Exhibit "B". Plans and specifications detailing the location and method of constructing the main extension, prepared by a professional engineer and meeting the requirements of all applicable approving agencies and the West McCracken County Water District.

Exhibit "C". A right-of-way map showing the property lines and names of property owners with a continuous and permanent utility easement of not less than fifteen (15) feet in width: which easement shall be secured and recorded, by the Developer, in the office of the court clerk.

Exhibit "D". An itemized estimate of construction, engineering and testing costs as prepared by a professional engineer in the total amount of \$_____.

SECTION II – DEPOSIT

An advance deposit equal to 5 percent of the estimated water line construction costs made by a developer shall be paid to West McCracken and held for a period not to exceed one year from the date the water line construction is fully complete and all rights and interest of ownership have transferred to West McCracken. The deposit shall be used by West McCracken to offset all expenses incurred by it for re-grading and re-landscaping made necessary by normal ground settling on and around the water main installation that is not repaired by the developer. An itemized list of all charges against the deposit, along with the unused portion, shall be provided to the developer within one year from the time West McCracken has accepted ownership of the water main extension.

SECTION III – TESTING AND INSPECTION

All construction of the main extension shall be approved by an inspector employed by the Developer's consulting engineer, and all pressure leakage and bacteriology tests shall be performed in the presence of the inspector. The District has the right to inspect construction at any time.
