SUBJECT: PSC Case 2016-00362 - Authorization to Issue Securities

Dear Director Mathews,

We received the final order today for the above case authorizing our District to complete a bond sale to refund existing bonds. We realize we gave the Commission a shorter advance notice than normally provided.

I wanted to thank you and your staff for expediting this review and approval, in order that we can proceed with the final closing and sale. This will allow us to accept the previously received low bid interest rate on the new bonds, allowing us to actually save more than we had originally anticipated.

Again, thank you for your quick attention and processing our application.

Sincerely,

Jim Bruce
General Manager
