RE: PSC Case No. 2011-00053

Dear Mr. Capps:

The ordering paragraphs in the final order of Case No. 2011-00053 states the following:

- Cumberland District shall notify the Commission in writing at least seven days prior to the actual start of construction and at the 50 percent completion point.
- Within 60 days of the substantial completion of the construction approved in this Order, Cumberland District shall file a copy of the as-built drawings and a certified statement of a licensed professional engineer with a Kentucky registration in civil or mechanical engineering that the construction has been satisfactorily completed in accordance with the contract plans and specifications.

Would you please give me an update on the progress being made on this project?
Has the actual construction begun?

Thank you for your attention to this matter.

Sincerely,

Linda Faulkner
Filings Director
