RULES AND REGULATIONS

All bills not paid on or before the 10th of the month shall be deemed delinquent. When a bill becomes delinquent, the District shall serve a customer a written notice of said delinquency, and of the intent of the District to discontinue service 15 days after the date of such notice unless such bill is paid prior to the expiration of such 15 days. If a delinquent bill is not paid within 15 days after the date of such final notice, the water supply to the customer may be discontinued without further notice; provided, however, if, prior to discontinuance of service, there is delivered to the District, or to its employee empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer that, in the opinion of the certifier, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of the District's receipt of said certification, whichever occurs first. A penalty of 10% of the amount of the bill owed shall be levied and payable by the customer on all bills not paid by the tenth (10th) day of the month.

11. Discontinuance of Service by Customer

Any customer having fulfilled his contract terms and desiring to discontinue the water service to his premises for any reason must give notice of discontinuance in writing or in person at the business office of the District at least three (3) days prior to the date on which the customer desires to discontinue service. If such notice is not given, a customer shall remain liable for all water used and service rendered to such premises by the District until such notice is received by the District. There will be a \$100.00 reconnection fee charged to any customer whose water service has been discontinued and the water meter removed at his own request.

12. Reconnection Fee

Where the water supply to the customer has been disconnected for non-payment of delinquent bills, a charge of \$15.00 will be made for reconnection of water service, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the District have been paid.
