_____ SHEET NO. _____

RULES AND REGULATIONS

- 18. Should an applicant requesting a 5/8" x 3/4" meter require service on the opposite side of the road from the water main, the utility will provide the service at no additional cost to the customer other than the standard meter connection/tap-on charge. All larger size meters will be charged the actual cost of installing the meter, including, when applicable, the additional costs for crossing the road.
- 19. Any customer having boilers and/or pressure vessels that receive water from the utility must have a check valve on the water supply line and a vacuum valve on the steam line in order to prevent a collapse were the water supply from the utility be interrupted or discontinued.
- W. ~~Leak Adjustments. A customer may make a request for a bill adjustment in the event of a leak under the following conditions:~~
 - 1. ~~The customer must request a leak adjustment in writing to the utility.~~
 - 2. ~~Only one (1) leak adjustment will be made per twelve month period.~~
- X. Ownership of Mains, Services, and Appurtenances:
 - 1. All mains, fire hydrants, valves, crossing, and other appurtenances are and shall remain the property of the utility, whether installed by the utility or the customer.
 - 2. All service lines from the main to the meter with appurtenances are and shall remain the property of the utility, whether installed by the utility or the customer.
 - 3. The customer shall install, own, and maintain his/her service line from the meter (or point of delivery) to the point of usage.
- Y. Notification of System Problems. The customer shall notify the utility immediately should the service be unsatisfactory for any reason, or should there be any defects, problems, trouble, or accidents affecting the water system.
