CONTRACT FOR WATER SERVICE

This Contract made and entered into this _____ day of _____ whose address is _____, hereinafter called the Applicant, and EAST CLARK COUNTY WATER DISTRICT, hereinafter called the District.

The applicant hereby agrees to connect to the proposed waterworks system of the District. The applicant agrees to use the water for at least one year from the time that water service becomes available. In the event that the Applicant is not ready to hook-up when water becomes available, the Applicant agrees to pay a minimum bill for one year. The water connection fee is set out in East Clark's tariff herewith as approved by the Kentucky Public Service Commission ("PSC") and provided to the Applicant herewith. The monthly water rates will be, as provided herewith, and have been approved by the PSC.

It is understood and agreed that the District reserves the right to determine the size of service connection to be used to supply water to the Customer. A 5/8 x 3/4 inch meter will be used unless the Applicant contracts for a larger meter. A separate meter must be installed for each residence, apartment or living unit. Special methods of billing are available for multiple unit premises.

The applicant agrees to permit the District to lay, maintain, repair remove and disconnect a service line and meter, and read meters at a point on the Applicant's property to be designated by the District for each signed connection with the right to ingress and egress for these purposes over the Applicant's property, and to grant an easement for installation of water lines where required.

Deposits to insure payment of monthly water bill(s) and penalties on delinquent water accounts shall be as the District may prescribe and as set out in the District's tariff.

- The Applicant agrees not to resell or give away water purchased hereunder.
- The District may terminate service to any Applicant failing to pay a water bill when the bill is past due or for violating the District's regulations as approved by the PSC.
- The Applicant agrees to install and maintain at it's own expense a service line which shall begin at the water meter and extend to the dwelling or place of business and other portion of his/her premises.

Rules and Regulations, as well as the tariff approved by the PSC are available for inspection at the District's office.

Signing of this contract does not constitute a guarantee by the District that if the system is built, this property will be on the system, since the location of the system will be determined by the number of Applicant's who sign up for water service in each area. If the District determines it is unfeasible to build the system or to serve any particular Applicant, the connection fee or initial deposit made by the Applicant will be refunded in full.
