EDMONSON COUNTY WATER DISTRICT

RULES AND REGULATIONS

The following are the rules and regulations of the Edmonson County Water District. These rules and regulations are subject to change by the Water District Commissioners at any time subject to the approval of the Public Service Commission.

A. All taps and connections to the mains of the District shall be made by and/or under the direction and supervision of District personnel.

B. Water service may be discontinued by the District for the violation of any rule, regulation, or condition of service, including, but not limited to the following prohibited acts:

1. Misrepresentation in the application or contract as to the property or fixtures to be supplied or additional use to be made of water.
2. Failure to report to the District additions to the property or fixtures to be supplied or additional use to be made of water.
3. Resale of water.
4. Waste or misuse of water due to improper or imperfect service pipes and/or failure to keep said pipes in suitable state of repair.
5. Tampering with meter, meter seal, service, or valves or permitting such tampering by others.
6. Connections, cross-connections, or permitting the same, of any separate water supply to premises which receive water from the District.
7. Non-payment of bills.

C. Each customer of the District shall be required to pay a membership fee in the amount of \$25.00 which shall remain on deposit with the District and refunded to the customer upon termination of service, less such amounts as may be due and owing the District. All such membership fees shall bear interest at the rate of six (6%) percent per annum payable as set forth in the Order of the Public Service Commission in Case No. 89-057 and pursuant to Kentucky 1990 Act Chapter 357.

F. **Billing and Disconnect:**

1. Bills for water service are due and payable at the office of the District or to any designated agent on the date of issue. Bills will be mailed once each month. The bills will be mailed not later than the 15th and the 30th of the month. Meters that are installed 20 days or more before the latest bill date of each billing cycle will receive a water bill the 1st month with other customers billed the following month. The Water District shall read the meters for the 15th of the month billing cycle between 2nd and 12th of each month and read the meters for the 30th of the month billing cycle between the 17th and 27th of each month. The past due date shall be the 25th for bills mailed in the 15th of the month cycle and the 10th for bills mailed in the 30th of the month cycle. Bills must be received in the office by the close of the Business to receive the discounted rate. All wholesale and retail customers shall pay a ten percent (10%) penalty if the bill is not paid by the discount date. Wholesale customers meters will be read and mailed the last workday of the month with disconnect day to be the 30th of the following month.

2. Whenever rates and charges remain unpaid after due date, the property and the owner thereof, as well as the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid under the authority of *Puckett vs. Muldraugh, Ky.*, 403 S.W.2d 252 (1966). The district shall serve the delinquent customer a written, final notice of said delinquency. The delinquency notice will be mailed each month between the 15th-20th for the 30th of the month billing cycle and between the 30th-5th for the 15th of the month billing cycle, with the date of disconnect to be 10 days after the date the notice was mailed. If a delinquent bill is not paid within ten days after date of such final notice, the water supply to any delinquent customer shall be discontinued without further notice, and not reconnected until all delinquencies

charges, including penalty and reconnect fees are paid in full.

3. When property is being served during the term of a water user's contract, which shall be for a period of not less than one (1) year, the District shall have a lien on the property being served by the District for the unpaid portion of the unexpired term of the contract, and notice of said lien shall be filed in the county wherein the service is located. Upon the expiration of the term with no delinquency, the District shall release the lien at no cost to the customer, but should the customer desire a release prior to the expiration of the term for any reason or after the term, if the customer is delinquent, the customer shall pay the costs of releasing the lien in an amount equal to the fees charged by county clerks for such releases. The commission of the District may designate a county clerk, his/her successors in office, as attorney in fact for the District to release said liens upon oral authorization of the District Manager.

G. Where the water supply to a delinquent customer has been disconnected by request or for non-payment of a delinquent bill, a charge of \$20.00 will be made for reconnection of water service and reconnection shall not be made until the requirements of paragraph F of these rules and regulations have been complied with.

