Re: Case No. 2009-00548

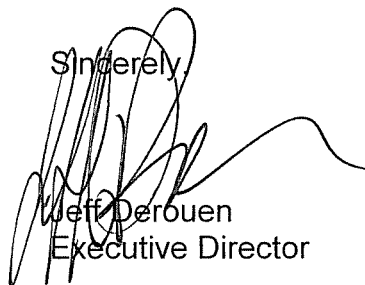

Dear Ms. Leonard:

My staff has informed me of a telephone message received from you where you requested that your March 5, 2010 letter, filed in the record in Case No. 2009-00548, be removed from the Commission's website. Your letter became part of the case file in the Commission's review of the application of Kentucky Utilities Company ("KU") for an adjustment of base rates.

Your letter raised concerns with KU's service and references a pending rate case. As such, your letter was filed as an official protest in the case file for KU's pending rate case, Case No. 2009-00548. We responded to your letter on April 20, 2010 and indicated that your letter was being treated as an official protest and would be placed in the case file of the proceeding. Our response further stated that you could view all documents filed in this case on the Commission's website. Once your letter was placed in the file for Case No. 2009-00548, your letter became a public record under the Kentucky Open Records Act and cannot now be removed from the Commission's website.

If you have any questions, please contact Faith Burns of the Commission staff at 502/564-3940, Extension 235.

Sincerely,

Jeff Derouen
Executive Director
