or is otherwise bound by requirements of confidentiality in relation to the Confidential Information they receive and is informed that some or all of such Confidential Information may be price-sensitive information;
- (iii) in relation to paragraphs (e), (f) and (g) of sub-clause 29.2.2 above, the person to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information except that there shall be no requirement to so inform if, in the opinion of that Finance Party, it is not practicable so to do in the circumstances;

29.2.3 to any person appointed by that Finance Party or by a person to whom paragraph (a) or (b) of sub-clause 29.2.2 above applies to provide administration or settlement services in respect of one or more of the Finance Documents including without limitation, in relation to the trading of participations in respect of the Finance Documents, such Confidential Information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this sub-clause 29.2.3 if the service provider to whom the Confidential Information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Borrower and the relevant Finance Party;

29.2.4 to any rating agency (including its professional advisers) such Confidential Information as may be required to be disclosed to enable such rating agency to carry out its normal rating activities in relation to the Finance Documents and/or the Borrower if the rating agency to whom the Confidential Information is to be given is informed of its confidential nature and that some or all of such Confidential Information may be price-sensitive information.

### 29.3 Disclosure to numbering service providers

29.3.1 Any Finance Party may disclose to any national or international numbering service provider appointed by that Finance Party to provide identification numbering services in respect of this Agreement, the Facility and/or the Borrower the following information:

- (a) name of the Borrower;
- (b) country of domicile of the Borrower;
- (c) place of incorporation of the Borrower;

- (d) date of this Agreement;
- (e) the names of the Facility Agent and the Arranger;
- (f) date of each amendment and restatement of this Agreement;
- (g) amount of Total Commitments;
- (h) currency of the Facility;
- (i) type of the Facility;
- (j) ranking of Facility;
- (k) Final Maturity Date for the Facility;
- (l) changes to any of the information previously supplied pursuant to paragraphs (a) to (k) above; and
- (m) such other information agreed between such Finance Party and the Borrower,

to enable such numbering service provider to provide its usual syndicated loan numbering identification services.

29.3.2 The Parties acknowledge and agree that each identification number assigned to this Agreement, the Facility and/or the Borrower by a numbering service provider and the information associated with each such number may be disclosed to users of its services in accordance with the standard terms and conditions of that numbering service provider.

29.3.3 The Borrower represents that none of the information set out in paragraphs (a) to (m) of sub-clause 29.3.1 above is, nor will at any time be, unpublished price-sensitive information.

29.3.4 The Facility Agent shall notify the Borrower and the other Finance Parties of:

- (a) the name of any numbering service provider appointed by the Facility Agent in respect of this Agreement, the Facility and/or the Borrower; and
- (b) the number or, as the case may be, numbers assigned to this Agreement, the Facility and/or the Borrower by such numbering service provider.

## 30. SET-OFF

A Finance Party may set off any matured obligation owed to it by the Borrower under the Finance Documents (to the extent beneficially owned by that Finance Party) against any obligation (whether or not matured) owed by that Finance Party to the Borrower, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

## 31. PRO RATA SHARING

### 31.1 Redistribution

If any amount owing by the Borrower under this Agreement to a Lender (the " **recovering Lender** ") is discharged by payment, set-off or any other manner other than through the Facility Agent under this Agreement (a " **recovery** "), then:

31.1.1 the recovering Lender must, within three Business Days, supply details of the recovery to the Facility Agent;

31.1.2 the Facility Agent must calculate whether the recovery is in excess of the amount which the recovering Lender would have received if the recovery had been received by the Facility Agent under this Agreement; and

31.1.3 the recovering Lender must pay to the Facility Agent an amount equal to the excess (the " **redistribution** ").

**31.2 Effect of redistribution**

31.2.1 The Facility Agent must treat a redistribution as if it were a payment by the Borrower under this Agreement and distribute it among the Lenders, other than the recovering Lender, accordingly.

31.2.2 When the Facility Agent makes a distribution under sub-clause 31.2.1 above, the recovering Lender will be subrogated to the rights of the Finance Parties which have shared in that redistribution.

31.2.3 If and to the extent that the recovering Lender is not able to rely on any rights of subrogation under sub-clause 31.2.2 above, the Borrower will owe the recovering Lender a debt which is equal to the redistribution, immediately payable and of the type originally discharged.

31.2.4 If:

- (a) a recovering Lender must subsequently return a recovery, or an amount measured by reference to a recovery, to the Borrower; and
- (b) the recovering Lender has paid a redistribution in relation to that recovery,

each Finance Party must reimburse the recovering Lender all or the appropriate portion of the redistribution paid to that Finance Party, together with interest for the period while it held the re-distribution. In this event, the subrogation in sub-clause 31.2.2 above will operate in reverse to the extent of the reimbursement.

**31.3 Exceptions**

Notwithstanding any other term of this Clause 31, a recovering Lender need not pay a redistribution to the extent that:

31.3.1 it would not, after the payment, have a valid claim against the Borrower in the amount of the redistribution; or

31.3.2 it would be sharing with another Finance Party any amount which the recovering Lender has received or recovered as a result of legal or arbitration proceedings, where:

- (a) the recovering Lender notified the Facility Agent of those proceedings; and
- (b) the other Finance Party had an opportunity to participate in those proceedings but did not do so or did not take separate legal or arbitration proceedings as soon as reasonably practicable after receiving notice of them.

**32. SEVERABILITY**

If a term of a Finance Document is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect:

32.1.1 the legality, validity or enforceability in that jurisdiction of any other term of the Finance Documents; or

32.1.2 the legality, validity or enforceability in other jurisdictions of that or any other term of the Finance Documents.

**33. COUNTERPARTS**

Each Finance Document may be executed in any number of counterparts. This has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

**34. NOTICES**

**34.1 In writing**

34.1.1 Any communication in connection with a Finance Document must be in writing and, unless otherwise stated, may be given:

- (a) in person, by post, or fax or any other electronic communication approved by the Facility Agent; or
- (b) if between the Facility Agent and a Lender and the Facility Agent and the Lender agree, by e-mail or other electronic communication.

34.1.2 For the purpose of the Finance Documents, an electronic communication will be treated as being in writing.

34.1.3 Unless it is agreed to the contrary, any consent or agreement required under a Finance Document must be given in writing.

34.2.3 Any Party may change its contact details by giving five Business Days' notice to the Facility Agent or (in the case of the Facility Agent) to the other Parties.

34.2.4 Where a Party nominates a particular department or officer to receive a communication, a communication will not be effective if it fails to specify that department or officer.

## 34.3 Effectiveness

34.3.1 Except as provided below, any communication in connection with a Finance Document will be deemed to be given as follows:

- (a) if delivered in person, at the time of delivery;
- (b) if posted, five days after being deposited in the post, postage prepaid, in a correctly addressed envelope; and
- (c) if by fax, when received in legible form.

34.3.2 A communication given under sub-clause 34.3.1 above but received on a non-working day or after business hours in the place of receipt will only be deemed to be given on the next working day in that place.

34.3.3 A communication to the Facility Agent will only be effective on actual receipt by it.

**34.4 The Borrower**

All formal communication under the Finance Documents to or from the Borrower must be sent through the Facility Agent.

**34.5 Communication when Facility Agent is Impaired Agent**

If the Facility Agent is an Impaired Agent the Parties may, instead of communicating with each other through the Facility Agent, communicate with each other directly and (while the Facility Agent is an Impaired Agent) all the provisions of the Finance Documents which require communications to be made or notices to be given to or by the Facility Agent shall be varied so that communications may be made and notices given to or by the relevant Parties directly. This provision shall not operate after a replacement Facility Agent has been appointed.

**35. LANGUAGE**

35.1.1 Any notice given in connection with a Finance Document must be in English.

35.1.2 Any other document provided in connection with a Finance Document must be:

- (a) in English; or
- (b) (unless the Facility Agent otherwise agrees) accompanied by a certified English translation. In this case, the English translation prevails unless the document is a statutory or other official document.

**36. GOVERNING LAW**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

**37. ENFORCEMENT**

**37.1 Jurisdiction**

37.1.1 The English courts have exclusive jurisdiction to settle any dispute in connection with any Finance Document including a dispute relating to any non-contractual obligation arising out of or in connection with this Agreement.

37.1.2 The English courts are the most appropriate and convenient courts to settle any such dispute and the Borrower waives objection to those courts on the grounds of inconvenient forum or otherwise in relation to proceedings in connection with any Finance Document.

37.1.3 This Clause is for the benefit of the Finance Parties only. To the extent allowed by law, a Finance Party may take:

- (a) proceedings in any other court; and
- (b) concurrent proceedings in any number of jurisdictions.

**THIS AGREEMENT** has been entered into on the date stated at the beginning of this Agreement.

**SCHEDULE 4**  
**CALCULATION OF THE MANDATORY COST**

The Mandatory Cost is an addition to the interest rate to compensate Lenders for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.

2. On the first day of each Term (or as soon as possible thereafter) the Facility Agent shall calculate, as a percentage rate, a rate (the "**Additional Cost Rate**") for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Facility Agent as a weighted average of the Lenders' Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum.
3. The Additional Cost Rate for any Lender lending from a Facility Office in a Participating Member State will be the percentage notified by that Lender to the Facility Agent. This percentage will be certified by that Lender in its notice to the Facility Agent to be its reasonable determination of the cost (expressed as a percentage of that Lender's participation in all Loans made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.
4. The Additional Cost Rate for any Lender lending from a Facility Office in the United Kingdom will be calculated by the Facility Agent as follows:

(a) in relation to a Sterling Loan:

$$\frac{AB + C(B - D) + E \times 0.01}{100 - (A + C)} \text{ per cent annum}$$

(b) in relation to a Loan in any currency other than sterling:

$$\frac{E \times 0.01}{300} \text{ per cent. per annum}$$

Where:

- A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.
  - B is the percentage rate of interest (excluding the Margin and the Mandatory Cost and, if the Loan is an Unpaid Sum, the additional rate of interest specified in sub-clause 9.3.1 of Clause 9.3 (*Interest on overdue amounts*)) payable for the relevant Term on the Loan.
  - C is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.
  - D is the percentage rate per annum payable by the Bank of England to the Facility Agent on interest bearing Special Deposits.
  - E is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Facility Agent as being the average of the most recent rates of charge supplied by the Reference Banks to the Facility Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.
5. For the purposes of this Schedule:
    - (a) "**Eligible Liabilities**" and "**Special Deposits**" have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;
    - (b) "**Fees Rules**" means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;

- (c) " **Fee Tariffs** " means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate);
- (d) " **Tariff Base** " has the meaning given to it in, and will be calculated in accordance with, the Fees Rules; and
- (e) " **Unpaid Sum** " means any sum due and payable but unpaid by the Borrower under the Finance Documents.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 per cent. will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.
7. If requested by the Facility Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Facility Agent, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.
8. Each Lender shall supply any information required by the Facility Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information on or prior to the date on which it becomes a Lender:
  - (a) the jurisdiction of its Facility Office; and
  - (b) any other information that the Facility Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Facility Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Facility Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Facility Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.
  10. The Facility Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Lender and shall be entitled to assume that the information provided by any Lender or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.
  11. The Facility Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.
  12. Any determination by the Facility Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all Parties.
  13. The Facility Agent may from time to time, after consultation with the Borrower and the Lenders, determine and notify to all Parties any amendments which are required to be made to this Schedule in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all Parties.

## **2. SUBORDINATION**

### **2.1 Ranking**

Each of the Parties hereby agrees that the Senior Debt, whether secured or unsecured, shall rank senior in priority to the Subordinated Debt.

### **2.2 Undertakings of the Company**

The Company must not without the prior consent of the Lenders:

- (a) make any payment whatsoever in respect of the Subordinated Debt other than a Permitted Subordinated Debt Payment; or

  - (i) allow to exist or receive the benefit of any Security Interest, guarantee, indemnity or other assurance against loss in respect of all or any of the Subordinated Debt or all or any rights which it may have against the Company in respect of all or any part of the Subordinated Debt; or

- (e) The Subordinated Creditor and the Company hereby agree for the benefit of the Facility Agent and the Lenders that, notwithstanding the terms of the Subordinated Finance Document and any agreement relating to the Subordinated Debt, the Subordinated Debt is made available on terms such that it is not, save for a Permitted Subordinated Debt Payment or otherwise with the consent of the Lenders, repayable unless and until the Senior Debt Discharge Date shall have occurred.

- (b) any payment or distribution of any kind or character and all and any rights in respect thereof, whether in cash, securities or other property which is payable or deliverable upon or with respect to the Subordinated Debt or any part thereof by a liquidator, administrator or receiver (or the equivalent thereof) of the Company or its estate (the " **rights** ") made to or paid to, or received by the Subordinated Creditor or to which the Subordinated Creditor is entitled shall be held on trust by the Subordinated Creditor for the Lenders and shall forthwith be paid or, as the case may be, transferred or assigned to the Lenders to be applied against the Senior Debt;
- (c) if the trust referred to in paragraph (b) above or paragraph (d) of Clause 2.3 above fails or cannot be given effect to or if the Subordinated Creditor receives and retains the relevant payment or distribution, the Subordinated Creditor will pay over such rights in the form received to the Facility Agent (acting on behalf of the Lenders) to be applied against the Senior Debt;
- (d) the Subordinated Creditor acknowledges the rights of the Facility Agent (acting on behalf of the Lenders) to demand, sue and prove for, collect and receive every payment or distribution referred to in paragraph (b) above and give acquittance therefore and to file claims and take such other proceedings, in the Facility Agent's own name or otherwise, as the Facility Agent may deem necessary or advisable for the enforcement of this Deed; and
- (e) the Subordinated Creditor by way of security for its obligations under this Deed irrevocably appoints the Facility Agent to be its attorney in order to enable the Facility Agent to enforce any and all claims upon or with respect to the Subordinated Debt or any part thereof, and to collect and receive any and all payments or distributions referred to in paragraph (b) above or to do anything which that Subordinated Creditor has authorised the Facility Agent or any other Party to do under this Deed or is itself required to do under this Deed but has failed to do (and the Facility Agent may delegate that power on such terms as it sees fit).

#### 3. SET-OFF

- (a) The Subordinated Creditor shall not set off against the Subordinated Debt any amount payable by the Subordinated Creditor to the Company.
- (b) If any part of the Subordinated Debt is discharged in whole or in part by way of set-off, the Subordinated Creditor will promptly pay to the Facility Agent for application in accordance with the terms of paragraph (b) of Clause 2.4 ( *Subordination on insolvency* ) an amount equal to the amount of the Subordinated Debt discharged by such set-off.

#### 4. NEW MONEY

- (b) The Subordinated Creditor shall not assign or transfer all or any of its rights, title, benefit and interest in or to all or any part of the Subordinated Debt unless in full and on or prior to such assignment or transfer the assignee or transferee accedes to this Deed as Subordinated Creditor pursuant to the Subordinated Creditor Accession Deed.

**TRUST AGREEMENT**  
**Between**  
**PPL CORPORATION**  
**And**  
**FIRST UNION NATIONAL BANK, AS TRUSTEE**

This Agreement and Declaration of Trust (hereinafter called the "Trust Agreement") made as of the 1st day of April 2001, as amended, by and between PPL Corporation, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, with its principal place of business at Allentown, Pennsylvania, hereinafter referred to as "PPL," and First Union National Bank, with its principal place of business at Charlotte, North Carolina, hereinafter called the "Trustee",

WITNESSETH:

WHEREAS, PPL has heretofore adopted a nonqualified deferred compensation plan and agreement for certain of its Directors (such Directors and their designated beneficiaries where applicable being hereinafter referred to collectively as the "Participants" and individually as a "Participant") and may hereafter adopt other such plans or agreements; and

WHEREAS, PPL wishes to establish this grantor trust, hereinafter called the "Trust," for the collective investment of such property as may from time to time be contributed thereto, subject only to the claims of PPL's general creditors in the event of PPL's Insolvency (as defined in Article III); and

WHEREAS, PPL wishes the Trust to be used in connection with such plan or plans or agreements as it may from time to time designate under Article X of this

Trust Agreement (which plans and agreements are hereinafter called the "Plans" collectively or the "Plan" individually), although the Trust may not necessarily hold sufficient assets to satisfy all of the benefits to be provided under the Plans; and

WHEREAS, the Trustee is willing to hold and administer such trust assets pursuant to the terms of this Trust Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual

covenants herein contained, PPL and the Trustee intending to be legally bound hereby, do covenant and agree as follows:

---

**Article 1**  
**Establishment, Purpose and Nature of Trust Fund**

1.1 PPL hereby establishes with the Trustee a trust consisting of such cash and/or marketable securities as shall be paid to the Trustee with respect to the Plans pursuant to Article II, Paragraph 2.1. The Trust shall be known as the PPL EMPLOYEE NONQUALIFIED PLANS TRUST. The creation of this Trust is not intended to create an employee benefit plan subject to Title I of the Employee Retirement Income Security Act of 1974. The Trust is intended to constitute an unfunded arrangement and shall not affect the status of the Plans as unfunded plans maintained for the purpose of providing deferred compensation for a select group of management or highly compensated employees for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended. 1.2 The Trust shall consist of all contributions to the Trust by PPL and the earnings and losses thereon (including unrealized gains and losses), less disbursements therefrom (hereinafter called the "Trust Fund"). The principal of the Trust, and any earnings thereon shall be held separate and apart from other funds of PPL and shall be used exclusively for the uses and purposes of Participants, and general creditors as herein set forth. Participants shall have no preferred claim on, or any beneficial ownership interest in, any assets of the Trust. Any rights created under the Plans and this Trust Agreement shall be mere unsecured contractual rights of Participants against PPL. Any assets held by the Trust will be subject to the claims of PPL's general creditors under federal and state law in the event PPL becomes Insolvent.

1.3 The Trust hereby established is revocable by PPL; provided, however, that it shall be irrevocable (a) during the pendency of a Potential Change in Control and (b) upon a Change in Control, each as defined in Paragraph 10.3.

1.4 The Trust Fund shall be held by the Trustee, subject to the reservation of powers under Paragraphs 10.1 and 10.2 of Article X, for the purpose of providing benefits in accordance with the terms of the Plans. The Trustee shall pay all benefits as they become due and payable pursuant to the Plans in accordance with Article III and Article IV to the extent there are sufficient funds in the Trust to do so. Notwithstanding the foregoing, the Trust Fund shall be treated as an asset of PPL and shall remain subject to the claims of PPL's general creditors in the event of PPL becomes Insolvent.

1.5 The rights, powers, titles, duties, discretions and immunities of the Trustee shall be governed solely by this Trust Agreement and applicable state and federal law.

1.6 The Trust is intended to be a grantor trust, of which PPL is the grantor, within the meaning of subpart E, part I, subchapter J, chapter 1, subtitle A of the Internal Revenue Code of 1986, as amended, Sections 671-678, and any successor statute thereto, and shall be construed accordingly.

1.7 The Plans and any persons who may be entitled to benefit payments under the terms of the Plans shall not have any preferred claim on the Trust Fund. Persons who may be entitled to benefit payments under the terms of the Plans shall have no greater right or status than an unsecured creditor of PPL with respect to such amounts.

1.8 Notwithstanding anything else in this Agreement to the contrary: (1) the Trustee is not a party to, and has, except as expressly provided herein, no duties or responsibilities under, the Plans; (2) PPL shall be required to certify in writing to the Trustee the identity of any party or person, whether or not a fiduciary named in any Plans, which has the power to manage and control Plan assets, and the Trustee shall be entitled to rely upon such certification until notified otherwise in writing by PPL; and (3) in any case in which a provision of this Agreement conflicts with any provision in any Plans, this Agreement shall control. Notwithstanding the preceding sentence, the Trustee reserves the right to seek a judicial and/or administrative determination as to its proper course of action under this Agreement.

1.9 The terms of the Plans shall govern the amount, form and timing of benefit payments to which a Participant is entitled under the Plans. The Trustee shall have no right or obligations with respect to any of the provisions of the Plans except as provided in this Trust Agreement.

---

**Article II**  
**Contributions to Trust Fund and Allocation to Plan Accounts**

2.1 Subject to the provisions of Paragraph 2.2, PPL may from time to time make, or cause to be made, such contributions to the Trust Fund of cash and/or marketable securities as it determines to be appropriate in its sole discretion and are acceptable to the Trustee, which shall be held by the Trustee for the benefit of the Participants covered by each respective Plan, subject to the reservation of powers under Paragraphs 10.1 and 10.2 of Article X and the claims of PPL's general creditors in the event PPL becomes Insolvent. The Trustee shall be accountable for all such contributions, but shall have no duty to determine that the amounts thereof comply with the provisions of the Plans. PPL shall designate the Plan Account or Accounts as defined in Paragraph 2.3 to which each contribution shall be allocated and the amount of such contribution to be allocated to each such Plan Account.

2.2 Immediately prior to a Change in Control (as defined in Paragraph 10.3), the Chief Executive Officer of PPL (or his or her designee) shall authorize an irrevocable cash contribution to be made to the Trust in an amount equal to the amount that, in the determination of PPL, is sufficient to pay each Participant or beneficiary the benefits to which Participants or their beneficiaries would be entitled pursuant to the terms of the Plans as of the date of the Change in Control assuming each Participant terminated employment as of such date under circumstances giving rise to payment of benefits under the Plans. After a Change in Control, the Trustee may compel any contribution that is required under the Trust. Within 60 days following the end of each Plan year ending after a Change in Control has occurred, PPL shall be required to irrevocably deposit additional cash or other property to the Trust in an amount sufficient and to the extent necessary, to pay each Participant or beneficiary the benefits payable pursuant to the terms of the Plans as of the close of the Plan years.

