

individual property, which may have had multiple customers that will receive refunds pursuant to the Commission's Order.

The total amount to be reimbursed will be \$12,691.44. Fountain Run plans to reimburse those funds beginning in July 2014. It shall notify all pertinent customers by letter of their refund and request that those customers receive their refund in person at the Fountain Run office. Fountain Run plans of mailing the notices to the appropriate customers during the last week of June. By receiving the refund in person, Fountain Run can ensure proper disposition of the refunds, and each customer can sign a form acknowledging receipt of the refund. It will distribute the refunds only to the appropriate customer, someone possessing a power of attorney for that customer, or the personal representative of the estate of a deceased customer under appropriate circumstances. In August 2014, Fountain Run staff will attempt to contact customers that have not received their refund. The water district will comply with KRS Chapter 393 regarding property presumed to be abandoned for refunds that are not claimed within the statutory period.

Respectfully submitted,
