RULES AND REGULATIONS

The following rules and regulations are hereby adopted, subject to change by the Commission at anytime. These rules and regulations are intended to supplement the Bond Resolution, the Rate Resolution, and the By-Laws.

- A. All taps and connections to the mains of the District shall be made by and/or under the direction and supervision of District personnel.
- B. Water service may be discontinued by the District for any violation of any rule, regulation, or condition, and especially for any of the following reasons:
 - 1. Misrepresentation in the application or contract as to the property or fixtures to be supplied or additional use to be made of water.
 - 2. Failure to report to the District additions to the property or fixtures to be supplied or additional use to be made of water.
 - 3. Resale of water.
 - 4. Waste or misuse of water due to improper or imperfect service pipes and/or failure to keep such pipes in a suitable state of repair.
 - 5. Tampering with meter, meter seal, service, or valves, or permitting such tampering by others.
 - 6. Connection, cross-connection, or permitting the same of any separate water supply to premises which receive water from the District.
 - 7. Non-payment of bills.
- C. Any customer desiring to discontinue the water service to his premises for any reason must give notice of discontinuance in writing or in person at the business office of the District at least three (3) days prior to the date of discontinuance stated in such notice; if such notice in writing is not given, a customer shall remain liable for all water used and service rendered to such premises by the District until such notice is received by the District.

G. The District may require a minimum cash deposit of \$50.00 or other
(N) guarantee to secure payment of bills.

Service may be refused or discontinued for failure to pay the requested deposit. Interest, as prescribed by KRS 278.460, will be paid annually either by refund or credit to the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The deposit may be waived upon a customer's showing of satisfactory credit or payment history, and required deposits will be returned after one (1) year if the customer has established a satisfactory payment record for that period. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The District may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit, any principal amounts, and any interest earned and owing will be credited to the final bill with any remainder refunded to the customer.

In determining whether a deposit will be required or waived, the following criteria will be considered:

1. Previous payment history with the District. If the customer has no previous history with the District, statements from other utilities, banks, etc. may be presented by the customer as evidence of good credit.
2. Whether the customer has an established income or line of credit.
3. Length of time the customer has resided or been located in the area.
4. Whether the customer owns property in the area.
5. Whether the customer has filed bankruptcy proceedings within the last seven years.
6. Whether another customer with a good payment history is willing to sign as a guarantor for an amount equal to the required deposit.

If a deposit is held longer than 18 months, the deposit will be recalculated at the customer's request based on the customer's actual usage. If the deposit on account differs from the recalculated amount by more than \$10.00 for a residential customer or 10 percent for a non-residential customer, the District may collect any underpayment and shall refund any

overpayment by check or credit to the customer's bill. No refund will be made if the customer's bill is delinquent at the time of the recalculation.

Upon the payment of such deposits, the District shall issue to such customer a certificate of deposit, showing the name of the customer, the location of the initial premises occupied by the customer, and the date and amount of the deposit.

H. All meters shall be installed, renewed, and maintained at the expense of the District, and the District reserves the right to determine the size and type of meter used.

I. It shall be the policy of the District to test each water meter in accordance with 807 KAR 5:066, Section 17. In addition, upon written request of any customer, the meter serving such customer shall be tested by the District. Such test will be made without charge to the customer if the meter has not been tested within 12 months preceding the requested test; otherwise, a charge of \$25.00 will be made and then only if the test indicates meter accuracy within the limits of 2%.

If a meter is inaccurate in excess of 2%, whether upon periodic testing or upon requested testing, additional tests shall be made at once to determine the average error of the meter, and the adjustment shall be made in the customer's water bills as follows:

1. If the result of such tests shows an average error greater than 2% fast, the customer's bill for the period during which the meter error is known to have existed shall be recomputed and the account adjusted on the basis of the test. If the period during which the meter error existed cannot be determined, the customer's bill shall be recomputed on one-half ($\frac{1}{2}$) of the elapsed time since the last previous test, but in no event to exceed 12 months; provided, however, that if time for the periodic test has overrun to the extent the $\frac{1}{2}$ of the time elapsed since the last previous test exceed 12 months, the refund shall be for the 12 months specified above, plus those months exceeding the periodic test period; provided, further, that such refund may be limited to the 12 month period if failure to make the periodic test was due to causes beyond the control of the District.

U. At least once annually the District will monitor the usage of each customer according to the following procedure:

(N)

1. The customer's annual usage for the most recent 12-month period will be compared with the annual usage for the 12 months immediately preceding that period.
2. If the annual usage for the two periods are substantially the same or if any difference is known to be attributed to unique circumstances, such as unusual weather conditions, common to all customers, no further review will be done.
3. If the annual usages differ by 50% or more and cannot be attributed to a readily identified common cause, the District will compare the customer's monthly usage records for the 12-month period with the monthly usage for the same months of the preceding year.
4. If the cause for the usage deviation cannot be determined from analysis of the customer's meter reading and billing records, the District will contact the customer by telephone or in writing to determine whether there have been changes such as different number of household members or work staff, additional or different appliances, changes in business volume, or known leaks in the customer's service line.
5. Where the deviation is not otherwise explained, the District will test the customer's meter to determine whether it shows an average error greater than 2 percent fast or slow.

This Water User Contract, made and entered into by and between _____, known to and referred to as Customers, and Rattlesnake Ridge Water District, of P.O. Box 475, Grayson, Ky 41143 hereinafter known and referred to as Water District:

WITNESSETH:

The undersigned Customer does hereby agree to purchase water from the Water District and to pay all initial installation and connection fees, together with all standard monthly water charges which may be fixed by The Board of Commissioners of the Rattlesnake Ridge Water District and/or Utility Regulatory Commission for the Commonwealth of Kentucky. The Customer agrees to pay each consecutive monthly payment, at all appropriate rates, for water service, when due, and to further comply with, and be bound by, the provisions of the policy and/or amendments of the Water District together with such rules and regulations as may, from time to time, be adopted by the Water District.

The Customer Agrees to permit the Water District to lay, maintain, repair, remove, and disconnect a service line and meter, and read such meter at a point on Customer's property to be designated by the Water District for each meter, with the right of ingress and egress for these purposes over Customer's property, and further to grant a Water Line Easement to the Water District for the construction and operation of said water line.

The Customer will install and maintain a service line at his own expense, which service line will begin at the water meter and extend to the dwelling or other portions of Customer's property. The Customer assumes responsibility for any damage to metering equipment in making such connection to the meter or water main.
