RATES AND CHARGES

1. These rules and regulations are in addition to the rules of Kentucky Public Service Commission.
2. Any resident of business of Barkley Lake Water District is eligible for water services from the District providing a water main is within 50 feet of his property line.
3. Customers are required to keep the area immediately surrounding the meter accessible to ensure the safety of the District's employees.
4. The District maintains the cut-off valve connected directly to the meter and shall not be used by the customer on a regular basis to shut the water off to their property. Should the cut-off valve be found to be defective because of the continuous use of the customer, a \$75.00 charge will be assessed the customer for replacement of the valve.
5. Water service will be terminated within 72 hours after receiving request from customer requesting discontinuance.
6. An application form must be completed in full by the customer prior to establishing new service. A deposit of \$75.00 is required to assure payment of the bill. Interest is credited to each active account on an annual basis or at the time of discontinuance of service. The deposit minus the final bill is refunded the following month upon discontinuance of service.
7. ~~A tap-on fee in the amount of \$450.00 shall accompany all applications for new service connections. All meters larger than 1" are charged the actual cost of material and installation. A fee of \$125.00 will be charged to move an existing meter to a different location on the property.~~
8. The customer shall be responsible for all plumbing installed on his property beginning at the outlet side of the meter. Said installation shall be in accordance with the Kentucky State Plumbing Law, Regulations and Code per KRS 318 as enforced by the Division of Plumbing of the Department of Housing, Building and Construction. Cross connections on customer's premises between the District's water system and any non-public water system are prohibited.

Fire Departments.

Any city, county, urban-county, charter county, fire protection district, or volunteer fire protection district ("User") may withdraw water from the utility's water distribution system for fighting fires or training firefighters at no charge on the condition that it maintains estimates of the amount of water used for fire protection and training during the calendar month and reports the amount of this water usage to the utility no later than the 15th day of the following calendar month.

Any User that withdraws water from the utility's water distribution system for fire protection or training purposes and fails to submit the required report on water usage in a timely manner shall be assessed the cost of this water. A User shall submit a monthly report even if it withdraws no water for fire protection or training purposes.

A non-reporting User's usage shall be presumed to be 0.3 percent of the utility's total water sales for the calendar month. A non-reporting User may present evidence of its actual usage to rebut the presumed usage. The utility shall consider this evidence and shall adjust the presumed usage amount accordingly.

The non-reporting User shall be billed for this usage at the lowest usage block rate regardless of customer classification that the utility charges.

A non-reporting User shall also be assessed a penalty of \$ 25.00 for each failure to submit a report in a timely manner.
