~~BATH COUNTY WATER DISTRICT~~

RULES AND REGULATIONS

The following rules and regulations are subject to change by the Water District at any time and these regulations are subject to approval by the Public Service Commission and include and encompass the rules and regulations of said Commission.

PUBLIC SERVICE COMMISSION OF KENTUCKY EFFECTIVE

JUL 15 1985

PURSUANT TO 807 KAR 5:011, SECTION 9 (1)

BY: J. Joseph

1. Meters will be read monthly between the 10th and 20th of each month.
2. Bills will be dated and mailed on the first of each month. Said bills will state that they are to be paid within ten days.
3. If service is disconnected by the District by reason of delinquency in the payment of any water bill, reconnection of such service shall not be made until the owner or user pays all charges and penalties owed, plus the amount of \$10.00 as a reconnection charge.
4. The District may require from any customer for applicant for service a minimum cash deposit or other guaranty to secure payment of bills of an amount approximately twice the average monthly water bill. The District may require an equal deposit from all applicants for the same class service. If the District retains a residential deposit for more than eighteen (18) months, it shall advise the customer that the deposit will be recalculated based on actual usage upon the customer's request. The notice of recalculation shall state that if the deposit on account differs by more than ten (10) dollars from the deposit calculated on actual usage, then the District shall refund any over collection and may collect any under payment. Refunds may be made by check or by credit to the customer's bill.
5. In conformity with 807 KAR 5:006, Section 9 of Commission regulations, whenever a meter in service is found upon periodic request or complaint test to be more than two percent (2%) fast or two percent (2%) slow, then the customer's bill will be recomputed for the period in which the meter error occurred. If the period in which the meter error existed is unknown, then the bill will be recomputed for one-half (1/2) of the elapsed time since the last previous test, but in no case to exceed twelve (12) months. When a meter is tested and it is found necessary to make a refund or back bill a customer, the customer shall be given written notification of the date, location, and results of the test, as well as the amount to be deducted from or added to his regular bill.
6. All meters will be located on District mains and in the absence of special permission on the property to be served.
7. Complaints may be made to the operator of the system and may be appealed to the District Commission.
8. The principal place of business of the District will be the Office of the Bath County Water District on Center Street, in Salt Lick Bath County, Kentucky.