2.3 The Trustee shall hold the Trust Fund without distinction as to principal or income as a single commingled fund, but for bookkeeping purposes shall maintain a separate account (hereinafter called a "Plan Account" or an "Account") reflecting the interest of each Plan in the Trust Fund. Each Plan Account shall consist of contributions to and payments from the Trust Fund which are allocable to each such Plan, and the earnings thereon, less disbursements therefrom attributable to the interest of each Plan in the entire Trust Fund. The Trustee shall advise the Accounting Party (as defined in Paragraph 2.4 below) of the Fair Market Value (as defined in Paragraph 2.5 below) of assets in the Trust Fund as of the close of each calendar year of the Trust, or at such more frequent intervals as may be mutually agreed upon between the Accounting Party and Trustee, among the Plan Accounts based upon the actual return of each Plan Account.

2.4 For purposes of this Trust Agreement, the Accounting Party is PPL prior to the occurrence of a Change in Control, and after the occurrence of a Change in Control, in lieu of PPL, a committee composed of three members appointed by the Board of Directors of PPL prior to the occurrence of a Change in Control. Any vacancy on the committee after the occurrence of a Change in Control (arising for any reason, including the failure of the Board of Directors of PPL to appoint three members willing to serve on the committee or the death or resignation of any member) will be filled by the employee or former employee of PPL with an accrued benefit under any of the Plans designated by the remaining members or member of the committee, who is willing to serve as a member of the committee. If the remaining members of the committee cannot agree on a new member or there are no members of the committee (for any reason, including the failure of the Board of Directors of PPL to appoint prior to the occurrence of a Change in Control any person who is willing to serve on the committee or the death or resignation of all members) any vacancy after the occurrence of a Change in Control shall be filled by the Participant with the largest accrued benefit under the Plans and who is willing to serve as a member. If at any time after an occurrence of a Change in Control, there are no members of the committee willing or able to serve, the determination as to the Participant with the largest accrued benefit under the Plans shall be made by the Trustee. In the event that there are less than three persons who are willing to serve as members, the committee shall consist of the number of such persons who are willing to serve as members.

2.5 For purposes of this Trust Agreement, "Fair Market Value" for any security shall be determined as follows:

(a) securities listed on the New York Stock Exchange, the American Stock Exchange or any other recognized exchange shall be valued at their last sale prices on the exchange on which securities are principally traded on the valuation date (NYSE-Composite Transactions or AMEX-Composite Transactions prices to prevail on any security listed on either of these exchanges as well as on another exchange); and where no sale is reported for that date, the last bid price shall be used.

(b) all other securities and assets shall be valued at their market values as fixed by the Trustee's staff regularly engaged in such activities.

---

**Article III**  
**Cessation of Payments from**  
**Trust Fund While Company Insolvent**

3.1 The Trust Fund shall be subject to claims of general creditors of PPL in the event PPL becomes Insolvent, and at any time the Trustee has actual knowledge, or has determined, that PPL is Insolvent, the Trustee shall deliver the Trust Fund to satisfy such

claims as a court of competent jurisdiction may direct. PPL shall be considered "Insolvent" for purposes of this Trust Agreement if (1) PPL is unable to pay its debts as they become due or (2) PPL is subject to a pending proceeding as a debtor or a debtor-in-possession under the federal Bankruptcy Code, 11 U.S.C. 101 et seq. (or any successor federal statute).

3.2 At all times during the continuance of this Trust, as provided in Section 1.3 hereof, the principal and income of the Trust shall be subject to claims of general creditors of PPL under federal and state law as set forth below.

3.3 The Board of Directors and the Chief Executive Officer of PPL shall have the duty to inform the Trustee in writing that PPL has become Insolvent and the basis on which they consider PPL to be Insolvent. If a person claiming to be a creditor of PPL alleges in writing to the Trustee that PPL has become Insolvent, the Trustee shall determine whether PPL is Insolvent and, pending such determination, the Trustee shall discontinue payment of benefits to Participants or their beneficiaries.

3.4 If the Board of Directors or the Chief Executive Officer of PPL informs the Trustee in writing that PPL has become Insolvent, the Trustee shall independently determine, within a reasonable time that in no event shall exceed sixty days after receipt of such notice, whether PPL is Insolvent and, pending such determination, the Trustee shall discontinue payments from the Trust Fund, shall hold the Trust Fund for the benefit of PPL's general creditors, and shall resume payments from the Trust Fund only after the Trustee has determined that PPL is not Insolvent (or is no longer Insolvent, if the Trustee initially determined PPL to be Insolvent).

3.5 If at any time the Trustee has determined that PPL is Insolvent, the Trustee shall discontinue payments to Participants and shall hold the assets of the Trust for the benefit of PPL's general creditors. Nothing in this Trust Agreement shall in any way diminish any rights of Participants or their beneficiaries to pursue their rights as general creditors of PPL with respect to benefits due under the Plans or otherwise.

3.6 Trustee shall resume the payment of benefits to Participants in accordance with Article IV of this Trust Agreement only after the Trustee has determined that PPL is not Insolvent (or is no longer Insolvent). If the Trustee discontinues payments from the Trust Fund and subsequently resumes such payments, the first payments following such discontinuance shall include the aggregate amount of all payments which would have been made to Participants under Article IV during the period of such discontinuance (together with interest based upon the daily average, as determined by the Trustee, of the Average Prime Rate Charged by Banks (Percent) as published in the Business Conditions Digest, or any successor publication, of the Social and Economic Statistics Administration, Bureau of Economic Analysis, of the U.S. Department of Commerce, or any successor governmental agency), less the aggregate amount of payments made to any such persons by or on behalf of PPL in lieu of the

payments provided for in Article IV during any such period of discontinuance.

3.7 Except as provided in Paragraph 3.3 or 3.4, or unless the Trustee has actual knowledge that PPL is Insolvent, the Trustee shall have no duty to inquire whether PPL is Insolvent. The Trustee may in all events rely on such evidence concerning PPL's insolvency as may be furnished to the Trustee which will give the Trustee a reasonable basis for making a determination concerning PPL's insolvency.

3.8 Nothing in this Trust Agreement shall in any way diminish any rights of a person to pursue his rights as a general creditor of PPL under the Plans.

**Article IV**  
**Payments from Trust Fund While Company Solvent**

4.1 All payments from the Trust Fund while PPL is solvent shall be made by the Trustee only to such persons who at any time prior to the occurrence of a Change in Control were employees of PPL, or any of its subsidiaries, and, in such manner, at such times, and in such amounts as required by the terms of each respective Plan in effect when such payment is made or, if such payment is made after a Change in Control occurs, as required by the terms of each respective Plan in effect when any such Change in Control occurs.

4.2 Immediately preceding the occurrence of a Change in Control, PPL shall deliver to the Trustee: a) a schedule (the "Payment Schedule") that indicates the amounts payable in respect of each Participant, that provides a formula or other instructions acceptable to the Trustee for determining the amounts so payable, the form in which such amount is to be paid (as provided for or available under the Plans), and the time of commencement for payment of such amounts, and b) copies of all then current Plans and any subsequent amendments thereto. Except as otherwise provided herein, the Trustee shall make payments to the Participants in accordance with such Payment Schedule. The Trustee shall make provision for the reporting and withholding of any federal, state or local taxes that may be required to be withheld with respect to the payment of benefits pursuant to the terms of the Plans and shall pay amounts withheld to the appropriate taxing authorities or determine that such amounts have been reported, withheld and paid by PPL.

4.3 PPL hereby agrees that the Accounting Party (as defined in Section 2.4) shall have the exclusive responsibility, and the Trustee shall not have any responsibility or duty under this Trust Agreement for determining that any change in the Payment Schedule is in accordance with the terms of the Plan and applicable law, including without limitation, the amount, timing or method of payment and the identity of each person to whom such payments shall be made. The Trustee shall have no responsibility or duty to determine the tax effect of any payment or to see to the application of any payment.

4.4 The entitlement of a Participant to benefits under the Plans shall be determined under the Plans, and any claim for such benefits shall be considered and reviewed under the procedures, if any, set out in the Plans.

4.5 Notwithstanding anything contained in Paragraph 4.1, PPL may make payment of benefits directly to Participants as they become due under the terms of the Plans. PPL shall notify the Trustee of its decision to make payment of benefits directly prior to the time amounts are payable to Participants. In addition, if the principal of the Trust, and any earnings thereon, are not sufficient to make payments of benefits in accordance with the terms of the Plans, PPL shall make the balance of each such payment as it falls due. The Trustee shall notify PPL where principal and earnings are not sufficient. The Trustee shall have no responsibility to inquire whether payments have been made pursuant to the Plans in question.

4.6 In no event shall the Trustee knowingly cause any payment or distribution to be made from the Trust Fund pursuant to the terms of any Plan for any purpose in an amount which is in excess of the then current balance of the Plan Account (as defined in Section 2.3) attributable to that Plan.

4.7 After the occurrence of a Change in Control, if a Participant does not receive a payment that the Participant believes he or she has become entitled to under any Plan, he or she shall notify the Trustee of such entitlement. Within thirty (30) days of its receipt of such notice, the Trustee shall determine whether the terms of the Plan dictate that the Participant is entitled to a payment. If the Trustee determines that a payment is required, the Trustee shall make the payment to the Participant as soon as practicable, but in no event shall the payment be made later than thirty (30) days after the expiration of the initial thirty-day period. The Trustee shall provide PPL with written confirmation of the fact and amount of such payment after it is made. The Trustee's decision shall be final and binding, and the Participant shall be notified of the decision in writing within ten (10) days. The notice shall include specific reasons for the decision, including specific references to the pertinent Plan provisions on which the decision is based, and shall be written in a manner calculated to be understood by the Participant. The provisions of this Paragraph 4.7 shall apply only after the occurrence of a Change in Control. The Trustee may rely upon direction from the Accounting Party in making such determinations.

4.8 The Trustee shall not be liable for any payment made in good faith without actual notice or knowledge of the changed condition or status of any recipient thereof. If the Trustee has responsibility for benefit payments and if any payment is not claimed, the Trustee shall retain the payment as part of the Trust Fund.

4.9 Except as provided in this Article IV, after the Trust has become irrevocable, PPL shall have no right or power to direct the Trustee to return to PPL or to divert to others any of the Trust assets before all payments of benefits have been made to Participants and their beneficiaries pursuant to the terms of the Plans and all expenses of the Trust have been paid. At any time prior to the Trust becoming irrevocable, however, PPL shall have the right or power to direct the Trustee to return to PPL any of the assets of the Trust.

**Article V**  
**Responsibilities of Trustee**

5.1 Trustee shall act with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims (the "Prudent Man Standard of Care"), provided however, that Trustee shall incur no liability to any person for any action taken pursuant to a direction, request or approval given by PPL or the Accounting Party which is contemplated by, and in conformity with, the terms of the Plan or this Trust and is given in writing by PPL or the Accounting Party. In the event of a dispute between PPL and a party, Trustee may apply to a court of competent jurisdiction to resolve the dispute. The Trustee shall not be responsible for the title, validity or genuineness of any property or evidence of title thereto received by it or delivered by it pursuant to this Trust Agreement and shall be held harmless in acting upon any notice, request, direction, instruction, consent, certification or other instrument believed by it to be genuine and delivered by the proper party or parties. Under no circumstances shall Trustee be liable for consequential, special, or speculative damages under the Trust Agreement even if the Trustee is advised as to the possibility thereof. It is understood and agreed that Trustee shall be under no duty to take any action other than herein specified with respect to any securities or other property at any time deposited hereunder unless specifically agreed to by the Trustee in writing or as otherwise provided in this Trust Agreement. Subject to the Accounting Party's power of investment direction under Article X, the Trustee shall have exclusive authority and discretion to hold, manage, care for and protect the Trust Fund and shall have the following powers and discretions in addition to those conferred bylaw:

(a) To invest and reinvest the Trust Fund in such equities (of any classification, including common and preferred stocks), fixed income, cash, cash equivalents or other property (real, personal or mixed) and interests in investment companies and investment trusts as the Trustee shall deem advisable, excluding any obligations or security, or other property of PPL, whether or not such investments and reinvestments be authorized by any state law for the investment of Trust Funds generally;

(b) To sell, exchange, convey, transfer or dispose of, and also to grant options with respect to, any property, whether real or personal, at any time held by it by private contract or by public auction, for cash or upon credit, or partly for cash and partly upon credit, as the Trustee may deem best, and no person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency or propriety of any such sale or other disposition;

(c) To acquire, hold and dispose of any real estate, at such time, in such manner and upon such terms as the Trustee may deem advisable; to retain, manage, operate, repair, improve, partition, mortgage or lease for any term or terms of years any such real estate, or to exchange all or any part thereof for other real estate, upon such terms and conditions as the Trustee deems proper, using other Trust assets for any of such purposes if deemed advisable;

(d) To compromise, compound and settle any debt or obligation due to or from it as Trustee and to reduce the rate of interest thereon, to extend or otherwise modify, or to foreclose upon default or otherwise enforce or act with respect to any such obligation;

(e) If directed by the Accounting Party, Trustee shall vote as instructed by Accounting Party, in person or by general or limited proxy, any stocks or other securities at any time held in the Trust Fund, at any meeting of stockholders or security holders, in respect to any business which may come before the meeting.

(f) To vote, in person or by general or limited proxy, any stocks or other securities at any time held in the Trust Fund, at any meeting of stockholders or security holders, in respect to any business which may come before the meeting; to exercise any options appurtenant to any stocks, bonds or other securities for the conversion thereof into other stocks, bonds or securities; to exercise or sell any conversion or subscription rights appurtenant to any stocks, bonds or other securities at any time held in the Trust Fund, and to make any and all necessary payments therefor; to join in, and to approve, or to dissent from and to oppose, any corporate act or proceeding, including any reorganization, recapitalization, consolidation, merger, dissolution, liquidation, sale of assets or other action by or plan in respect of corporations or properties, the stocks or securities of which may at any time be held in the Trust Fund; to deposit with any committee or depository, pursuant to any plan or agreement of protection, reorganization, consolidation, sale, merger, or other readjustment, any property held in the Trust Fund; and to make payment from the Trust Fund of any charges or assessments imposed by the terms of any such plan or agreement;

(g) To accept and hold any securities or other property received by it under the provisions of any of the subdivisions of this Article whether or not the Trustee would be authorized hereunder then to invest therein;

(h) To borrow money on behalf of the Trust upon such terms and conditions as the Trustee shall deem advisable to carry out the purposes of the Trust and to pledge securities or other property of the Trust Fund in repayment of any such loan;

(i) To enforce any right, obligation or claim in its discretion and in general to protect in any way the interests of the Trust Fund, either before or after default, and in case the Trustee shall, in its discretion, consider such action for the best interest of the Trust Fund, to abstain from the enforcement of any right, obligation or claim and to abandon any property, whether real or personal, which at any time may be held by the Trustee;

(j) To make, execute, acknowledge and deliver any and all deeds, leases, assignments, transfers, conveyances and any and all other instruments necessary or appropriate to carry out any powers herein granted;

(k) To cause any investments from time to time held by it hereunder to be registered in, or transferred into, its name as

Trustee or the name of its nominee or nominees, and with or without designation of fiduciary capacity, or to retain any investments unregistered or in form permitting transfer by delivery, but the books and records of the Trustee shall at all times show that all such investments are part of the Trust Fund;

(I) To hold any part or all of the Trust Fund uninvested;

(m) The Trustee may not invest in securities (including stock and the rights to acquire stock) or obligations issued by PPL or an Employer as that term is defined in the Plan, except by reason of the inclusion of such securities in a broadly inclusive index, mutual fund, or collective investment medium.

Notwithstanding anything else in this Agreement to the contrary, including, without limitation, any specific or general power granted to the Trustee, including the power to invest in real property, no portion of the Trust Fund shall be invested in real estate. For this purpose, "real estate" includes, but is not limited to, any direct or indirect interest in real property, leaseholds or mineral interests.

5.2 If Trustee undertakes or defends any litigation arising in connection with this Trust, Trustee shall act only under the Prudent Man Standard of Care, and PPL agrees to indemnify Trustee against Trustee's costs, expenses and liabilities (including, without limitation, attorney's fees and expenses) relating thereto and to be primarily liable for such payments if the following conditions are met: (a) Trustee shall notify the Accounting Party as soon as practicable after it has received actual notice of litigation, or when Trustee has reached a decision to undertake litigation but prior to filing a complaint or other written notice to any party or agency, and (b) Trustee shall at all times afford the Accounting Party the reasonable opportunity to approve (which approval shall not be unreasonably withheld) the hiring or discharge of legal counsel and the settlement or other conclusion of any such litigation. If PPL does not pay such costs, expenses and liabilities in a reasonably timely manner, Trustee may obtain payment from the Trust. In no event shall Trustee have any liability or responsibility to undertake or defend any litigation unless the Trustee is reasonably assured of receiving payment of related fees and expenses. Trustee shall have, without exclusion, all powers conferred on trustees by applicable law, unless expressly provided otherwise herein; provided, however, that if an insurance policy is held as an asset of the Trust, the Trustee shall have no power to name a beneficiary of the policy other than the Trust, to assign the policy (as distinct from conversion of the policy to a different form) other than to a successor Trustee, or to loan to any person the proceeds of any borrowing against such policy. Subject to the foregoing, the Trustee shall have the exclusive authority:

(a) to retain an actuary to calculate the amount of any benefit payments due pursuant to Paragraph 1.4 of Article I; and

(b) to do all acts which the Trustee may deem necessary or proper and to exercise any and all of the powers of the Trustee under this Trust Agreement upon such terms and conditions as to the Trustee may seem in the best interests of the Trust Fund.

5.3 Trustee, at the expense of the Trust or PPL, may consult with legal counsel (who prior to the occurrence of a Change in Control may also be counsel for PPL generally) with respect to any of its duties or obligations hereunder. The Trustee may consult with counsel, and the Trustee shall not be deemed imprudent by reason of its taking or refraining from taking any action, prior to the occurrence of a Change in Control, in accordance with the opinion of counsel for PPL. PPL agrees to indemnify and hold the Trustee harmless from and against any loss, costs and expenses including without limitation reasonable attorneys' fees and other costs and expenses incident to any suit, action, investigation, claim or proceeding that the Trustee may incur in the administration of the Trust Fund, and this provision shall survive termination of this Trust Agreement and the Trust, provided the following conditions are met: (a) Trustee shall act at all times under the Prudent Man Standard of Care, (b) Trustee shall notify the Accounting Party as soon as practicable after it has received actual notice of the suit, action, investigation, claim or proceeding, and (c) Trustee shall at all times afford the Accounting Party the reasonable opportunity to approve (which approval shall not be unreasonably withheld) the hiring or discharge of legal counsel and the settlement or other conclusion of any such matter. The Trustee shall not be required to give any bond or any other security for the faithful performance of its duties under this Trust Agreement, except such as may be required by any law which prohibits the waiver thereof.

5.4 Trustee, at the reasonable and prudent expense of the Trust or PPL, may hire agents, accountant, actuaries, investment advisors, financial consultants or other professionals to assist it in performing any of its duties or obligations hereunder. The Trustee shall be entitled, as it may deem appropriate from time to time, to require of PPL such certifications and proofs of facts or other information and/or cooperation as shall permit the Trustee to perform its duties or to exercise the powers granted the Trustee under this Trust Agreement and shall be entitled to rely thereon.

5.5 The Trustee shall not be responsible in any manner whatsoever for the correctness of the recitals of fact herein (other than recitals of fact relating solely to the Trustee and its power and authority to enter into and perform this Trust Agreement) all of which have been made by PPL solely; and the Trustee shall not be responsible or accountable in any manner whatsoever for or with respect to the validity or sufficiency of this Trust Agreement and makes no representation with respect thereto. The Trustee shall not be responsible for the sufficiency of the Trust to pay the benefits contemplated by the Plans or for the use or application by PPL of any monies held in the Trust when disbursed in conformity with this Trust Agreement.

5.6 During the term of this Trust, all of the income received by the Trust, net of expenses and taxes, shall be accumulated and reinvested.

5.7 Notwithstanding any powers granted to Trustee pursuant to this Trust Agreement or to applicable law, Trustee shall not have any power that could give this Trust the objective of carrying on a business and dividing the gains therefrom, within the meaning of section 301.7701-2 of the Procedure and Administrative Regulations promulgated pursuant to the Internal Revenue Code.

5.8 If Trustee has at all times acted under the Prudent Man Standard of Care, Trustee shall not be liable for any expense, loss, claim or damage (including counsel fees) suffered by the Plan or Participant arising out of or caused by any delay in, or failure of, performance by Trustee, in whole or in part, arising out of, or caused by, unforeseeable circumstances beyond Trustee's control, including

without limitation: acts of God, interruption, delay in, or loss (partial or complete) of electrical power or external computer (hardware or software) or communication services (including access to book entry securities systems maintained by Federal Reserve Bank of New York and/or any clearing corporation); act of civil or military authority; sabotage; natural emergency; epidemic; war or other government actions; civil disturbance; flood, earthquake, fire, other catastrophe; strike or other labor disturbance by employees of nonaffiliates; government, judicial, or self regulatory organization order, rule or regulation; riot; energy or natural resource difficulty or shortage; and inability to obtain materials, equipment, or transportation, provided, in all cases, Trustee has acted under the Prudent Man Standard of Care to mitigate, control, and prevent losses and expenses due to such circumstances.

