PURCHASED WATER ADJUSTMENT APPLICABLE TO ALL RATE SCHEDULES

The rate authorized herein are based upon the wholesale cost of water to the Applicant as computed upon rates of its wholesale suppliers then currently in effect under valid contracts or under wholesale tariffs of this Commission. For the purpose of this purchased water adjustment clause, these rates shall be considered as the base rate for purchased water. In the event there is an increase in this base rate the Applicant shall file with this Commission the following information:

- (1) A copy of the wholesale supplier tariff or wholesale tariff of this Commission effecting the change in the base rate and a statement relative to the effective date of such proposed change.
- (2) A statement setting out the details of water purchased under the provision of the base rate for the previous twelve months showing billing under the base rate and under the proposed revised rate applicable to this service.
- (3) A statement setting out the details of water sold for the previous twelve months.
- (4) A balance sheet as of the end of the latest twelve month period and a statement of operating expenses and revenues in the same detail as reported to this Commission in the Utility's Annual Report.
- (5) Such other information as this Commission may request for a proper determination of the purchased water adjustment.

In the event there is a decrease in purchased water costs or refund, the Applicant shall file the information required in 1,2, and 4 above.

Upon receipt of this information, this Commission will review the effect of the revised rate on the operation of the Applicant and will issue its Order setting out the purchased water adjustment that the Utility shall apply to its rates.

RULES AND REGULATIONS

(1) The "Refundable Amount" shall be the amount received by the Company as a refund. Such Refundable Amount shall be divided by the number of cubic feet/gallons of water that Company estimated it will sell to its customers during the four-month period commencing with the first day of the month following receipt of the refund, thus determining a "Refund Factor".

(2) Effective with meter readings taken on and after the first day of the second month following receipt of the refund, the Company will reduce by the Refund Factor so determined and Purchased Water Adjustment that would otherwise be applicable during such period. Provided, however, that the period of reduced Purchased Water Adjustment will be adjusted, if necessary, in order to refund as nearly as possible the Refundable Amount.

(3) In the event of any large or unusual refunds, the Company may apply to the Utility Regulatory Commission for the right to depart from the refund procedure herein set forth.

The base rate for purchased water for the future application of this Purchased Water Adjustment Clause is:

<u>Supplier</u>	<u>Rate</u>
City of Falmouth, Kentucky	\$1.40 per 1,000 gallons
