RULES AND REGULATIONS

The following rules and regulations are hereby adopted, subject to change by the Water District Commission at any time, subject to approval of the Public Service Commission through the filing of revised tariff sheets with the PSC. These rules and regulations are intended to supplement the Rate Resolution and the By-Laws.

- A. All taps and connections to the mains of the District shall be made by and/or under the direction and supervision of District personnel.
- B. Water service may be discontinued by the District for, upon 10 days' written notice (except that in the event of a violation under Item 7 below, water service may be terminated immediately), for any violation of any rule, regulation, or condition, and especially for any of the following reasons:

1. Misrepresentation in the application or contract as to the property or fixtures to be supplied or additional use to be made of water.
2. Failure to report to the District additions to the property or fixtures to be supplied or additional use to be made of water.
3. Resale of water.
4. Waste or misuse of water due to improper or imperfect service pipes and/or failure to keep such pipes in a suitable state of repair.
5. Tampering with meter, meter seal, service, or valves, or permitting such tampering by others.
6. Connection, cross-connection, or permitting the same, of any separate water supply to premises which receive water from the District.
7. When a dangerous condition is found to exist on the customer's or applicant's premises, with reference to the continuation of water service, water service shall be cut off without notice or shall be refused, provided the District shall notify the customer or applicant immediately of the reasons for the discontinuance or refusal and the correction action to be taken by the applicant or customer before service can be restored.

- C. Any customer desiring to discontinue the water service to his premises for any reason must give notice of discontinuance in person or in writing at the business office of the District at least three (3) days prior to the date on which the customer desires to discontinue service, and the customer shall not be liable for water consumed beyond the date of discontinuance stated in such notice; if such notice in person or in writing is not given, a customer shall remain liable for all water used and service rendered to such premises by the District until such notice is received by the District.
- D. Bills and notices relating to the conduct of the business of the District will be mailed to the customer at the address listed on the user's agreement unless a change of address has been filed in writing with the District; and the District shall not otherwise be responsible for delivery of any bill or notice nor will the customer be excused from the payment of any bill or any performance required in said notice.
- E. 1. Bills for water service are due and payable at the office of the District, or to any designated agent, on the date of issue. The past due date shall be the tenth day after the date of issue. Bills will be dated and mailed on the first day of each month.
- 2. All bills not paid on or before the past due date shall be deemed delinquent. When a bill has been delinquent for a period of twenty days, the District shall serve a customer a written final notice of said delinquency, and of the intent of the District to discontinue service ten days after the date of such notice unless such bill is paid prior to the expiration of such ten days. If a delinquent bill is not paid within ten days after date of such final notice (thirty days from the past due date), the water supply to the customer may be discontinued without further notice; provided, however, if, prior to discontinuance of service, there is delivered to the District, or to its employee empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer that, in the opinion of the certifier, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of the District's receipt of said certification, whichever occurs first.

- F. Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of \$35.00 will be made for reconnection of water service, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the District have been paid.
- G. The District reserves the right to request that a nominal amount be placed on deposit with the District for the purpose of establishing or maintaining any customer's credit, such amount not to exceed the sum of \$31.50, which is two-twelfths (2/12) of the estimated annual bill of such customer. Upon the payment of such deposit, the District shall issue to such customer a certificate of deposit, showing the name of the customer, the location of the initial premises occupied by the customer, and the date and amount of the deposit. The District will pay to such customer interest on such deposit at the rate of six percent (6%) per annum, until such deposit is reimbursed to the customer.
- H. All meters shall be installed, renewed, and maintained at the expense of the District, and the District reserves the right to determine the size and type of meter used.
- I. It shall be the policy of the District to test each water meter at least once every 60 months. In addition, upon written request of any customer, the meter serving such customer shall be tested by the District. Such test will be made without charge to the customer if the meter has not been tested within 12 months preceding the requested test; otherwise, a charge of \$15.00 will be made and then only if the test indicates meter accuracy within the limits of 2%. If a meter is inaccurate in excess of 2%, whether upon periodic testing or upon requested testing, additional tests shall be made at once to determine the average error of the meter, and the adjustments shall be made in the customer's water bills as follows:
 1. If the result of such tests shows an average error greater than 2% fast, the customer's bill for the period during which the meter error is known to have existed, shall be recomputed and the account adjusted on the basis of the test. If the period during which the meter error existed cannot be determined, then the customer's bill shall be recomputed for one-half (1/2) of the elapsed time since the last previous test, but in no event to exceed