5.9 The Trustee is not a party to, and has no duties or responsibilities under, the Plan other than those that may be expressly contained in this Trust Agreement. In any case in which a provision of this Trust Agreement conflicts with any provision in the Plan, this Trust Agreement shall control. The Trustee shall have no duties, responsibilities or liability with respect to the acts or omissions of any prior or successor trustee.

5.10 Trustee shall have no responsibility with respect to: (i) the selection or monitoring of any insurance policies or insurance contracts held in the Trust or the insurers issuing such policies or contracts; or (ii) the payment of any premiums with respect to such policies or contracts.

5.11 The duties of the Trustee shall be limited to the assets held in the Trust, and the Trustee shall have no duties with respect to assets held by any other person including, without limitation, any other trustee for the Plan. PPL hereby agrees that the Trustee shall not serve as, and shall not be deemed to be, a co-trustee under any circumstances. The Accounting Party may request the Trustee to perform a recordkeeping service with respect to property held by others and not otherwise subject to the terms of this Trust Agreement. To the extent the Trustee shall agree to perform this service, its sole responsibility shall be to accurately reflect information on its books which it has received from an authorized party.

**Article VI**  
**Fees, Expenses and Taxes**

6.1 PPL shall pay the reasonable expenses incurred by the Trustee in or as a result of the performance of its duties hereunder, including reasonable fees and expenses for services rendered to the Trustee, and such compensation to the Trustee as may be agreed upon in writing from time to time between PPL and the Trustee. After the occurrence of a Change in Control, the compensation of the Trustee shall be determined by the application of the current rates then charged by the Trustee for the provision of the types of investment and trustee services contemplated in this Trust Agreement to trusts of a similar character and size.

6.2 PPL shall pay the reasonable expenses incurred by the Accounting Party, if other than PPL, in or as a result of the performance by its members of their duties hereunder. Such expenses shall include but not be limited to the cost of travel as well as the cost of any communications with the Trustee or Plan Participants. PPL shall also pay to the Accounting Party, if other than PPL, such compensation as may be provided for by resolution of the Board of Directors of PPL prior to the occurrence of a Change in Control.

6.3 If PPL fails to pay any such expenses and compensation as provided for in Paragraphs 6.1 and 6.2, the Trustee shall pay them from the Trust Fund.

6.4 Any taxes, including real and personal property taxes, income taxes, transfer taxes and other taxes of any kind whatsoever that may under any existing or future laws be assessed against or levied upon or in respect of the Trust Fund or its assets or any interest therein shall be paid by PPL. The word "taxes" in this Article VI shall be deemed to include any interest or penalties that may be levied or imposed in respect to any taxes.

6.5 To the extent the Accounting Party has provided necessary information to the Trustee, the Trustee shall be responsible for any necessary withholding and reporting of federal taxes related to the payment of benefits pursuant to the terms of the Plan and shall pay amounts withheld to the appropriate taxing authorities. In addition, to the extent the Accounting Party has provided necessary information to the Trustee, the Trustee shall use reasonable efforts to assist such Accounting Party with respect to any "Tax Obligations." The term "Tax Obligations" means the responsibility for payment of taxes, withholding, certification and reporting requirements, claims for exemptions or refund, interest, penalties and other related expenses of the Trust, including but not limited to the requirements set forth in Section 2(a) of this Trust Agreement. Notwithstanding the foregoing, the Trustee shall have no responsibility or liability for any Tax Obligations now or hereafter imposed on PPL or the Trust by any taxing authorities, domestic or foreign, except as provided by applicable law. To the extent the Trustee is responsible under any applicable law for any Tax Obligation, the Accounting Party shall inform the Trustee of all Tax Obligations, shall direct the Trustee with respect to the performance of such Tax Obligations. All such Tax Obligations shall be paid from the Trust unless paid by PPL.

---

**Article VII**  
**Accounts of the Trustee**

7.1 The Trustee shall keep accurate and detailed accounts of all investments, receipts and disbursements and other transactions hereunder, and all accounts, books and records relating thereto shall be open at all reasonable times to inspection and audit by any person or persons designated by the Accounting Party. The cost of any audit if requested by the Accounting Party shall be paid by PPL.

7.2 Within ninety (90) days following the close of each calendar year, the Trustee shall file with the Accounting Party and PPL, if different, a written account setting forth all investments, receipts, disbursements, and other transactions of the Trust Fund effected by it during such fiscal year including a description of all securities and investments purchased and sold, with the cost or net proceeds of such purchases or sales, and showing all cash, securities and other property held, including values at the end of such calendar year.

7.3 Upon the expiration of one hundred eighty days following the filing as above provided of such account, such account shall be considered as final and binding upon the Accounting Party, PPL, its subsidiaries, directors, former directors, Participants, employees, former employees, retired employees, their beneficiaries, and the Trustee, as if settled by a court of competent jurisdiction, and the Trustee shall be forever released and discharged from any liability or accountability to anyone in connection with or arising or resulting from any of the acts or transactions shown therein, except with respect to such acts or transactions as to which the Accounting Party shall within such one hundred eighty day period file with the Trustee written objections or which involve manifest error, gross negligence, willful misconduct or fraud.

7.4 Accounts of the Trustee need only be settled with the Accounting Party. Subject to any express provision of applicable law as may be in effect from time to time to the contrary, no other person or party shall be entitled to any accounting by the Trustee.

7.5 Nothing contained in this Trust Agreement shall, however, preclude the Trustee from having any of its accounts settled by a court of competent jurisdiction. In any action or proceeding for settlement of the accounts of the Trustee or concerning administration of the Trust Fund, the Accounting Party and the Trustee shall be the only necessary parties thereto. To the extent provided by law, service of any notice or process upon the Accounting Party shall be deemed for all purposes service on PPL, its subsidiaries, directors, former directors, Participants, employees, former employees, and retired employees of PPL, and their beneficiaries and any final judgment in any such action or proceeding shall be binding and conclusive on the Accounting Party, PPL, employees, former employees, directors, former directors and retired employees of PPL and their beneficiaries and the Trustee.

---

**Article VIII**  
**Resignation or Removal of the Trustee**

8.1 The Trustee may be removed by the Accounting Party to the extent provided in Article X at any time upon sixty days notice in writing. The Trustee shall have the right to resign at any time by giving sixty days notice in writing to the Accounting Party, provided that such resignation shall not become effective until a successor trustee has accepted its appointment. Upon such removal or notice of resignation of the Trustee, the Accounting Party shall appoint and designate a successor Trustee, which shall be a corporate trustee qualified to conduct trust business in Pennsylvania, which is independent of and not subject to control by PPL. Such successor trustee shall qualify as such by delivering a written acceptance of the trust to the Accounting Party and the retiring Trustee, and thereupon all the provisions hereof shall relate and be applicable to such successor Trustee. Until the effective date of the assumption by the successor Trustee of its duties under this Trust Agreement, the retiring Trustee shall continue to function and be bound hereunder as trustee hereof. Upon receipt of such written acceptance the retiring Trustee shall forthwith file with the Accounting Party a written account of its acts in the same form as its annual account above provided for in Article VII from the date of its last annual account to the date of the acceptance of the Trust by the successor trustee and settlement of such account shall be accomplished as in Article VII. Upon the filing of such account, the retiring Trustee shall transfer and deliver the Trust Fund to the successor Trustee but shall be entitled to reserve therefrom and hold such assets as it may reasonably deem necessary to provide for any and all expenses and payments properly chargeable against the Trust Fund or for which the Trust Fund may be liable or to which the retiring Trustee may be entitled by way of fees and expenses in the settlement of its account. If the assets so withheld are insufficient or excessive for such purposes, the retiring Trustee shall be entitled to reimbursement for any deficiency out of the Trust Fund from the successor Trustee, or shall deliver the excess to the successor Trustee, as the case may be. To the extent permitted by law, upon the transfer of the Trust Fund as above provided and the settlement of its account, the retiring Trustee's previous annual accounts having been settled as provided in Article VII, the retiring Trustee shall thereupon be discharged from any further duty, obligation or responsibility with respect to the operation of the Trust Fund or any matter connected therewith prior to the delivery of said written acceptance except matters which relate to manifest error, gross negligence, willful misconduct or fraud.

8.2 If Trustee resigns or is removed, a successor shall be appointed, in accordance with Section 8.1 hereof, by the effective date of resignation or removal under Section 8.1. If no such appointment has been made, Trustee may apply to a court of competent jurisdiction for appointment of a successor or for instructions. All expenses of Trustee in connection with the proceeding shall be allowed as administrative expenses of the Trust.

**Article IX**  
**Action of PPL or Accounting Party**

9.1 Any action of PPL pursuant to any of the provisions of this Trust Agreement shall be evidenced by a written notice or direction to such effect over the signature of: i) any officer or ii) other representative of PPL who shall have been certified to the Trustee by the President, Treasurer or Secretary of PPL as having such authority. The Trustee shall be fully protected in acting in accordance with such notices or directions. All communications from PPL to the Trustee shall be in writing, signed by the person designated as having such authority as PPL shall certify to the Trustee, and the Trustee shall act and be fully protected in acting in accordance with such communications.

9.2 Any action of the Accounting Party pursuant to provisions of this Trust Agreement shall be evidenced by a written notice or direction to such effect over the signature of any one or more members of the Accounting Party. Prior to the occurrence of a Change in Control, the President, Treasurer or Secretary of PPL shall advise the Trustee of the name or names of the person or persons who will serve as members of the Accounting Party after the occurrence of such Change in Control. After such Change in Control, current members of the Accounting Party shall advise the Trustee of the name or names of any new person or persons serving as members of the Accounting Party.

9.3 All communications from the Accounting Party to the Trustee shall be in writing, signed by the person designated as having such authority as PPL or member of the Accounting Party shall certify to the Trustee, and the Trustee shall be fully protected in acting in accordance with such communications.

9.4 PPL shall furnish the Trustee with a written list of the names, signatures and extent of authority of all persons constituting the Accounting Party as defined in Section 2.4. The Trustee shall be entitled to rely on and shall be fully protected in acting upon direction from such person until notified in writing by PPL, as appropriate, of a change in the make up of the Accounting Party.

---

**Article X**  
**Reservation of Powers**

10.1 The Accounting Party expressly reserves the powers to:

- (a) remove the Trustee;
- (b) direct the investment and reinvestment of the principal and income of the Trust Fund; it shall be the duty of the Trustee to act strictly in accordance with such investment directions, and any changes therein, as so communicated to the Trustee from time to time in writing. To the maximum extent permitted by law, Trustee shall have no duty or responsibility (i) to advise with respect to, or inquire as to the propriety of, any such investment direction or (ii) for any investment decisions made with respect to the Trust by PPL or the Accounting Party. In the absence of investment direction by the Accounting Party, the Trustee shall invest Trust assets in any manner permitted under Section 5.1; and
- (c) following the occurrence of a Potential Change in Control as defined in Paragraph 10.3, modify, alter or amend this Trust Agreement, provided that no such modification, alteration or amendment may directly or indirectly (i) affect any Participant's entitlement to receive benefit payments under any Plan or under this Trust Agreement or the amount, form or timing of such benefit payments, (ii) alter the relative funding levels of the Plan Accounts, (iii) alter the method of allocation of Trust Fund earnings and losses among the Plan Accounts, (iv) eliminate the requirement under this Trust Agreement of separate accounting for the interests of each Plan in the Trust Fund, (v) impair or otherwise affect any claims which general creditors of PPL may have with respect to the Trust Fund in the event of PPL becomes Insolvent, (vi) change the rights, duties, powers, liabilities or immunities of the Trustee hereunder without the Trustee's written consent, except as provided upon the Trustee's removal in Article VIII, (vii) eliminate the restrictions set forth in this subparagraph 10.1(c), or (viii) confer upon the Trustee or any other person, directly or indirectly, the power or authority to effect any result prohibited under clauses (i)-(vii) of this subparagraph 10.1(c). No provision of this Trust Agreement may be amended by PPL in any manner adverse to Participants following a Potential Change in Control.

10.2 Subject to the provisions of Paragraphs 10.1 and 10.3 of this Article X, PPL expressly reserves the powers to:

- (a) modify, alter, amend, terminate or revoke this Trust Agreement and the trust hereby created to any extent and in any respect deemed advisable by PPL, through an action of PPL that is in writing duly executed and acknowledged and delivered to the Trustee; provided however, that the rights, duties, powers, liabilities or immunities of the Trustee hereunder shall not be changed without its written consent, except as provided upon the Trustee's removal in Article VIII;
- (b) withdraw from the Trust Fund any property forming a part of the Trust Fund, any such withdrawal shall be considered a revocation of this Trust solely with respect to such property;
- (c) reallocate amounts among Plan Accounts in the Trust Fund;
- (d) require the Trustee to furnish such information as may be reasonably requested in regard to the operations of the Trust Fund and the investment thereof;
- (e) add to or delete from Appendix A one or more nonqualified deferred compensation plans or agreements for PPL's or its subsidiaries employees;
- (f) add to or delete from Appendix A one or more individual employment agreements with employees of PPL or any of its subsidiaries; and
- (g) contribute to the Trust Fund property other than cash or marketable securities to the extent not expressly prohibited by the Plans or within the terms of this Trust, if acceptable to Trustee.

10.3 The right of PPL to exercise the powers reserved to it under Paragraph 10.2 of this Article shall expire upon the occurrence of a Change in Control or Potential Change in Control. For purposes of this Trust Agreement, a Change in Control shall be deemed to have occurred

(a) if one of the following events occurs:

(I) the following individuals cease for any reason to constitute a majority of the number of directors then serving: individuals who, on the date hereof, constitute the Board and any new director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of directors of the Company) whose appointment or election by the Board or nomination for election by the Company's shareowners was approved or recommended by a vote of at least two-thirds (2/3) of the directors then still in office who either were directors on the date hereof or whose appointment, election or nomination for election was previously so approved or recommended;

(II) any Person becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 20% or more of the combined voting power of the Company's then outstanding securities entitled to vote generally in the election of directors;

(III) there is consummated a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other corporation or other entity, other than (I) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof), in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of the Company or any subsidiary of the Company, at least 60% of the combined voting power of the securities of the Company or at least 60% of the combined voting power of the securities of such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or (II) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (excluding in the securities Beneficially Owned by such Person any securities acquired directly from the Company or its Affiliates) representing 20% or more of the combined voting power of the Company's then outstanding securities;

(IV) the shareowners of the Company approve a plan of complete liquidation or dissolution of the Company; or

(V) the Board adopts a resolution to the effect that a "Change in Control" has occurred or is anticipated to occur.

(b) For purposes of this Trust Agreement, a "Potential Change in Control" shall be deemed to have occurred if the event set forth in any one of the following paragraphs shall have occurred:

(I) PPL enters into an agreement, the consummation of which would result in the occurrence of a Change in Control;

(II) any Person publicly announces an intention to take or to consider taking actions which if consummated would constitute a Change in Control;

(III) any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of PPL representing 5% or more of the combined voting power of PPL's then outstanding securities entitled to vote generally in the election of directors; or

(IV) the Board adopts a resolution to the effect that, for purposes of this Agreement, a Potential Change in Control has occurred.

For purposes of this Paragraph 10.3:

"Beneficial Owner" shall have the meaning set forth in Rule 13d-3 under the Exchange Act; and "Person" shall have the meaning given in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof, except that such term shall not include (i) PPL or any of its subsidiaries, (ii) a trustee or other fiduciary holding securities under an employee benefit plan of PPL or any of its Affiliates (as defined in Rule 12b-2 promulgated under Section 12 of the Exchange Act), (iii) an underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) a corporation owned, directly or indirectly, by the stockholders of PPL in substantially the same proportions as their ownership of stock of PPL.

10.4 The Board of Directors or the Chief Executive Officer or any Plan Participant may notify the Trustee in writing as promptly as practicable following the occurrence of a Change in Control or Potential Change in Control, and the Trustee shall not be charged with knowledge of such Change in Control or Potential Change in Control in the absence of written notification.

10.5 The Trustee is not a party to any Plan except insofar as the Trustee has assumed duties under a Plan as specifically provided in this Trust Agreement. PPL retains the right to amend any provision of any Plan to the extent provided for in such Plan, including provisions relating to the Trustee; provided, however, that the allocation of responsibilities to the Trustee shall not be amended, altered or modified without the prior written consent of the Trustee, and no amendment to any Plan shall allocate responsibilities between the Trustee and PPL in a manner

inconsistent with the terms of this Trust Agreement.

**Article XI**  
**Surplus Plan Accounts and Termination of Trust**

11.1 If this Trust Agreement is terminated under Article X with respect to any Plan at a time when there is a Plan Account attributable to such Plan or if the Trustee determines that certain amounts attributable to a Plan Account will not be required to make benefit payments under the Plan for which such Plan Account is maintained, the value of the Plan Account or portion thereof attributable to such Plan shall be allocated in the Trustee's discretion among the remaining Plan Accounts in a way that the Trustee believes best maximizes benefit payments under Article IV.

11.2 Unless the Trust is revoked under Article X, the Trust shall not terminate until the date on which no person is or will ever be entitled to benefit payments under the Plans. Any assets remaining in the Trust shall be returned to PPL upon revocation or termination of the Trust.

**FIRST UNION NATIONAL BANK, AS TRUSTEE**

This Agreement and Declaration of Trust (hereinafter called the "Trust Agreement") made as of the 1st day of April 2001, as amended, by and between PPL Corporation, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, with its principal place of business at Allentown, Pennsylvania, hereinafter referred to as "PPL," and First Union National Bank, with its principal place of business at Charlotte, North Carolina, hereinafter called the "Trustee",

WITNESSETH:

WHEREAS, PPL has heretofore adopted a nonqualified deferred compensation plan and agreement for certain of its Directors (such Directors and their designated beneficiaries where applicable being hereinafter referred to collectively as the "Participants" and individually as a "Participant") and may hereafter adopt other such plans or agreements; and

WHEREAS, PPL wishes to establish this grantor trust, hereinafter called the "Trust," for the collective investment of such property as may from time to time be contributed thereto, subject only to the claims of PPL's general creditors in the event of PPL's Insolvency (as defined in Article III); and

WHEREAS, PPL wishes the Trust to be used in connection with such plan or plans or agreements as it may from time to time designate under Article X of this

Trust Agreement (which plans and agreements are hereinafter called the "Plans" collectively or the "Plan" individually), although the Trust may not necessarily hold sufficient assets to satisfy all of the benefits to be provided under the Plans; and

WHEREAS, the Trustee is willing to hold and administer such trust assets pursuant to the terms of this Trust Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual

covenants herein contained, PPL and the Trustee intending to be legally bound hereby, do covenant and agree as follows:

---

**Article 1**  
**Establishment, Purpose and Nature of Trust Fund**

1.1 PPL hereby establishes with the Trustee a trust consisting of such cash and/or marketable securities as shall be paid to the Trustee with respect to the Plans pursuant to Article II, Paragraph 2.1. The Trust shall be known as the PPL EMPLOYEE NONQUALIFIED PLANS TRUST. The creation of this Trust is not intended to create an employee benefit plan subject to Title I of the Employee Retirement Income Security Act of 1974. The Trust is intended to constitute an unfunded arrangement and shall not affect the status of the Plans as unfunded plans maintained for the purpose of providing deferred compensation for a select group of management or highly compensated employees for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended. 1.2 The Trust shall consist of all contributions to the Trust by PPL and the earnings and losses thereon (including unrealized gains and losses), less disbursements therefrom (hereinafter called the "Trust Fund"). The principal of the Trust, and any earnings thereon shall be held separate and apart from other funds of PPL and shall be used exclusively for the uses and purposes of Participants, and general creditors as herein set forth. Participants shall have no preferred claim on, or any beneficial ownership interest in, any assets of the Trust. Any rights created under the Plans and this Trust Agreement shall be mere unsecured contractual rights of Participants against PPL. Any assets held by the Trust will be subject to the claims of PPL's general creditors under federal and state law in the event PPL becomes Insolvent.

1.3 The Trust hereby established is revocable by PPL; provided, however, that it shall be irrevocable (a) during the pendency of a Potential Change in Control and (b) upon a Change in Control, each as defined in Paragraph 10.3.

1.4 The Trust Fund shall be held by the Trustee, subject to the reservation of powers under Paragraphs 10.1 and 10.2 of Article X, for the purpose of providing benefits in accordance with the terms of the Plans. The Trustee shall pay all benefits as they become due and payable pursuant to the Plans in accordance with Article III and Article IV to the extent there are sufficient funds in the Trust to do so. Notwithstanding the foregoing, the Trust Fund shall be treated as an asset of PPL and shall remain subject to the claims of PPL's general creditors in the event of PPL becomes Insolvent.

1.5 The rights, powers, titles, duties, discretions and immunities of the Trustee shall be governed solely by this Trust Agreement and applicable state and federal law.

