RE: Public Service Commission Case No. 2005-00467 and 2005-00472  
Application of Louisville Gas and Electric Company and Kentucky Utilities  
Company For a Certificate of Public Convenience and Necessity for the  
Construction of Transmission Facilities In Jefferson, Bullitt, Meade, and Hardin  
Counties, Kentucky

Dear Mr. Derouen;

Thank you for the cooperation that your staff has provided us. I'm sending a copy of your letter to opposing counsel, Honorable Matt Hess. What we're going to try to do is utilize the website to obtain the necessary records. We will then ask the Court to enter an order that will authenticate the records as a matter of course as opposed to obtaining certified records.

It is my understanding that all records necessary concerning these cases would be on the website. One question I have is that would include the maps. Your staff has been very kind and give the chairman David Armstrong my best regards, David and I go way back to when we were both Commonwealth Attorney's, he in Jefferson, myself in Hardin. Thanks.

Very truly yours,

Dwight Preston
