CANCELLING P.S.C. KY. NO. 2

Original SHEET NO. 29

II. RULES AND REGULATIONS

G. WATER MAIN EXTENSIONS AND FACILITY RELOCATIONS

1. Normal Water Line Extensions. An extension of fifty (50) feet or less shall be made by the utility to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for (1) year or more. -N-
2. Other Water Line Extensions.
 - a) When an extension of the utility's main to serve an applicant or group of applicants amounts to more than fifty (50) feet per applicant, the utility will require the total cost of the excessive footage over fifty (50) feet per applicant/customer to be deposited with the utility by the applicant/customer(s), based on the average estimated cost per foot of the total extension. -N-
 - b) Each year, for a refund period of not less than ten (10) years, the utility shall refund to the customer or customers, who paid for the excessive footage the cost of fifty (50) feet of the extension in place for each additional customer connected during the year, whose service line is directly connected to the extension installed and not to extensions or laterals therefrom. Total amount refunded shall not exceed the amount paid the utility. No refund shall be made after the refund period ends.
3. Water Line Extensions for Developers. An applicant desiring to extend the District's facilities to serve a proposed development or any other area will be required to pay the entire cost of the extension. An agreement for facility extensions must be executed by the applicant, a copy of which is provided as Attachment B. -T-

CANCELLING P.S.C. KY. NO. _____

_____ SHEET NO. _____

II. RULES AND REGULATIONS

The extension agreement provides for reimbursement to the applicant who paid for the extension (therein called the Developer) the cost of fifty (50) feet of the extension in place for each meter connected directly to the subject extension. This refund method is established in lieu of the District extending the main fifty (50) feet without charge for each meter connected.

Individual service applications connected to such an extension will be in accordance with the District's approved tariffs.

4. Relocation of Water Facilities. The District may, at the request of the customer, relocate or change existing District-owned equipment. The customer shall reimburse the District for such changes at actual cost including appropriate overhead.
