IV. SERVICE OFFERINGS (C)

Calling Card Service. Customers are issued one or more calling cards which allow them to place long distance calls from any touch tone phone and have the charges for the call billed to their 1+ account with CII. Stand Alone Calling Cards may be issued to customers. The rates for Stand Alone Calling Cards are different than those cards issued as part of a 1+ account.

Dial One Service. Customers may subscribe to CII's Dial One Service to make long distance calls from their business and/or residence premises and have the charges billed to their account with CII.

Affinity Groups. The Calling Card Service, Dial One Service and 800/888 Service may be offered through sponsoring "affinity groups" such as university alumni associations. In the event the customer subscribes to either or both of CII's services through a sponsoring affinity group, the customer may elect to donate part of all of any discount earned from the use of the services to such affinity group.

Business 800/888 Service. Business 800/888 inbound service is provided to customers through which calls originate and terminate within Missouri.

Personal 800/888 Service. Personal 800/888 + 4 digit PIN inbound service is provided to customers through which calls originate and terminate within Missouri at a flat rate per minute regardless of distance or time of day.

Flat Rate Service. All Services may be offered to customers at a flat rate per minute regardless of distance or time of day.