- M. Customers having boilers and/or pressure vessels receiving a supply of water from the District must have a check valve on the water supply line and a vacuum valve on the stream line to prevent collapse in case the water supply from the District is discontinued or interrupted for any reason, with or without notice.
- N. The premises receiving a supply of water and all service lines, meters and fixtures, including any fixtures within said premises, shall at all reasonable hours be subject to inspection by the District.
- O. Piping on the premises of a customer must be so installed that connections are conveniently located with respect to the District lines and mains. The customer shall provide a place for metering which is unobstructed and accessible at all times.
- P. 1. An extension of fifty (50) feet or less to the District's distribution main shall be made without charge (other than the prescribed standard connection charge) for a prospective customer who shall apply for and contract to use service for one (1) year or more and who provides a guarantee for such service.
- 2. For each extension to the District's distribution main in excess of fifty (50) feet, the District shall require the customer to whose premises such extension is made to deposit with the District the total cost of the excessive footage over fifty (50) feet, based on the average estimated cost per foot of the total extension. Such deposit may be refundable to the customer in certain instances, in accordance with Title 807 KAR 5:066, Section 12 (2) (b).

RULES AND REGULATIONS

THE BULLOCK PEN WATER DISTRICT HEREBY AMENDS ITS RATE SCHEDULE AND TARIFF RELATIVE TO THE PROVIDING OF WATER SERVICE TO MOBILE HOME PARKS IN THE BULLOCK PEN WATER DISTRICT TO READ AS FOLLOWS. ALL OTHER PROVISIONS OF THE PREVIOUS RATE SCHEDULE AND TARIFF WHICH ARE IN CONFLICT WITH THESE AMENDMENTS ARE HEREBY REVOKED.

1. INSTALLATION OF METERS AND WATERLINES WITHIN MOBILE HOME PARKS

(a) All Mobile Home Parks ("MOBILE HOME PARKS") located within the Bullock Pen Water District ("DISTRICT") shall install an individual residential water meter for each mobile home unit located within the MOBILE HOME PARK. The MOBILE HOME PARK owners shall install up to the mobile home living unit waterlines for the purpose of making a water meter connection. All such installation of waterlines within the MOBILE HOME PARK shall be done at the owner's expense. The owner of the MOBILE HOME PARK shall also be required to pay a Tap-In or connection fee to the DISTRICT as provided for in this Tariff for each water meter installed by the DISTRICT.

(b) All waterline installation required to be installed by the OWNER as provided for in § 1(a) above, shall be done in accordance with the then existing rules, regulations and specifications of the DISTRICT and shall be done at the owner's expense.

(c) No waterline installation in any MOBILE HOME PARK shall be conducted without first receiving written approval by the DISTRICT after application by the OWNER.

home lot/pad at the developer's/owner's cost and expense. The DISTRICT shall be responsible for the installation of a meter at each mobile home lot/pad when requested by the developer/owner or the mobile home owner/occupant. For each initial water meter installation at each mobile home lot/pad, the DISTRICT shall, upon receipt of the \$475.00 connection fee as provided for in this Tariff, pay to the MOBILE HOME PARK developer/owner the sum of \$275.00.

2. REIMBURSEMENT FOR MASTER METERS NOW SERVING MOBILE HOME PARKS

MOBILE HOME PARKS served by master meters (as of the date this Ammended Tariff is approved) which were installed and paid for by the owner thereof, shall receive reimbursement for the cost of such installation from the DISTRICT in the event that the MOBILE HOME PARK owner should decide and elect to install individual water meters for each mobile home unit within that given MOBILE HOME PARK. Any MOBILE HOME PARK owner who elects to convert from a master meter to individual water meters for each mobile home unit shall be responsible for the installation of all waterlines throughout the MOBILE HOME PARK subject to the terms and conditions of paragraph 1 above.

3. MAINTENANCE AND REPAIR OF METERS AND WATERLINES

Following approval by the DISTRICT of waterlines installed in a MOBILE HOME PARK, and for a period of not less than one year thereafter, the owner shall bear the responsibility for all maintenance and repair to all lines and water meters installed within a MOBILE HOME PARK until the date of written acceptance of said lines and meters by the DISTRICT. Upon the expiration of said one year period and upon acceptance by the DISTRICT, all responsibility for all such waterlines and meters shall be assumed and discharged by the DISTRICT and the owner shall no longer have any responsibility for said maintenance and repair.

4. METER READING AND BILLING

(a) The DISTRICT shall read individual customers' meters and bill for each individual mobile home living unit located in any MOBILE HOME PARK pursuant to the rate schedule as approved by the Public Service Commission on June 2, 1987 as amended. After the approval of this Tariff Amendment by the Public Service Commission, no more than one mobile home living unit shall be supplied water by an individual water meter except as provided in Paragraphs 2 and 4(b) herein.

