BRACKEN COUNTY WATER DISTRICT

RULES AND REGULATIONS

THE RULES AND REGULATIONS INCLUDED IN THE TARIFF OF BRACKEN COUNTY WATER DISTRICT ARE SUBJECT TO CHANGE BY THE BRACKEN COUNTY WATER DISTRICT'S COMMISSIONERS AT ANY TIME. CHANGES MAY BE SUBJECT TO APPROVAL BY THE PUBLIC SERVICE COMMISSION.

A minimum deposit of \$50 will be assessed upon any customer requesting water service from Bracken County Water District. This deposit amount is based upon two-twelfths of the average annual bill of Residential, Commercial and Industrial customers. If this deposit amount is retained for more than eighteen months, then a customer may request that the deposit amount be recalculated every eighteen months based upon two-twelfths of the customer's actual bill.

Deposits may be waived at the discretion of Bracken County Water District in accordance with its currently effective tariff based upon a customer's showing of satisfactory credit and payment history.

If a deposit has been waived or if a deposit has been returned and the customer fails to maintain a satisfactory payment record as defined in the utility's currently effective tariff, Bracken County Water District may require that a deposit be made. If substantial change in usage has occurred, Bracken County Water District may require that an additional deposit be made. No additional or subsequent deposit shall be required of residential customers whose payment history is satisfactory, unless the customer's classification of service changes.
