5. AVAILABILITY OF SERVICE TO DELINQUENT MEMBERS

If an application is received by a person residing with a delinquent member at the premises where power was supplied to the delinquent member, the application will be denied on the grounds that the applicant is applying as the agent of the delinquent member. If the application is accepted before the facts are established, the membership of the agent applicant will be cancelled and the deposit, if any, applied to the delinquent member's account.

6. RIGHT OF ACCESS

Each member shall, at the time of application, provide the Cooperative with permits or shall sign right-of-way easements furnished by said Cooperative. The Cooperative shall at all reasonable hours have access to meters, service connections, and other property owned by it and located on the Consumer's premises for purposes of placing, locating, building, constructing, operating, replacing, rebuilding, relocating, repairing, improving, enlarging, extending, and maintaining on, over, or under such lands and premises, or removing therefrom its electrical distribution system, new or existing lines, wires, poles, anchors and other necessary or appurtenant parts.

Any employee of the Cooperative whose duties require him to enter the customer's premises shall wear a distinguishing uniform or insignia, identifying him as an employee of the Cooperative, or carry on his/her person a badge or other identification which will identify him as an employee of the Cooperative, the same to be shown upon request.

12. BILLING

The Cooperative's billing period is on a monthly basis and shall be flexible so as to allow various billing cycles based upon the date of the monthly meter reading. Each month, the Cooperative shall render an electric service statement to each consumer for approximately thirty (30) days of service. The consumer shall pay the net amount of bill within ten (10) days of the date bill was rendered. If payment is not received by the Cooperative within fifteen (15) days of the date bill was rendered, the gross amount (as defined in the Rate Schedule) shall be due. Failure to receive the bill will not release the consumer from payment obligation; (also see # 21 , Discontinuance of Service, and # 35, Collection of Delinquent Accounts).

13. DEPOSITS

A deposit or suitable guarantee approximately equal to two times the average monthly bill may be required of any member before service is supplied, if the Cooperative deems it necessary to insure payment for the service it will render. Upon termination of service, the deposit may be applied against unpaid bills of the member and if any balance remains after such application is made, said balance is to be refunded to the member.

Interest shall be computed on said deposits at the rate of 6% annually. Said interest may be applied against unpaid bills of the member and any balance remaining after such application shall be refunded to the member.

exact amount by the due date each month will result in removal of this account from levelized billing program.

During months when the usage is the lowest, monthly payments will be larger than the actual usage and a credit will accumulate. During months of higher usage, payments will be smaller than actual usage and debits will accumulate. At the time of disconnect or removal of the account from this plan, all accumulated debits shall become due and payable or any credits accumulated shall be refunded or credited to the account.

The Cooperative may cancel a consumer's levelized account for estimated readings, delinquent account (untimely payment), or non-payment (returned checks or no payment), or failure to pay the exact amount of the bill.

15. PARTIAL PAYMENT PLAN

Consumers who are unable to pay their bills may come to the office during regular office hours and make arrangements for a partial payment plan and retention of service. The consumer must appear in person prior to [within forty-eight (48) hours from] the time the serviceman has arrived at the consumer's premises for collection of his bill or disconnection of his service.

The agreement must be in writing and be signed by the consumer. The minimum amount that the consumer will be allowed to pay and retain service is one-third (1/3) of the amount due or \$200.00, whichever is less [Ten Dollars (\$10.00)], which must be paid at the time the agreement is made. The remainder of his past-due account may be paid by equal monthly installments over a period of time not to exceed six (6) months from the date the agreement is made, or October 15, whichever is later. However, the consumer will be allowed to make a greater initial payment and pay the balance in less than six (6) months period. In addition to the monthly installments for the past-due amount, the consumer must also pay the current month's bill.
