RE: PSC Case No. 2011-00271

Dear Mr. Ballard:

The ordering paragraphs of the final order in PSC Case No. 2011-00271 state the following:

- *East Clark District shall notify the Commission in writing one week prior to the actual start of construction and at the 50-percent completion point.*
- *East Clark District shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein.*

We received a letter from you on September 19, 2011 informing us that construction had begun on the project. Could you please update me on the progress being made so that I can update the case file?

Thank you for your attention to this matter.

Sincerely,

Linda Faulkner  
Filings Director
