Re: Duke Energy Kentucky, Inc.  
Petition for Confidential Treatment received 5/17/12  
PSC Reference – Case No. 2012-00185

Dear Mr. D'Ascenzo:

The Public Service Commission has received the Petition for Confidential Treatment you filed on May 17, 2012 on behalf of Duke Energy Kentucky, Inc. ("Duke") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in Duke's Natural Gas Hedging Plan. The information is described as relating to volumes of gas purchased through the use of hedging instruments for its hedging plan and information regarding a new 3 year plan.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to Duke's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Duke Energy Kentucky, Inc. is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen  
Executive Director
