Application for New Water Service

The undersigned (hereinafter called the Applicant) hereby applies for water service in and agrees to purchase water from Peaks Mill Water District (hereinafter called the District) upon the following terms and conditions:

1. The Applicant will pay to the District the sum of \$ 1,160.00, which is for a connection fee/or a tap-on fee. If making payments, the entire amount must be paid within one year of the time the contract is signed. Payment plan to be attached. An additional fee may be assessed if solid rock is encountered during installation.
2. The Applicant will provide the necessary Plumbing Permit or Farmstead Exempt form (if more than 10 acres) prior to installation of new water service by the District. A \$25.00 service line inspection fee is required by the District for Farmstead Exempt property.
3. The Applicant will, when the water becomes available, purchase from the District all water used on the premises described below and will pay thereafter monthly at rates which will be fixed by the District Commissioners. The Applicant will pay a bill of at least \$ 27.81 per month regardless of the gallons used, if any.
4. The Applicant will comply with and be bound by the provisions of the Articles and Bylaws/or amendments thereof of the District and such Rules and Regulations as may, from time to time, be adopted by the District.
5. The Applicant will grant to the District at its request the necessary rights, privileges and easements to construct, operate, replace, repair and perpetually maintain on the property owned and occupied by the Applicant its line or lines for transmission and distribution of water, and will execute and deliver to the District any conveyance, grant or instrument which the District shall deem necessary or convenient for said purposes or any of them. All distribution lines supplying the Applicant with water and all meters and other equipment constructed or installed by the District on said property, except the service line as shall be paid for by the Applicant, shall at all times be the sole property of the District and the District shall have the right of access to said property and to repair and service, and upon the discontinuance of service for any reason, to remove the same.
6. The Applicant will not permit anyone else to connect to the District's water line and meter or the Applicant's service line without prior written consent of the District.
7. The Applicant is responsible for cost of repairing all damage done to meter tops (covers) regardless of who causes the damage (except by the District). The Applicant is cautioned that many meter tops are damaged by power mowers and by being run over by vehicles.

The acceptance of this application by the District shall constitute a binding contract between the Applicant and the District, and further consideration of said acceptance and the installation of facilities by the District to provide the Applicant with water. The Applicant agrees to take said water from the District so long as he occupies the premises described below.

APPENDIX B PAGE 2
Peaks Mill Water District
Water Service Procedures

1. Sign up for water service at Peaks Mill office:
7165 US 127 North
Frankfort, KY 40601
(502) 227-5740
2. Obtain plumbing permit from plumbing inspector:

<u>Franklin County</u> Plumbing Inspector 851 East/West Connector Frankfort, KY (502) 223-1356	<u>Owen County</u> Don Sustarich 12-1:00 pm Mondays 1005 Hwy 22 East Owenton, KY (502) 484-5736
--	--
3. Install service line from meter to house.
 - Must be class 200 (200 psi) PVC or HDPE service pipe.
 - Must be buried 30" deep from meter to house. We recommend 36" deep to prevent freezing.
 - Must have a cut-off valve at house for line testing and leak detection.
 - Recommend bedding line in sand, limestone fines or fine stone to protect line from damage.
 - Recommend installing tracer wire for future location of the line.
4. Take copy of plumbing permit to water office and leave your phone number so the manager can call you for the installation of the meter.
5. Check plumbing for leaks, drips and sticking toilet valves. Repair or replace as needed.
6. Dress up and level the soil around the meter and service line, fill in low spots as the soil settles.

*** BEFORE ANY WORK IS DONE, THE PEAKS MILL WATER DISTRICT RECOMMENDS THAT YOU CALL GATEWOOD WATER SERVICE AT 502-695-2641 FOR A CONSULTATION DEALING WITH METER AND/OR SERVICE LINE INSTALLATION. ASK FOR DALE GATEWOOD.**
