The following pages recap the enrollment date, individual monthly electric usage, and bill amounts for each PrePay participant. This report focuses on June 2011, when Nolin's PrePay Program began, through December 31, 2012. Each month's information is listed under the appropriate column (i.e. June 2011, July 2011, etc.). If a member had prior post-pay usage at this account, the date of the bill/usage/bill amount are listed in the appropriate column (i.e. July 2010, August 2010, etc.). Since Nolin RECC has four post-pay billing cycles, the billing dates are not an exact match with the PrePay billing dates. However, the placement of the information as well as the reporting of the billing dates allows for a visual comparison.
