A deposit in the amount of **SEVENTY-FIVE DOLLARS (\$75.00)** is made to the Barkley Lake Regional Water District, P O Box 308, Cadiz, KY 42211. This deposit is necessary to ensure payment of monthly water bills and any late payment charges on delinquent water accounts as prescribed in the tariff of the water district. Upon continuous 18 months service, customers may request the deposit be recalculated. If the deposit on hand is \$10.00 greater than the recalculated usage, the customer can request a refund of any over-collections and the District may request payment for any under collection. Once the final bill and/or late payment charges have been satisfied, any remaining amount of deposit will be refunded to the customer. All payments are due the 15th day of the month. Non-payment of an account by the 6th day of the month will result in discontinuance of water service by physically locking the meter. **Customers must install and maintain a cut off valve for their use between the meter and their dwelling. The cut off valve on the meter is not to be used by the customer, as continuous usage will result in eventual failure of the valve.** Meter readings are now processed by a radio read meter system and are costly to repair. Any damage an installed radio read meter sustains will result in a charge to the customer. Tampering with meter, service, or valves constitutes disconnection of service and is considered a felony.
