P.S.C. KY. NO. 2

Original SHEET NO. 36

CANCELLING P.S.C. KY. NO. 1

SHEET NO. 34

Cumberland County Water District
(Name of Utility)

RULES AND REGULATIONS

- 14. Piping on the premises of the applicant/customer must be installed so that connections are conveniently located with respect to the utility's lines and mains. A place must be provided for metering that is unobstructed and accessible at all times.
- 15. The utility may require the applicant/customer, at his/her own expense, to install a back-flow preventor and/or pressure regulator.
- 16. All meters will be installed, renewed, and maintained at the expense of the utility, and the utility reserves the right to approve the size and type of meter used.
- 17. All taps and connections to the mains of the utility must be made by and/or under the direction and supervision of utility personnel and will incur a meter connection/tap-on charge, an amount that has been approved by the Public Service Commission for such service. Payment of this fee is for the privilege of connecting to the water system and the payment of the fee does not constitute the purchase of a water meter.
- 18. Should an applicant requesting a 5/8" x 3/4" meter require service on the opposite side of the road from the water main, the utility will provide the service at no additional cost to the customer other than the standard meter connection/tap-on charge. All larger size meters will be charged the actual cost of installing the meter, including, when applicable, the additional costs for crossing the road.
- 19. Any customer having boilers and/or pressure vessels that receive water from the utility must have a check valve on the water supply line and a vacuum valve on the steam line in order to prevent a collapse were the water supply from the utility be interrupted or discontinued.

V. Leak Adjustments. A customer may make a request for a bill adjustment in the event of a leak under the following conditions:

- 1. The customer must request a leak adjustment from the utility.

Original SHEET NO. 37

CANCELLING P.S.C. KY. NO. 1

SHEET NO. 35

Cumberland County Water District
(Name of Utility)

RULES AND REGULATIONS

- 2. The customer must demonstrate that the leak has been repaired, by inspection by an employee of CCWD/repair bill copies/supply bill copies.
- 3. The customer will be credited for one-half of the usage over 20,000 gallons, and the bill will be recalculated based on the adjusted usage.
- 4. The customer or their representative must sign the leak adjustment.
- 5. Only one (1) leak adjustment will be made per twelve (12)-month period.

CANCELLED
NOV 15 2013
KENTUCKY PUBLIC
SERVICE COMMISSION

W. Ownership of Mains, Services, and Appurtenances:

- 1. All mains, flush hydrants, valves, crossings, and other appurtenances are and shall remain the property of the utility, whether installed by the utility or the customer.
- 2. All service lines from the main to the meter with appurtenances are and shall remain the property of the utility, whether installed by the utility or the customer.
- 3. The customer shall install, own, and maintain his/her service line from the meter (or point of delivery) to the point of usage.

X. Notification of System Problems: The customer shall notify the utility immediately should the service be unsatisfactory for any reason, or should there be any defects, problems, trouble, or accidents affecting the water system.
