

Agreement

This Settlement Agreement is between Lake Village Water Association, Inc. ("Lake Village"), with its principal office at 801 Pleasant Hill Drive, P.O. Box 303, Burgin, Kentucky 40310, and the City of Danville ("Danville"), a municipal corporation of the third class.

- (1) During the course of a proceeding before the Public Service Commission of Kentucky ("Commission") styled Case No. 2008-00176 Danville and Lake Village have identified a number of issues and questions relating to usage, calculation of charges, billings, and payments, including purchasing power adjustments made to rates in 2005, 2006, and 2007 and involving periods of time before, during, and after those affected by the purchasing power adjustments.
- (2) This settlement is intended as a resolution of all disputes, issues, and questions about usage, charges, billings, and payments up through and including the month of April 2009, an agreement about the proper calculation of charges thereafter and currently, and an accord about procedures for considering proposed changes to billing methods and elements in the future.
- (3) The parties acknowledge and agree: that approval by the Commission is necessary for this Settlement Agreement to be effective and binding on either party; and that, if Commission approval of the entire agreement without modification, together with a final and appealable dismissal of the case is not obtained within 90 days of submission to the Commission with a request for approval, then this Settlement Agreement shall be null and void and shall be without any effect whatsoever on the parties' respective rights, arguments, or positions in Case No. 2008-00176 or otherwise. If and when approved by the Commission, this Settlement Agreement will operate as an addendum or revision to the existing Water Purchase Contract between Danville and Lake Village.
- (4) Danville and Lake Village agree to compromise all disputes, issues, and questions about usage, charges, billings, and payments up through and including the month of April 2009 for the payment by Danville to Lake Village of the amount of \$ 28,845.14. Danville will pay that amount to Lake Village by crediting one-twelfth of that amount to each month's wholesale supply charges following the close of any period in which a timely rehearing
