CLASSIFICATION OF SERVICE:  
RATES, SURCHARGES AND MONTHLY CHARGES

(1)

2. Rates and Charges;

- a. **Customer Meter Charge:** Each customer shall pay this charge monthly for each month in which part of the month the account was active. This charge applies to all customer classes including Wholesale accounts. The full charge shall apply regardless of how many days in that month the account was active. The charge is required to recover all costs associated with providing a customer meter and service connection, testing the meter periodically, obtaining a meter reading monthly, preparing a bill and presenting to the customer and collecting payment of the current bill amount. The charge recovers all costs of service including overhead amounts such as payroll taxes, personnel benefits, capital equipment, depreciation on capital equipment and debt service to finance equipment. The charge varies by the meter size and the charges per month are;

Meter Size	Monthly Charge
5/8 Inch	\$5.02
3/4 Inch	\$7.53
1.0 Inch	\$12.55
1.5 Inch	\$25.10
2.0 Inch	\$40.16
3.0 Inch	\$75.30

- i. **Customer Requested Change in Meter Size:** A customer may request a smaller or larger size meter. The customer will be required to pay any additional charges for Meter Connect Fees as shown on Sheet No. 7 in this tariff. The customer requesting a smaller size meter must accept the reduced flow volume at the service address and the District will not be responsible to know or calculate the impact to the customers plumbing demands or fixture flow rates.
- b. **Private Fire Line or Hydrant:** Customers who require a dedicated fire protection main or fire hydrant for their address for fire protection purposes must pay a monthly charge for this service. This charge recovers the cost to the District to pay for larger facilities than would normally be needed for potable, domestic water use and ensure that higher flow rates are available for those customers that demand stand-by fire protection. The charge also recovers

d. **Wholesale Rate:** The wholesale rate shall apply to all water used and shall be based on each 1,000 gallons used and shall be rounded for amounts smaller than 1,000 gallons depending on the capabilities of the District's billing software. The rate are as follows;

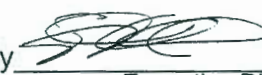

i. **All water used** = **\$1.92 per 1,000 gallons**

ii. All other terms and conditions for a Wholesale Customer are included in the Wholesale Users Agreement which a sample of is included in this tariff. Each wholesale customer must sign the agreement which shall also include the rate and volume of water that will be provided and what are the responsibilities of both the customer and the District.

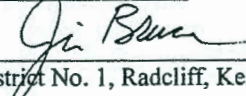

e. **Late Penalties:** All customers who do not pay the amount due by the due date will be assessed an additional ten (10) percent as a late charge to the previous outstanding balance. Said late charge shall apply to all charges, fees or prior penalties included in the outstanding balance on the due date. In order to avoid a late penalties being added, the payment must be received at the District office on the due date shown on the customer bill. If the due date falls on a holiday when District offices are closed, the payment must be received on the first business day prior to the due date. The District cannot be responsible for slow mail delivery, lost mail or other causes beyond the District's control which may make the payment arrive after the due date.

3. **Estimated Bills:** If a meter reading cannot be obtained because the meter is not working, or access to the meter has been denied due to weather or customers causes, the District may determine the customers water use and prepare a bill using an estimated use. The method of estimating will normally use a three (3) month average, however the District reserves the right to use other methods or calculations. If a bill is estimated, it will be noted on the bill.