H. ~~The reconnection fee for 2" meters and larger shall be \$100.00.~~

I. All final bills not paid within thirty (30) days will cause the customer to be removed from membership with the final bill to be paid from the membership deposit with the balance, if any, mailed to the last, known address. If there is a balance of less than \$1.00, no refund shall be made.

J. The Great Onyx Job Corps Center is responsible for reading its own meter on the fifteenth of each month and calling in this reading in order for its bill to be prepared and mailed earlier. The District will check the meter reading when that meter route is read for verification of the reading. The disconnect date will be the 30th of the following month.

K. The District reserves the right to request a nominal sum to be placed on deposit with the District for the purpose of establishing or maintaining any customer's credit.

L. All meters shall be installed, renewed, and maintained at the expense of the District. The District reserves the right to determine the size and type of meter used.

RULES AND REGULATIONS

M. Upon written request of any customer, the meter serving said customer shall be tested by the District. Such test will be made without charge to the customer if the meter has not been tested within 12 months preceding the requested test; otherwise a charge of \$22.50 will be made and then only if the test indicates meter accuracy within the limits of 2%. If a meter is inaccurate in excess of 2%, adjustments shall be made in accordance with the regulations of the Public Service Commission pursuant to 807 KAR 5:066, § 9(C).

N. Where a meter has ceased to register, or a meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register.

O. The District shall make all reasonable efforts to eliminate interruption of service and when such interruptions occur will endeavor to re-establish service with the shortest possible delay. When the service is to be interrupted all consumers affected by such interruption will be notified in advance whenever it is possible to do so.

The District shall in no event be held responsible for any claims made against it by reason of the breaking of any mains or service pipes or by reason of any other interruption of the supply of water caused by the failure of machinery or stoppage for necessary repairs. No persons shall be entitled to damages nor for any portion of a payment refunded for any interruption of service which in the opinion of the District may be deemed necessary.

Q. Customers having boilers and/or pressure vessels receiving a supply of water from the District must have a check valve on the water supply line and a vacuum valve on the steam line to prevent collapse in case the water supply from the District is discontinued or interrupted for any reason, with or without notice.

R. The premises receiving a supply of water and all service lines, meters and fixtures, including any fixtures within said premises, shall at all reasonable hours be subject to inspection by the District should the District have reason to believe that unauthorized use of water is occurring.

S. Piping on the premises of a customer must be so installed that connections are conveniently located with respect to the District lines and mains. The customer shall provide a place for metering which is unobstructed and accessible at all times.

RULES AND REGULATIONS

- T. The customer's service line shall be installed and maintained by the customer at his own expense in a safe and efficient manner and in accordance with the District rules and regulations and with the regulations of the Department of Health.
- U. If any loss or damage to the property of the District or any accident or other injury to persons or property is caused by or results from the negligence or wrongful action of the customer, members of his household, his agent or employee, the cost of the necessary repairs or replacements shall be paid by the customer to the District and any liability otherwise resulting shall be that of the customer.
- V. Water furnished by the District may be used for domestic consumption by the customer, member of his household, and employees only. The customer shall not sell the water to any other person.
- W. All customers shall grant or convey, or shall cause to be granted or conveyed, to the District a perpetual easement and rights of way across any property owned or controlled by the customer wherever said easement or right of way is necessary for the District water facilities and lines so as to be able to furnish service to the customer.
- X. Complaints may be made to the manager of the system whose decision may be appealed to the Commission of the District within ten days of the decision of the manager; otherwise, the decision of the manager will be final. Each customer shall continue to have the right to appeal any decision of the District to the Public Service Commission in accordance with its regulations.
- Y. A customer who requests service whose property line is over 100 ft from the water main must sign an agreement between the Water District and the property owner (customer) as to what each party will be responsible for. (copy attached) This contract was approved by order of the Public Service Commission in 90-114, dated July 9, 1990.
- Z. All new signers are required to submit proof that an inspection permit has been applied for from the appropriate Health Department, and such permit must be presented before a meter can be purchased. Any customer not required by law to have an inspection permit from the Health Department must purchase a permit from the Water District. (Copy of Inspection Requirements attached.)
