CONTRACT FOR WATER SERVICE

Date: \_\_\_\_\_ Name: \_\_\_\_\_

Phone: \_\_\_\_\_ S.S.# \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Application for water service is accepted by and between the undersigned and the Cumberland Falls Highway Water District with the following stipulations and agreements:

1. Public Service Commission rules and regulations as set forth in 807 KAR 5 and Kentucky Department for Natural Resources, Division of Water standards and laws must be observed and adhered to and may be viewed upon request by the applicant.
2. The applicant agrees to present a valid photo ID at the time this application for service is signed. The applicant agrees to pay an \$85.00 meter deposit which will be refunded with interest when the applicant ceases to be a customer and all accounts are paid in full, or 12 monthly payments have been made and NO payments during that time have been paid after the close of business on the 10<sup>th</sup> of each and every month. Also a \$15.00 non-refundable service charge is due upon the signing of this contract. In the case of a new service, a \$551.00 tap fee must be paid in advance. Tap fees are not refundable.
3. **ONLY ONE HOUSEHOLD MAY BE SERVED BY ONE METER.** The District reserves the right to terminate service at the meter if the addition of other dwellings is noted.
4. Water District employees, possessing proper ID have the right of egress and ingress for meter reading, maintenance and repairs as they are warranted. Water District employees must have clear access at all times to the water meters. **If for any reason a meter can not be read due to negligence on the part of the customer water will be disconnected at the main water line.**
5. Water bills are due to be paid between the 1<sup>st</sup> and the 10<sup>th</sup> of each and every month. If the bill is not paid in full by the close of business on the 10<sup>th</sup>, a 10% penalty is added to the amount due. **If the total amount due is not paid in full by 4:00 PM on the 20<sup>th</sup> service will be disconnected and the total amount due plus a \$25.00 reconnect fee must be paid in full by the applicant (Photo ID must be shown) before service will be restored.** The District will accept checks, cash or money orders for payments of water bills but reserves the right to demand payments by cash **only** if a customer has had 3 checks returned for any reason within an 12 month period. Any tampering with meters or locks will result in legal action against the signer of this contract.
6. The water customer is responsible for water service lines from the meter to the dwelling. Installation, repairs and all water loss are the responsibility of the customer.

7. Customer service lines and connections must be inspected by Water District personnel to insure against cross connections and inadequate materials for drinking water.
8. Customer service lines must be of at least ¾" pipe or larger and must be 200 PSI. Service lines must be buried at least 24 inches deep to prevent freezing.
9. No galvanized fittings may be used on customer lines.
10. A cut-off valve must be installed outside the meter box on the customer's service line for their own use.
11. A check valve to prevent back flow in case of water outage must be installed on the customer's water line.
12. A permit from the local Health Department must be shown before installation of a meter for a new service.
13. The water District agrees to supply potable water with adequate pressure to the customer's meter. If water must be off for a planned outage, customers will be notified as soon as possible. In case of an emergency water line repair or unforeseen water outage, water will be restored as soon as possible.
14. When a customer requests that service be turned on in a dwelling the customer must first make sure that all sources of water supply are **OFF** before water will be turned on. By signing this contract the customer is responsible for any and all damages to the dwelling caused by negligence. The District will not be responsible for any damages caused by water due to faucets or spigots being left on. If the meter continues to run after being given enough time to let service lines, water heaters, etc to fill up, the meter will be turned off and the customer will have to pay an additional service charge of \$15.00 to have the meter turned back on.
15. Upon filling contract terms and desiring to discontinue water service the customer must give written notice of discontinuance at the District office at least 3 days prior to the date in which disconnection is desired. If such notice is not given the customer will remain liable for all water used and services rendered to the premises by the District until said notice is received by the District office.
16. It is the responsibility of the customer to inform the District office by written notice of any address changes that may affect the distribution of the customer's monthly water bill. **NON-RECEIPT OF THE WATER BILL DOES NOT EXEMPT LIABILITY.** If for any reason you have not received your water bill by the 1<sup>st</sup> day of each month you may call the office and with proper verification of indentity, request the amount of your bill so payment can be made before any penalties are assessed.
