excused from the payment of any bill or any performance required in said notice.

Bills for water service are due and payable at the office of the DISTRICT, or to any designated agent, on the date of issue. The past due date shall be the 20th day after the date of issue. On all accounts not paid in full by the next billing date, an additional charge of 5 percent of the unpaid portion will be made.

All bills not paid on or before the past due date shall be deemed delinquent. Any said delinquent bill will appear as added to next month's balance. Included on the bill will be a statement indicating that if the previous balance is not paid in full on or before the next past due date, it is the intent of the DISTRICT to discontinue service as of that date provided. However, if, prior to discontinuance of service, there is delivered to the DISTRICT or its employee empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer that, in the opinion of the certifier, discontinuance of service will aggravate an existing illness or infirmity at the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of the DISTRICT'S receipt of said certification, whichever occurs first.

Any customer having fulfilled their contract terms and desiring to discontinue the water service to his premises for any reason must give notice of discontinuance in writing at the business office of the DISTRICT at lease three (3) days prior to the date on which the customer desires to discontinue service. If such notice in writing is not given, a customer shall remain liable for all water used and service rendered to such premises by the DISTRICT until such notice is received by the DISTRICT. Notice may also be given in person or by phone.

12. Reconnection Fees

Where the water supply to the customer has been discontinued for non-payment of delinquent bills, or where a meter is to be reinstalled for a new customer at the location where one existed previously, a charge of \$25.00 will be made for reconnection of water service, but the reconnection fee will not be made until all delinquent bills and other charges, if any, owed by the customer to the DISTRICT have been paid. In instances where the customer pays all delinquent bills to an employee of the District at the time of the disconnection, a charge of \$12.50 shall be made to cover District's costs.
