RULES AND REGULATIONS

30. SERVICES PERFORMED FOR MEMBERS

The Cooperative's personnel shall not while on duty make repairs or perform service to the member's equipment or property except in cases of emergency or to protect the public or member's person or property. When such emergency services are performed, the member shall be charged for such service(s) at the rate of time and material used.

31. METER BASES

Each member shall provide his or her own meter base.

32. METER READING

Each consumer receiving service will read his meter and mark the reading on the combination bill/meter reading card which is mailed on or about the fifth (5th) day of each month. The Consumer will mail the card, along with payment, by the fifteenth (15th) day of each month.

A Consumer's meter reading card should reach the Cooperative on or before the twentieth (20th) day following rendering of the initial bill. If the consumer fails to read his meter for two (2) consecutive months, the Cooperative shall read the Consumer's meter on the third meter reading date and make a charge of \$10.00 for this service.

33. SEPARATE METER FOR EACH SERVICE

The Cooperative will normally furnish a single meter at the point of connection to the Consumer's premises. Any consumer desiring service at two or more separately metered points of connection to the system shall be billed separately at each point and the registration of such meters shall not be added for billing purposes.

34. FAILURE OF METER TO REGISTER

In the event a member's meter should fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) month period immediately preceding the failure or some other equitable basis.

35. COLLECTION OF DELINQUENT ACCOUNTS

Should it become necessary for the Cooperative to send a serviceman to the Consumer's premises for collection of a delinquent account, there will be a service-call charge of \$15.00 per trip, as stated in the second notice, which will be due and payable at the time such delinquent account is collected.

In the event a member is disconnected for non-payment of a delinquent account and requests reconnection during regular working hours, a \$15.00 service-call charge shall be collected in advance. After regular working hours, there will be a special charge in the amount of \$45.00 in addition to the \$15.00 service-call charge.

36. CHECKS RETURNED - UNHONORED BY BANK

When a check received in payment of a consumer's account is returned unpaid by the bank for any reason, the Cooperative will notify such consumer by form, letter, notice of returned check, stating the amount of the check and reason for its return. Returned checks will then be considered the same as a delinquent account and if payment in full is not received for the check within ten (10) business days after notice, service to the consumer will be discontinued twenty-seven (27) days after mailing date of the original bill for which such returned check was intended to pay, as prescribed under the section of Rules # 21 and # dealing with unpaid accounts. A \$6.00 service charge shall be added to all returned unhonored checks.

The Cooperative shall have the right to refuse to accept checks in payment of an account from any consumer that has demonstrated poor credit risk by having two or more checks returned unpaid from a bank for any reason.

41. TRANSIENT MEMBER CHARGE

Each membership shall entitle the member to one (1) free connect upon entering the Cooperative service area and one free disconnect upon termination of service within the entire Cooperative service area. Additional connects or disconnects within a twelve-month period shall be charged at the Daytime Service Charge Rate of \$15.00 or the Overtime Service Charge Rate of \$45.00, as applicable.

42. RELOCATION OF LINES

When the Cooperative is requested to relocate its facilities for any reason, any expense involved will be paid by the firm, person or persons requesting the relocation, unless one or more of the following conditions are met:

- A. The relocation is made for the convenience of the Cooperative.
- B. The relocation will result in a substantial improvement in the Cooperative's facilities or their relocation.
- C. That the relocation is associated with other regularly scheduled conversion or construction work and can be done at the same time.
