PURCHASED WATER ADJUSTMENT APPLICABLE TO ALL RATE SCHEDULES

The rate authorized herein are based upon the wholesale cost of water to the Applicant as computed upon rates of its wholesale suppliers then currently in effect under valid contracts or under wholesale tariffs of this Commission. For the purpose of this purchased water adjustment clause, these rates shall be considered as the base rate for purchased water. In the event there is an increase in this base rate the Applicant shall file with this Commission the following information:

- (1) A copy of the wholesale supplier tariff or wholesale tariff of this Commission effecting the change in the base rate and a statement relative to the effective date of such proposed change.
- (2) A statement setting out the details of water purchased under the provision of the base rate for the previous twelve months showing billing under the base rate and under the proposed revised rate applicable to this service.
- (3) A statement setting out the details of water sold for the previous twelve months.
- (4) A balance sheet as of the end of the latest twelve month period and a statement of operation expenses and revenues in the same detail as reported to this Commission in the Utility's Annual Report.
- (5) Such other information as this Commission may request for a proper determination of the purchased water adjustment.

In the event there is a decrease in purchased water costs or refund, the Applicant shall file the information required in 1, 2, and 4 above.

Upon receipt of this information, this Commission will review the effect of the revised rate on the operation of the Applicant and will issue its Order setting out the purchased water adjustment that the Utility shall apply to its rates.

RULES AND REGULATIONS

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve-month period, greater than the difference between the purchased water billed at the then existing rates and the purchased water billed at the revised rate.

On and after the effective date of this rate schedule, if any increase or decrease is made in the rate at which Company's water suppliers sell water to the Company, the unit charges of the aforesaid rate schedule shall be increased or decreased by a Purchased Water Adjustment determined as follows:

(1) Water Purchases will be determined by the Company under suppliers applicable rate schedule during a period of twelve calendar months ending within three months preceding the month of the effective date of the supplier rate change. Such purchases shall be:

- (a) At the Base Supplier Rate
- (b) At the New Supplier Rate

(2) The difference between the amounts so determined shall be divided by the number of cubic feet/gallons of water sold by the Company during the said twelve-month period, unless purchases is in excess of 115% of total sales. In such instance, said difference shall be divided by sales plus fifteen (15) percent. The unit charge or credit so determined, expressed in cents per cubic feet/gallons, shall be the Purchased Water Adjustment applicable to consumer billings.

(3) The new supplier rate shall become the Base Supplier Rate to be used in measuring the effect of any subsequent supplier rate change. Each such subsequent change shall be treated in the same manner as set forth above for the establishment of a new Base Supplier Rate.

In the event that the Company receives from its supplier a refund of amounts paid to such supplier in respect of a prior period, the Company will apply to the Commission for authority and upon receipt thereof make adjustments on the amounts charged to its customers under this provision, as follows:

RULES AND REGULATIONS

(1) The "Refundable Amount" shall be the amount received by the Company as a refund. Such Refundable Amount shall be divided by the number of cubic feet/gallons of water that Company estimated it will sell to its customers during the four-month period commencing with the first day of the month following receipt of the refund, thus determining a "Refund Factor".

(2) Effective with meter readings taken on and after the first day of the second month following receipt of the refund, the Company will reduce by the Refund Factor so determined and Purchased Water Adjustment that would otherwise be applicable during such period. Provided, however, that the period of reduced Purchased Water Adjustment will be adjusted, if necessary, in order to refund as nearly as possible the Refundable Amount.

(3) In the event of any large or unusual refunds, the Company may apply to the Utility Regulatory Commission for the right to depart from the refund procedure herein set forth.

The base rate for purchased water for the future application of this Purchased Water Adjustment Clause is:

<u>Supplier</u>	<u>Rate</u>
City of Falmouth	.75 per 1,000 gallons
Campbell Co. Water Dist.	.68 per 1,000 gallons
