NORTH SHELBY WATER COMPANY

RULES AND REGULATIONS

I. SERVICE REQUIREMENTS

A. MEMBERSHIP. Any persons or other entity holding property having reasonable accessibility to the source of and who is in need of having water supplied to his place of occupancy or property may apply for membership in North Shelby Water Company ("Company"). Persons or entities who receive the approval of the board of directors may be admitted to membership ("Member") upon subscribing for a membership certificate, paying the required sum, and by signing such documents, including the contract for water service, as may be provided and required by the Company, provided that no person or entity otherwise eligible shall be permitted to subscribe for or require a membership of the Company if the capacity of the Company's water system, either in general or as to a particular area or line, is exhausted by the needs of its existing Members.

B. Tap-on Fees. A tap-on fee of FIVE HUNDRED (\$500.00) Dollars shall be made for each new meter installation where a 5/8 by 3/4 inch meter is used regardless of location. A tap-on fee of SIX HUNDRED (\$600.00) DOLLARS shall be made for each new meter installation where a 1 inch meter is used regardless of location. The tap-on fee for meters exceeding one inch shall be the actual cost incurred by the Company in purchasing and installing that particular new meter.

C. Membership Fee and Deposit. A membership fee of SIXTEEN (\$16.00) Dollars and a deposit or suitable guarantee equal to approximately twice the average monthly water bill for a Member of that meter size shall be required of any member before water service is supplied. The Company may at its option return the deposit to the Member after one year. Upon termination of service, the deposit may be applied by the Company against any unpaid bills of the Member, and if any balance

remains after such application is made, said balance shall be refunded to the Member. Interest will be paid as required by law.

- D. Turn-on Fee. A Meter Turn-on Charge of TWENTY FIVE (\$25.00) DOLLARS will be made for each meter turn-on made during regular working hours. If the Member requests that service be connected other than during regular working hours, the charge will be THIRTY TWO and 50/100ths (\$32.50) DOLLARS.

- E. Nonstandard Service. Any Member shall pay the cost of any special installation necessary to meet his/her peculiar requirements for service other than standard water tap.

- F. Water Line Installation. No service will be installed unless there is a main distribution line existing along the road from which service is requested. The Company will install at its expense that portion of the service line extending from the main line to and including the curb box or curb stop on the Member's property immediately adjacent to the right of way of the road along which the main line exists.

- G. Easements. Each Member, together with his/her spouse and all other real estate title owners, shall grant or convey to the Company without cost, any permanent easements reasonably required by the Company for the installation and maintenance of the Company's meter and water lines, both existing and future, and for reading that meter at a point on the Member's property to be designated by the Company for each meter, with right of ingress and egress for these purposes over the Member's property, provided such meter and lines are located on real estate owned, rented or otherwise controlled by the Member and such lines (except for the line leading to the Member's meter) are adjacent and parallel to the right of way for a
