RULES AND REGULATIONS

NOTICE OF TROUBLE

Consumer shall give immediate notice to the Utility of any irregularities or unsatisfactory service and of any defects known to consumer.

MAINTENANCE

The Utility may at any time deemed necessary, suspend water service to any consumer or consumers for the purpose of making repairs, changes or improvements upon any part of its system. The Utility shall give reasonable notice of such suspension of service to the consumer.

The Utility shall be responsible for the maintenance of that portion of the service line installed by the Utility and the consumer shall be responsible for the maintenance of that portion thereof installed by the consumer.

- A. All taps and connections to the mains of the District shall be made by and/or under the direction and supervision of District personnel.
- B. Water service may be discontinued by the District for any violation of any rule, regulation, or condition, and especially for any of the following reasons:
 1. Misrepresentation in the application or contract as to the property or fixtures to be supplied or additional use to be made of water.
 2. Failure to report to the District additions to the property or fixtures to be supplied or additional use to be made of water.
 3. Resale of water.
 4. Waste or misuse of water due to improper or imperfect service pipes and/or failure to keep such pipes in a suitable state of repair.
 5. Tampering with meter, meter seal, service, or valves, or permitting such tampering by others.

RULES AND REGULATIONS

days from the past due date), the water supply to the customer may be discontinued without further notice; provided, however, if prior to discontinuance of service, there is delivered to the District, or to its employee empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer that, in the opinion of the illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of the District's receipt of said certification, whichever occurs first.

- F. Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of \$25.00 will be made for reconnection of water service, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the District have been paid. Water service larger than 5/8" x 3/4" will require \$25.00 reconnection charge.
- G. All meters shall be installed, renewed, and maintained at the expense of the District, and the District reserves the right to determine the size and type of meter used. The District requires a \$15.00 non-refundable connection fee to customers where water taps already exist, but service has been disconnected at the previous customer's request.
- H. The District reserves the right to require that a nominal amount be placed on deposit with the District for the purpose of establishing or maintaining any customers' credit. Such amount is not to exceed two-twelfth's (2/12) of the estimated annual bill of such customers. Upon payment of the deposit, the District shall issue a receipt showing the name of the customer, the date and the amount of deposit and the location of the initial premises occupied by the customer.
