RE: PSC Case No. 2008-00371

Dear Mr. Johnson:

Can you please provide me with an update on the progress being made on the project approved in the above case number? We spoke on 8-24-2011 and you explained that this was a two year project. Do you have an estimated completion date? If you will please provide me with more information, I will be glad to update the case file and extend due dates as necessary. As a reminder, upon completion of the project, please have the engineers send me a copy of the as-builts and a certified letter of completion.

Thank you for your attention to this matter.

Sincerely,

Linda Faulkner
Filings Director