1.6 The Trust is intended to be a grantor trust, of which PPL is the grantor, within the meaning of subpart E, part I, subchapter J, chapter 1, subtitle A of the Internal Revenue Code of 1986, as amended, Sections 671-678, and any successor statute thereto, and shall be construed accordingly.

1.7 The Plans and any persons who may be entitled to benefit payments under the terms of the Plans shall not have any preferred claim on the Trust Fund. Persons who may be entitled to benefit payments under the terms of the Plans shall have no greater right or status than an unsecured creditor of PPL with respect to such amounts.

1.8 Notwithstanding anything else in this Agreement to the contrary: (1) the Trustee is not a party to, and has, except as expressly provided herein, no duties or responsibilities under, the Plans; (2) PPL shall be required to certify in writing to the Trustee the identity of any party or person, whether or not a fiduciary named in any Plans, which has the power to manage and control Plan assets, and the Trustee shall be entitled to rely upon such certification until notified otherwise in writing by PPL; and (3) in any case in which a provision of this Agreement conflicts with any provision in any Plans, this Agreement shall control. Notwithstanding the preceding sentence, the Trustee reserves the right to seek a judicial and/or administrative determination as to its proper course of action under this Agreement.

1.9 The terms of the Plans shall govern the amount, form and timing of benefit payments to which a Participant is entitled under the Plans. The Trustee shall have no right or obligations with respect to any of the provisions of the Plans except as provided in this Trust Agreement.

---

**Article II**  
**Contributions to Trust Fund and Allocation to Plan Accounts**

2.1 Subject to the provisions of Paragraph 2.2, PPL may from time to time make, or cause to be made, such contributions to the Trust Fund of cash and/or marketable securities as it determines to be appropriate in its sole discretion and are acceptable to the Trustee, which shall be held by the Trustee for the benefit of the Participants covered by each respective Plan, subject to the reservation of powers under Paragraphs 10.1 and 10.2 of Article X and the claims of PPL's general creditors in the event PPL becomes Insolvent. The Trustee shall be accountable for all such contributions, but shall have no duty to determine that the amounts thereof comply with the provisions of the Plans. PPL shall designate the Plan Account or Accounts as defined in Paragraph 2.3 to which each contribution shall be allocated and the amount of such contribution to be allocated to each such Plan Account.

2.2 Immediately prior to a Change in Control (as defined in Paragraph 10.3), the Chief Executive Officer of PPL (or his or her designee) shall authorize an irrevocable cash contribution to be made to the Trust in an amount equal to the amount that, in the determination of PPL, is sufficient to pay each Participant or beneficiary the benefits to which Participants or their beneficiaries would be entitled pursuant to the terms of the Plans as of the date of the Change in Control assuming each Participant terminated employment as of such date under circumstances giving rise to payment of benefits under the Plans. After a Change in Control, the Trustee may compel any contribution that is required under the Trust. Within 60 days following the end of each Plan year ending after a Change in Control has occurred, PPL shall be required to irrevocably deposit additional cash or other property to the Trust in an amount sufficient and to the extent necessary, to pay each Participant or beneficiary the benefits payable pursuant to the terms of the Plans as of the close of the Plan years.

2.3 The Trustee shall hold the Trust Fund without distinction as to principal or income as a single commingled fund, but for bookkeeping purposes shall maintain a separate account (hereinafter called a "Plan Account" or an "Account") reflecting the interest of each Plan in the Trust Fund. Each Plan Account shall consist of contributions to and payments from the Trust Fund which are allocable to each such Plan, and the earnings thereon, less disbursements therefrom attributable to the interest of each Plan in the entire Trust Fund. The Trustee shall advise the Accounting Party (as defined in Paragraph 2.4 below) of the Fair Market Value (as defined in Paragraph 2.5 below) of assets in the Trust Fund as of the close of each calendar year of the Trust, or at such more frequent intervals as may be mutually agreed upon between the Accounting Party and Trustee, among the Plan Accounts based upon the actual return of each Plan Account.

2.4 For purposes of this Trust Agreement, the Accounting Party is PPL prior to the occurrence of a Change in Control, and after the occurrence of a Change in Control, in lieu of PPL, a committee composed of three members appointed by the Board of Directors of PPL prior to the occurrence of a Change in Control. Any vacancy on the committee after the occurrence of a Change in Control (arising for any reason, including the failure of the Board of Directors of PPL to appoint three members willing to serve on the committee or the death or resignation of any member) will be filled by the employee or former employee of PPL with an accrued benefit under any of the Plans designated by the remaining members or member of the committee, who is willing to serve as a member of the committee. If the remaining members of the committee cannot agree on a new member or there are no members of the committee (for any reason, including the failure of the Board of Directors of PPL to appoint prior to the occurrence of a Change in Control any person who is willing to serve on the committee or the death or resignation of all members) any vacancy after the occurrence of a Change in Control shall be filled by the Participant with the largest accrued benefit under the Plans and who is willing to serve as a member. If at any time after an occurrence of a Change in Control, there are no members of the committee willing or able to serve, the determination as to the Participant with the largest accrued benefit under the Plans shall be made by the Trustee. In the event that there are less than three persons who are willing to serve as members, the committee shall consist of the number of such persons who are willing to serve as members.

2.5 For purposes of this Trust Agreement, "Fair Market Value" for any security shall be determined as follows:

(a) securities listed on the New York Stock Exchange, the American Stock Exchange or any other recognized exchange shall be valued at their last sale prices on the exchange on which securities are principally traded on the valuation date (NYSE-Composite Transactions or AMEX-Composite Transactions prices to prevail on any security listed on either of these exchanges as well as on another exchange); and where no sale is reported for that date, the last bid price shall be used.

(b) all other securities and assets shall be valued at their market values as fixed by the Trustee's staff regularly engaged in such activities.

---

**Article III**  
**Cessation of Payments from  
Trust Fund While Company Insolvent**

3.1 The Trust Fund shall be subject to claims of general creditors of PPL in the event PPL becomes Insolvent, and at any time the Trustee has actual knowledge, or has determined, that PPL is Insolvent, the Trustee shall deliver the Trust Fund to satisfy such

claims as a court of competent jurisdiction may direct. PPL shall be considered "Insolvent" for purposes of this Trust Agreement if (1) PPL is unable to pay its debts as they become due or (2) PPL is subject to a pending proceeding as a debtor or a debtor-in-possession under the federal Bankruptcy Code, 11 U.S.C. 101 et seq. (or any successor federal statute) .

3.2 At all times during the continuance of this Trust, as provided in Section 1.3 hereof, the principal and income of the Trust shall be subject to claims of general creditors of PPL under federal and state law as set forth below.

3.3 The Board of Directors and the Chief Executive Officer of PPL shall have the duty to inform the Trustee in writing that PPL has become Insolvent and the basis on which they consider PPL to be Insolvent. If a person claiming to be a creditor of PPL alleges in writing to the Trustee that PPL has become Insolvent, the Trustee shall determine whether PPL is Insolvent and, pending such determination, the Trustee shall discontinue payment of benefits to Participants or their beneficiaries.

3.4 If the Board of Directors or the Chief Executive Officer of PPL informs the Trustee in writing that PPL has become Insolvent, the Trustee shall independently determine, within a reasonable time that in no event shall exceed sixty days after receipt of such notice, whether PPL is Insolvent and, pending such determination, the Trustee shall discontinue payments from the Trust Fund, shall hold the Trust Fund for the benefit of PPL's general creditors, and shall resume payments from the Trust Fund only after the Trustee has determined that PPL is not Insolvent (or is no longer Insolvent, if the Trustee initially determined PPL to be Insolvent) .

3.5 If at any time the Trustee has determined that PPL is Insolvent, the Trustee shall discontinue payments to Participants and shall hold the assets of the Trust for the benefit of PPL's general creditors. Nothing in this Trust Agreement shall in any way diminish any rights of Participants or their beneficiaries to pursue their rights as general creditors of PPL with respect to benefits due under the Plans or otherwise.

3.6 Trustee shall resume the payment of benefits to Participants in accordance with Article IV of this Trust Agreement only after the Trustee has determined that PPL is not Insolvent (or is no longer Insolvent). If the Trustee discontinues payments from the Trust Fund and subsequently resumes such payments, the first payments following such discontinuance shall include the aggregate amount of all payments which would have been made to Participants under Article IV during the period of such discontinuance (together with interest based upon the daily average, as determined by the Trustee, of the Average Prime Rate Charged by Banks (Percent) as published in the Business Conditions Digest, or any successor publication, of the Social and Economic Statistics Administration, Bureau of Economic Analysis, of the U.S. Department of Commerce, or any successor governmental agency), less the aggregate amount of payments made to any such persons by or on behalf of PPL in lieu of the

payments provided for in Article IV during any such period of discontinuance.

3.7 Except as provided in Paragraph 3.3 or 3.4, or unless the Trustee has actual knowledge that PPL is Insolvent, the Trustee shall have no duty to inquire whether PPL is Insolvent. The Trustee may in all events rely on such evidence concerning PPL's insolvency as may be a furnished to the Trustee which will give the Trustee a reasonable basis for making a determination concerning PPL's insolvency.

3.8 Nothing in this Trust Agreement shall in any way diminish any rights of a person to pursue his rights as a general creditor of PPL under the Plans.

---

**Article IV**  
**Payments from Trust Fund While Company Solvent**

4.1 All payments from the Trust Fund while PPL is solvent shall be made by the Trustee only to such persons who at any time prior to the occurrence of a Change in Control were employees of PPL, or any of its subsidiaries, and, in such manner, at such times, and in such amounts as required by the terms of each respective Plan in effect when such payment is made or, if such payment is made after a Change in Control occurs, as required by the terms of each respective Plan in effect when any such Change in Control occurs.

4.2 Immediately preceding the occurrence of a Change in Control, PPL shall deliver to the Trustee: a) a schedule (the "Payment Schedule") that indicates the amounts payable in respect of each Participant, that provides a formula or other instructions acceptable to the Trustee for determining the amounts so payable, the form in which such amount is to be paid (as provided for or available under the Plans), and the time of commencement for payment of such amounts, and b) copies of all then current Plans and any subsequent amendments thereto. Except as otherwise provided herein, the Trustee shall make payments to the Participants in accordance with such Payment Schedule. The Trustee shall make provision for the reporting and withholding of any federal, state or local taxes that may be required to be withheld with respect to the payment of benefits pursuant to the terms of the Plans and shall pay amounts withheld to the appropriate taxing authorities or determine that such amounts have been reported, withheld and paid by PPL.

4.3 PPL hereby agrees that the Accounting Party (as defined in Section 2.4) shall have the exclusive responsibility, and the Trustee shall not have any responsibility or duty under this Trust Agreement for determining that any change in the Payment Schedule is in accordance with the terms of the Plan and applicable law, including without limitation, the amount, timing or method of payment and the identity of each person to whom such payments shall be made. The Trustee shall have no responsibility or duty to determine the tax effect of any payment or to see to the application of any payment.

4.4 The entitlement of a Participant to benefits under the Plans shall be determined under the Plans, and any claim for such benefits shall be considered and reviewed under the procedures, if any, set out in the Plans.

4.5 Notwithstanding anything contained in Paragraph 4.1, PPL may make payment of benefits directly to Participants as they become due under the terms of the Plans. PPL shall notify the Trustee of its decision to make payment of benefits directly prior to the time amounts are payable to Participants. In addition, if the principal of the Trust, and any earnings thereon, are not sufficient to make payments of benefits in accordance with the terms of the Plans, PPL shall make the balance of each such payment as it falls due. The Trustee shall notify PPL where principal and earnings are not sufficient. The Trustee shall have no responsibility to inquire whether payments have been made pursuant to the Plans in question.

4.6 In no event shall the Trustee knowingly cause any payment or distribution to be made from the Trust Fund pursuant to the terms of any Plan for any purpose in an amount which is in excess of the then current balance of the Plan Account (as defined in Section 2.3) attributable to that Plan.

4.7 After the occurrence of a Change in Control, if a Participant does not receive a payment that the Participant believes he or she has become entitled to under any Plan, he or she shall notify the Trustee of such entitlement. Within thirty (30) days of its receipt of such notice, the Trustee shall determine whether the terms of the Plan dictate that the Participant is entitled to a payment. If the Trustee determines that a payment is required, the Trustee shall make the payment to the Participant as soon as practicable, but in no event shall the payment be made later than thirty (30) days after the expiration of the initial thirty-day period. The Trustee shall provide PPL with written confirmation of the fact and amount of such payment after it is made. The Trustee's decision shall be final and binding, and the Participant shall be notified of the decision in writing within ten (10) days. The notice shall include specific reasons for the decision, including specific references to the pertinent Plan provisions on which the decision is based, and shall be written in a manner calculated to be understood by the Participant. The provisions of this Paragraph 4 . 7 shall apply only after the occurrence of a Change in Control. The Trustee may rely upon direction from the Accounting Party in making such determinations.

4.8 The Trustee shall not be liable for any payment made in good faith without actual notice or knowledge of the changed condition or status of any recipient thereof. If the Trustee has responsibility for benefit payments and if any payment is not claimed, the Trustee shall retain the payment as part of the Trust Fund.

4.9 Except as provided in this Article IV, after the Trust has become irrevocable, PPL shall have no right or power to direct the Trustee to return to PPL or to divert to others any of the Trust assets before all payments of benefits have been made to Participants and their beneficiaries pursuant to the terms of the Plans and all expenses of the Trust have been paid. At any time prior to the Trust becoming irrevocable, however, PPL shall have the right or power to direct the Trustee to return to PPL any of the assets of the Trust.

---

**Article V**  
**Responsibilities of Trustee**

5.1 Trustee shall act with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims (the "Prudent Man Standard of Care"), provided however, that Trustee shall incur no liability to any person for any action taken pursuant to a direction, request or approval given by PPL or the Accounting Party which is contemplated by, and in conformity with, the terms of the Plan or this Trust and is given in writing by PPL or the Accounting Party. In the event of a dispute between PPL and a party, Trustee may apply to a court of competent jurisdiction to resolve the dispute. The Trustee shall not be responsible for the title, validity or genuineness of any property or evidence of title thereto received by it or delivered by it pursuant to this Trust Agreement and shall be held harmless in acting upon any notice, request, direction, instruction, consent, certification or other instrument believed by it to be genuine and delivered by the proper party or parties. Under no circumstances shall Trustee be liable for consequential, special, or speculative damages under the Trust Agreement even if the Trustee is advised as to the possibility thereof. It is understood and agreed that Trustee shall be under no duty to take any action other than herein specified with respect to any securities or other property at any time deposited hereunder unless specifically agreed to by the Trustee in writing or as otherwise provided in this Trust Agreement. Subject to the Accounting Party's power of investment direction under Article X, the Trustee shall have exclusive authority and discretion to hold, manage, care for and protect the Trust Fund and shall have the following powers and discretions in addition to those conferred bylaw:

(a) To invest and reinvest the Trust Fund in such equities (of any classification, including common and preferred stocks), fixed income, cash, cash equivalents or other property (real, personal or mixed) and interests in investment companies and investment trusts as the Trustee shall deem advisable, excluding any obligations or security, or other property of PPL, whether or not such investments and reinvestments be authorized by any state law for the investment of Trust Funds generally;

(b) To sell, exchange, convey, transfer or dispose of, and also to grant options with respect to, any property, whether real or personal, at any time held by it by private contract or by public auction, for cash or upon credit, or partly for cash and partly upon credit, as the Trustee may deem best, and no person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency or propriety of any such sale or other disposition;

(c) To acquire, hold and dispose of any real estate, at such time, in such manner and upon such terms as the Trustee may deem advisable; to retain, manage, operate, repair, improve, partition, mortgage or lease for any term or terms of years any such real estate, or to exchange all or any part thereof for other real estate, upon such terms and conditions as the Trustee deems proper, using other Trust assets for any of such purposes if deemed advisable;

(d) To compromise, compound and settle any debt or obligation due to or from it as Trustee and to reduce the rate of interest thereon, to extend or otherwise modify, or to foreclose upon default or otherwise enforce or act with respect to any such obligation;

(e) If directed by the Accounting Party, Trustee shall vote as instructed by Accounting Party, in person or by general or limited proxy, any stocks or other securities at any time held in the Trust Fund, at any meeting of stockholders or security holders, in respect to any business which may come before the meeting.

(f) To vote, in person or by general or limited proxy, any stocks or other securities at any time held in the Trust Fund, at any meeting of stockholders or security holders, in respect to any business which may come before the meeting; to exercise any options appurtenant to any stocks, bonds or other securities for the conversion thereof into other stocks, bonds or securities; to exercise or sell any conversion or subscription rights appurtenant to any stocks, bonds or other securities at any time held in the Trust Fund, and to make any and all necessary payments therefor; to join in, and to approve, or to dissent from and to oppose, any corporate act or proceeding, including any reorganization, recapitalization, consolidation, merger, dissolution, liquidation, sale of assets or other action by or plan in respect of corporations or properties, the stocks or securities of which may at any time be held in the Trust Fund; to deposit with any committee or depository, pursuant to any plan or agreement of protection, reorganization, consolidation, sale, merger, or other readjustment, any property held in the Trust Fund; and to make payment from the Trust Fund of any charges or assessments imposed by the terms of any such plan or agreement;

(g) To accept and hold any securities or other property received by it under the provisions of any of the subdivisions of this Article whether or not the Trustee would be authorized hereunder then to invest therein;

(h) To borrow money on behalf of the Trust upon such terms and conditions as the Trustee shall deem advisable to carry out the purposes of the Trust and to pledge securities or other property of the Trust Fund in repayment of any such loan;

(i) To enforce any right, obligation or claim in its discretion and in general to protect in any way the interests of the Trust Fund, either before or after default, and in case the Trustee shall, in its discretion, consider such action for the best interest of the Trust Fund, to abstain from the enforcement of any right, obligation or claim and to abandon any property, whether real or personal, which at any time may be held by the Trustee;

(j) To make, execute, acknowledge and deliver any and all deeds, leases, assignments, transfers, conveyances and any and all other instruments necessary or appropriate to carry out any powers herein granted;

(k) To cause any investments from time to time held by it hereunder to be registered in, or transferred into, its name as

Trustee or the name of its nominee or nominees, and with or without designation of fiduciary capacity, or to retain any investments unregistered or in form permitting transfer by delivery, but the books and records of the Trustee shall at all times show that all such investments are part of the Trust Fund;

(l) To hold any part or all of the Trust Fund uninvested;

(m) The Trustee may not invest in securities (including stock and the rights to acquire stock) or obligations issued by PPL or an Employer as that term is defined in the Plan, except by reason of the inclusion of such securities in a broadly inclusive index, mutual fund, or collective investment medium.

Notwithstanding anything else in this Agreement to the contrary, including, without limitation, any specific or general power granted to the Trustee, including the power to invest in real property, no portion of the Trust Fund shall be invested in real estate. For this purpose, "real estate" includes, but is not limited to, any direct or indirect interest in real property, leaseholds or mineral interests.

5.2 If Trustee undertakes or defends any litigation arising in connection with this Trust, Trustee shall act only under the Prudent Man Standard of Care, and PPL agrees to indemnify Trustee against Trustee's costs, expenses and liabilities (including, without limitation, attorney's fees and expenses) relating thereto and to be primarily liable for such payments if the following conditions are met: (a) Trustee shall notify the Accounting Party as soon as practicable after it has received actual notice of litigation, or when Trustee has reached a decision to undertake litigation but prior to filing a complaint or other written notice to any party or agency, and (b) Trustee shall at all times afford the Accounting Party the reasonable opportunity to approve (which approval shall not be unreasonably withheld) the hiring or discharge of legal counsel and the settlement or other conclusion of any such litigation. If PPL does not pay such costs, expenses and liabilities in a reasonably timely manner, Trustee may obtain payment from the Trust. In no event shall Trustee have any liability or responsibility to undertake or defend any litigation unless the Trustee is reasonably assured of receiving payment of related fees and expenses. Trustee shall have, without exclusion, all powers conferred on trustees by applicable law, unless expressly provided otherwise herein; provided, however, that if an insurance policy is held as an asset of the Trust, the Trustee shall have no power to name a beneficiary of the policy other than the Trust, to assign the policy (as distinct from conversion of the policy to a different form) other than to a successor Trustee, or to loan to any person the proceeds of any borrowing against such policy. Subject to the foregoing, the Trustee shall have the exclusive authority:

(a) to retain an actuary to calculate the amount of any benefit payments due pursuant to Paragraph 1.4 of Article I; and

(b) to do all acts which the Trustee may deem necessary or proper and to exercise any and all of the powers of the Trustee under this Trust Agreement upon such terms and conditions as to the Trustee may seem in the best interests of the Trust Fund.

5.3 Trustee, at the expense of the Trust or PPL, may consult with legal counsel (who prior to the occurrence of a Change in Control may also be counsel for PPL generally) with respect to any of its duties or obligations hereunder. The Trustee may consult with counsel, and the Trustee shall not be deemed imprudent by reason of its taking or refraining from taking any action, prior to the occurrence of a Change in Control, in accordance with the opinion of counsel for PPL. PPL agrees to indemnify and hold the Trustee harmless from and against any loss, costs and expenses including without limitation reasonable attorneys' fees and other costs and expenses incident to any suit, action, investigation, claim or proceeding that the Trustee may incur in the administration of the Trust Fund, and this provision shall survive termination of this Trust Agreement and the Trust, provided the following conditions are met: (a) Trustee shall act at all times under the Prudent Man Standard of Care, (b) Trustee shall notify the Accounting Party as soon as practicable after it has received actual notice of the suit, action, investigation, claim or proceeding, and (c) Trustee shall at all times afford the Accounting Party the reasonable opportunity to approve (which approval shall not be unreasonably withheld) the hiring or discharge of legal counsel and the settlement or other conclusion of any such matter. The Trustee shall not be required to give any bond or any other security for the faithful performance of its duties under this Trust Agreement, except such as may be required by any law which prohibits the waiver thereof.

