Laurel Water District No. 2

RULES AND REGULATIONS

1. These rules and regulations are in addition to the rules and regulations of the Kentucky Public Service Commission.
2. Any resident of the Laurel Water District No. 2 is eligible for water service from the District.
3. Water service will be terminated within 72 hours after receiving a written request from the customer requesting discontinuance.
4. The District reserves the right to require that a nominal amount be placed on deposit with the District for the purpose of establishing or maintaining any customer's credit. The deposit will not exceed two-twelfths (2/12) of the customer's estimated annual bill. Upon payment of deposit, the District shall issue to the customer, the location of the initial premises occupied by the customer, and the date and the amount of the deposit. The District will pay interest on the customer's deposit at the rate of six percent (6%) per annum, until the date of its refund to the customer.
5. A fee of \$20.00 will be charged for re-connection of service.
6. Water tap on fee or Contribution in Aid of Construction shall be as follows:

5/8 inch meter-----	\$300.00
1 inch and larger meters-----	Actual Cost of Installation
7. A charge of \$5.00 will be on all returned checks by the bank.
8. A fee of \$15.00 will be charged for retesting of meters by customer request if the meter is tested and found to be accurate, in accordance with KAR 5:00, Sect. 20.
9. A fee of \$10.00 will be charged for all additional trips to customer's premises such as incorrect addresses given, helping customer find water leaks on their side of meter, etc.
10. Meters will be read monthly and statements mailed before the 10th of each month.
11. Service lines to meters and meters are property of the District. From the meter to customer outlet installation and service will be the sole responsibility of customer.

Sheet No. _____

Laurel Water District No. 2

RULES AND REGULATIONS

12. All meters will be located on district mains and in the absence of special permission on the property to be served. Reference is made to a more detailed explanation contained in the By-Laws.

13. On all new connections, a separate meter must be installed for each residence, apartment, unit, mobile home, business, and each family unit residing in a duplex or other multi-unit premise.

For existing customers, where two or more residences, apartment units, mobile homes, businesses, or family units residing in a duplex or other multi-unit premise are served by a single water meter, the water bill for each occupant, tenant, business, or family unit will be computed as follows:

a. The customer whose name the meter is in will be billed for the actual water registered by that meter;

b. All other customers shall pay the minimum bill.

14. The District's system is not designed nor intended for use for fire protection in any manner whatsoever. Any customer using same for fire protection does so at their own full and sole responsibility.

Sheet No. _____

RULES AND REGULATIONS

The Laurel County Water District No. 2 will provide water line extension projects similar to those offered by the Farmers Home Administration, if certain criteria is met. Each proposed extension will be considered on a case by case basis. The following guidelines will be used in determining if a project is financially feasible. All applicants will be treated in a non-discriminatory manner.

1. The Farmers Home Administration financing has been tried and deemed unavailable.
2. The funds are available in the reserve funds or alternative financing is feasible.
3. The proposed customers must be on an average of at least 12 per mile.
4. The project is a community development, not a private development.
5. The existing water source or supply is documented as unfit for human consumption or uneconomical to treat.
6. Contracts for service for at least one year have been signed by the proposed customer.
7. Ninety percent of the proposed connections must be to existing residences, only ten percent of the total connections may be allocated to lots that will contain a residence in the near future.
8. There should be at least 40 new customers to be served on the proposed extension.
