7. A charge of \$15 will be levied when a trip is made to collect a delinquent bill after proper notice.

8. Service will not be discontinued for nonpayment of bills without first having made a reasonable effort to induce the customer to pay the balance due. A 10-day written notice of cut-off will be given to the customer but the cut-off shall not be effected before 27 days after the mailing date of the original bill. This notice is separate from the bill and will include notification of state, local, and federal programs, if any, and their address, which provide assistance in payment of utility bills under certain conditions.

9. Lindsey & Elliott shall not be liable to Customer for discontinuance of service resulting from the plugging, abandonment, or change in the use of any of its wells. It is understood that the line from which Lindsey & Elliott supplies gas is not permanent and that service to the Customer by Lindsey & Elliott may cease, either temporarily or permanently, if Lindsey & Elliott in its sole discretion discontinues transportation of gas through that line. In such cases, either party hereto may cancel this arrangement on fifteen (15) days written notice without prejudice to the right of Lindsey & Elliott to continue to supply gas to other customers; and Lindsey & Elliott shall not be liable for any deficiency in the supply caused by the use of pumping stations, breakage of lines, or other causes, or for any claim for damage on account of any matters set forth in this paragraph.

10. For matters not addressed herein, Lindsey & Elliott adopts the applicable rules of the Public Service Commission.
