SPECIAL NONRECURRING CHARGES - BILLING RELATED

1. Returned Check Charge: \$12.00 (R)

Will be assessed when a customers check or ACH payment is returned, either due to insufficient funds or other reason due to customer fault.

2. Late Payment Charge: 10%

Will be assessed if a customer fails to pay a bill for services by the due date shown on the customer's bill. The charge may be assessed only once on any bill for rendered service. Any payment received shall be applied to the bill for service tendered. Additional late payment charges shall not be assessed on unpaid late payment charges.

SPECIAL NONRECURRING CHARGES - SERVICE RELATED

1. Service Call/Investigation Charge: \$59.00 (R)

Will be assessed when a customer requests the on-site presence of District personnel to investigate a service problem and the problem is a result of the customer's own plumbing facilities, beyond the District's delivery point, or not caused by failure of District facilities. Any maintenance and repair of facilities beyond the District's meter is the responsibility of the customer.

2. Service Line Inspection Charge: \$59.00 (R)

Will be assessed to inspect a customer's service line from the point of delivery at the meter to the point of usage. The service line inspection charge will be waived if confirmation is provided by the customer from the Kentucky State Plumbing Inspector that a state plumbing permit has been obtained and the Kentucky State Plumbing Inspector will inspect the service line.

3. Service Reconnection Charge: \$42.00 (R)

Will be assessed to reconnect service that has been locked at customer's request, terminated for non-payment of service, or for violation of District or PSC rules and regulations

SPECIAL NONRECURRING CHARGES - METER RELATED

1. Meter Relocation Charge: Actual Cost

Will be assessed when a customer or other authorized person requests that a meter be relocated, changed, or modified. Those requesting a change must reimburse the District for the actual costs incurred, including but not limited to appropriate legal, administrative, engineering, overhead, or other related costs.

2. Meter Re-Read Charge: \$42.00 (I)

3. Meter Test Charge: \$159.00 (I)

Will be assessed when a customer requests the District perform a test on the customer's meter to check for accuracy and the test shows the customer's meter is not more than two percent (2%) fast. The District will perform such a test on any meter upon written request of any customer if the request is not made more than once every twelve (12) months.

CONNECTION FEE

5/8" x 3/4" Water Meter \$3,500.00 (I)

1" Water Meter Actual Cost

For sizes other than listed above, the cost shall be the actual cost.

An additional charge shall be made for meter connections that require more than 50 feet of service line. The charge shall be applied per linear trench foot and shall not exceed the actual cost of excavation and service pipe.

An additional charge shall be made for meter connections where rock is encountered, such rock condition being defined as limestone or other hard stratified material in a continuous volume of at least one cubic yard or more which cannot be removed using ordinary excavation equipment. The charge shall be applied per linear trench foot and shall not exceed the actual cost of excavation.