5.4 Trustee, at the reasonable and prudent expense of the Trust or PPL, may hire agents, accountant, actuaries, investment advisors, financial consultants or other professionals to assist it in performing any of its duties or obligations hereunder. The Trustee shall be entitled, as it may deem appropriate from time to time, to require of PPL such certifications and proofs of facts or other information and/or cooperation as shall permit the Trustee to perform its duties or to exercise the powers granted the Trustee under this Trust Agreement and shall be entitled to rely thereon.

5.5 The Trustee shall not be responsible in any manner whatsoever for the correctness of the recitals of fact herein (other than recitals of fact relating solely to the Trustee and its power and authority to enter into and perform this Trust Agreement) all of which have been made by PPL solely; and the Trustee shall not be responsible or accountable in any manner whatsoever for or with respect to the validity or sufficiency of this Trust Agreement and makes no representation with respect thereto. The Trustee shall not be responsible for the sufficiency of the Trust to pay the benefits contemplated by the Plans or for the use or application by PPL of any monies held in the Trust when disbursed in conformity with this Trust Agreement.

5.6 During the term of this Trust, all of the income received by the Trust, net of expenses and taxes, shall be accumulated and reinvested.

5.7 Notwithstanding any powers granted to Trustee pursuant to this Trust Agreement or to applicable law, Trustee shall not have any power that could give this Trust the objective of carrying on a business and dividing the gains therefrom, within the meaning of section 301.7701-2 of the Procedure and Administrative Regulations promulgated pursuant to the Internal Revenue Code.

5.8 If Trustee has at all times acted under the Prudent Man Standard of Care, Trustee shall not be liable for any expense, loss, claim or damage (including counsel fees) suffered by the Plan or Participant arising out of or caused by any delay in, or failure of, performance by Trustee, in whole or in part, arising out of, or caused by, unforeseeable circumstances beyond Trustee's control, including

without limitation: acts of God, interruption, delay in, or loss (partial or complete) of electrical power or external computer (hardware or software) or communication services (including access to book entry securities systems maintained by Federal Reserve Bank of New York and/or any clearing corporation); act of civil or military authority; sabotage; natural emergency; epidemic; war or other government actions; civil disturbance; flood, earthquake, fire, other catastrophe; strike or other labor disturbance by employees of nonaffiliates; government, judicial, or self regulatory organization order, rule or regulation; riot; energy or natural resource difficulty or shortage; and inability to obtain materials, equipment, or transportation, provided, in all cases, Trustee has acted under the Prudent Man Standard of Care to mitigate, control, and prevent losses and expenses due to such circumstances.

5.9 The Trustee is not a party to, and has no duties or responsibilities under, the Plan other than those that may be expressly contained in this Trust Agreement. In any case in which a provision of this Trust Agreement conflicts with any provision in the Plan, this Trust Agreement shall control. The Trustee shall have no duties, responsibilities or liability with respect to the acts or omissions of any prior or successor trustee.

5.10 Trustee shall have no responsibility with respect to: (i) the selection or monitoring of any insurance policies or insurance contracts held in the Trust or the insurers issuing such policies or contracts; or (ii) the payment of any premiums with respect to such policies or contracts.

5.11 The duties of the Trustee shall be limited to the assets held in the Trust, and the Trustee shall have no duties with respect to assets held by any other person including, without limitation, any other trustee for the Plan. PPL hereby agrees that the Trustee shall not serve as, and shall not be deemed to be, a co-trustee under any circumstances. The Accounting Party may request the Trustee to perform a recordkeeping service with respect to property held by others and not otherwise subject to the terms of this Trust Agreement. To the extent the Trustee shall agree to perform this service, its sole responsibility shall be to accurately reflect information on its books which it has received from an authorized party.

**Article VI**  
**Fees, Expenses and Taxes**

6.1 PPL shall pay the reasonable expenses incurred by the Trustee in or as a result of the performance of its duties hereunder, including reasonable fees and expenses for services rendered to the Trustee, and such compensation to the Trustee as may be agreed upon in writing from time to time between PPL and the Trustee. After the occurrence of a Change in Control, the compensation of the Trustee shall be determined by the application of the current rates then charged by the Trustee for the provision of the types of investment and trustee services contemplated in this Trust Agreement to trusts of a similar character and size.

6.2 PPL shall pay the reasonable expenses incurred by the Accounting Party, if other than PPL, in or as a result of the performance by its members of their duties hereunder. Such expenses shall include but not be limited to the cost of travel as well as the cost of any communications with the Trustee or Plan Participants. PPL shall also pay to the Accounting Party, if other than PPL, such compensation as may be provided for by resolution of the Board of Directors of PPL prior to the occurrence of a Change in Control.

6.3 If PPL fails to pay any such expenses and compensation as provided for in Paragraphs 6.1 and 6.2, the Trustee shall pay them from the Trust Fund.

6.4 Any taxes, including real and personal property taxes, income taxes, transfer taxes and other taxes of any kind whatsoever that may under any existing or future laws be assessed against or levied upon or in respect of the Trust Fund or its assets or any interest therein shall be paid by PPL. The word "taxes" in this Article VI shall be deemed to include any interest or penalties that may be levied or imposed in respect to any taxes.

6.5 To the extent the Accounting Party has provided necessary information to the Trustee, the Trustee shall be responsible for any necessary withholding and reporting of federal taxes related to the payment of benefits pursuant to the terms of the Plan and shall pay amounts withheld to the appropriate taxing authorities. In addition, to the extent the Accounting Party has provided necessary information to the Trustee, the Trustee shall use reasonable efforts to assist such Accounting Party with respect to any "Tax Obligations." The term "Tax Obligations" means the responsibility for payment of taxes, withholding, certification and reporting requirements, claims for exemptions or refund, interest, penalties and other related expenses of the Trust, including but not limited to the requirements set forth in Section 2(a) of this Trust Agreement. Notwithstanding the foregoing, the Trustee shall have no responsibility or liability for any Tax Obligations now or hereafter imposed on PPL or the Trust by any taxing authorities, domestic or foreign, except as provided by applicable law. To the extent the Trustee is responsible under any applicable law for any Tax Obligation, the Accounting Party shall inform the Trustee of all Tax Obligations, shall direct the Trustee with respect to the performance of such Tax Obligations. All such Tax Obligations shall be paid from the Trust unless paid by PPL.

**Article VII**  
**Accounts of the Trustee**

7.1 The Trustee shall keep accurate and detailed accounts of all investments, receipts and disbursements and other transactions hereunder, and all accounts, books and records relating thereto shall be open at all reasonable times to inspection and audit by any person or persons designated by the Accounting Party. The cost of any audit if requested by the Accounting Party shall be paid by PPL.

7.2 Within ninety (90) days following the close of each calendar year, the Trustee shall file with the Accounting Party and PPL, if different, a written account setting forth all investments, receipts, disbursements, and other transactions of the Trust Fund effected by it during such fiscal year including a description of all securities and investments purchased and sold, with the cost or net proceeds of such purchases or sales, and showing all cash, securities and other property held, including values at the end of such calendar year.

7.3 Upon the expiration of one hundred eighty days following the filing as above provided of such account, such account shall be considered as final and binding upon the Accounting Party, PPL, its subsidiaries, directors, former directors, Participants, employees, former employees, retired employees, their beneficiaries, and the Trustee, as if settled by a court of competent jurisdiction, and the Trustee shall be forever released and discharged from any liability or accountability to anyone in connection with or arising or resulting from any of the acts or transactions shown therein, except with respect to such acts or transactions as to which the Accounting Party shall within such one hundred eighty day period file with the Trustee written objections or which involve manifest error, gross negligence, willful misconduct or fraud.

7.4 Accounts of the Trustee need only be settled with the Accounting Party. Subject to any express provision of applicable law as may be in effect from time to time to the contrary, no other person or party shall be entitled to any accounting by the Trustee.

7.5 Nothing contained in this Trust Agreement shall, however, preclude the Trustee from having any of its accounts settled by a court of competent jurisdiction. In any action or proceeding for settlement of the accounts of the Trustee or concerning administration of the Trust Fund, the Accounting Party and the Trustee shall be the only necessary parties thereto. To the extent provided by law, service of any notice or process upon the Accounting Party shall be deemed for all purposes service on PPL, its subsidiaries, directors, former directors, Participants, employees, former employees, and retired employees of PPL, and their beneficiaries and any final judgment in any such action or proceeding shall be binding and conclusive on the Accounting Party, PPL, employees, former employees, directors, former directors and retired employees of PPL and their beneficiaries and the Trustee.

**Article VIII**  
**Resignation or Removal of the Trustee**

8.1 The Trustee may be removed by the Accounting Party to the extent provided in Article X at any time upon sixty days notice in writing. The Trustee shall have the right to resign at any time by giving sixty days notice in writing to the Accounting Party, provided that such resignation shall not become effective until a successor trustee has accepted its appointment. Upon such removal or notice of resignation of the Trustee, the Accounting Party shall appoint and designate a successor Trustee, which shall be a corporate trustee qualified to conduct trust business in Pennsylvania, which is independent of and not subject to control by PPL. Such successor trustee shall qualify as such by delivering a written acceptance of the trust to the Accounting Party and the retiring Trustee, and thereupon all the provisions hereof shall relate and be applicable to such successor Trustee. Until the effective date of the assumption by the successor Trustee of its duties under this Trust Agreement, the retiring Trustee shall continue to function and be bound hereunder as trustee hereof. Upon receipt of such written acceptance the retiring Trustee shall forthwith file with the Accounting Party a written account of its acts in the same form as its annual account above provided for in Article VII from the date of its last annual account to the date of the acceptance of the Trust by the successor trustee and settlement of such account shall be accomplished as in Article VII. Upon the filing of such account, the retiring Trustee shall transfer and deliver the Trust Fund to the successor Trustee but shall be entitled to reserve therefrom and hold such assets as it may reasonably deem necessary to provide for any and all expenses and payments properly chargeable against the Trust Fund or for which the Trust Fund may be liable or to which the retiring Trustee may be entitled by way of fees and expenses in the settlement of its account. If the assets so withheld are insufficient or excessive for such purposes, the retiring Trustee shall be entitled to reimbursement for any deficiency out of the Trust Fund from the successor Trustee, or shall deliver the excess to the successor Trustee, as the case may be. To the extent permitted by law, upon the transfer of the Trust Fund as above provided and the settlement of its account, the retiring Trustee's previous annual accounts having been settled as provided in Article VII, the retiring Trustee shall thereupon be discharged from any further duty, obligation or responsibility with respect to the operation of the Trust Fund or any matter connected therewith prior to the delivery of said written acceptance except matters which relate to manifest error, gross negligence, willful misconduct or fraud.

8.2 If Trustee resigns or is removed, a successor shall be appointed, in accordance with Section 8.1 hereof, by the effective date of resignation or removal under Section 8.1. If no such appointment has been made, Trustee may apply to a court of competent jurisdiction for appointment of a successor or for instructions. All expenses of Trustee in connection with the proceeding shall be allowed as administrative expenses of the Trust.

**Article IX**  
**Action of PPL or Accounting Party**

9.1 Any action of PPL pursuant to any of the provisions of this Trust Agreement shall be evidenced by a written notice or direction to such effect over the signature of: i) any officer or ii) other representative of PPL who shall have been certified to the Trustee by the President, Treasurer or Secretary of PPL as having such authority. The Trustee shall be fully protected in acting in accordance with such notices or directions. All communications from PPL to the Trustee shall be in writing, signed by the person designated as having such authority as PPL shall certify to the Trustee, and the Trustee shall act and be fully protected in acting in accordance with such communications.

9.2 Any action of the Accounting Party pursuant to provisions of this Trust Agreement shall be evidenced by a written notice or direction to such effect over the signature of any one or more members of the Accounting Party. Prior to the occurrence of a Change in Control, the President, Treasurer or Secretary of PPL shall advise the Trustee of the name or names of the person or persons who will serve as members of the Accounting Party after the occurrence of such Change in Control. After such Change in Control, current members of the Accounting Party shall advise the Trustee of the name or names of any new person or persons serving as members of the Accounting Party.

9.3 All communications from the Accounting Party to the Trustee shall be in writing, signed by the person designated as having such authority as PPL or member of the Accounting Party shall certify to the Trustee, and the Trustee shall be fully protected in acting in accordance with such communications.

9.4 PPL shall furnish the Trustee with a written list of the names, signatures and extent of authority of all persons constituting the Accounting Party as defined in Section 2.4. The Trustee shall be entitled to rely on and shall be fully protected in acting upon direction from such person until notified in writing by PPL, as appropriate, of a change in the make up of the Accounting Party.

---

**Article X**  
**Reservation of Powers**

10.1 The Accounting Party expressly reserves the powers to:

- (a) remove the Trustee;
- (b) direct the investment and reinvestment of the principal and income of the Trust Fund; it shall be the duty of the Trustee to act strictly in accordance with such investment directions, and any changes therein, as so communicated to the Trustee from time to time in writing. To the maximum extent permitted by law, Trustee shall have no duty or responsibility (i) to advise with respect to, or inquire as to the propriety of, any such investment direction or (ii) for any investment decisions made with respect to the Trust by PPL or the Accounting Party. In the absence of investment direction by the Accounting Party, the Trustee shall invest Trust assets in any manner permitted under Section 5.1; and
- (c) following the occurrence of a Potential Change in Control as defined in Paragraph 10.3, modify, alter or amend this Trust Agreement, provided that no such modification, alteration or amendment may directly or indirectly (i) affect any Participant's entitlement to receive benefit payments under any Plan or under this Trust Agreement or the amount, form or timing of such benefit payments, (ii) alter the relative funding levels of the Plan Accounts, (iii) alter the method of allocation of Trust Fund earnings and losses among the Plan Accounts, (iv) eliminate the requirement under this Trust Agreement of separate accounting for the interests of each Plan in the Trust Fund, (v) impair or otherwise affect any claims which general creditors of PPL may have with respect to the Trust Fund in the event of PPL becomes Insolvent, (vi) change the rights, duties, powers, liabilities or immunities of the Trustee hereunder without the Trustee's written consent, except as provided upon the Trustee's removal in Article VIII, (vii) eliminate the restrictions set forth in this subparagraph 10.1(c), or (viii) confer upon the Trustee or any other person, directly or indirectly, the power or authority to effect any result prohibited under clauses (i)-(vii) of this subparagraph 10.1(c). No provision of this Trust Agreement may be amended by PPL in any manner adverse to Participants following a Potential Change in Control.

10.2 Subject to the provisions of Paragraphs 10.1 and 10.3 of this Article X, PPL expressly reserves the powers to:

- (a) modify, alter, amend, terminate or revoke this Trust Agreement and the trust hereby created to any extent and in any respect deemed advisable by PPL, through an action of PPL that is in writing duly executed and acknowledged and delivered to the Trustee; provided however, that the rights, duties, powers, liabilities or immunities of the Trustee hereunder shall not be changed without its written consent, except as provided upon the Trustee's removal in Article VIII;
- (b) withdraw from the Trust Fund any property forming a part of the Trust Fund, any such withdrawal shall be considered a revocation of this Trust solely with respect to such property;
- (c) reallocate amounts among Plan Accounts in the Trust Fund;
- (d) require the Trustee to furnish such information as may be reasonably requested in regard to the operations of the Trust Fund and the investment thereof;
- (e) add to or delete from Appendix A one or more nonqualified deferred compensation plans or agreements for PPL's or its subsidiaries employees;
- (f) add to or delete from Appendix A one or more individual employment agreements with employees of PPL or any of its subsidiaries; and
- (g) contribute to the Trust Fund property other than cash or marketable securities to the extent not expressly prohibited by the Plans or within the terms of this Trust, if acceptable to Trustee.

10.3 The right of PPL to exercise the powers reserved to it under Paragraph 10.2 of this Article shall expire upon the occurrence of a Change in Control or Potential Change in Control. For purposes of this Trust Agreement, a Change in Control shall be deemed to have occurred

(a) if one of the following events occurs:

(I) the following individuals cease for any reason to constitute a majority of the number of directors then serving: individuals who, on the date hereof, constitute the Board and any new director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of directors of the Company) whose appointment or election by the Board or nomination for election by the Company's shareowners was approved or recommended by a vote of at least two-thirds (2/3) of the directors then still in office who either were directors on the date hereof or whose appointment, election or nomination for election was previously so approved or recommended;

(II) any Person becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 20% or more of the combined voting power of the Company's then outstanding securities entitled to vote generally in the election of directors;

(III) there is consummated a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other corporation or other entity, other than (I) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof), in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of the Company or any subsidiary of the Company, at least 60% of the combined voting power of the securities of the Company or at least 60% of the combined voting power of the securities of such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or (II) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (excluding in the securities Beneficially Owned by such Person any securities acquired directly from the Company or its Affiliates) representing 20% or more of the combined voting power of the Company's then outstanding securities;

(IV) the shareowners of the Company approve a plan of complete liquidation or dissolution of the Company; or

(V) the Board adopts a resolution to the effect that a "Change in Control" has occurred or is anticipated to occur.

(b) For purposes of this Trust Agreement, a "Potential Change in Control" shall be deemed to have occurred if the event set forth in any one of the following paragraphs shall have occurred:

(I) PPL enters into an agreement, the consummation of which would result in the occurrence of a Change in Control;

(II) any Person publicly announces an intention to take or to consider taking actions which if consummated would constitute a Change in Control;

(III) any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of PPL representing 5% or more of the combined voting power of PPL's then outstanding securities entitled to vote generally in the election of directors; or

(IV) the Board adopts a resolution to the effect that, for purposes of this Agreement, a Potential Change in Control has occurred.

For purposes of this Paragraph 10.3:

"Beneficial Owner" shall have the meaning set forth in Rule 13d-3 under the Exchange Act; and "Person" shall have the meaning given in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof, except that such term shall not include (i) PPL or any of its subsidiaries, (ii) a trustee or other fiduciary holding securities under an employee benefit plan of PPL or any of its Affiliates (as defined in Rule 12b-2 promulgated under Section 12 of the Exchange Act), (iii) an underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) a corporation owned, directly or indirectly, by the stockholders of PPL in substantially the same proportions as their ownership of stock of PPL.

10.4 The Board of Directors or the Chief Executive Officer or any Plan Participant may notify the Trustee in writing as promptly as practicable following the occurrence of a Change in Control or Potential Change in Control, and the Trustee shall not be charged with knowledge of such Change in Control or Potential Change in Control in the absence of written notification.

10.5 The Trustee is not a party to any Plan except insofar as the Trustee has assumed duties under a Plan as specifically provided in this Trust Agreement. PPL retains the right to amend any provision of any Plan to the extent provided for in such Plan, including provisions relating to the Trustee; provided, however, that the allocation of responsibilities to the Trustee shall not be amended, altered or modified without the prior written consent of the Trustee, and no amendment to any Plan shall allocate responsibilities between the Trustee and PPL in a manner

inconsistent with the terms of this Trust Agreement.

**Article XI**  
**Surplus Plan Accounts and Termination of Trust**

11.1 If this Trust Agreement is terminated under Article X with respect to any Plan at a time when there is a Plan Account attributable to such Plan or if the Trustee determines that certain amounts attributable to a Plan Account will not be required to make benefit payments under the Plan for which such Plan Account is maintained, the value of the Plan Account or portion thereof attributable to such Plan shall be allocated in the Trustee's discretion among the remaining Plan Accounts in a way that the Trustee believes best maximizes benefit payments under Article IV.

11.2 Unless the Trust is revoked under Article X, the Trust shall not terminate until the date on which no person is or will ever be entitled to benefit payments under the Plans. Any assets remaining in the Trust shall be returned to PPL upon revocation or termination of the Trust.

---

**Article XII**  
**Merger or Consolidation of Trustee**

12.1 Any corporation into which the Trustee **may** be merged or with which it may be consolidated, or any corporation resulting from any merger, reorganization or consolidation to which the Trustee may be a party, or any corporation to which all or substantially all of the trust business of the Trustee may be transferred shall be the successor of the Trustee hereunder without the execution or filing of any instrument or the performance of any further act; provided that in case of any such transfer of trust business the transferee corporation shall file with PPL written acceptance of the Trust hereby created.

13.6 No attempt by any person entitled to benefits under the Plan to assign, alienate, anticipate, sell, transfer, pledge, encumber or place a charge upon any benefit or any installment thereof shall be recognized by the Trustee, nor shall the Trustee recognize any such attempt to attach or garnish or otherwise subject the Trust Fund or any benefit or any installment thereof to legal process, except as the Trustee may be required to do by law.

13.7 Any provision of this Trust Agreement prohibited by law shall be ineffective to the extent of any such prohibition, without invalidating the remaining provisions hereof.