The deposit may be waived upon a customer showing of satisfactory credit or payment history and required deposits will be returned after One (1) year if the customer has established a satisfactory payment record for that period. If the deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The company may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit, any principal amounts, and any interest earned and owing will be credited to the final bill with any remainder refunded to the customer.

In determining whether a deposit will be required or waived, the following criteria will be considered:

1. Previous payment history of the company. If the customer has no previous history with the company, statements from other utilities, banks, etc., may be presented by the customer as evidence of good credit.
2. Whether the customer has an established income or line of credit.

THE BULLOCK PEN WATER DISTRICT HEREBY AMENDS ITS RATE SCHEDULE AND TARIFF RELATIVE TO THE PROVIDING OF WATER SERVICE TO APARTMENTS IN THE BULLOCK PEN WATER DISTRICT TO READ AS FOLLOWS. ALL OTHER PROVISIONS OF THE PREVIOUS RATE SCHEDULE AND TARIFF WHICH ARE IN CONFLICT WITH THESE AMENDMENTS ARE HEREBY REVOKED.

1. INSTALLATION OF METERS

(a) Any owner of an apartment building where the apartment building consists of two or more living units, the apartment building owner may at their election, have individual meters installed for each individual apartment unit. In the event that individual water meters are installed for each individual apartment unit, all charges, fees and water rates including disconnect and reconnect fees shall be the same as those provided for in this Tariff. The DISTRICT shall charge a separate tap-in fee in that amount set by the then current Tariff for each water meter installed at any given apartment building.

(b) In all apartment buildings where two or more apartment units are serviced by a master meter, the billing for water service through said master meter shall be calculated as follows: The monthly bill shall equal the product of the number of apartment units serviced by such master meter times the minimum monthly bill as established by the Rate Schedule of the DISTRICT then in effect. In the event that the monthly gallon usage exceeds the product of the number of apartment units serviced by such meter times the minimum gallon usage as set by the Rate Schedule of the DISTRICT, then any excess water consumed through such meter shall be charged at the rates then in effect and established by the Rate Schedule of the DISTRICT.

2. DEPOSITS

The DISTRICT may require deposits for each individual apartment dwelling unit serviced by an individual water meter as set forth in this Tariff for other Customers.

THE BULLOCK PEN WATER DISTRICT HEREBY AMENDS ITS RATE SCHEDULE AND TARIFF RELATIVE TO THE PROVIDING OF WATER SERVICE TO SUBDIVISIONS IN THE BULLOCK PEN WATER DISTRICT TO READ AS FOLLOWS. ALL OTHER PROVISIONS OF THE PREVIOUS RATE SCHEDULE AND TARIFF WHICH ARE IN CONFLICT WITH THESE AMENDMENTS ARE HEREBY REVOKED.

1. INSTALLATION OF METERS AND WATERLINES WITHIN SUBDIVISIONS

(a) All residential subdivisions including but not limited to single family residential subdivisions whether such consist of single family detached dwellings; condominiums, townhouses, patio homes and the like, ("SUBDIVISION") located within the Bullock Pen Water District ("DISTRICT") shall install an individual residential water meter for each individual residential dwelling located within the SUBDIVISION. The SUBDIVISION developer shall install up to the lot line of each individual SUBDIVISION lot or residential dwelling unit as the case may be, waterlines for the purpose of making water meter connections for such individual living unit. All such installation of waterlines within the SUBDIVISION shall be done at the owner's expense. The owner of the SUBDIVISION shall also be required to pay a tap-in or connection fee to the DISTRICT as provided for in this Tariff for each water meter installed by the DISTRICT.

(b) All waterline installation required to be installed by the developer of a SUBDIVISION as provided for in Section 1(a) above shall be done in accordance with the then existing rules, regulations and specifications of the DISTRICT and shall be done at the developer's expense.

(c) No waterline installation in any SUBDIVISION shall be conducted without first receiving written approval by the DISTRICT after application by the developer.

(d) After all waterlines in any SUBDIVISION are installed, the DISTRICT shall test the respective lines to insure that such line installation complies with all rules, regulations and specifications of the DISTRICT. Testing shall be effective within ten (10) days after the completion of all waterline installation or at the earliest possible date, weather conditions and other appropriate circumstances permitting. The DISTRICT shall supervise and/or apply any and all tests to the lines installed in any SUBDIVISION as the DISTRICT may deem appropriate.
