RULES AND REGULATIONS

The following Rules and Regulations were adopted by the Board of Directors of the Harrison County Water Association, Inc., at a regularly held meeting on May 30, 1979, at which all seven (7) members of the Board of Directors were present. Resolution passed by unanimous vote.

RULES AND REGULATIONS

- 1. All taps and connections to the mains of the Association shall be made by and/or under the direction and supervision of Association personnel.

All meters will be located near Association mains. Extension of service from the meter shall be at the expense of customer and by the customers arrangements, subject to Association approval, and in accordance with the Associations Rules and Regulations and the regulations of the Department of Health. In addition, the customer shall be responsible for maintenance of the service line from the meter to the point of use. Extension of service to new customers shall be in accordance with the connection fee approved by the Utility Regulatory Commission.

All meters shall be installed, renewed and maintained at the expense of the Association and the Association reserves the right to determine the size and type of meter used.

- 2. Water service may be discontinued by the Association for any violation of any rule, regulation, or condition of service and especially for any of the following reasons:

- A. Misrepresentation in the application or contract as to the property or fixtures to be supplied or additional use to be made of water.
- B. Failure to report to the Association additions to the property or fixtures to be supplied or additional use to be made of water.
- C. Resale of water.

RULES AND REGULATIONS

- D. Waste or misuse of water due to improper or imperfect service pipes and/or failure to keep in suitable state of repair.
- E. Tampering with meter, meter seal, service, or valves or permitting such tampering by others.
- F. Connection, cross-connection, or permitting the same, of any separated water supply to premises which receive water from the Association.
- G. Non-payment of bills.

3. Each meter will be read monthly by the Association unless weather conditions prevent such reading in which case the customer will be billed on an estimate based on past usage.

Bills will be dated and mailed the first of each month and shall cover the 30 day period of usage to the 15th day of the previous month. Said bills will state that they are due by the 10th day of the month mailed and they are delinquent and past due if not paid within 10 days of the mailing date. Written notice shall be given that service will be discontinued when a bill becomes delinquent. Ten days after written notice is given but not less than 30 days after the mailing date of the original bill, service may be discontinued in conformity with applicable KRS and KAR sections, unless the amount of the delinquent bill is paid in full to the Association.

- A. The mailing address of the Association shall be P.O. Box 215, Cynthiana, Kentucky 41031.
- B. Water bills may be paid by mailing remittance to Harrison County Water Association, Inc., P.O. Box 215, Cynthiana, Kentucky 41031, or by delivering remittance to the home office of the Association or other designated depositories.
- C. Bills and notices relating to the conduct of the business of the Association will be mailed to the customer at the address listed on the user's agreement unless a change of address has been filed in writing with the Association and the Association shall not otherwise be responsible for delivery

RULES AND REGULATIONS

- D. Where the water supply to the customer has been discontinued for non-payment of delinquent bills, violations of the rules and regulations of the Association or at the customers request, a charge of \$25.00 will be made for reconnection of water service, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the Association have been paid, and the customer has complied with all rules and regulations of the Association.
- E. An expense charge of 10% will be added to all unpaid bills after 30 days from the date of the bill.
- 4. Any customer desiring to discontinue the water service to his premises for any reason must give notice of discontinuance at the business office of the Association; otherwise, a customer shall remain liable for all water used and service rendered by the Association until said notice is received.
- 5. Where a meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed for billing purposes will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register.
- 6. The Association shall make all reasonable efforts to eliminate interruption of service and when such interruptions occur will endeavor to reestablish service with the shortest possible delay. When the service is interrupted all customers affected by such interruption will be notified in advance whenever it is possible to do so.
- 7. The Association shall in no event be held responsible for any claim made against it by reason of the breaking of any mains or service pipes or by reason of any other interruption of the supply of water caused by the failure of machinery or stoppage for necessary repairs. No person shall be entitled to damages nor for any portion of a payment refunded for any interruption of service which in the opinion of the Association may be deemed necessary.
- 8. Customers having boilers, water heaters and/or pressure vessels receiving a supply of water from the Association should have a check valve on the water supply line and a vacuum valve on the steam line.

RULES AND REGULATIONS

to prevent collapse in case the water supply from the Association is discontinued or interrupted for any reason, with or without notice.

- 9. The premises receiving a supply of water and all service lines, meters and fixtures, including any fixtures within said premises, shall at all reasonable hours be subject to inspection by the Association after reasonable notice.
- 10. If any loss or damage to the property of the Association or any accident or other injury to persons or property is caused by or results from the negligence or wrongful action of the customer, member of his household, his agent or employee, the cost of the necessary repairs or replacements shall be paid by the customer to the Association and any liability otherwise resulting shall be that of the customer.
- 11. Water furnished by the Association may be used for domestic consumption or in the operation of the business of the customer, member of his household, and employees only, except for water obtained from an authorized bulk loading station. The customer shall not sell the water to any other person.
- 12. Complaints may be made to the operating manager of the system whose decision may be appealed to the Board of Directors of the Association within ten days, by appearing at a scheduled meeting of the Board or giving written notice of their intent to appeal to the Board, otherwise, the operator's decision will be final.

I, Sallie W. Sims, Secretary of the Harrison County Water Association, Inc., hereby certify that this is a true and exact copy of the Resolution passed by the Board of Directors on the 30th day of May, 1979.

Witness my hand, this the 7th day of June, 1979.