Performance Unit Agreement**

PERFORMANCE UNIT AGREEMENT (the "Agreement") dated as of the Date of Grant set forth in the Notice of Grant (as defined below), by and between PPL Corporation, a Pennsylvania corporation (the "Company"), and the participant whose name appears on the Notice of Grant (the "Participant").

1. Grant of Stock Based Award. Subject to the terms and conditions of this Agreement (including vesting conditions):

(a) The Company hereby evidences and confirms its grant to the Participant, effective as of the Date of Grant, of the number of stock based units contingent upon Company financial performance (the "Performance Units") specified in the Notice of Grant attached hereto as Exhibit A and made a part hereof ("Notice of Grant").

(b) (i) If on any date while the Performance Units are outstanding hereunder the Company shall pay any cash dividend on its shares of Common Stock, the Participant shall be granted, as of the applicable dividend payment date, a "Cash Dividend Equivalent Award" which shall represent a future contingent right to a number of shares of Common Stock (rounded down to the nearest whole share) with a current Fair Market Value equal to the product of ( x ) the number of "Total Performance Units" (as defined below) held by the Participant hereunder as of the related dividend record date, multiplied by ( y ) the amount of such cash dividend per share of Common Stock. Any Cash Dividend Equivalent Award shall be subject to the same payment terms and conditions as the corresponding Performance Units to which they relate.

(ii) If on any date while the Performance Units are outstanding hereunder the Company shall pay any dividend on its shares of Common Stock in the form of shares of Common Stock, the Participant shall be granted, as of the applicable dividend payment date, the contingent right to a future number of shares of Common Stock, equal to the product of ( x ) the number of Total Performance Units held by the Participant hereunder as of the related dividend record date, multiplied by ( y ) the number of shares of Common Stock (including any fraction thereof) payable as a dividend on one share of Common Stock, rounded down to the nearest whole Unit.

(iii) At any point in time, the total number of shares of Common Stock of all Performance Units, Cash Dividend Equivalent Awards, and rights to the stock dividends, if any, referred to in Section 1(b)(ii) above, shall be defined as "Total Performance Units."

(c) This Agreement and the Total Performance Units granted hereunder are subject to all of the terms and conditions of the PPL Corporation 2012 Stock Incentive Plan (the "Plan"), which are incorporated by reference herein. If there is any inconsistency between the terms hereof and the terms of the Plan, the terms of the Plan shall govern. Any capitalized terms used herein without definition shall have the meanings set forth in the Plan.

2. Vesting of Total Performance Units.

(a) Vesting.

(i) Except as otherwise provided in Section 2(b) or Section 2(c), or Section 2(d), subject to the achievement of the performance goals (the "Goals") established by the Committee for the "Performance Period" (as set forth in the Notice of Grant), and to the continued Employment of the Participant through the conclusion of the Performance Period, the Total Performance Units will become vested based on the extent to which the Goals are satisfied at the conclusion of the Performance Period, as and to the extent set forth in the Notice of Grant (the percentage of the Total Performance Units which so vest being referred to as the "Vesting Percentage").

(ii) Promptly after the conclusion of the Performance Period, the Committee will determine whether the Goals have been satisfied, and will certify in writing as to whether such Goals were in fact satisfied. Based on the Committee's determination and certification, (A) the Total Performance Units will vest as and to the extent set forth in the Notice of Grant, and (B) the portion of the Total Performance Units, if any, that do not vest in accordance with the foregoing shall be immediately forfeited and cancelled by the Company without any consideration.

(b) Termination of Employment.

(i) General. Except as provided in Section 2(b)(ii) below, in the event of the Participant's termination of Employment for any reason prior to the conclusion of the Performance Period, the Participant's Total Performance Units shall be immediately forfeited and cancelled by the Company without consideration.

(ii) Death, Disability, Retirement.

(A) In the event of the Participant's termination of Employment with the Company and its Affiliates due to death, Disability or Retirement prior to the conclusion of the Performance Period, the Total Performance Units shall remain outstanding and eligible for vesting through the conclusion of the Performance Period (or, if applicable, an earlier Change in Control (as defined below)) as described in Section 2(a) above; provided, that, in such event, only a pro rata portion (as described below in this Section 2(b)(ii)(B)) of the Total Performance Units shall be eligible to become vested, and, to the extent so vested, shall be settled and paid as provided in Section 3; and

(B) Subject to Section 2(c) below (in the event of a Change in Control following termination of Employment due to death, Disability or Retirement and prior to the conclusion of the Performance Period), the pro rata portion described in clause (A) above shall

be determined by multiplying the number of Total Performance Units that would have vested had the Participant's Employment continued through the conclusion of the Performance Period, based on actual achievement of the Goals, by a fraction, the numerator of which is the number of pay periods elapsed from the commencement of the Performance Period through the date of the Participant's termination of Employment, and the denominator of which is the number of pay periods in the Performance Period; and

(C) Upon the determination of the number of Total Performance Units pursuant to Section 2(b)(ii) that shall vest, all remaining unvested Total Performance Units shall be immediately forfeited and cancelled by the Company without consideration.

For purposes of this Agreement, "Retirement" shall mean the Participant's termination of Employment at a time when the Participant is eligible to commence monthly retirement benefits under the Company's Retirement Plan, or, if the Participant is not a participant in the Company's Retirement Plan, under any other defined benefit pension plan (whether or not tax qualified) maintained by the Company Group, or, if the Participant is not covered by any defined benefit pension plan, then Retirement shall mean the Participant's termination of Employment at or after age 55.

(c) Change in Control. Notwithstanding the foregoing, in the event of a Change in Control prior to the conclusion of the Performance Period while a Participant remains employed with the Company and its Affiliates (or following termination of Employment due to death, Disability or Retirement), (  ) the Performance Period shall be deemed to conclude immediately prior to the Change in Control, and (  ) a pro rata portion of all then unvested Total Performance Units will become immediately vested as though there had been achievement of Goals satisfying the Target Award (as defined in Exhibit A), such pro rata portion determined by multiplying the number of Total Performance Units, in each case represented by the Target Award, by a fraction, the numerator of which is the number of pay periods elapsed from the commencement of the Performance Period through the date immediately prior to the Change in Control (or, if earlier, the date of the Participant's termination of Employment due to death, Disability or Retirement, consistent with Section 2(b)(ii) above), and the denominator of which is the number of pay periods in the original Performance Period (i.e., if the Performance Period had not terminated upon a Change in Control). All remaining Total Performance Units that do not so vest in accordance with the foregoing provisions of this Section 2(c) shall be immediately forfeited and cancelled by the Company without consideration.

(d) No shares of Common Stock will be issued or issuable (or other consideration be payable) with respect to any portion of the Total Performance Units that do not vest in accordance with the foregoing provisions of Section 2. All Performance Units and shares of Common Stock issued in connection with Performance Units are subject to forfeiture in accordance with the PPL Corporation Policy Regarding Recoupment of Executive Compensation.

3. Payment Date. Subject to Section 7(c), on the Payment Date (as defined below), the Company shall issue to the Participant one share of Common Stock in settlement of the Total Performance Units, if any, that vest as provided in Section 2. The "Payment Date" upon which this Award shall be settled and paid shall occur as soon as practicable following the conclusion of the Performance Period and the date that the Committee (or CLC) determines and certifies that the Goals with respect to the Performance Period have been satisfied (but in no event later than 2½ months after the conclusion of the Performance Period); provided, however, in the case of settlement as a result of a Change in Control pursuant to Section 2(c), the Payment Date shall occur as of immediately prior to the Change in Control and provided, further, no payment shall be made to the Participant following the Participant's termination of Employment for any reason other than death or a Change in Control until six months after the date of termination of Employment.

No fractional shares of Common Stock shall be issued. Fractional shares shall be settled through a cash payment based on the Fair Market Value of the Common Stock on the Payment Date.

4. Securities Law Compliance. Notwithstanding any other provision of this Agreement, the Participant may not sell the shares of Common Stock acquired upon settlement of the Total Performance Units unless such shares are registered under the Securities Act of 1933, as amended (the "Securities Act"), or, if such shares are not then so registered, such sale would be exempt from the registration requirements of the Securities Act. The sale of such shares must also comply with other applicable laws and regulations governing the shares, and Participant may not sell the shares of Common Stock, if the Company determines that such sale would not be in material compliance with such laws and regulations.

5. Participant's Rights with Respect to the Total Performance Units.

(a) Restrictions on Transferability. The Total Performance Units granted hereby are not assignable or transferable, in whole or in part, and may not, directly or indirectly, be offered, transferred, sold, pledged, assigned, alienated, hypothecated or otherwise disposed of or encumbered (including, without limitation, by gift, operation of law or otherwise) other than by will or by the laws of descent and distribution to the estate of the Participant upon the Participant's death; provided that the deceased Participant's beneficiary or representative of the Participant's estate shall acknowledge and agree in writing, in a form reasonably acceptable to the Company, to be bound by the provisions of this Agreement and the Plan, as if such beneficiary or the estate were the Participant.

(b) No Rights as Stockholder. The Participant shall not have any rights as a stockholder including any voting, dividend or other rights or privileges as a stockholder of the Company with respect to any Common Stock corresponding to the Total Performance Units granted hereby, unless and until shares of Common Stock are actually issued to the Participant in respect thereof.

6. Adjustment in Capitalization. In the event of any change in the outstanding Common Stock by reason of any recapitalization, combination or exchange of shares or other similar changes in the Common Stock, appropriate adjustment shall be made by the Committee, in accordance with Section 10 of the Plan.

7. Miscellaneous.

(a) Binding Effect; Benefits . This Agreement shall be binding upon and inure to the benefit of the parties to this Agreement and their respective successors and assigns. Nothing in this Agreement, express or implied, is intended or shall be construed to give any person other than the parties to this Agreement or their respective successors or assigns, any legal or equitable right, remedy or claim under or in respect of any agreement or any provision contained herein.

(b) No Right to Continued Employment . Nothing in the Plan or this Agreement shall interfere with or limit in any way the right of the Company or any of its Affiliates to terminate the Participant's Employment at any time, or confer upon the Participant any right to continue in the employ of the Company or any of its Affiliates.

(c) Tax Withholding . The Company and its Affiliates shall have the right to deduct from all amounts payable to the Participant (whether under the Plan or otherwise) any amount of taxes required by law to be withheld in respect of settlement of the vested Total Performance Units, as may be necessary in the opinion of the Company to satisfy tax withholding required by law to be withheld. Unless otherwise determined by the Committee, the Company will meet such obligations with respect to the settlement and payment of any vested Total Performance Units by having the Company withhold the least number of whole shares of Common Stock having a Fair Market Value sufficient to satisfy the amount required to be withheld in respect of settlement and payment of the vested Total Performance Units.

(d) Applicable Law . This Agreement shall be governed by and construed in accordance with the law of the Commonwealth of Pennsylvania regardless of the application of rules of conflict of laws that would apply to the laws of any other jurisdiction.

(e) Limitation on Rights; No Right to Future Grants; Extraordinary Item of Compensation . By entering into this Agreement and accepting the Total Performance Unit Award evidenced hereby, the Participant acknowledges: ( i ) that the Plan is discretionary in nature and may be suspended or terminated by the Company at any time; ( ii ) that the Award does not create any contractual or other right to receive future grants of Awards; ( iii ) that participation in the Plan is voluntary; ( iv ) that the value of the Total Performance Unit Award is not part of normal or expected compensation for purposes of calculating any severance, resignation, redundancy, end-of-service payments, bonuses, long-service awards, pension or retirement benefits or similar payments; and ( v ) that the future value of the shares of Common Stock is unknown and cannot be predicted with certainty.

(f) Headings and Captions . The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

(g) Amendments . The terms of this Agreement may be amended from time to time by the Committee in its sole discretion in any manner it deems appropriate; provided that no such amendment shall, without the Participant's consent, materially diminish the Participant's rights under this Agreement.

(h) Counterparts . This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

To confirm your acceptance of the foregoing, kindly sign and promptly return one copy of this Agreement and Exhibit A to the Company.

Sincerely,  
PPL Corporation

2012 STOCK INCENTIVE PLAN**

**PERFORMANCE CONTINGENT RESTRICTED STOCK UNIT AGREEMENT**

*Participant:*

*Date of Grant:*

*Number of RSUs:*

1. Grant of RSUs. The Company hereby grants the number of performance contingent restricted stock units ("RSUs") listed above to the Participant, on the terms and conditions hereinafter set forth. This grant is made pursuant to the terms of the PPL Corporation 2012 Stock Incentive Plan (the "Plan"), which Plan, as amended from time to time, is incorporated herein by reference and made a part of this Agreement. Each RSU represents the unfunded, unsecured right of the Participant to receive a Share on the date(s) specified herein. Capitalized terms not otherwise defined herein shall have the same meanings as in the Plan.

2. Vesting/Form and Timing of Issuance or Transfer.

(a) Subject to the Participant's continued Employment with the Company and its Affiliates through [insert dates] (each, a "Vesting Date"), \_\_\_% of the RSUs shall vest upon each such Vesting Date and the Company shall, within 30 days following the relevant Vesting Date, issue or cause there to be transferred to the Participant the corresponding number of Shares equal to the number of vested RSUs. Notwithstanding the preceding sentence, 100% of the outstanding RSUs shall vest upon (i) the Participant's termination of Employment by the Company and its Affiliates without Cause or by the Participant with Good Reason during the 24 month period following a Change in Control or (ii) the Participant's termination of Employment due to death, Disability or Retirement (each of the termination events described under clause (i) and (ii) being a "Qualifying Termination"). The Shares underlying any portion of the RSUs that vest in accordance with the preceding sentence shall be delivered to the Participant on the date that is 6 months and one day following the date of the Participant's termination of Employment. Upon the Participant's termination of Employment with the Company or any Affiliate for any reason other than due to a Qualifying Termination, all RSUs that did not become vested on or prior to such date shall immediately terminate and be forfeited without consideration and no Shares shall be delivered hereunder.

(b) Upon the issuance or transfer of Shares in accordance with Section 2(a) of this Agreement, the number of RSUs equal to the number of Shares issued or transferred to the Participant shall be extinguished.

(c) For purposes of this Agreement:

(i) "Cause" shall mean "Cause" as defined in any employment, severance, or similar agreement then in effect between the Participant and any of the Company or its Affiliates, or, if no such agreement containing a definition of "Cause" is then in effect or if such term is not defined therein, "Cause" shall mean (i) Participant's engagement in misconduct which is materially injurious to the Company or its Affiliates, (ii) Participant's insubordination after clear and lawful direction, (iii) Participant's commission of a felony in the performance of duties to the Company, (iv) Participant's commission of an act or acts constituting any fraud against, or embezzlement from the Company or any of its Affiliates (v) Participant's material breach of any confidentiality or non-competition covenant entered into between the Participant and the Company, or (vi) Participant's employment with a competitor while employed by the Company. The determination of the existence of Cause shall be made by the Committee in good faith, which determination shall be conclusive for purposes of this Agreement.

(ii) "Good Reason" shall mean "Good Reason" or such similar concept as defined in any employment, severance, or similar agreement then in effect between the Participant and any of the Company or its Affiliates, or, if no such agreement containing a definition of "Good Reason" is then in effect or if such term is not defined therein, "Good Reason" shall mean without the Participant's consent, (i) a change caused by the Company in the Participant's duties and responsibilities which is materially inconsistent with the Participant's position at the applicable entity that is a member of the Company Group, (ii) a material reduction in the Participant's annual base salary, annual incentive compensation opportunity or other employee benefits (excluding any such reduction that is part of a plan to reduce annual base salaries, annual incentive compensation opportunities or other employee benefits of comparably situated employees of any entity that is a member of the Company Group generally), or (iii) a relocation of the Participant's principal place of employment to a location that is more than 50 miles from the Participant's current principal place of employment; provided that, notwithstanding anything to the contrary in the foregoing, the Participant shall only have "Good Reason" to terminate employment following the applicable entity's failure to remedy the act which is alleged to constitute "Good Reason" within thirty (30) days following such entity's receipt of written notice from the Participant specifying such act, so long as such notice is provided within sixty (60) days after such event has first occurred.

(iii) "Retirement" shall mean the Participant's termination of Employment at a time when the Participant is eligible to commence monthly retirement benefits under the Company's Retirement Plan, or, if the Participant is not a participant in the Company's Retirement Plan, under any other defined benefit pension plan (whether or not tax qualified) maintained by the Company Group, or, if the Participant is not covered by any defined benefit pension plan, then Retirement shall mean the Participant's termination of Employment at or after age 55.

(iv) “Unvested RSUs” shall mean, on a given date, the number of RSUs which remain unvested.

(v) “Vested RSUs” shall mean, on a given date, the number of RSUs which are then vested, but for which Shares have not yet been delivered.

3. Dividend Equivalent RSU’s. RSU’s shall not pay cash dividends. The Participant shall be entitled to receive additional RSU’s equal to the number of whole Shares that could have been purchased on the date that any dividends on Shares may be paid, at the Fair Market Value of Shares on that date, as if the dollar amount of any ordinary dividends that are declared on Shares applied to the Shares underlying the RSUs. All such additional RSU’s shall be subject to the same terms and conditions applicable herein to the underlying RSU’s, including such RSUs becoming Vested RSUs. Notwithstanding the foregoing, if on any date while RSUs are outstanding hereunder the Company shall pay any extraordinary dividend on the Shares, the Committee shall equitably adjust the outstanding RSUs pursuant to Section 10 of the Plan.

4. No Right to Continued Employment. The granting of RSUs evidenced by this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company’s or its Affiliate’s right to terminate the Employment of such Participant.

5. No Rights of a Shareholder. The Participant shall not have any rights as a shareholder of the Company until the Shares have been issued or transferred to such Participant.

6. Legend on Certificates. Any Shares issued or transferred to the Participant pursuant to Section 2 of this Agreement shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable federal or state laws or relevant securities laws of the jurisdiction of the domicile of the Participant, and the Committee may cause a legend or legends to be put on any certificates representing such Shares to make appropriate reference to such restrictions.

7. Transferability. RSUs may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance not permitted by this Section 7 shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

8. Notices. Any notice under this Agreement shall be addressed to the Company in care of its General Counsel at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

9. Withholding. The Participant shall be required to pay to the Company or any Affiliate applicable withholding taxes with respect to any issuance or transfer under this Agreement or under the Plan, and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any issuance or transfer due under this Agreement or under the Plan or from any compensation or other amount owing to the Participant an amount in respect of such withholding taxes, and to take such action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such withholding taxes.

10. Choice of Law. **THE INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.**

11. RSUs Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan and agrees that all RSUs and Shares received in respect of RSUs are subject to the Plan. The terms and provisions of the Plan, as may be amended from time to time, are hereby incorporated by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms of the Plan will govern and prevail.

12. Modifications. Notwithstanding any provision of this Agreement to contrary, the Company reserves the right to modify the terms and conditions of this Agreement including, without limitation, the timing or circumstances of the issuance or transfer of Shares to the Participant hereunder, to the extent such modification is determined by the Company to be necessary to comply with applicable law or preserve the intended deferral of income recognition with respect to the RSUs until the issuance or transfer of Shares hereunder.

13. Signature in Counterparts. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

14. Compliance with IRC Section 409A. Notwithstanding anything herein to the contrary, (i) if at the time of the Participant’s termination of employment with the Company and its Affiliates the Participant is a “specified employee” as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the Company will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to the Participant) until the date that is six months and one day following the Participant’s termination of employment with the Company and its Affiliates (or the earliest date as is permitted under Section 409A of the Code) and (ii) if any other payments or other benefits due to the Participant hereunder could cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such

payment or other benefits shall be restructured, to the extent possible, in a manner, determined by the Committee, that does not cause such an accelerated or additional tax. The Company shall use commercially reasonable efforts to implement the provisions of this Section 14 in good faith; provided that neither the Company, the Committee nor any of the Company's employees, directors or representatives shall have any liability to the Participant with respect to this Section 14.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

**3. Vesting.**

(a) Subject to the Participant's continued Employment through the applicable vesting date, the Option shall vest and become exercisable at the time(s) set forth on the signature page hereto.

(b) Notwithstanding the foregoing, in the event of a termination of the Participant's Employment by the Company and its Affiliates without Cause or by the Participant with Good Reason during the 24 month period following a Change in Control (a "CIC Termination"), the Option shall, to the extent not then vested or previously forfeited or cancelled, become fully vested and exercisable effective as of such termination date.

(c) Subject to Section 3(b) above, if the Participant's Employment with the Company is terminated for any reason other than death, Disability, or Retirement, the vested portion of the Option shall remain exercisable for the period set forth in Section 4(a), and the unvested portion of the Option shall immediately terminate. In the event of the Participant's termination of Employment due to death or Disability, all unvested Options then held by the Participant shall remain outstanding and shall become vested and exercisable at the same time as originally scheduled pursuant to this Agreement (as if the Participant remained in Employment through such dates).

**4. Exercise of Option.**

(a) **Period of Exercise.** Subject to the provisions of the Plan and this Agreement, the Participant may exercise all or any part of the

Option at any time prior to the earliest to occur of:

- (i) the Participant's termination of Employment by the Company or any of its Affiliates for Cause;
- (ii) 60 days following the date of the Participant's termination of Employment for any reason other than due to a CIC Termination or the Participant's death, Disability or Retirement (or termination for Cause);
- (iii) three years and 60 days following the date of the Participant's termination of Employment due to death, Disability or a CIC Termination;
- (iv) five years following the date of the Participant's termination of employment due to Retirement; and
- (v) the tenth anniversary of the Date of Grant.

