

This contract for the sale and purchase of water is entered into as of the 17th day of October 19 95, between the Black Mountain Utility District

P.O. Box 612 Evarts, KY 40828
(Address)

hereinafter referred to as the "Seller" and the Wallins Water Company

City Hall Wallins, KY 40873
(Address)

hereinafter referred to as the "Purchaser",

WITNESSETH:

Whereas, the Purchaser is organized and established under the provisions of Chapter 74 Code of Kentucky Revised Statutes, for the purpose of constructing and operating a water supply system serving water users within the area described in plans now on file in the office of the Purchaser and to this purpose, the Purchaser will require a supply of treated water, and

Whereas, the Seller owns and operates a water supply distribution system with a capacity currently capable of present customers of the Seller's system and the estimated number of water users to be served by the said Purchaser in the plans of the system now on file in the office of the Purchaser, and

Whereas, by Resoulation No. 1 enacted on the _____ of _____, 19 _____, by the Seller, the sale of water to the Purchaser in accordance with the provisions of the said Resoulation was approved, and the execution of this carrying out the said Resoulation by the Black Mountain Utility District and attested by the Secretary, was duly authorized, and

Whereas, by Resoulation of the Wallins Water Company of the Purchaser, enacted on the 17th day of October the purchase of water from the Seller in accordance with the terms set forth in the said Resoulation was approved, and the execution of this contract by the Chairman attested by the Secretary was duly authorized;

Now, therefore, in consideration of the foregoing and the mutual agreements hereinafter set forth,

A. The Seller Agrees:

1. (Quality and Quantity) To furnish the Purchaser at the point of delivery hereinafter specified, during the term of this contract or any renewal or extension thereof, potable treated water meeting applicable purity standards of the Commonwealth of Kentucky

in such quantity as may be required by the Purchaser not to exceed X X X X X the conditions of the water purchase agreement between Harlan Water Works and Black Mountain Utility District

2. (Point of Delivery and Pressure) That water will be furnished at a reasonably constant pressure calculated at minimum of 50 PSI from an existing six (6) inch main supply at a point located on U.S. Highway 119 intersection with the Longston Road to the Sawbriar Community. If a greater pressure than that normally available at the point of delivery is required by the Purchaser, the cost of providing such greater pressure shall be borne by the Purchaser. Emergency failures of pressure or supply due to main supply breaks, power failure, flood, fire and use of water to fight fire, earthquake or other catastrophe shall excuse the Seller from this provision for such reasonable period of time as may be necessary to restore service.

3. (Metering Equipment) To furnish, install, operate, and maintain at its own expense at point of delivery, necessary metering equipment, including a meter house or pit, and required devices of standard type for properly measuring the quantity of water delivered to the Purchaser and to calibrate such metering equipment whenever requested by the Purchaser but not more frequently than once every twelve (12) months. A meter registering not more than two percent (2%) above or below the test result shall be deemed to be accurate. The previous readings of any meter disclosed by test to be inaccurate shall be corrected for the two (2) months previous to such test in accordance with the percentage inaccuracy found by such tests. If any meter fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water delivered in the corresponding period immediately prior to the failure, unless Seller and Purchaser shall agree upon a different amount. The metering equipment shall be read on or about to 15th. of each month. An appropriate official of the Purchaser at all reasonable times shall have access to the meter for the purpose of verifying its readings.

4. (Billing Procedure) To furnish the Purchaser at the above address not later than the 1st. day of each month, with an itemized statement of the amount of water furnished the Purchaser during the preceding month.

B. The Purchaser Agrees:

1. (Rates and Payment Date) To pay the Seller, not later than the 10th. day of each month, for water delivered in accordance with the following schedule of rates:

- a. One Hundred Forty-Eight Dollars (\$148.00) for the first 100,000 gallons, which amount shall also be the minimum rate per month.
- b. One Dollar Forty-Eight Cents (\$1.48) per 1,000 gallons for water in excess of 100,000 gallons.

Failure to pay all monies due by 10th. of month following meter read date will result in immediate disconnect of services. To reconnect a charge of Twenty-Five Dollars (\$25.00) plus full payment of all accounts due. Reconnection may be any time within 24 hours plus any holidays after payment is made.

2. (Connection Fee) To pay as an agreed cost, a connection fee to connect the Seller's system with the system of the Purchaser, the sum of N/A dollars which shall cover any and all costs of the Seller for installation of the metering equipment and N/A

C. It is further mutually agreed between the Seller and the Purchaser as follows:

1. (Term of Contract) That this contract shall extend for a term of 10 years from the date of the delivery of any water as shown by the first bill submitted by the Seller to the Purchaser and, thereafter may be renewed or extended for such term, or terms, as may be agreed upon by the Seller and Purchaser.
2. (Delivery of Water) That 10 days prior to the estimated date of completion of construction of the Purchaser's water supply distribution system, the Purchaser will notify the Seller in writing the date for the initial delivery of water.
3. (Water for Testing) When requested by the Purchaser the Seller will make available to the contractor at the point of delivery, or other point reasonably close thereto, water sufficient for testing, flushing, and trench filling the of the Purchaser during construction, irrespective of whether the metering equipment has been installed at that time. A flat charge of \$ 0 which will be paid by the contractor or, on his failure to pay, by the Purchaser.
4. (Failure to Deliver) That the Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchaser. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Seller is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ratio or proportion as the supply of water to Seller's consumers is reduced or diminished.
5. (Modification of Contract) That the provisions of this contract pertaining to the schedule of rates to be paid by the Purchaser for water delivered are subject to modification at the end of every 1/2 year period. Any increase or decrease in rates shall be based on a demonstrable increase or decrease in the costs of performance hereunder, but such costs shall not include increased capitalization of the Seller's system. Other provisions of this contract may be modified by mutual agreement.
6. (Regulatory Agencies) That this contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State and the Seller and Purchaser will collaborate in obtaining such permits, certificates, or orders, like, as may be required to comply therewith.
7. (Miscellaneous) That the construction of the water supply distribution system by the Purchaser is being financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings of the Purchaser are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration.
8. (Successor to the Purchaser) That in the event of any occurrence rendering the Purchaser incapable of performing under this contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.
