SECTION 9.11
BY: James R. Balle
PUBLIC SERVICE COMMISSION MANAGER

33. A deposit or suitable guarantee equal to approximately twice one average monthly water bill shall be required of any customer before water service is supplied. On termination of service, said deposit may be applied by the District against any unpaid bills of the customer, and if any balance remains after such application is made, said balance shall be refunded to the customer with interest at the current rate of six percent (6%) in accordance with KRS 278.460.

34. All customers are and shall be required to pay the amount of their respective water bills in full and without discount on or before the 15th day following the rendering of the bill for water service. If payment on the account is not received by the 20th day of the regular billing period, then the District shall issue a first notice regarding the delinquent account. If payment on the delinquent