(b) Method of Exercise.

(i) Subject to Section 4(a), the Option may be exercised by delivering to the Company at its principal office written notice of intent to so exercise; provided that, the Option may be exercised with respect to whole Shares only. Such notice shall specify the number of Shares for which the Option is being exercised and shall be accompanied by payment in full of the Option Price. The payment of the Option Price may be made at the election of the Participant (A) in cash or its equivalent (e.g., by check), (B) to the extent permitted by the Committee, in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles), (C) partly in cash and, to the extent permitted by the Committee, partly in such Shares, (D) if there is a public market for the Shares at such time, through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and to deliver promptly to the Company an amount out of the proceeds of such Sale equal to the aggregate option price for the Shares being purchased, or (E) to the extent permitted by the Committee, through a "net settlement" as described in Section 6(c) of the Plan.

Participant shall not have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan. Participant shall also have no right to a dividend equivalent payment or unit of value with respect to any outstanding Options.

(ii) Notwithstanding any other provision of the Plan or this Agreement to the contrary, the Option may not be exercised prior to the completion of any registration or qualification of the Option or the Shares under applicable state and federal securities or other laws, or under any ruling or regulation of any governmental body or national securities exchange that the Committee shall in its sole discretion determine to be necessary or advisable.

(iii) Upon the Company's determination that the Option has been validly exercised as to any of the Shares, the Company shall issue certificates in the Participant's name for such Shares. However, the Company shall not be liable to the Participant for damages relating to any delays in issuing the certificates to him, any loss of the certificates, or any mistakes or errors in the issuance of the certificates or in the certificates themselves. Notwithstanding the foregoing, the Company may elect to recognize the Participant's ownership through uncertificated book entry.

(iv) In the event of the Participant's death, the Option shall remain exercisable by the Participant's executor or administrator, or the person or persons to whom the Participant's rights under this Agreement shall pass by will or by the laws of descent and distribution as the case may be, to the extent set forth in Section 4(a) above. Any heir or legatee of the Participant shall take rights herein granted subject to the terms and conditions hereof.

**5. No Right to Continued Employment.**

The granting of the Option evidenced hereby and this Agreement shall impose no obligation on the Company or any Affiliate to continue the Employment of the Participant and shall not lessen or affect the Company's or its Affiliate's right to terminate the Employment of such Participant.

**6. Legend on Certificates.**

Unless the Company issues the Shares in uncertificated form, the certificates representing the Shares purchased by exercise of the Option shall be subject to the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares are listed, and any applicable Federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

**7. Transferability.**

The Option may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. No such permitted transfer of the Option to heirs or

legatees of the Participant shall be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof. During the Participant's lifetime, the Option is exercisable only by the Participant.

**8. Withholding.**

The Participant may be required to pay to the Company or any Affiliate and the Company shall have the right and is hereby authorized to withhold (including from payroll or any other amounts payable to the Participant), any applicable withholding taxes in respect of the Option, its exercise or any payment or transfer under or with respect to the Option and to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for the payment of such withholding taxes; provided, however, that no amounts shall be withheld in excess of the Company's statutory minimum withholding liability. Without limiting the generality of the foregoing, to the extent permitted by the Committee, the Participant may satisfy, in whole or in part, the foregoing withholding liability by delivery of Shares held by the Participant (which are fully vested and not subject to any pledge or other security interest) or by having the Company withhold from the number of Shares otherwise deliverable to the Participant hereunder Shares with a Fair Market Value not in excess of the statutory minimum withholding liability. The Participant further agrees to make adequate provision for any sums required to satisfy all applicable federal, state, local and foreign tax withholding obligations of the Company which may arise in connection with the Option.

**9. Securities Laws.**

Upon the acquisition of any Shares pursuant to the exercise of the Option, the Participant will make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement.

**10. Notices.**

Any notice necessary under this Agreement shall be addressed to the Company in care of its Secretary at the principal executive office of the Company and to the Participant at the address appearing in the personnel records of the Company for the Participant or to either party at such other address as either party hereto may hereafter designate in writing to the other. Any such notice shall be deemed effective upon receipt thereof by the addressee.

**11. Choice of Law.**

This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania without regard to conflicts of laws.

**12. Option Subject to Plan.**

By entering into this Agreement the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the Plan. The terms and provisions of the Plan, as they may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

**13. Signature in Counterparts.**

---

This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

## TRANSFER OF ASSETS

In 2012, Louisville Gas and Electric Company (LG&E) transferred a transformer to Kentucky Utilities (KU) valued at cost of \$4,000.00.

## INTERCOMPANY MONTHLY INVOICES

Monthly invoices are prepared for reimbursement of non-fuel related expenses incurred by LG&E or KU for LG&E, KU, LG&E and KU Services Company (LKS), LG&E and KU Energy LLC (LKE) and subsidiaries. The invoices are provided to LKS, LKE, and subsidiaries by the 10<sup>th</sup> business day of the subsequent month with payment due by the 13<sup>th</sup> business day of the month. The invoices and cash disbursement requests related to fuel and fuel-related products are paid throughout the month whenever cumulative unreimbursed amounts of invoices exceed \$1 million. All billings between the regulated utilities (LG&E/KU) and non-regulated entities (LKS/LKE) are billed and settled on a net basis.

Monthly reconciliation and balancing procedures are performed for all entities receiving and providing intercompany charges to ensure the accuracy of such transactions.

In addition, a monthly summary of charges from PPL Corporation and its subsidiaries is received by LKS. Certain of these transactions which are directly attributable to LG&E and KU are charged to LG&E and KU, but are billed and settled through LKS. In addition, LG&E and KU have service agreements in place to provide mutual assistance services and rental of data center facilities to subsidiaries of PPL Corporation. Mutual assistance services are billed by LG&E and KU to PPL Electric Utilities, Inc. and settled through LG&E, KU or LKS. Data center rental is billed and settled by LKS on behalf of LG&E and KU to PPL Services Corporation via PPL Energy Funding Corporation.

## INTERCOMPANY POWER SALES AND PURCHASES

Monthly journal entries are prepared for off-system sales, off-system and native load purchases, and intercompany power sales and purchases between LG&E and KU. The After-the-Fact Billing system (AFB) is used to stack hourly energy, which allocates energy sources (generation and purchased power) to energy sinks (KU native load, LG&E native load and off-system sales (OSS)). The stacking is performed based on the energy cost where lowest cost energy is allocated to native load and highest cost energy is allocated to OSS, consistent with the companies' Power Supply System Agreement.

Outputs from the AFB program (queries) are used as inputs into an Excel spreadsheet. The spreadsheet calculates the allocation of third party and intercompany purchases between LG&E and KU. It also calculates the split between native load and off-system purchases, and uses the generation expenses for both companies to calculate the allocation of OSS between the companies.

## MARGIN ACCOUNT ALLOCATION

Until November 2011, LG&E and KU participated in the purchase of forward financial power transactions. As these transactions were either settled or re-valued throughout the month, the margin collateral requirements changed accordingly. At the end of each month, the increase or decrease to the Margin Cash Account (as well as the expense and income) was split between the two companies. LG&E and KU no longer purchase forward financial power transactions and at December 31, 2012, there were no margin account balances.

## **COSTS OF JOINTLY OWNED TRIMBLE COUNTY UNIT 2 (TC2)**

LG&E and KU constructed a 732 MW summer capacity coal-fired unit, TC2, which is jointly owned by LG&E (14.25%) and KU (60.75%), together with the Illinois Municipal Electric Agency and the Indiana Municipal Power Agency (combined 25%). With limited exceptions, LG&E and KU took care, custody and control of TC2 in January 2011. The charges for the construction of Trimble County Unit 2 (TC2) are allocated among the joint owners according to their respective ownership percentages. IMEA and IMPA are billed 25% of the amounts allocated to both KU and LG&E in the current month. The actual capital costs for TC2 are booked in the current month through either the Accounts Payable system or manual accruals, depending on the timing of the invoices submitted. TC2 accruals are received from the Project Engineering department, posted and reversed in the subsequent month. True-ups of actual costs are performed on a quarterly basis to ensure that all allocation percentages are correct.

Capital costs, fuel, and operating and maintenance expenses incurred only for use at TC2 are allocated according to the 19% LG&E, 81% KU gross ownership split. Capital costs, fuel and operating and maintenance expenses incurred for both TC2 and Trimble County Unit 1 (TC1), the existing coal-fired generating unit at the Trimble County facility, are allocated based on the respective nameplate ratings (52% to LG&E and 48% to KU). Charges allocated to TC1 are recorded 100% to LG&E.

Note: See Costs of Jointly Owned Combustion Turbines Tab for Combined Cycle Gas Combustion Turbine

## ALLOCATION OF JOINTLY-USED BUILDINGS AND EQUIPMENT

### LG&E Center

Expenses incurred for renting a portion of the LG&E Center are billed to affiliates of LG&E and KU Energy LLC (LKE) for the occupation of office space by employees of LG&E and KU Services Company.

The monthly allocation of rent expense for the LG&E Center (comprised of a portion of the basement, a portion of the first floor (lobby), the second floor, the third floor effective as of the floor expansion commencement date, floors four through sixteen, the twenty-third floor, and common areas for which LG&E is billed) is based on the Number of Employees ratio as described in the Cost Allocation Manual and as calculated annually for the LG&E Center. Charges are allocated to LG&E, KU and LG&E and KU Capital LLC. The operation and maintenance expenses are allocated and charged to LKE in equal portions over each annual period and adjusted annually. These expenses are not considered part of LKE's minimum lease payments.

### Jointly-Used Assets

Jointly-Used Assets are buildings and related assets such as parking lots and driveways which were originally constructed and owned by a single company (generally either LG&E or KU) but are subsequently being used by more than one company. Rent is charged to the companies benefitting from the use of the building assets by the company owning the building.

Jointly used assets include the following locations:

- Broadway Office Complex
- One Quality Street
- Dix Transmission Control
- LG&E Building Leasehold Improvements
- Pineville Call Center
- Morganfield

In addition, the Simpsonville Data Center is a *jointly-owned* asset (by LG&E and KU) which is jointly-used by PPL Services Corporation. Rent is charged to PPL based on the terms of a specific agreement between LG&E and KU Services Company (LKS) and PPL Services Corporation, known as the Hosting Services Agreement.

### LKS Assets

Certain assets (mainly IT assets, such as PC's, and office furniture) reside on the books of LKS. These assets are used by the LKS employees to aid them in the performance of their services for the other affiliates. The depreciation on these assets is allocated based on how the LKS employees charged their time using their respective CAM ratios.

## COSTS OF JOINTLY OWNED COMBUSTION TURBINES

### Simple Cycle Combustion Turbines

LG&E and KU jointly own ten combustion turbines (CT) located at the Paddy's Run facility, Trimble County Generating Station, and E.W. Brown facility. All operations and maintenance expenses attributable to the Paddy's Run, Trimble County, and E.W. Brown CTs are accumulated and billed according to the percentage of ownership. The percentage of ownership and megawatt capacity is listed in the table below (capacity based on net summer capability).

<b>Facility</b>	<b>MW Capacity</b>	<b>LG&amp;E</b>	<b>KU</b>
Paddy's Run 13	147	53%	47%
Trimble County 6	157	29%	71%
Trimble County 7	157	37%	63%
Trimble County 8	157	37%	63%
Trimble County 9	157	37%	63%
Trimble County 10	157	37%	63%
E.W. Brown 5	112	53%	47%
E.W. Brown 6	146	38%	62%
E.W. Brown 7	146	38%	62%

Automated allocations are processed in the Oracle General Ledger system and generate intercompany transactions between LG&E and KU. All transactions flow through the intercompany receivable account. The costs for the Paddy's Run and Trimble County CTs are accumulated in LG&E and transferred to KU per the ownership percentage. The costs for the E.W. Brown CTs are accumulated in KU and transferred to LG&E per the ownership percentage.

When costs are accumulated in LG&E and transferred to KU, an intercompany receivable is debited and the appropriate expense is credited. KU debits the appropriate expense account and credits an intercompany receivable. When costs are accumulated in KU and transferred to LG&E, an intercompany receivable is debited and the appropriate expense is credited. LG&E debits the appropriate expense account and credits an intercompany receivable. The amounts are then netted to establish an intercompany receivable for KU or LG&E and an intercompany payable for LG&E or KU.

Capital charges are paid by one of the utilities and allocated to the other based on percentage of ownership. Additionally, manual journal entries are prepared each month for the applicable portion of the gas used by the CTs. The journal entries split the gas cost between LG&E and KU based on the percentage of ownership.

### **Combined Cycle Gas Combustion Turbine**

In 2012, LG&E and KU commenced construction of a 640 MW summer capacity Natural Gas Combined Cycle (NGCC) Plant at the Cane Run Site owned by LG&E. This unit (Cane Run 7) is jointly owned by LG&E (22%) and KU (78%). Cane Run 7 project is the part of a least cost plan to meet the 877 MW of new generation requirements defined in the 2011 Integrated Resource Plan. Capital costs of Cane Run 7 are allocated according to the 22% LG&E and 78% KU ownership split.

## **CASH COLLECTED AND PAID BY LG&E ON BEHALF OF KU**

For the convenience of our suppliers and customers for purchased power and off system sales, and due to generating units being jointly dispatched, KU and LG&E have combined their billing and payments. This gives the appearance of one company to customers and suppliers.

Internally, sales and purchases are split between KU and LG&E and each company records its payable and receivable to the appropriate account. This split is documented on a monthly spreadsheet from the Revenue Accounting and Analysis department.

As LG&E makes payments to various vendors for purchased power, the disbursement request is split into the appropriate portions applicable to each company. LG&E issues the payment through its Accounts Payable Department and bills KU for the expenditures made on behalf of KU. The Oracle General Ledger system automatically creates the Intercompany payable and receivable as transactions are posted. The amount KU owes LG&E is included on the Intercompany billing from LG&E.

As LG&E receives payments for power sales, the money received is split into the appropriate amounts for each company and a monthly journal entry for the cash received on behalf of KU is recorded to create a payable to KU.

As payments are received by LG&E (KU) for off system sales, some of the same customers may have sold power to LG&E (KU). For the customers' convenience, when the contract allows, the payments are netted. Netted payments are booked by each utility as the gross amount of the receivable and payable so that cash received by LG&E (KU) reflects what was owed as both an Intercompany receivable and an Intercompany payable.

In addition, certain other receivables and payables which benefit both LG&E and KU are processed through only one of the companies for convenience or efficiency. The cash received and disbursement requests are split into the appropriate portions applicable to each company.

Intercompany receivables and payables are billed on the normal billing to the respective company and settled on the 13<sup>th</sup> business day of the month following the transaction. See Tab 3 for a description of the intercompany monthly invoices.

Intercompany interest is calculated for these transactions that are paid/held and settled through Intercompany in compliance with service agreements. Interest is calculated on a daily-accumulated balance of monies received and paid by LG&E on behalf of KU, and vice versa. Interest is calculated from the day the money is received or paid through the day of the Intercompany cash

settlement. The interest rate is a 360-day Goldman Sachs rate, which is supplied by Treasury. A monthly journal entry is created to book the interest receivable/payable from this calculation.

## **I. INTRODUCTION**

PUHCA 2005 states that centralized service companies must maintain and make available to the FERC their books, accounts and other records in the specific manner and preserve them for the required periods as the FERC prescribes in Title 18 Code of Federal Regulations Part 368 of the FERC Uniform System of Accounts. These records must be in sufficient detail to permit examination, audit, and verification, as necessary and appropriate for the protection of utility customers with respect to jurisdictional rates. The purpose of this CAM is to document the methods, policies and procedures that Servco will follow in performing certain services for affiliate companies. In developing this CAM the overriding goal was to protect investors and consumers by ensuring the methods, policies and procedures contained in this CAM were PUHCA 2005 compliant so that Servco costs are fully segregated, and fairly and equitably allocated among the affiliate companies. Servco was authorized to conduct business as a service company for LKE and its various subsidiaries and affiliates by order of the SEC on December 6, 2000, and commenced operations January 1, 2001. LKE is a Kentucky limited liability company and the parent of KU and LG&E. KU and LG&E are subject to the jurisdiction of and oversight by the KPSC. In addition, KU is subject to the jurisdiction of and oversight by the VSCC and the Tennessee Regulatory Authority. Under Kentucky regulatory law, KU and LG&E are required to have a cost allocation manual on file with the KPSC. KU is required to have a services agreement for any affiliate transaction approved by the VSCC prior to the transaction.

Periodic changes to the CAM may be necessary due to future management decisions, changes in the law, interpretations by state or federal regulatory bodies, changes in structure or activities of affiliates, or other internal procedures.

## **II. CORPORATE ORGANIZATION**

### **OVERVIEW**

LKE is an indirect wholly-owned subsidiary of PPL, headquartered in Allentown, Pennsylvania. LKE has five direct subsidiaries: LG&E, KU, LKC, LEM, and Servco. LKE has an affiliate relationship with LKE Foundation due to overseeing all operations of the foundation.

LKE and its utility subsidiaries are engaged principally in the generation, transmission, distribution and sale of electricity. LG&E is also engaged in the storage, distribution, and sale of natural gas. LKE and its subsidiaries are subject to the regulatory provisions of PUHCA 2005. LG&E and KU are subject to regulation by the FERC and the KPSC. KU is also subject to regulation by state utility commissions in Virginia and Tennessee.

### **UTILITY OPERATIONS**

LG&E, incorporated in Kentucky in 1913, is a regulated public utility engaged in the generation, transmission, distribution and sale of electric energy and the storage, distribution and sale of natural gas. LG&E is a wholly-owned subsidiary of LKE. LG&E supplies electricity and natural gas to customers in Louisville and adjacent areas in Kentucky. LG&E's electric service

## **LG&E and KU Services Company Cost Allocation Manual**

area covers approximately 700 square miles in 9 counties in Kentucky and its natural gas service area covers the same area and an additional 8 counties in Kentucky.

KU, incorporated in Kentucky in 1912 and in Virginia in 1991, is a regulated public utility engaged in the generation, transmission, distribution and sale of electric energy in Kentucky, Virginia and Tennessee. KU is a wholly-owned subsidiary of LKE. KU provides electricity to customers in 77 counties in central, southeastern and western Kentucky, to customers in 5 counties in southwestern Virginia and to fewer than 5 customers in Tennessee.

### **SERVICE COMPANY**

Servco, a Kentucky corporation, is a centralized service company registered under PUHCA 2005 and is authorized to conduct business as a service company for LKE and its various subsidiaries and affiliates by order of the SEC dated December 6, 2000, and commencing operation January 1, 2001. Servco is the service company for affiliated entities, including LKE, LG&E, KU, LKC, and LEM and provides a variety of administrative, management, engineering, construction, environmental and support services. Servco provides its services at cost, as permitted under PUHCA 2005.

Development of the Servco organization was predicated on the fact that if the employee performed activities benefiting more than one affiliate, that employee would become a part of the Servco organization. In many respects, employees working in typical finance, administrative and general, management and other support departments are fully subject to Servco organizational placement.

Many operational employees dedicated to providing a service to just one affiliate, by definition, are not subject to Servco placement. However management and support staff overseeing the business activities of more than one of these operational groups are subject to Servco placement.

On September 30, 2010, Servco changed its legal name to LG&E and KU Services Company from E.ON U.S. Services Inc.

### **OTHER BUSINESS OPERATIONS**

LKE Foundation, a charitable foundation exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, makes charitable contributions to qualified entities.

LKC is a holding company for other LKE non-utility businesses which are generally inactive from an operational standpoint, but have certain remaining support or contingent business obligations.

LEM is an inactive non-utility company.

Servco transacts business for LKE Foundation, LKC, LEM and PPL and its affiliates on behalf of LKE.

## LG&E and KU Services Company Cost Allocation Manual

### III. TRANSACTIONS WITH AFFILIATES

#### OVERVIEW

LKE formed Servco, as a service company to provide services for affiliated companies. Servco and affiliated companies (or their parent entities) may enter into service agreements, which may establish the general terms and conditions for providing those services, including those mentioned in Section IV of the CAM.

At formation certain LG&E, KU and LKE employees became employees of Servco and such employees continued to provide services to the regulated and non-regulated entities.

Regulated affiliates receive services at cost, pursuant to the service agreements. Non-regulated affiliates generally receive services at cost; however, certain services may permit pricing at fair-market value. The provisions included in contracts or service agreements govern transactions between Servco and the regulated and non-regulated affiliates.

KU and LG&E are required by the KPSC and the VSCC to use the “stand alone” method for allocating their respective tax liabilities (or tax benefits) so that such tax liabilities (or tax benefits) will not exceed the tax liabilities (or tax benefits) each would incur if it filed its tax returns separately from the consolidated returns filed by PPL Corporation. KU and LG&E have filed a separate PPL Corporation and Subsidiaries tax allocation agreement with the KPSC and the VSCC. The allocation of the respective tax liabilities (or tax benefits) of KU and LG&E therefore are not within the scope of this CAM.

#### Definitions of Cost

***Tariff Rate*** – The price charged to customers under applicable tariffs on file with federal or state regulatory commissions.

