customer shall remain liable for all water used and service rendered by the District until said notice is received by the District.

- D. Bills and notices relating to the conduct of the business of the District will be mailed to the customer at the address listed on the user's agreement unless a change of address has been filed in writing with the District; and the District shall not otherwise be responsible for delivery of any bill or notice, nor will the customer be excused from the payment of any bill or any performance required in said notice.
- E. 1. Bills for the water service are due and payable at the office of the District, or to any designated agent on the date of issue. The past due date shall be the tenth day after the date of issue. Bills will be dated and mailed on the eighth day of each month.
2. All bills not paid on or before the past due date shall be deemed delinquent. The District may serve a customer a written notice of said delinquency. If delinquent bill is not paid within ten (10) days after date of such notice, which makes a total number of twenty-five (25) days from date of issue of bill; the water supply to the customer may be discontinued without further notice.
- F. Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of \$25.00 will be made for reconnection of water service during the regular working hours, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the District have been paid. If this reconnection of water service is requested to be made after regular working hours, a charge of \$50.00 will have to be paid, plus all delinquent bills or other charges, if any, owed to the District.
- G. The District shall require from all customer or applicant for water services a cash deposit of \$50.00 to secure payment of bills in an amount not to exceed 2/12 of estimated annual bill of such customer or applicant. Interest at 6% per annum will

be paid on a deposit from date of deposit.

- H. Any check given to the District by a customer and this check being returned to the District as in-sufficient funds, will be charged a \$10.00 service charge. This charge being posted in the District's office.
- I. All meters shall be installed, renewed and maintained at the expense of the District and the District reserves the right to determine the size and type of meter used.
- J. Upon written request of any customer, the meter serving said customer shall be tested by the District. Such test will be made without charge, only, if the District is at fault with the meter's accuracy. If a meter is inaccurate in excess of 2%, the customer's bill may be recomputed as to when the meter error is known to have existed, but in no case to exceed 2 months. Otherwise, upon written request of any customer for a meter test and the test is within 2% accuracy, the charge of \$20.00 will be charged to the customer, for such test.
- K. Where a meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register.
- L. The District shall make all reasonable efforts to eliminate interruption of service and if such interruptions occur will endeavor to establish service within the shortest possible delay. When the service is interrupted all consumers affected by such interruption will be notified in advance whenever it is possible to do so.
- M. Customers having boilers and/or pressure vessels receiving a supply of water from the District must have a check valve on the water supply line and a vacuum valve on the stream-line to prevent collapse in case the water supply from the district is
