DEPOSITS

The Wood Creek Water District may require a cash deposit to secure payment of bills. Service may be refused or discontinued for failure to pay the required deposit. Interest, as prescribed by KRS 278.460 will be paid annually either by refund or credit to the customers's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The deposit may be waived upon a customer's showing of satisfactory credit or payment history, and required deposits will be returned after one (1) year if the customer has established a satisfactory payment record for that period. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The District may require a deposit in addition to the initial deposit, if the customer's classification of service charge or if there is a substantial change in usage. Upon termination of service, the deposit, any principal amounts, and any interest earned and owed will be credited to the final bill with any remainder refunded to the customer.
