DISCONTINUANCE OF SERVICE BY UTILITY

The Utility may refuse or discontinue service to an applicant or customer, after the proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for nonpayment of bills. If discontinuance is for non-payment of bills, the customer shall be given at least forty-eight (48) hours written notice, separate from the original bill, and cut-off shall be effected not less than twenty (20) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the Utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may not be effected until affected resident can make other living arrangements or until not less than ten (10) days elapse from the date of the Utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that the Utility notify the customer or applicant immediately of the reasons for discontinuance or refusal and the corrective action to be taken by the applicant or customer before service can be rendered.

RULES AND REGULATIONS

TRAILER PARKS

Trailer parks existing on October 1, 1978 and expansions thereof will be served through a master meter assigned to the trailer park owner who will be responsible for the water bill for the entire trailer park and for the appropriate tap fee paid in order to receive service through the master meter. The owner of the trailer park shall install and/or pay all costs for installing the lines and master meter as necessary to provide service to each trailer space. Maintenance of the lines within the park will be the owner's responsibility. The minimum rate charged by the Utility shall be determined by the Utility's engineers based upon the size of the trailer park (number of units).

Trailer parks established after October 1, 1978 shall be individually metered and each mobile home shall have its own water tap and meter.
