feet per customer, as described in the Public Service Commission Extension Plan, pursuant to 807 KAR 5:066, Section 11.

The construction of all extensions must conform to the specifications of the District. A designated person or company shall be responsible for the proper completion of a project. It is the Water District's responsibility to set and maintain meters on an extension for the current tap-on fee paid by each customer of \$550.00 per 5/8 x 3/4" meter. No unused meters will be set. A separate meter for each home is required. Any person desiring an extension to the District's system shall voice such request in writing, on a form approved by the District, for each extension. Nothing contained herein shall be construed to prohibit the District from making extensions under different arrangements provided such arrangements have been approved by the Public Service Commission.

27. **Complaints.** Complaints may be made to the manager of the system in person or by telephone, whose decision may be appealed to the District Commissioners. Such appeal shall be in writing within ten (10) days of the date of decision by manager, which shall also be in writing and dated, stating the nature of the complaint and supporting evidence. Decisions by the District's Commissioners are final subject only to appeal to the Public Service Commission according to the procedures of that body. If a complaint is not resolved, the utility will advise the complainant of his right to file a complaint with the Commission, and will provide the complainant with the address and phone number of the Commission.
28. **Sale of Water.** Water furnished by the District may be used for domestic consumption by the customer's household or business, subject to special service agreements. The customer shall not sell, donate, give or allow use of such water to anyone except those members of this household or his business whichever is applicable.
29. **Contributions in Aid of Construction.** The District will accept contributions in aid of construction including but not limited to customer financed extensions to its water system. In addition, such contributions in aid of construction may consist of cash donations, in any amount, which the District may, at its option, apply to expenses of an extension or other projects. The acceptance by the District of

met for the meter tested, no charge will be made for the test regardless of the results of the test. (see item #15)

7. PSC Meter Test Complaint. Any customer of the District may request a meter test by written application to the Kentucky Public Service Commission and charges for this test will be as shown in the current PSC Rules and Regulations and will be collected by the Public Service Commission. Such a request shall not be made more frequently on one meter than once each twelve (12) months.

8. Returned Check/Failed ACH Fee. A \$25 fee will be levied and paid by the customer to the District on each payment returned to the district for any reason.

9. Tap On Fees. The established tap-on fee is based on the size of the installed metering equipment and is as follows: (see item #26)

5/8" x 3/4" meter \$550.00
All other size meters Actual Cost of Installation

10. Investigation of Theft or Tampering With Meter Fee. No one shall willfully or negligently break damage, destroy, uncover, deface, or tamper with any structure appurtenance, equipment or part of the water system. Any person violating this provision will be subject to arrest and/or discontinuance of service and will pay an Investigation of Theft or Tampering with Meter Fee equal to the actual cost of damages incurred.

11. Damaged Radio Read Meter Fee. No one shall willfully, or negligently damage the radio read meter or any part of the water system. Any person violating this provision will be subject to discontinuance of service and will pay the cost to repair/replace damaged meter or any damaged part of the water system. (see item #23)
