- d. **Wholesale Rate:** The wholesale rate shall apply to all water used and shall be based on each 1,000 gallons used and shall be rounded for amounts smaller than 1,000 gallons depending on the capabilities of the District's billing software. The rate is as follows;
- i. All water used = \$0.00335 per gallon (l)
- ii. All other terms and conditions for a Wholesale Customer are included in the Wholesale Users Agreement which a sample of which is included in this tariff. Each wholesale customer must sign the agreement which shall also include the rate and volume of water that will be provided and what are the responsibilities of both the customer and the District.
- e. **Late Penalties:** All customers who do not pay the amount due by the due date will be assessed an additional ten (10) percent as a late charge to the previous outstanding balance. Said late charge shall apply to all charges, fees or prior penalties included in the outstanding balance on the due date. In order to avoid a late penalties being added, the payment must be received at the District office on the due date shown on the customer's bill. If the due date falls on a holiday when District offices are closed, the payment must be received on the first business day prior to the due date. The District cannot be responsible for slow mail delivery, lost mail or other causes beyond the District's control which may make the payment arrive after the due date.
3. **Estimated Bills:** If a meter reading cannot be obtained because the meter is not working, or access to the meter has been denied due to weather or customers causes, the District may determine the customers water use and prepare a bill using an estimated use. The method of estimating will normally use a three (3) month average, however the District reserves the right to use other methods or calculations. If a bill is estimated, it will be noted on the bill.