***Fair Market Value*** – The price held out by a providing entity to the general public in the normal course of business (i.e. the price at which a reasonable buyer and a reasonable seller are willing to transact in the normal course of business).

***Cost*** – The charge used for transactions with affiliates for which no tariff rate or fair market value is applicable. Servco follows the definition of cost defined in PUHCA 2005.

### V. COST ASSIGNMENT METHODS

#### OVERVIEW

The costs of services provided by Servco will be directly assigned, distributed or allocated by activity, project, program, work order or other appropriate basis. The primary basis for charges to affiliates is the direct charge method (see section VI for time reporting procedures). The methodologies listed below pertain to all other costs which are not directly assigned but which make up the fully distributed cost of providing the service.

***Directly Assignable*** – Expenses incurred for activities and services exclusively for the benefit of one affiliate. In many respects, these types of expenses relate to non-Servco employees that perform dedicated services to one affiliate, although Servco employees also directly report where feasible.

***Directly Attributable*** – Expenses incurred for activities and services that benefit more than one affiliate and which can be apportioned using direct measures of costs causation.

***Indirectly Attributable*** – Expenses incurred for activities and services that benefit more than one affiliate and which can be apportioned using general measures of cost causation.

***Unattributable*** – Expenses or portions thereof incurred for activities and services that have been determined as not appropriate for apportionment. The unattributable portions of these costs relate primarily to activities such as corporate diversification, political or philanthropic endeavors and, as such, may be charged, in whole or in part, to LKC.

## LG&E and KU Services Company Cost Allocation Manual

### ASSIGNMENT METHODS

Servco will allocate the costs of service among the affiliated companies using one of several methods that most accurately distributes the costs. The method of cost allocation varies based on the department rendering the service. Any of the methods may be adjusted for any known and reasonably quantifiable events, or at such time as may be required due to significant changes in the business, but are generally determined annually. The assignment methods used by Servco are as follows:

**Contract Ratio** – Based on the sum of the physical amount (i.e. tons of coal, cubic feet of natural gas) of the contract for both coal and natural gas for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affected affiliate company and the denominator of which is for all operating companies and affected affiliate companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Departmental Charge Ratio** – A specific Servco department ratio based upon various factors. The departmental charge ratio typically applies to indirectly attributable costs such as departmental administrative, support, and/or material and supply costs that benefit more than one affiliate and that require allocation using general measures of cost causation. Methods for assignment are department-specific depending on the type of service being performed and are documented and monitored by the Budget Coordinators for each department. The numerator and denominator vary by department. The ratio is based upon various factors such as labor hours, labor dollars, departmental or entity headcount, capital expenditures, operations & maintenance costs, retail energy sales, charitable contributions, generating plant sites, average allocation of direct reports, net book value of utility plant, total line of business assets, electric capital expenditures, substation assets and transformer assets. These ratios are calculated on an annual basis. Any changes in these ratios will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in any of these ratios from that used in the prior year.

**Electric Peak Load Ratio** – Based on the sum of the monthly electric maximum system demands for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company and the denominator of which is for all operating companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Energy Marketing Ratio** – Based on the absolute value of megawatt hours purchased and sold for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affiliate and the denominator of which is for all operating companies and affected affiliate companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

## **LG&E and KU Services Company Cost Allocation Manual**

**Generation Ratio** – Based on the annual forecast of megawatt hours, the numerator of which is for an operating company or an affiliate and the denominator of which is for all operating companies and affected affiliate companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Non-Fuel Material and Services Expenditures** – Based on non-fuel material and services expenditures, net of reimbursements, for the immediately preceding twelve consecutive calendar months. The numerator is equal to such expenditures for a specific entity and/or line-of-business as appropriate and the denominator is equal to such expenditures for all applicable entities. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Number of Customers Ratio** – Based on the number of retail electric and/or gas customers. This ratio will be determined based on the actual number of customers at the end of the previous calendar year. In some cases, the ratio may be calculated based on the type of customer class being served (i.e. Residential, Commercial or Industrial). The numerator is the total number of each Company's retail customers. The denominator is the total number of retail customers for both LG&E and KU. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Number of Employees Ratio** – Based on the number of employees benefiting from the performance of a service. This ratio will be determined based on actual counts of applicable employees at the end of the previous calendar year. A two-step assignment methodology is utilized to properly allocate Servco employee costs to the proper legal entity. The numerator for the first step of this ratio is the total number of employees for each specific company, and the denominator is the total number of employees for all companies in which an allocator is assigned (i.e. LG&E, KU and Servco). For the second step, the ratio of Servco to total employees will then be allocated to the other companies (LG&E, KU and LKC) based on each company's ratio of labor dollars to total labor dollars. (LKC has no employees, but non-utility related labor is charged to it.) This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Number of Meters Ratio** – Based on the number or types of meters being utilized by all levels of customer classes within the system for the immediately preceding twelve consecutive calendar months. The numerator is equal to the number of meters for each utility and the denominator is equal to the total meters for KU and LG&E. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Number of Transactions Ratio** – Based on the sum of transactions occurring in the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affected affiliate company and the denominator of which is for all operating companies and affected affiliate companies. For example, services pertaining to Materials Logistics would define the

## **LG&E and KU Services Company Cost Allocation Manual**

transaction as the number of items ordered, picked and disbursed out of the warehouse. Services pertaining to Accounts Payable would define the transaction as the number of invoices processed. The Controller's organization is responsible for maintaining and monitoring specific product/service methodology documentation for actual transactions related to Servco billings. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Project Ratio** – Based on the total costs for any departmental or affiliate project for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affected affiliate company and the denominator of which is for all operating companies and affected affiliate companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Retail Revenue Ratio** – Based on utility revenues, excluding energy marketing revenues, for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affiliate and the denominator of which is for all operating companies and affected affiliate companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Revenue Ratio** – Based on the sum of the revenue for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affected affiliate company and the denominator of which is for all operating companies and affected affiliate companies. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Revenue, Total Assets and Number of Employees Ratio** – Based on an average of the revenue, total assets and number of employees ratios. This ratio is independently calculated for LG&E and KU. The numerator is the sum of Revenue Ratio, Total Assets Ratio and Number of Employees Ratio for the specific company. The denominator is three – the number of ratios being averaged. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Total Assets Ratio** – Based on the total assets at year end for the preceding year. In the event of joint ownership of a specific asset, asset ownership percentages are utilized to assign costs. The numerator is the total assets for each specific company at the end of the preceding year. The denominator is the sum of total assets for each company in which an allocator is assigned (LG&E, KU and LKC). This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

## **LG&E and KU Services Company Cost Allocation Manual**

**Total Utility Plant Assets Ratio** – Based on the total utility plant assets at year end for the preceding year, the numerator of which is for an operating company or affected affiliate company and the denominator of which is for all operating companies and affected affiliate companies. In the event of joint ownership of a specific asset, ownership percentages are utilized to assign costs. This ratio is calculated on an annual basis. Any changes in the ratio will be determined no later than May 1<sup>st</sup> of the following calendar year, and charges to date will be reallocated for any significant changes in the ratio from that used in the prior year.

**Transportation Resource Management System Chargeback Ratio** – Based on the costs associated with providing and operating transportation fleet for all affiliated companies including developing fleet policy, administering regulatory compliance programs, managing repair and maintenance of vehicles and procuring vehicles. Such rates are applied based on the specific equipment employment and the measured usage of services by the various company entities. This ratio is calculated monthly based on the actual transportation charges from the previous month. The numerator is the department labor charged to a specific company. The denominator is the total labor costs for the specific department. The ratio is then multiplied by the total transportation costs to determine the amount charged to each company.

**Utility Ownership Percentages** – Based on the contractual ownership percentages of jointly-owned generating units. This ratio is updated as a result of a new jointly-owned generating unit, and is based on the total forecasted energy needs. The numerator is the specific company's forecasted incremental capacity and/or energy needs. The denominator is the total incremental capacity and/or energy needs of all companies.

## **VI. TIME DISTRIBUTION, BILLING AND ASSET TRANSFER POLICIES**

### **OVERVIEW**

Servco utilizes Oracle or other financial systems in which project/task combinations are set up to equate to services. In some cases, departments have set up many projects/tasks that map to services. In many cases, there is a one to one relationship between the project/task and the service. The Oracle system also automatically captures the home company (providing the service) and the charge company (receiving the service). Regardless of the method of reporting, charges related to specific services reside on the company receiving the service and therefore can be identified for billing purposes as well as for preparation of Servco financial statements. This ensures that:

1. Separation of costs between regulated and non-regulated affiliates will be maintained
2. Intercompany transactions and related billings are structured so that non-regulated activities are not subsidized by regulated affiliates
3. Adequate audit trails exist on the books and records

### **BILLING POLICIES**

Billings for transactions between Servco and affiliates are issued on a timely basis with documentation sufficient to provide the receiving party with enough detail to understand the nature of the billing, the relevant components, and other information as required by affiliates. Financial settlements for transactions are made within 30 days. Interest charges, which are based on market rates for similar maturities of similarly rated entities as of the date of the loan, may apply.

### **ASSET TRANSFERS**

Unless otherwise permitted by regulatory authority or exception, (i) transfers or sales of assets from regulated affiliates to non-regulated affiliates will be priced at the greater of cost or fair market value; (ii) transfers or sales of assets from non-regulated affiliates to regulated affiliates will be priced at the lower of cost or fair market value and (iii) transfers of assets between regulated affiliates shall be priced at no more than cost less depreciation. Settlement of liabilities will be treated in the same manner.

## **TIME DISTRIBUTION**

Servco has three methods of distribution to record employee salaries and wages while providing services for the affiliated entities: Positive time reporting, allocation time reporting and exception time reporting. Each department's job activities will dictate the time reporting method used.

### **Positive Time Reporting**

Positive time reporting or direct time reporting requires all employees in a department to track all chargeable hours every day. Time may be charged to the nearest quarter hour.

Departments that have positive time reporting have labor-based activities that are easily trackable given the project/task code combinations noted above. All employees are given appropriate project numbers that are associated with the service that is being provided. The proper coding for direct assignment of costs is on various source documents, including the Virtual Online Time System (VOLTS) and disbursement requests. Each department or project manager is responsible for ensuring employees charge the appropriate charge codes for the services performed. This form of time reporting is documented in the VOLTS, which upon completion, is approved by the employees' immediate supervisor.

### **Allocation Time Reporting**

Allocation time reporting allows for certain departments to set up a predefined allocation percentage to affiliated company project/tasks. This is typically the case when the department is transaction-based, therefore, performing routine, similar tasks benefiting multiple affiliates. Each department will use its ratio (see ratio assignment listing in section V) that was assigned by its Budget Coordinator to allocate the appropriate time to individual charge numbers that are associated to that department's services. Unless otherwise permitted by regulatory authority or exception, the selection of ratios and the calculation of allocation percentages should be derived from or bear relationship to an empirical analysis of a prior representative period. These allocation percentages are reviewed on an annual basis to update to actual allocation percentages when needed.

### **Exception Time Reporting**

If an employee was working on a completely new project that had not been defined within the monthly or annual allocation process, then the employee would be given the new allocation with project/task code, update his/her time allocation accordingly and get his/her manager's approval. If an allocation from a previous pay period needs to be adjusted then that correction can be entered into the VOLTS by using the "in and out" function.

### Note 1 – Organization of LG&E and KU Services Company

LG&E and KU Services Company (“LKS” or the “Company”), a Kentucky corporation, is a wholly-owned subsidiary of LG&E and KU Energy LLC (“LKE”) and a centralized service company under the Public Utility Holding Company Act of 2005 (“PUHCA 2005”). LKE, in turn, is a wholly-owned subsidiary of PPL Corporation (“PPL”) and LKS became an indirect, wholly-owned subsidiary of PPL when PPL acquired all the limited liability company interests of LKE from E.ON US Investments Corp. on November 1, 2010. On December 1, 2010, PPL and certain subsidiaries, including LKE, filed a notification of holding company status with the Federal Energy Regulatory Commission (“FERC”) under PUHCA 2005. LKE had previously been party to such a notification filed on June 15, 2006 by E.ON AG, its former parent. LKS originally was authorized to conduct business as a service company for E.ON U.S. LLC (formerly LG&E Energy LLC) and its various subsidiaries and affiliates by order of the Securities and Exchange Commission dated December 6, 2000, and commenced operations January 1, 2001.

LKS provides certain services to affiliated entities, including LKE, LG&E and KU Capital LLC (“LKC”), LG&E Energy Marketing Inc. (“LEM”), Louisville Gas and Electric Company (“LG&E”), Kentucky Utilities Company (“KU”), Western Kentucky Energy Corp., and LG&E International Inc., at cost. LKS is organized along functional lines to accomplish its purpose of providing management, administrative, and technical services. These services are priced at cost which represents market.

### Note 2 - Summary of Significant Accounting Policies

Effective January 1, 2008, LKS transitioned to the FERC Uniform System of Accounts for Centralized Service Companies Subject to the Provisions of PUHCA 2005. The accompanying financial statements were prepared in accordance with the accounting requirements set forth in the Uniform System of Accounts and published accounting releases of the FERC, which is a comprehensive basis of accounting other than GAAP.

**Property.** Property, plant and equipment include property that is in use and under construction, and is reported at cost. PP&E was not recorded at fair value as of the PPL acquisition for FERC-reporting purposes.

**Depreciation and Amortization.** Depreciation is computed on a straight-line basis. Office furniture is depreciated over 30 years and personal computers are depreciated over 3 years.

**Income Taxes.** Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases, as measured by enacted tax rates that are expected to be in effect in the periods when the deferred tax assets and liabilities are expected to be settled or realized. Significant management judgment is required in developing the provision for income taxes, primarily due to the uncertainty related to tax positions taken or expected to be taken in tax returns and determination of deferred tax assets and liabilities and valuation allowances. Accounting standards prescribe a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Uncertain tax positions are analyzed periodically and adjustments are made when events occur to

warrant a change. Tax contingencies are analyzed periodically and adjustments are made when events occur to warrant a change. See also Note 6, Income Taxes, for additional tax information.

**Accumulated Deferred Income Taxes.** Deferred income taxes reflect the net future tax effects of temporary differences between the carrying amounts of assets and liabilities for accounting purposes and their basis for income tax purposes, as well as the tax effects of net operating losses and tax credit carryforwards. See Note 6, Income Taxes.

**Use of Estimates.** The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Note 3 - Acquisition by PPL

On November 1, 2010, PPL completed its acquisition of LKE and its subsidiaries. The acquisition was accounted for using the purchase method of accounting in accordance with GAAP, and the applicable effects were "pushed down" or reflected on the financial statements of the subsidiaries as of the acquisition date. Accordingly, the financial statements were presented showing the predecessor and successor accounting periods.

The push-down basis of accounting was used to record the fair value adjustments of assets and liabilities on LKE and its subsidiaries at the acquisition date. The fair value of the consideration was paid by PPL to E.ON AG. Adjustments on November 1, 2010 were made to record pension assets at fair value, re-measure pension and postretirement benefit obligations at current discount rates, and eliminate accumulated other comprehensive income (loss) and retained earnings.

### Note 4 - Related Party Transactions

#### Provisions of Services

LKS engages in transactions in the normal course of business with other LKE subsidiaries. These transactions are primarily composed of services received and/or rendered.

LKS provides the subsidiaries of LKE with a variety of centralized administrative, management and support services. Charges for these services include labor and burdens of LKS employees performing services for the subsidiaries of LKE and vouchers paid by LKS on behalf of the subsidiaries of LKE. The cost of these services is directly charged or, for general costs which cannot be directly attributed, charged based on predetermined allocation factors, including the ratios discussed in Methods of Allocations on pages 402.1 – 402.4.

Intercompany billings from LKS are listed on page 307, Analysis of Billing – Associate Companies (Account 457). These billings do not include convenience payments which are shown as a footnote to page 106, line 39, column b.

### Note 5 - Pension and Other Postretirement Benefit Plans

Although LKS does not directly sponsor any defined benefit plans, it is allocated a portion of the funded status and costs of plans sponsored by LKE based on its participation in those plans, which management believes

are reasonable. The defined benefit pension plans of LKE and its subsidiaries were closed to new employees hired after December 31, 2005. Employees hired after December 31, 2005 receive additional company contributions above the standard matching contributions to their savings plans. The actuarially determined obligations of current active employees and retired employees of LKS are used as a basis to allocate total plan activity, including active and retiree costs and obligations. LKS's allocated share of the funded status of the pension plans resulted in a liability of \$208 million and \$181 million at December 31, 2012 and 2011. LKS's allocated share of other postretirement benefits was a liability of \$7 million at December 31, 2012 and 2011, respectively.

### Contributions

LKS made contributions to the defined benefit pension plan of \$18 million and \$38 million in 2012 and 2011, respectively. Contributions to Supplemental Executive Retirement Plan payments totaled \$2 million in both 2012 and 2011. In 2013, LKS made a contribution of \$48 million to the pension plan.

LKS is not required to make contributions to the other postretirement benefit plan in which it participates in but has historically funded this plan in amounts equal to the postretirement benefit costs. LKS funded this plan \$1 million and \$4 million in 2012 and 2011, respectively. Continuation of this past practice would cause LKS to contribute \$1 million to the other postretirement benefit plan in 2013.

### Savings Plans

Substantially all of LKS's employees are eligible to participate in deferred savings plans (401(k)s). Employer contributions to the plans were \$5 million and \$4 million for the 12 months ended December 31, 2012 and 2011.

### Health Care Reform

In March 2010, health care reform was signed into law. Many provisions of health care reform do not take effect for an extended period of time, and most will require the publication of implementing regulations and/or issuance of program guidelines.

Beginning in 2013, provisions within Health Care Reform eliminate the tax deductibility of retiree health care costs to the extent of federal subsidies received by plan sponsors that provide retiree prescription drug benefits equivalent to Medicare Part D Coverage. LKS will continue to monitor the potential impact of any changes to the existing provisions and implementation guidance related to Health Care Reform on its benefit programs.

### **Note 6 - Income Taxes**

LKS's federal income tax return is included in a United States consolidated income tax return filed by LKS's parent, PPL Corporation. Each subsidiary of the consolidated tax group calculates its separate income tax for each period. The resulting separate-return tax cost or benefit is paid to or received from the parent company or its designee. The Company also files income tax returns in various state jurisdictions. The tax years 2009 and ten months ending October 31, 2010, remain open under the standard three year statute of limitations; however, the IRS has completed the audit of these periods under the Compliance Assurance Process, effectively closing them to audit adjustments.

Schedule XXI - Methods of Allocation			

**Contract Ratio** – Based on the sum of the physical amount (i.e. tons of coal, cubic feet of natural gas) of the contract for both coal and natural gas for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affected affiliate company and the denominator of which is for all operating companies and affected affiliate companies.

**Departmental Charge Ratio** – A specific Servco department ratio based upon various factors. The departmental charge ratio typically applies to indirectly attributable costs such as departmental administrative, support, and/or material and supply costs that benefit more than one affiliate and that require allocation using general measures of cost causation. Methods for assignment are department-specific depending on the type of service being performed and are documented and monitored by the Budget Coordinators for each department. The numerator and denominator vary by department. The ratio is based upon various factors such as labor hours, labor dollars, departmental or entity headcount, capital expenditures, operations & maintenance costs, retail energy sales, charitable contributions, generating plant sites, average allocation of direct reports, net book value of utility plant, total line of business assets, electric capital expenditures, substation assets and transformer assets.

**Electric Peak Load Ratio** – Based on the sum of the monthly electric maximum system demands for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company and the denominator of which is for all operating companies.

**Energy Marketing Ratio** – Based on the absolute value of megawatt hours purchased and sold for the immediately preceding twelve consecutive calendar months, the numerator of which is for an operating company or an affiliate and the denominator of which is for all operating companies and affected affiliate companies.

**Generation Ratio** – Based on the annual forecast of megawatt hours, the numerator of which is for an operating company or an affiliate and the denominator of which is for all operating companies and affected affiliate companies.

**Non-Fuel Material and Services Expenditures** – Based on non-fuel material and services expenditures, net of reimbursements, for the immediately preceding twelve consecutive calendar months. The numerator is equal to such expenditures for a specific entity and/or line-of-business as appropriate and the denominator is equal to such expenditures for all applicable entities.

**Number of Customers Ratio** – Based on the number of retail electric and/or gas customers. This ratio will be determined based on the actual number of customers at the end of the previous calendar year. In some cases, the ratio may be calculated based on the type of customer class being served (i.e. Residential, Commercial or Industrial). The numerator is the total number of each Company's retail customers. The denominator is the total number of retail customers for both LG&E and KU.

**Number of Employees Ratio** – Based on the number of employees benefiting from the performance of a service. This ratio will be determined based on actual counts of applicable employees at the end of the previous calendar year. A two-step assignment methodology is utilized to properly allocate Servco employee costs to the proper legal entity. The numerator for the first step of this ratio is the total number of employees for each specific company, and the denominator is the total number of employees for all companies in which an allocator is assigned (i.e. LG&E, KU and Servco). For the second step, the ratio of Servco to total employees will then be allocated to the other companies (LG&E, KU and LKC) based on each company's ratio of labor dollars to total labor dollars. (LKC has no employees, but non-utility related labor is charged to it.)
