Thanks for the clarification Matt. It does not appear we have received a formal request to withdraw so I'm going to use your below email to serve for this purpose to make their record inactive.

Hi Jeff,

IIS Group was making a final filing. They are no longer in business as of 1.1.2018. IIS Group was a nomadic VoIP provider and we had registered them as a VoIP provider before learning that KY does not expect it from nomadic VoIP providers. Based on this, I am not sure if you want any type of request for deregistering from them.

Thank you,
