RE: Update to TDS Telecom's Federal 481 Filing

Dear Mr. Derouen:

Last week, TDS Telecom submitted an electronic Erratum filing with the FCC to correct our 481 filing (annual reporting requirements of 47 CFR § 54.313 and § 54.422).

The purpose of the Erratum filing was to correct Lines 510 and 610 of FCC Form 481 (rules 54.313(a)(5) and 54.313(a)(6)). Specifically, the original filing did not include documents describing how we comply with: a) Service Quality Standards and Consumer Protection Rules and, b) the Ability to Function in an Emergency.

Enclosed are the Line 510 and 610 documents for our Kentucky ILEC companies. Please insert these pages into the "Attachments" section of the copies previously sent.

Feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Bruce Schiefelbein".
