George Thomas  
Meade County Water Commissioner  
Route 1 Box 228  
Vine Grove, KY 40175

Dear Mr. Thomas:

Since 1988, Brandenburg City water plant has increased its pumping capacity, purchased new equipment, added additional chemicals and incurred additional labor costs in order to furnish an adequate and safe water supply for the City of Brandenburg and the Meade County Water District.

Due to the increased cost of production, it will be necessary to increase the price of water sold to the Meade County Water District from \$ 1.05 per 1,000 gallons to \$ 1.20 per 1,000 gallons effective March 1, 1990.

Very truly yours,

*Carl T. Wells*
